ARTICLE 1

General Provisions

PART 1

GENERAL PROVISIONS

19-1-101. Short title. This title shall be known and may be cited as the "Colorado Children's Code".

Source: L. 87: Entire title R&RE, p. 695, § 1, effective October 1.

Editor's note: This section was contained in a title that was repealed and reenacted in 1987. This section, as it existed in 1987, is the same as 19-1-101 as said section existed in 1986, the year prior to the repeal and reenactment of this title.

19-1-102. Legislative declaration. (1) The general assembly declares that the purposes of this title are:

(a) To secure for each child subject to these provisions such care and guidance, preferably in his own home, as will best serve his welfare and the interests of society;

(b) To preserve and strengthen family ties whenever possible, including improvement of home environment;

(c) To remove a child from the custody of his parents only when his welfare and safety or the protection of the public would otherwise be endangered and, in either instance, for the courts to proceed with all possible speed to a legal determination that will serve the best interests of the child; and

(d) To secure for any child removed from the custody of his parents the necessary care, guidance, and discipline to assist him in becoming a responsible and productive member of society.

(1.5) (a) The general assembly declares that it is in the best interests of the child who has been removed from his own home to have the following guarantees:

- (I) To be placed in a secure and stable environment;
- (II) To not be indiscriminately moved from foster home to foster home; and
- (III) To have assurance of long-term permanency planning.

(b) (Deleted by amendment, L. 92, p. 220, § 1, effective July 1, 1992.)

(1.6) The general assembly recognizes the numerous studies establishing that children undergo a critical bonding and attachment process prior to the time they reach six years of age. Such studies further disclose that a child who has not bonded with a primary adult during this critical stage will suffer significant emotional damage which frequently leads to chronic psychological problems and antisocial behavior when the child reaches adolescence and adulthood. Accordingly, the general assembly finds and declares that it is appropriate to provide for an expedited placement procedure to ensure that children under the age of six years who have been removed from their homes are placed in permanent homes as expeditiously as possible.

(1.7) The general assembly further declares that it is the intent of the general assembly to have the media and the courts refrain from causing undue hardship, discomfort, and distress to any juvenile victims of sexual assault, child abuse, incest, or any offenses listed in wrongs to children pursuant to part 4 of article 6 of title 18, C.R.S., by not disseminating or publishing the names of such victims.

(1.9) The federal "Family First Prevention Services Act" was enacted on February 9, 2018. In order to comply with the provisions of the federal "Family First Prevention Services Act", the general assembly finds that it is necessary to update current statutes to enable Colorado to provide enhanced support to children, juveniles, or youth, and their families in order to prevent foster care placements. The state department of human services shall implement the updated provisions in this title 19 utilizing prevention services and qualified residential treatment programs when the federal government approves Colorado's five-year Title IV-E prevention plan, and subject to available general fund appropriations or federal funding.

(2) To carry out these purposes, the provisions of this title shall be liberally construed to serve the welfare of children and the best interests of society.

19-1-104. Jurisdiction. (1) Except as otherwise provided by law, the juvenile court has exclusive original jurisdiction in proceedings:

- (a) Concerning any child committing a delinquent act, as defined in section 19-2.5-102;
 - (b) Concerning any child who is neglected or dependent, as set forth in section 19-3-102;
 - (c) To determine the legal custody of any child or to appoint a guardian of the person or legal custodian of any child who comes within the juvenile court's jurisdiction under provisions of this section, and may also enter findings and orders as described in section 14-10-123 (1.5) and section 15-14-204 (2.5);
 - (d) To terminate the legal parent-child relationship;
 - (e) For the issuance of orders of support under article 6 of this title;
 - (f) To determine the parentage of a child and to make an order of support in connection therewith;
 - (g) For the adoption of a person of any age;
 - (h) For judicial consent to the marriage, employment, or enlistment of a child, when such consent is required by law;
 - (i) For the treatment or commitment pursuant to article 23 of title 17 and part 2 of article 10 of title 25.5 of a child who has a behavioral or mental health disorder or an intellectual and developmental disability and who comes within the court's jurisdiction under other provisions of this section;
 - (j) Under the interstate compact on juveniles, part 7 of article 60 of title 24, C.R.S.;
 - (k) To make a determination concerning a petition filed pursuant to the "School Attendance Law of 1963", article 33 of title 22, C.R.S., and to enforce any lawful order of court made thereunder;
 - (l) To make a determination concerning a petition for review of need for placement in accordance with the provisions of section 19-1-115 (8);
 - (m) To decide the appeal of any child found to be in contempt of a municipal court located within the jurisdiction of the juvenile court, if confinement of the child is ordered by the municipal court;
 - (n) Concerning any youth who is voluntarily participating in the foster youth in transition program established in section 19-7-303.
- (1.5) A juvenile court exercising jurisdiction pursuant to subsection (1)(a), (1)(b), (1)(c), (1)(f), or (1)(g) of this section may enter findings establishing eligibility for classification as a special immigrant juvenile under federal law.

(2) Except as otherwise provided by law, the juvenile court shall have jurisdiction in proceedings concerning any adult who abuses, ill-treats, neglects, or abandons a child who comes within the court's jurisdiction under other provisions of this section.

(3) (a) Upon hearing after prior notice to the child's parent, guardian, or legal custodian, the court may issue temporary orders providing for legal custody, protection, support, medical evaluation or medical treatment, surgical treatment, psychological evaluation or psychological treatment, or dental treatment as it deems in the best interest of any child concerning whom a petition has been filed prior to adjudication or disposition of his case.

(b) Notwithstanding the provisions of paragraph (a) of this subsection (3), the court may, on the basis of a report that a child's welfare may be endangered, and if the court believes that a medical evaluation or emergency medical or surgical treatment is reasonably necessary, issue ex parte emergency orders. Where the need for a medical evaluation or medical or surgical emergency orders arises and the court is not in regular session, the judge or magistrate may give oral or telephone authorization for the necessary medical evaluation or emergency medical, surgical, or hospital care, which authorization shall have the same force and effect as if written, the same to be followed by a written order to enter on the first regular court day thereafter. Such written order shall make specific findings of fact that such emergency existed. Prior to the entry of any emergency order, reasonable effort shall be made to notify the parents, guardian, or other legal custodian for the purpose of gaining consent for such care; except that, if such consent cannot be secured and the child's welfare so requires, the court may authorize needed medical evaluation or emergency medical, surgical, or hospital care. Such ex parte emergency orders shall expire twenty-four hours after issuance; except that, at any time during such twenty-four-hour period, the parents, guardian, or other legal custodian may apply for a hearing to set aside the ex parte emergency order.

(4) Nothing in this section shall deprive the district court of jurisdiction to appoint a guardian for a child nor of jurisdiction to determine the legal custody of a child upon writ of habeas corpus or when the question of legal custody is incidental to the determination of a cause in the district court; except that:

(a) If a petition involving the same child is pending in juvenile court or if continuing jurisdiction has been previously acquired by the juvenile court, the district court shall certify the question of legal custody to the juvenile court; and

(b) The district court at any time may request the juvenile court to make recommendations pertaining to guardianship or legal custody.

(5) Where a custody award or an order allocating parental responsibilities with respect to a child has been made in a district court in a dissolution of marriage action or another proceeding and the jurisdiction of the district court in the case is continuing, the juvenile court may take jurisdiction in a case involving the same child if the child comes within the jurisdiction of the juvenile court. The juvenile court shall provide notice in compliance with the Colorado rules of civil procedure; except that service must be effected not less than seven business days prior to the hearing. The notice must be written in clear language stating that the hearing concerns the allocation of parental responsibilities. When creating or modifying an existing order, the juvenile court shall proceed as set forth in subsection (6) of this section for a dependency and neglect proceeding pursuant to article 3 of this title 19, or as set forth in subsection (8) of this section for a juvenile delinquency case pursuant to article 2.5 of this title 19.

(6) When the juvenile court maintains jurisdiction in a case involving a child who is dependent or neglected and no child custody action or action for the allocation of parental responsibilities concerning the same child is pending in a district court in this state, upon the petition of a party to the dependency or neglect case, the juvenile court may enter an order allocating parental responsibilities and addressing parenting time and child support matters. The parent or person other than a parent with whom the child resides the majority of the time pursuant to the juvenile court's order shall file a certified copy of the order in the district court in the county where the child is permanently resident. Such order shall be treated in the district court as any other decree issued in a proceeding concerning the allocation of parental responsibilities.

(7) Upon motion of the city or county attorney, guardian ad litem, counsel for youth, or respondent parent counsel, the district or the juvenile court has jurisdiction to enter a civil protection order pursuant to article 14 of title 13 in actions brought pursuant to article 3 of this title 19 or part 3 of article 7 of this title 19. The court shall use the standardized forms developed by the judicial department pursuant to section 13-1-136 and shall follow the standards and procedures for the issuance of civil protection orders set forth in article 14 of title 13, including but not limited to personal service upon the restrained person. Once issued, the clerk of the issuing court shall enter the civil protection order into the computerized central registry of protection orders created pursuant to section 18-6-803.7. If the person who is the subject of the civil protection order has not been personally served pursuant to section 13-14-107 (3), a peace officer responding to a call for assistance shall serve a copy of the civil protection order on the person who is subject to the order. If the civil protection order is made permanent pursuant to the provisions of section 13-14-106, the civil protection order remains in effect upon termination of the juvenile court action. The clerk of the court issuing the order shall file a certified copy of the permanent civil protection order into an existing case in the district court, if applicable, or with the county court in the county where the protected party resides. Civil protection orders issued by the district or the juvenile court pursuant to article 14 of title 13 have the same force and effect as protection orders issued pursuant to article 14 of title 13 by a court with concurrent jurisdiction.

(8) (a) Upon submission of a stipulated agreement of all parties, parents, guardians, and other legal custodians, if the juvenile court finds that it is in the best interests of the juvenile, the juvenile court may enter an order allocating parental responsibilities and addressing parenting time and child support matters when:

(I) The juvenile court has maintained jurisdiction in a case involving an adjudicated juvenile, a juvenile with a deferred adjudication, or a juvenile on a management plan developed pursuant to section 19-2.5-704 (3);

(II) A child custody action, a dependency and neglect action, or an action for allocation of parental responsibilities concerning the same juvenile is not pending in a district court of this state, and the court complies, as applicable, with the requirements of the "Uniform Child-custody Jurisdiction and Enforcement Act", as set forth in article 13 of title 14; and

19-1-108. Magistrates - qualifications - duties. (1) The juvenile court may appoint one or more magistrates to hear any case or matter under the court's jurisdiction, except where a jury trial has been requested pursuant to section 19-2.5-610 and in transfer hearings held pursuant to section 19-2.5-802. Magistrates shall serve at the pleasure of the court, unless otherwise provided by law.

(2) Every magistrate appointed pursuant to this section shall be licensed to practice law in Colorado; except that county judges who are not lawyers may be appointed to serve as magistrates, as authorized by section 13-6-105 (3), C.R.S., to hear detention and bond matters.

(3) (a) Repealed.

(a.5) Magistrates shall conduct hearings in the manner provided for the hearing of cases by the court. During the initial advisement of the rights of any party, the magistrate shall inform the party that, except as set forth in this subsection (3), the party has the right to a hearing before the judge in the first instance and the party may waive that right but that, by waiving that right, the party is bound by the findings and recommendations of the magistrate, subject to a request for review as set forth in subsection (5.5) of this section. The right to require a hearing before a judge does not apply to hearings at which a child is advised of his or her rights pursuant to section 19-2.5-605; detention hearings held pursuant to sections 19-2.5-303, 19-2.5-304, and 19-2.5-305; preliminary hearings held pursuant to section 19-2.5-609; temporary custody hearings held pursuant to section 19-3-403; proceedings held pursuant to article 4 of this title 19; and support proceedings held pursuant to article 6 of this title 19. In proceedings held pursuant to article 4 or 6 of this title 19, contested final orders regarding allocation of parental responsibilities may be heard by the magistrate only with the consent of all parties.

(b) In proceedings pursuant to article 2.5 of this title 19, the right to require a hearing before a judge is deemed waived unless a request is made by any party that the hearing be held before a judge at the time the matter is set for hearing.

(c) In proceedings under article 3 of this title, the right to require a hearing before a judge is waived unless:

(I) A request is made by a party or the people of the state of Colorado that the hearing be held before the judge at the time the matter is set for hearing, if counsel for the party is present at the time the matter is set; or

(II) A request is made by a party or the people of the state of Colorado in writing within seven days after receipt of notice of the setting if the matter is set for hearing outside of the presence of counsel for a represented party or if the matter is set on notice.

(4) At the conclusion of a hearing, the magistrate shall:

(a) Advise the parties before him of his findings and ruling;

(b) Advise the parties of their right to review by the judge of his findings and ruling;

(c) Prepare findings and a written order that shall become the order of the court, absent a petition for review being filed as provided in subsection (5.5) of this section; and

(d) Advise the parties that they have a right to object to an order allowing the review of any decree for placement of a child to be conducted as an administrative review by the department of human services and that if any party objects to administrative review, the court shall conduct the review.

(5) Repealed.

(5.5) A request for review must be filed within fourteen days for proceedings under articles 2.5, 4, and 6 of this title or within seven days for proceedings under article 3 of this title

after the parties have received notice of the magistrate's ruling and must clearly set forth the grounds relied upon. Such review is solely upon the record of the hearing before the magistrate and is reviewable upon the grounds set forth in rule 59 of the Colorado rules of civil procedure. A petition for review is a prerequisite before an appeal may be filed with the Colorado court of appeals or Colorado supreme court. The judge may, on his or her own motion, remand a case to another magistrate after action is taken on a petition for review.

(6) A magistrate may issue a lawful warrant taking a child into custody pursuant to section 19-2.5-204 and may issue search warrants as provided in sections 19-1-112 and 19-2.5-205.

(4) The search warrant shall be directed to any officer authorized by law to execute it in the county wherein the place to be searched is located.

(5) The warrant shall state the grounds or probable cause for its issuance and the names of the persons whose affidavits have been taken in support thereof.

Editor's note: This section was contained in a title that was repealed and reenacted in 1987. Provisions of this section, as it existed in 1987, are similar to those contained in 19-2-104 as said section existed in 1986, the year prior to the repeal and reenactment of this title.

19-1-113. Emergency protection orders. (1) The juvenile court is authorized to issue an ex parte written or verbal emergency protection order for the protection of a child pursuant to this section. A judge or magistrate shall be available in the juvenile court in each judicial district to issue by telephone emergency protection orders at all times when the juvenile court is otherwise closed for judicial business.

(2) Any person who has the responsibility of supervising a child placed out of the home by court order may seek an emergency protection order, through a P.O.S.T.-certified peace officer, when such person asserts reasonable grounds to believe that the child is in immediate and present danger based on an allegation that the child is absent without permission from the court-ordered placement.

(3) An emergency protection order may include, but need not be limited to:

(a) Restraining a person from threatening, molesting, or injuring the child;
(b) Restraining a person from interfering with the supervision of the child;
(c) Restraining a person from having contact with the child or the child's court-ordered residence;

(d) Restraining a person from harboring a child who is absent without permission from a court-ordered placement.

(4) An emergency protection order shall expire not later than the close of judicial business on the next day of judicial business following the day of issue, unless otherwise continued by the court. With respect to any continuing order, on two days' notice to the person who obtained the emergency protection order or on such shorter notice to that person as the court may prescribe, the responding person may appear and move for its dissolution or modification. The motion to dissolve or modify the emergency protection order shall be set for hearing at the earliest possible time and shall take precedence over all matters except any emergency protection orders issued earlier, and the court shall determine such motion as expeditiously as the ends of justice require.

(5) (a) An emergency protection order may be issued only if the issuing judge or magistrate finds that an imminent danger exists to the welfare of a child based on an allegation that the child is absent without permission from the court-ordered placement. A verbal order shall be reduced to writing and signed by the peace officer through whom the emergency order was sought and shall include a statement of the grounds for the order asserted through the

P.O.S.T.-certified peace officer. An order initially written shall meet the same requirement as an order issued verbally.

(b) The emergency protection order shall be served upon the respondent with a copy given to the person who sought the order and filed with the juvenile court as soon as practicable after issuance. If any person named as a respondent in an order issued pursuant to this section has not been served personally with the order but has received actual notice of the existence and substance of the order from any sheriff, deputy sheriff, or police officer, any act in violation of the order may be deemed by the juvenile court a violation of the order and as such may be sufficient to subject the respondent to the order to any penalty for such violation. If the law enforcement agency having jurisdiction to enforce the emergency protection order has cause to believe that a violation of the order has occurred, it shall enforce the order.

(6) The issuance of an emergency protection order shall not be considered evidence of any wrongdoing.

(7) A law enforcement officer who acts in good faith and without malice shall not be held civilly or criminally liable for acts performed pursuant to this section.

19-1-114. Order of protection. (1) The court may make an order of protection in assistance of, or as a condition of, any decree authorized by this title. The order of protection may set forth reasonable conditions of behavior to be observed for a specified period by the parent, guardian, legal custodian, custodian, person to whom parental responsibilities have been allocated, stepparent, spousal equivalent, or any other person who is party to a proceeding brought under this title.

- (2) The order of protection may require any such person:
- (a) To stay away from a child or his residence;
 - (b) To permit a parent to visit a child at stated periods;
 - (c) To abstain from offensive conduct against a child, the child's parent or parents, the child's guardian or legal custodian, or any other person to whom legal custody of or parental responsibilities with respect to a child has been given;
 - (d) To give proper attention to the care of the home;
 - (e) To cooperate in good faith with an agency:
 - (I) Which has been given legal custody of a child;
 - (II) Which is providing protective supervision of a child by court order; or
 - (III) To which the child has been referred by the court;
 - (f) To refrain from acts of commission or omission that tend to make a home an improper place for a child;
 - (g) To perform any legal obligation of support; or
 - (h) To pay for damages recoverable under the provisions of section 13-21-107, C.R.S.

(3) (a) When such an order of protection is made applicable to a parent or guardian, it may specifically require his or her active participation in the rehabilitation process and may impose specific requirements upon such parent or guardian, subject to the penalty of contempt for failure to comply with such order without good cause, as provided in subsection (5) of this section.

(b) The court may, when the court determines that it is in the best interests of the child, make an order of protection that is applicable to a parent or guardian of a child and the person with whom the child resides, if other than the child's parent or guardian, subject to article 2.5 of this title 19. The order must require the parent or guardian and the person with whom the child resides, if other than the parent or guardian, to be present at any juvenile proceeding concerning the child.

(4) After notice and opportunity for a hearing is given to a person subject to an order of protection, the order may be terminated, modified, or extended for a specified period of time if the court finds that the best interests of the child and the public will be served thereby.

(5) (a) A person failing to comply with an order of protection without good cause may be found in contempt of court.

(b) The court shall issue a bench warrant for any parent or guardian or person with whom the child resides, if other than the parent or guardian, who, without good cause, fails to appear at any proceeding.

(c) For purposes of this subsection (5), good cause for failing to appear shall include, but shall not be limited to, a situation where a parent or guardian:

(I) Does not have physical custody of the child and resides outside of Colorado;

(II) Has physical custody of the child, but resides outside of Colorado and appearing in court will result in undue hardship to such parent or guardian; or

(III) Resides in Colorado, but is outside of the state at the time of the juvenile proceeding for reasons other than avoiding appearance before the court and appearing in court will result in undue hardship to such parent or guardian.

(d) The general assembly hereby declares that every parent or guardian whose child is the subject of a juvenile proceeding under this article should attend any such proceeding as often as is practicable.

(6) Repealed.

(7) Nothing in this section shall be construed to create a right for any juvenile to have his or her parent or guardian present at any proceeding at which such juvenile is present.

19-1-115. Legal custody - guardianship - placement out of the home - petition for review for need of placement. (1) (a) Except as otherwise provided by law, in awarding legal custody of a child pursuant to this title 19, the court may, if in the best interests of the child, give preference to the child's grandparent who is appropriate, capable, willing, and available to care for the child, if the court finds that there is no suitable natural or adoptive parent available, with due diligence having been exercised in attempting to locate any such natural or adoptive parent. Any individual, agency, or institution vested by the court with legal custody of a child has the rights and duties defined in section 19-1-103.

(b) Any individual, agency, or institution vested by the court with the guardianship of the person of a child has the rights and duties defined in section 19-1-103; except that a guardian of the person may not consent to the adoption of a child unless the court has expressly given that authority.

(2) (a) If legal custody or guardianship of the person is vested in an agency or institution, the court shall transmit, with the court order, copies of the social study, any clinical reports, and other information concerning the care and treatment of the child.

(b) An individual, agency, or institution vested by the court with legal custody or guardianship of the person of a child shall give the court any information concerning the child which the court at any time may require.

(3) (a) Any agency vested by the court with legal custody of a child shall have the right, subject to the approval of the court, to determine where and with whom the child shall live, but this paragraph (a) shall not apply to placement of children committed to the department of human services. In determining where and with whom a child shall live, if in the best interests of the child, preference may be given to the child's grandparent who is appropriate, capable, willing, and available to care for the child.

(b) No individual or agency vested by the court with legal custody of a child or with which a child is placed pursuant to subsection (8) of this section shall remove the child from the state for more than thirty days without court approval. When granting such approval, if appropriate, the court shall enter an order that the individual or agency comply with the requirements of the "Interstate Compact on Placement of Children" set forth in part 18 of article 60 of title 24, C.R.S.

(4) (a) A decree vesting legal custody of a child in an individual, institution, or agency or providing for placement of a child pursuant to section 19-2.5-1102 or 19-3-403 or subsection (8) of this section must be for a determinate period. The court shall review the decree no later than three months after it is entered, except a decree vesting legal custody of a child with the department of human services.

(b) The individual, institution, or agency vested with the legal custody of a child may petition the court for renewal of the decree. The court, after notice and hearing, may renew the decree for such additional determinate period as the court may determine if it finds such renewal to be in the best interests of the child and of the community. The findings of the court and the reasons therefor shall be entered with the order renewing or denying renewal of the decree.

(c) The court shall review any decree or, if there is no objection by any party to the action, the court may, in its discretion, require an administrative review by the state department of human services of any decree entered in accordance with this subsection (4) each six months after the initial review provided in subsection (4)(a) of this section. In the event that an administrative review is ordered, all counsel of record must be notified and may appear at said

review. Periodic reviews must include the determinations and projections required in section 19-3-702.5.

(d) (I) A decree vesting legal custody of a child or providing for placement of a child with an agency in which public money is expended must be accompanied by an order of the court that obligates the parent of the child to pay a fee, based on the parent's ability to pay, to cover the costs of the guardian ad litem and of providing for residential care of the child. When custody of the child is given to the county department of human or social services, the fee for residential care must be in accordance with the fee requirements as provided by rule of the state department of human services, and the fee applies, to the extent unpaid, to the entire period of placement. When a child is committed to the state department of human services, the fee for care and treatment must be in accordance with the fee requirements as provided by rule of the state department of human services, and the fee applies, to the extent unpaid, to the entire period of placement.

(II) For an adoptive family who receives an approved Title IV-E adoption assistance subsidy pursuant to the federal "Social Security Act", 42 U.S.C. sec. 673 et seq., or an approved payment in subsidization of adoption pursuant to article 7 of title 26, the cost of care, as defined in section 19-1-103, must not exceed the amount of the adoption assistance payment.

(III) The state department of human services shall convene a working group of geographically and demographically diverse partners and stakeholders to provide feedback and recommendations regarding the collection of fees for the residential care of children or youth in out-of-home placement who are not adjudicated dependent or neglected pursuant to section 19-3-102, ensuring compliance with federal law, including but not limited to Title IV of the federal "Social Security Act". On or before March 31, 2022, the state department shall submit a report of the recommendations of the working group to the public behavioral health care and human services committee of the house of representatives and the health and human services committee of the senate, or their successor committees.

(e) When a child, juvenile, or youth has been committed to the division of youth services and the court no longer has ongoing jurisdiction, the administrative review division shall review the placement of that child, juvenile, or youth in a qualified residential treatment program within sixty days after placement. When the child, juvenile, or youth has not been committed to the division of youth services and the court has ongoing jurisdiction, within sixty days after a placement of that child, juvenile, or youth in a qualified residential treatment program, or within thirty days after a placement when the qualified individual does not support the qualified residential treatment program level of care or the child, juvenile, youth, guardian ad litem, or any party objects to the placement, a juvenile court shall review that placement. In both instances, the juvenile court or the administrative review division of the state department shall:

(I) Consider the assessment, determination, and documentation made by the qualified individual;

(II) Determine whether the needs of the child, juvenile, or youth can be met through placement with a parent, legal guardian, legal custodian, kin caregiver, or in a foster care home, or whether placement of the child, juvenile, or youth in a qualified residential treatment program provides the most effective and appropriate level of care for the child, juvenile, or youth in the least restrictive environment, and whether that placement is consistent with the short- and long-term goals, including mental, behavioral, and physical health goals, for the child, juvenile, or

youth as specified in the permanency plan for the child, juvenile, or youth or as outlined in the family services plan or division of youth services plan; and

(III) Approve or disapprove of the placement.

(f) As long as a child, juvenile, or youth remains in a qualified residential treatment program, the county department or the division of youth services shall submit evidence:

(I) Demonstrating that ongoing assessment of the strengths and needs of the child, juvenile, or youth continues to support the determination that the needs of the child, juvenile, or youth cannot be met through placement with a parent, legal guardian, legal custodian, kin caregiver, or in a foster family home; that the placement in a qualified residential treatment program provides the most effective and appropriate level of care for the child, juvenile, or youth in the least restrictive environment; and that the placement is consistent with the short- and long-term goals for the child, juvenile, or youth as specified in the permanency plan for the child, juvenile, or youth, or as outlined in the family services plan;

(II) Documenting the specific treatment or service needs that will be met for the child, juvenile, or youth in the placement and the length of time the child, juvenile, or youth is expected to need treatment or services; and

(III) Documenting the efforts made by the county department to prepare the child, juvenile, or youth to return home or to be placed with a fit and willing kin caregiver, a legal guardian, legal custodian, or an adoptive parent, or in a foster family.

(g) The evidence required pursuant to subsection (4)(f) of this section must be submitted at each subsequent review and each subsequent permanency hearing held concerning the child, juvenile, or youth. The evidence must not be submitted less frequently than every ninety days during the duration of the placement of the child, juvenile, or youth in the qualified residential treatment program. The evidence must be submitted to the court or to the administrative review division of the state department of human services if parties consent to the latter. The court shall review the evidence submitted pursuant to subsection (4)(f) of this section at each subsequent permanency and status review hearing at least every ninety days during the duration of the placement of the child, juvenile, or youth in the qualified residential treatment program. If the parties consent to a review by the administrative review division, attorneys of record must be notified and may appear at the review. The administrative review division shall review the evidence submitted pursuant to subsection (4)(f) of this section at least every ninety days during the duration of the placement of the child, juvenile, or youth in the qualified residential treatment program.

(h) In making a decision as to proper placement in a qualified residential treatment program, the court or the administrative review division shall consider the assessment provided by the qualified individual and the most recent assessment, as described in subsection (4)(e) of this section, and shall give great weight to the recommendation in the assessment when making a qualified residential treatment program placement decision. An assessment prepared by the qualified individual must identify whether a qualified residential treatment program is the most effective, appropriate, and least restrictive placement for the child or youth. The assessment must also identify child- or youth-specific short- and long-term goals for the child or youth and the family. If the court or administrative review division deviates from the qualified individual's assessment and recommendation, the court or the administrative review division shall make specific findings of fact regarding the most effective, appropriate, and least restrictive placement for the child or youth and whether the placement is consistent with child- or youth-specific short-

and long-term goals for the child or youth and the family. When making such findings of fact, the court or administrative review division shall consider all relevant information, including:

(I) Whether the protocol for the qualified residential treatment program assessment was followed;

(II) The strengths and specific treatment or service needs of the child or youth and the family;

(III) The expected length of stay; and

(IV) The placement preference of the child or youth and the family.

(4.5) The department of human services shall implement the provisions of subsections (4)(e) and (4)(f) of this section when the federal government approves Colorado's five-year Title IV-E prevention plan, at which time the department of human services may submit a budget request to the joint budget committee for necessary funding to implement the plan.

(5) No legal custodian or guardian of the person may be removed without his consent until given notice and an opportunity to be heard by the court if he so requests.

(6) Any time the court enters an order awarding legal custody of a child to the department of human services or to a county department pursuant to the provisions of this title, even temporarily, said order shall contain specific findings, if warranted by the evidence, as follows:

(a) That continuation of the child in the home would be contrary to the child's best interests;

(b) That there has been compliance with reasonable efforts requirements regarding removal of the child from the home, as follows:

(I) That reasonable efforts have been made to prevent or eliminate the need for removal of the child from the home; or

(II) That an emergency situation exists which requires the immediate temporary removal of the child from the home and it is reasonable that preventive efforts not be made due to the emergency situation; or

(III) That reasonable efforts to prevent the child's removal from the home are not required because of the existence of a circumstance described in subsection (7) of this section;

(c) That reasonable efforts have been made or will be made to reunite the child and the family or that efforts to reunite the child and the family have failed or that reasonable efforts to reunite the child and the family are not required pursuant to subsection (7) of this section; and

(d) That procedural safeguards with respect to parental rights have been applied in connection with the removal of the child from the home, a change in the child's placement out of the home, and any determination affecting parental visitation.

(6.5) Any time the court enters an order continuing a child in a placement out of the home pursuant to this title, said order shall contain specific findings, if warranted by the evidence, as follows:

(a) The continuation of the child in out-of-home placement is in the best interests of the child;

(b) That reasonable efforts have been made to reunite the child and the family or that reasonable efforts to reunite the child and the family are not required pursuant to subsection (7) of this section; and

(c) That procedural safeguards with respect to parental rights have been applied in connection with the continuation of the child in out-of-home placement, a change in the child's placement out of the home, and any determination affecting parental visitation.

(6.7) Any time the court enters an order related to out-of-home placement pursuant to subsections (6)(a) to (6)(c) or subsection (6.5)(b) of this section; subsection (8)(f) of this section; section 19-2.5-305 (3)(a)(XI)(A) and (3)(a)(XI)(B); section 19-2.5-1116 (1)(a), (1)(b), and (3)(a)(III); or sections 19-3-702 (3)(b) and 19-3-702.5 (1)(b), the order is effective as of the date the findings were made by the court, notwithstanding the date that a written order may be signed by the court. Written orders entered pursuant to subsections (6)(a) to (6)(c) or subsection (6.5)(b) of this section; subsection (8)(f) of this section; section 19-2.5-305 (3)(a)(XI)(A) and (3)(a)(XI)(B); section 19-2.5-1116 (1)(a), (1)(b), and (3)(a)(III); or sections 19-3-702 (3)(b) and 19-3-702.5 (1)(b) must state "the effective date of this order is" and must not use the words "nunc pro tunc".

(7) Reasonable efforts are not required to prevent the child's removal from the home or to reunify the child and the family in the following circumstances:

(a) When the court finds that the parent has subjected the child to aggravated circumstances as described in sections 19-3-604 (1) and (2); or

(b) When the parental rights of the parent with respect to a sibling of the child have been involuntarily terminated; unless the prior sibling termination resulted from a parent delivering a child to a firefighter or a staff member of a hospital or community clinic emergency center, as defined in section 19-3-304.5 (9), pursuant to the provisions of section 19-3-304.5; or

(c) When the court finds that the parent has been convicted of any of the following crimes:

(I) Murder of another child of the parent;

(II) Voluntary manslaughter of another child of the parent;

(III) Aiding, abetting, or attempting the commission of or conspiring or soliciting to commit the crimes in subparagraphs (I) and (II) of this paragraph (c); or

(IV) A felony assault that resulted in serious bodily injury to the child or to another child of the parent.

(8) (a) Whenever it appears necessary that the placement of a child out of the home will be for longer than ninety days, the placement is voluntary and not court-ordered, and the placement involves the direct expenditure of funds appropriated by the general assembly to the department of human services, a petition for review of need for placement shall be filed by the department or agency with which the child has been placed before the expiration of ninety days in the placement. A decree providing for voluntary placement of a child with an agency in which public money is expended must be renewable in circumstances when there is documentation that the child has an emotional, a physical, or an intellectual disability that necessitates care and treatment for a longer duration than ninety days as provided pursuant to this subsection (8)(a). The court shall not transfer or require relinquishment of legal custody of, or otherwise terminate the parental rights with respect to, a child who has an emotional, a physical, or an intellectual disability and who was voluntarily placed out of the home for the purposes of obtaining special treatment or care solely because the parent or legal guardian is unable to provide the treatment or care. Whenever a child fifteen years of age or older consents to placement in a mental health facility pursuant to section 27-65-104, the review pursuant to section 27-65-104 (4) must be conducted in lieu of and must fulfill the requirements for review under this subsection (8)(a).

(b) (I) The petition and all subsequent court documents in any proceedings brought under paragraph (a) of this subsection (8) shall be titled "The People of the State of Colorado, in the Interest of _____, a child (or children) and Concerning _____, Respondent." The petition shall be verified, and the statements in the petition may be made upon information and belief.

(II) The petition shall set forth plainly the facts that bring the child within the court's jurisdiction, specifying that the child is subject to immediate placement out of the home or has been in voluntary placement out of the home and it appears that continuation of the placement is necessary for a time exceeding ninety days and continuation of the placement is necessary and is in the best interest of the child, the family, and the community. The petition shall also state the name, age, and residence of the child and the names and residences of his or her parents, guardian, or other legal custodian or of his or her nearest known relative if no parent, guardian, or other legal custodian is known.

(III) All petitions filed pursuant to this subsection (8) shall include the following statement: "If the child is placed out of the home for a period of twelve months or longer, the court shall hold a permanency hearing within said twelve months to determine the future status of the child. The review of any decree of placement of a child subsequent to the three-month review required by section 19-1-115 (4)(a), Colorado Revised Statutes, may be conducted as an administrative review by the department of human services. If you are a party to the action, you have a right to object to an administrative review, and, if you object, the review shall be conducted by the court."

(c) ***[Editor's note: This version of subsection (8)(c) is effective until January 9, 2023.]*** After a petition has been filed, the court shall promptly issue a summons reciting briefly the substance of the petition. The summons shall be substantially in the form specified in section 19-3-502 and be dealt with in the manner provided in section 19-3-503 and shall set forth the constitutional and legal rights of the child, his or her parents or guardian, and any other respondent, including the right to have an attorney present at the hearing on the petition. The petitioner shall send the summons to the child and his or her parents, guardian, or legal custodian by certified mail. Notice of the hearing shall be given by the court to the director of the facility or agency in which the child is placed and any person who has physical custody of the child and any attorney or guardian ad litem of record. Nothing in this subsection (8) shall require the presence of any person before the court unless the court so directs.

(c) ***[Editor's note: This version of subsection (8)(c) is effective January 9, 2023.]*** After a petition has been filed, the court shall promptly issue a summons reciting briefly the substance of the petition. The summons must be substantially in the form specified in section 19-3-502 and be dealt with in the manner provided in section 19-3-503 and must set forth the constitutional and legal rights of the child, the child's parents or guardian, and any other respondent, including the right to have an attorney present at the hearing on the petition. The petitioner shall send the summons to the child and the child's parents, guardian, or legal custodian by certified mail. The court shall give notice of the hearing to the director of the facility or agency in which the child is placed and any person who has physical custody of the child and any attorney or guardian ad litem or counsel for youth of record. Nothing in this subsection (8) requires the presence of any person before the court unless the court so directs.

(d) ***[Editor's note: This version of subsection (8)(d) is effective until January 9, 2023.]*** The court shall appoint a guardian ad litem to protect the interest of the child for any child who

is the subject of a petition for review of placement, unless the court makes specific findings that no useful purpose would be served by such appointment.

(d) ***[Editor's note: This version of subsection (8)(d) is effective January 9, 2023.]*** The court shall appoint a guardian ad litem for a child under twelve years of age, or counsel for youth if the youth is twelve years of age or older, to protect the interest of any child or youth who is the subject of a petition for review of placement, unless the court makes specific findings that no useful purpose would be served by such appointment. The court may appoint both a guardian ad litem and a counsel for youth if a youth is twelve years of age or older and the appointment of a guardian ad litem is necessary because the youth has diminished capacity.

(e) For purposes of determining proper placement of the child, the petition for review of placement or social study shall be accompanied by an evaluation for placement prepared by the department or agency that recommends placement or with which the child has been placed. The evaluation for placement shall include an assessment of the child's physical and mental health, developmental status, family and social history, and educational status. The petition shall also be accompanied by recommended placements for the child and the monthly cost of each and a treatment plan that contains, at a minimum, the goals to be achieved by the placement; the services to be provided; the intensity, duration, and provider of the services; identification of the services that can be provided only in a residential setting; and the recommended duration of the placement. The petition or social study shall also be accompanied by the required fee to be charged to the parents pursuant to paragraph (d) of subsection (4) of this section. In addition, if a change in legal custody is recommended, the evaluation for placement shall include other alternatives that have been explored and the reason for their rejection, and the evaluation for placement shall contain an explanation of any particular placements that were considered and rejected and the reason for their rejection.

(f) The petition for review of need for placement shall request the court to determine, by a preponderance of the evidence, whether placement or continued placement is necessary and in the best interest of the child, the family, and the community and whether reasonable efforts have been made to return the child to a safe home or whether the child should be permanently removed from his or her home. If the court makes such findings, it shall enter a decree ordering the child's placement out of the home in the facility or setting that most appropriately meets the needs of the child, the family, and the community. In making its decision as to proper placement, the court shall utilize the evaluation for placement prepared pursuant to section 19-1-107 or the evaluation for placement required by paragraph (e) of this subsection (8) that shall state the cost of recommended placement. If the evaluation for placement recommends placement in a facility located in Colorado that can provide appropriate treatment and that will accept the child, then the court shall not place the child in a facility outside this state. If the court deviates from the recommendations of the evaluation for placement in a manner that results in a difference in the cost of the disposition ordered by the court and the cost of the disposition recommended in the evaluation, the court shall make specific findings of fact relating to its decision, including the monthly cost of the placement, if ordered. A copy of such findings shall be sent to the chief justice of the Colorado supreme court, who shall report annually to the joint budget committee and the health and human services committees of the house of representatives and senate of the general assembly, or any successor committees, on such orders. If the court commits the child to the department of human services, it shall not make a specific placement, nor shall the provisions of this paragraph (f) relating to specific findings of fact be applicable. If the court makes a

finding that continued placement is not necessary and is not in the best interest of the child, the family, and the community, the court shall dismiss the petition for review of need for placement and shall order that the child be returned home. The court may require a continued hearing of the petition for review of need for placement for a period not to exceed fourteen days if it finds that the materials submitted are insufficient to make a finding as provided in this paragraph (f).

(g) A petition for review of need for placement shall not be handled as an informal adjustment in accordance with the provisions of section 19-3-501 (2).

If a child or youth for whom the department of human services or a county department of human or social services has legal custody pursuant to the provisions of this title 19 is determined by the agency to be missing, the agency having legal custody of the child or youth shall report the disappearance immediately, and in no case later than twenty-four hours after learning of the disappearance, to the National Center for Missing and Exploited Children and to law enforcement. Law enforcement authorities shall notify the Colorado bureau of investigation and enter any relevant information into the Colorado crime information center database pursuant to section 16-2.7-103. The reporting requirements set forth for foster parents and out-of-home placement facilities in section 19-2.5-1508 apply.

19-1-115.5. Placement of children out of home - legislative declaration. (1) (a) (I) The general assembly hereby finds that the number of children in out-of-home placement has increased significantly. The general assembly further finds that the facility in which a child is placed out of home is often not located in the same school district as the child's school district of residence. Nevertheless, the general assembly finds that, under the provisions of the "Public School Finance Act of 1994", article 54 of title 22, C.R.S., children in foster home placement are considered residents of the school district in which the foster home is located. Accordingly, the school district in which the child is placed must accommodate the child and provide the child with the necessary educational services that serve the child's best interests while absorbing the costs associated with such services within the constraints of the school district's existing budget. The general assembly finds that in many circumstances it is not possible to meet the best interests of the child in out-of-home placement and the needs of other children enrolled in the school district within the confines of the district's budget.

(II) The general assembly determines that the number of children in out-of-home placement and the severity of their attendant needs are increasing. The ability to meet the needs of the children in out-of-home placement is frequently restricted by the limited resources available to a school district. Furthermore, the general assembly finds that there is a disproportionately larger number of children in out-of-home placement in some school districts than in others, thereby directly impacting the ability of certain school districts to effectively manage and finance the provision of quality educational services to all students in those districts.

(b) The general assembly therefore determines that it would serve the best interests of all children enrolled in a school district if the number of children placed in out-of-home placement facilities by county departments of human or social services in each of the various school districts is monitored so that the financial impact on all school districts throughout the state is manageable and equitable and so that the best interests of all children, whether or not in out-of-home placement, can be served.

(2) (a) Contingent upon implementation of the children, youth, and families automation project in the department of human services, the department shall make the following information available to all county departments throughout the state:

(I) Vacancies in out-of-home placement facilities within each county;

(II) The number of out-of-home placement children enrolled in each school district in relation to the total number of students enrolled in the school district;

(III) A list of all out-of-home placement facilities in each school district; and

(IV) To the extent known and within available resources, a list of the types of services available in each school district to meet the special needs of children in out-of-home placement.

(b) In every proceeding pursuant to this title in which the court contemplates placing a child out of home, the county department shall make recommendations to the court concerning the proposed placement. Such recommendations shall include information about placement facilities that are most able to serve appropriately the best interests of the child. In making its recommendations to the court, the county department shall consider:

(I) The special needs, if any, of the child to be placed, including the ability of the proposed out-of-home placement facility and the school district in which the proposed out-of-home placement facility is located to provide the necessary services to meet those needs;

(II) The proximity of the proposed out-of-home placement facility to the child's parents' home, if parental rights have not been terminated;

(III) Whether the proposed placement facility is in the same school district as the child's parents' residence;

(IV) If the proposed placement facility is not in the same school district as the child's parents' residence and if the information is available through the children, youth, and families automation project, the number of children placed out of home by the court who are already enrolled in the school district in which the proposed out-of-home placement facility is located.

(c) If the recommendation of the county department is to place the child in a placement facility that is not located in the same school district as the child's parents' residence, the placing county department shall inform the school district in which the child's parents reside of the recommended placement.

(d) In placing a child out of home, the court shall consider the recommendations of the county department and any information it may have concerning whether the child's educational needs can be met adequately if the child is placed in an out-of-home placement facility located in a school district other than the district in which the child's parents reside.

(e) Upon entry of the court's order placing a child in an out-of-home placement facility located in a school district other than the school district in which the child's parents reside, the county department shall advise the school district in which the child's parents reside of the court's order.

(f) When a school district is advised by the county department that a child residing in that school district is to be placed in an out-of-home placement facility in another school district pursuant to a court order, the school district shall contact the school district in which the child is to be placed concerning:

(I) The special educational needs, if any, of the child; and

(II) The resources necessary to meet those special needs.

(3) The state board of education shall provide the department of human services with all aggregate, nonidentifying information concerning student enrollment in every school district in the state that the department of human services may request for purposes of implementing this section.

19-1-115.7. Foster care prevention services - provision of services - rights and remedies - exchange of information. (1) A county department of human or social services may provide both child welfare and prevention services, including but not limited to foster care prevention services, as defined in section 19-1-103, to families, kin caregivers, children, juveniles, and youth.

(2) Nothing in this section affects any existing rights of a child, juvenile, or youth or a parent or legal guardian.

(3) When prevention services information is exchanged between state agencies, county departments, and service providers to allow for the provision of prevention services, such information is confidential and not available to the public. Any entities providing prevention services shall ensure that all information obtained and exchanged is confidential as required pursuant to this section, sections 19-1-103 and 19-1-307, and any other applicable state or federal law.

19-1-116. Funding - alternatives to placement out of the home - services to prevent continued involvement in child welfare system. (1) The state department of human services shall reimburse allowable expenses to county departments of human or social services for foster care. The state department's budget request for foster care must be based upon the actual aggregate expenditure of federal, state, and local funds of all counties during the preceding twenty-four months on foster care. Special purpose funds, not to exceed five percent of the total appropriation for foster care, must be retained by the state department of human services for purposes of meeting emergencies and contingencies in individual counties. The amount thus reimbursed to each county must represent the total expenditure by an individual county for foster care and for alternative services provided in conformance with the plan prepared and approved pursuant to subsections (2)(b) and (4) of this section.

(1.5) No later than July 1, 1994, each county in the state shall assure access to alternatives to out-of-home placements for families with children and youth who are at imminent risk of out-of-home placements. Beginning September 1, 2011, a county may also provide access for families to alternative services to prevent continued involvement with the county department child welfare system. Beginning September 1, 2018, a county may also provide access to alternative services for former foster care youth, as defined in section 26-5-101, who are no longer in the custody of the department but need limited assistance from the county. Two or more counties may jointly provide or purchase alternative services to families in the respective counties. Such services shall either be provided for under the plan adopted by placement alternative commissions in accordance with subsection (2)(b) of this section or purchased by the county if such county does not have a placement alternative commission for the county. If a

county purchases alternative services, the county shall ensure that the services purchased meet the goals of placement alternative commission plans, as described in subsection (2)(b)(I) of this section.

(2) (a) ***[Editor's note: This version of subsection (2)(a) is effective until July 1, 2024.]***

The county commissioners in each county may appoint a placement alternatives commission consisting, where possible, of a physician or a licensed health professional, an attorney, representatives of a local law enforcement agency, representatives recommended by the court and probation department, representatives from the county department of human or social services, a local mental health clinic, and the county, district, or municipal public health agency, a representative of a local school district specializing in special education, a representative of a local community centered board, representatives of a local residential child care facility and a private nonprofit agency providing nonresidential services for children and families, a representative specializing in occupational training or employment programs, a foster parent, and one or more representatives of the lay community. At least fifty percent of the commission members must represent the private sector. The county commissioners of two or more counties may jointly establish a district placement alternatives commission. A placement alternatives commission may be consolidated with other local advisory boards pursuant to section 24-1.7-103.

(2) (a) ***[Editor's note: This version of subsection (2)(a) is effective July 1, 2024.]*** The county commissioners in each county may appoint a placement alternatives commission consisting, where possible, of a physician or a licensed health professional, an attorney, representatives of a local law enforcement agency, representatives recommended by the court and probation department, representatives from the county department of human or social services, a local mental health clinic, and the county, district, or municipal public health agency, a representative of a local school district specializing in special education, a representative of a local case management agency, as defined in section 25.5-6-1702, representatives of a local residential child care facility and a private nonprofit agency providing nonresidential services for children and families, a representative specializing in occupational training or employment programs, a foster parent, and one or more representatives of the lay community. At least fifty percent of the commission members must represent the private sector. The county commissioners of two or more counties may jointly establish a district placement alternatives commission. A placement alternatives commission may be consolidated with other local advisory boards pursuant to section 24-1.7-103.

(b) (I) On or before July 1, 1994, the commission, if established, shall annually prepare a plan for the provision of services. The primary goals under the plan shall be to prevent imminent placement of children out of the home and to reunite children who have been placed out of the home with their families. If a county provides services to children who, without intervention, risk continued involvement with the child welfare system, the county shall include in the plan the goals to be achieved by providing said services. The plan shall be prepared using all available sources of information in the community, including public hearings. The plan shall specify the nature of the expenditures to be made and shall identify the services which are intended to prevent or minimize placement out of the home and to what extent. The plan shall contain, whenever practicable, a vocational component to provide assistance to older children concerning a transition into the work force upon completion of school. Upon approval of the

plan by the county commissioners, the counties shall submit the plan to the department of human services.

(II) On and after July 1, 1994, the commissions shall prepare multi-year plans for services which contain the same goals as described in subparagraph (I) of this paragraph (b), and the period for the plans shall be determined in state board rules. The multi-year plans may be amended annually for budgetary or programmatic changes that are necessary to enhance service delivery or as otherwise deemed necessary to accomplish the goals of the plan, which reasons shall be set forth in state board rules. Counties shall submit the multi-year plans for approval by the state board.

(c) The commission shall review, on an ongoing basis, the effectiveness of programs within its jurisdiction which are designed to prevent or reduce placement and shall report its findings to the county commissioners annually.

(d) Repealed.

(e) Upon approval by the state board of human services of the plan submitted pursuant to paragraph (b) of this subsection (2), the department of human services shall reimburse county departments, as described in section 26-1-122, C.R.S., for eighty percent of the expenditures made in conformance with the plan.

(3) Repealed.

(4) (a) The departments of human services and education and the judicial department shall jointly develop guidelines for the content and submission of plans as described in paragraph (b) of subsection (2) of this section. Said guidelines shall include but not be limited to the information that is gathered by the commission, the goals to be addressed by the plan, the form of the budget for expenditures that are to be made under the plan, the services that are to be provided which are intended to prevent or minimize placement out of the home and to reunite children with their families and to what extent, and the method by which the plan may be amended during the year to meet the changing local conditions; except that amendments to the plan on and after July 1, 1994, shall be in accordance with subparagraph (II) of paragraph (b) of subsection (2) of this section. On and after July 1, 1993, any amendments to the guidelines shall be developed by the department of human services. Said guidelines shall then be submitted to the state board of human services, which shall promulgate rules for the submission of plans.

(b) In addition to the duties described in paragraph (a) of this subsection (4), the state board of human services is hereby authorized to develop through the adoption of rules categories of programs and services that promote the primary goals of the plan established in accordance with paragraph (b) of subsection (2) of this section. Any plan established on and after July 1, 1994, shall provide for the availability and provision of services or programs within such categories. Any plan established before July 1, 1994, shall be amended on or before that date to provide for the availability and provision of services or programs within such categories. The department of human services shall monitor the implementation of the plans as approved by the state board.

(5) Children currently residing in institutions whose condition would permit them to be discharged to less restrictive settings shall be so transferred at the earliest possible date. Moneys appropriated and available to the department of human services shall be allocated on a priority basis by the department to county departments for the purposes of providing care to children who are discharged from the institution in which they reside if such children then receive care

that is less intensive, closer to the residence of the parents or family, or in a less restrictive setting.

(6) It is the intent of the general assembly that state money appropriated for placements out of the home must not be used by county boards of human or social services for the development of new county-run programs or for the expansion of existing staff or programs, if such development or expansion duplicates services already provided in the community, including, but not limited to, day care programs, independent living programs, home-based care, transitional care, alternative school programs, counseling programs, street academies, tutorial programs, and in-home treatment and counseling programs.

(7) (a) Any county is hereby authorized to establish a program under which a multidisciplinary, noncategorical program fund for the county shall be created and moneys from such fund shall be used to provide child welfare services to at-risk children and their families. Except as otherwise provided by federal law, the moneys in the county's fund contributed by state agencies shall be exempt from restrictive, categorical rules otherwise governing the use of such funds, including the "M" notation in the state's annual appropriations act which describes the general and federal fund contributions for federally supported programs.

(b) Such services shall include, but are not limited to, assessment, intervention, treatment, supervision, and shelter when and if appropriate.

(c) (I) The fund for each county must consist of contributions, made by any state, county, or local agency, of federal, state, or local funds appropriated to or contributed by such agencies for child welfare services for at-risk children and their families. Appropriated funds include, but are not limited to, those appropriated to county departments of human or social services, the state department of human services, the department of public health and environment, the department of education, the department of public safety, the judicial department, and the job training partnership office in the governor's office. Each state agency's contribution to a county's fund must be contingent upon and equal to contributions from the participating county and any other local agency that participates and seeks money from the fund. Nothing in this subsection (7) allows the allocation of general fund money to any other participating county in the same manner that such money is allocated to Mesa county in accordance with section 2 of House Bill 93-1171, as enacted during the first regular session of the fifty-ninth general assembly.

(II) The fund for each county may also consist of contributions from the fund of any other participating county.

(d) The county board of human or social services for a county shall convene a meeting of the local and state agencies that provide child welfare services to at-risk children and their families, that will participate in the program, and that seek money from the county's fund. The meeting is for the purpose of developing and adopting a memorandum of understanding between such agencies and the county's board of human or social services concerning the amount of contributions to the fund described in subsection (7)(c) of this section and the allocation and use of money allocated from the fund. The memorandum of understanding must provide for the designation of a governing entity to oversee the administration of the fund and a fiscal agent, a three-year plan, provisions for evaluating the programmatic and fiscal impact and overall effectiveness of the program, and a process for submitting the results of the evaluation to the general assembly and state officials on an annual basis.

(e) The state agencies affected by the implementation of the three-year plan described in subsection (7)(d) of this section shall review and approve the plan. The state agencies shall act on the plan within ninety days after the plan is submitted to the state agencies. It is the intent of the general assembly that the plan be implemented and that the state agencies cooperate in the plan's development and implementation. Prior to the implementation of the program, a copy of the approved plan must be submitted to the joint budget committee of the general assembly. Prior to the expiration of the three-year plan, the county board of human or social services shall follow the procedures described in subsection (7)(d) of this section for readoption of or revisions to the three-year plan.

19-1-117. Visitation rights of grandparents or great-grandparents. (1) Any grandparent or great-grandparent of a child may, in the manner set forth in this section, seek a court order granting the grandparent or great-grandparent reasonable grandchild or great-grandchild visitation rights when there is or has been a child custody case or a case concerning the allocation of parental responsibilities relating to that child. Because cases arise that do not directly deal with child custody or the allocation of parental responsibilities but nonetheless have

an impact on the custody of or parental responsibilities with respect to a child, for the purposes of this section, a "case concerning the allocation of parental responsibilities with respect to a child" includes any of the following, whether or not child custody was or parental responsibilities were specifically an issue:

(a) That the marriage of the child's parents has been declared invalid or has been dissolved by a court or that a court has entered a decree of legal separation with regard to such marriage;

(b) That legal custody of or parental responsibilities with respect to the child have been given or allocated to a party other than the child's parent or that the child has been placed outside of and does not reside in the home of the child's parent, excluding any child who has been placed for adoption or whose adoption has been legally finalized; or

(c) That the child's parent, who is the child of the grandparent or grandchild of the great-grandparent, has died.

(2) A party seeking a grandchild or great-grandchild visitation order shall submit, together with his or her motion for visitation, to the district court for the district in which the child resides an affidavit setting forth facts supporting the requested order and shall give notice, together with a copy of his or her affidavit, to the party who has legal custody of the child or to the party with parental responsibilities as determined by a court pursuant to article 10 of title 14, C.R.S. The party with legal custody or parental responsibilities as determined by a court pursuant to article 10 of title 14, C.R.S., may file opposing affidavits. If neither party requests a hearing, the court shall enter an order granting grandchild or great-grandchild visitation rights to the petitioning grandparent or great-grandparent only upon a finding that the visitation is in the best interests of the child. A hearing shall be held if either party so requests or if it appears to the court that it is in the best interests of the child that a hearing be held. At the hearing, parties submitting affidavits shall be allowed an opportunity to be heard. If, at the conclusion of the hearing, the court finds it is in the best interests of the child to grant grandchild or great-grandchild visitation rights to the petitioning grandparent or great-grandparent, the court shall enter an order granting such rights.

(3) A grandparent or great-grandparent shall not file an affidavit seeking an order granting grandchild or great-grandchild visitation rights more than once every two years absent a showing of good cause. If the court finds there is good cause to file more than one such affidavit, it shall allow such additional affidavit to be filed and shall consider it. The court may order reasonable attorney fees to the prevailing party. The court may not make any order restricting the movement of the child if such restriction is solely for the purpose of allowing the grandparent or great-grandparent the opportunity to exercise his grandchild or great-grandchild visitation rights.

(4) The court may make an order modifying or terminating grandchild or great-grandchild visitation rights whenever such order would serve the best interests of the child.

(5) Any order granting or denying parenting time rights to the parent of a child shall not affect visitation rights granted to a grandparent or great-grandparent pursuant to this section.

19-1-117.5. Disputes concerning grandparent or great-grandparent visitation. (1)

Upon a verified motion by a grandparent or great-grandparent who has been granted visitation or upon the court's own motion alleging that the person with legal custody or parental responsibilities of the child as determined by a court pursuant to article 10 of title 14, C.R.S., with whom visitation has been granted is not complying with a grandparent or great-grandparent visitation order or schedule, the court shall determine from the verified motion, and response to the motion, if any, whether there has been or is likely to be a substantial and continuing noncompliance with the grandparent or great-grandparent visitation order or schedule and either:

(a) Deny the motion, if there is an inadequate allegation; or

(b) Set the matter for hearing with notice to the grandparent or great-grandparent and the person with legal custody or parental responsibilities of the child as determined by the court of the time and place of the hearing; or

(c) Require said parties to seek mediation and report back to the court on the results of the mediation within sixty days. Mediation services shall be provided in accordance with section 13-22-305, C.R.S. At the end of the mediation period, the court may approve an agreement reached by the parties or shall set the matter for hearing.

(2) After the hearing, if a court finds that the person with legal custody or parental responsibilities of the child as determined by the court has not complied with the visitation order or schedule and has violated the court order, the court, in the best interests of the child, may issue orders which may include but need not be limited to:

(a) Imposing additional terms and conditions which are consistent with the court's previous order;

(b) Modifying the previous order to meet the best interests of the child;

(c) Requiring the violator to post bond or security to insure future compliance;

(d) Requiring that makeup visitation be provided for the aggrieved grandparent or great-grandparent and child under the following conditions:

(I) That such visitation is of the same type and duration of visitation as that which was denied, including but not limited to visitation during weekends, on holidays, and on weekdays and during the summer;

(II) That such visitation is made up within one year after the noncompliance occurs;

(III) That such visitation is in the manner chosen by the aggrieved grandparent or great-grandparent if it is in the best interests of the child;

(e) Finding the person who did not comply with the visitation schedule in contempt of court and imposing a fine or jail sentence;

(f) Awarding to the aggrieved party, where appropriate, actual expenses, including attorney fees, court costs, and expenses incurred by a grandparent or great-grandparent because of the other person's failure to provide or exercise court-ordered visitation. Nothing in this section shall preclude a party's right to a separate and independent legal action in tort.

19-1-126. Compliance with the federal "Indian Child Welfare Act of 1978". (1) In each case filed pursuant to this title 19 that constitutes a child custody proceeding, as defined in the federal "Indian Child Welfare Act of 1978", 25 U.S.C. sec. 1901 et seq., and therefore to which the terms of the federal "Indian Child Welfare Act of 1978", 25 U.S.C. sec. 1901 et seq., apply, the court and each party to the proceeding shall comply with the federal implementing regulations, and any modifications thereof, of the federal "Indian Child Welfare Act of 1978", 25 U.S.C. sec. 1901 et seq., located in 25 CFR 23, which outline the minimum federal standards

governing the implementation of the "Indian Child Welfare Act of 1978" to ensure the statute is applied in Colorado consistent with the act's express language, congress's intent in enacting the statute, and to promote the stability and security of Indian children, tribes, and families. In each child-custody proceeding filed pursuant to this title 19 to which the terms of the federal "Indian Child Welfare Act of 1978", 25 U.S.C. sec. 1901 et seq., apply:

(a) (I) The court shall make inquiries to determine whether the child who is the subject of the proceeding is an Indian child, and, if so, shall determine the identity of the Indian child's tribe. In determining the Indian child's tribe:

(A) The court shall ask each participant in an emergency or voluntary or involuntary child-custody proceeding whether the participant knows or has reason to know that the child is an Indian child. The inquiry is to be made at the commencement of the proceeding, and all responses must be on the record. The court shall instruct the participants to inform the court if any participant subsequently receives information that provides reason to know the child is an Indian child.

(B) Any party to the proceeding shall disclose any information indicating that the child is an Indian child or provide an identification card indicating membership in a tribe to the petitioning and filing parties and the court in a timely manner. The court shall order the party to provide the information no later than seven business days after the date of the hearing or prior to the next hearing on the matter, whichever occurs first. The information should be filed with the court and provided to the county department of human or social services and each party no later than seven business days after the date of the hearing.

(II) The court, upon conducting the inquiry described in subsection (1)(a)(I) of this section, has reason to know that a child is an Indian child if:

(A) Any participant in the child-custody proceeding, officer of the court involved in the child-custody proceeding, Indian tribe, Indian organization, or agency informs the court that the child is an Indian child;

(B) Any participant in the child-custody proceeding, officer of the court involved in the child-custody proceeding, Indian tribe, Indian organization, or agency informs the court that it has discovered information indicating that the child is an Indian child;

(C) The child who is the subject of the child-custody proceeding gives the court reason to know he or she is an Indian child;

(D) The court is informed that the domicile or residence of the child, the child's parent, or the child's Indian custodian is on a reservation or in an Alaska native village;

(E) The court is informed that the child is or has been a ward of a tribal court, as defined in 25 U.S.C. sec. 1903; or

(F) The court is informed that the child or the child's parent possesses an identification card indicating membership in an Indian tribe.

(b) If the court knows or has reason to know, as defined in subsection (1)(a)(II) of this section, that the child who is the subject of the proceeding is an Indian child, the petitioning or filing party shall send notice by registered or certified mail, return receipt requested, to the parent or parents, the Indian custodian or Indian custodians of the child and to the tribal agent of the Indian child's tribe as designated in 25 CFR 23, or, if there is no designated tribal agent, the petitioning or filing party shall contact the tribe to be directed to the appropriate office or individual. In providing notice, the court and each party shall comply with 25 CFR 23.111.

(c) The petitioning or filing party shall disclose in the complaint, petition, or other commencing pleading filed with the court that the child who is the subject of the proceeding is an Indian child and the identity of the Indian child's tribe or what efforts the petitioning or filing party has made in determining whether the child is an Indian child. If the child who is the subject of the proceeding is determined to be an Indian child, the petitioning or filing party shall further identify what reasonable efforts have been made to send notice to the persons identified in subsection (1)(b) of this section. The postal receipts indicating that notice was properly sent by the petitioning or filing party to the parent or Indian custodian of the Indian child and to the Indian child's tribe must be attached to the complaint, petition, or other commencing pleading filed with the court; except that, if notification has not been perfected at the time the initial complaint, petition, or other commencing pleading is filed with the court or if the postal receipts have not been received back from the post office, the petitioning or filing party shall file the postal receipts with the court. Any responses sent by the tribal agents to the petitioning or filing party, the county department of human or social services, or the court must be distributed to the parties and deposited with the court.

(2) If there is reason to know the child is an Indian child but the court does not have sufficient evidence to determine that the child is or is not an Indian child, the court shall:

(a) Confirm, by way of a report, declaration, or testimony included in the record, that the petitioning or filing party used due diligence to identify and work with all of the tribes of which there is reason to know the child may be a member, or eligible for membership, to verify whether the child is in fact a member, or a biological parent is a member and the child is eligible for membership; and

(b) Treat the child as an Indian child, unless and until it is determined on the record that the child does not meet the definition of an Indian child.

(3) If the court receives information that the child may have Indian heritage but does not have sufficient information to determine that there is reason to know that the child is an Indian child pursuant to subsection (1)(a)(II) of this section, the court shall direct the petitioning or filing party to exercise due diligence in gathering additional information that would assist the court in determining whether there is reason to know that the child is an Indian child. The court shall direct the petitioning or filing party to make a record of the effort taken to determine whether or not there is reason to know that the child is an Indian child.

(4) If the court finds that the child is an Indian child, the court shall ensure compliance with the requirements of the federal "Indian Child Welfare Act of 1978", 25 U.S.C. sec. 1901 et seq.

19-1-130. Access to services related to out-of-home placement - definitions. (1) As used in this section, unless the context otherwise requires:

(a) "Gender expression" means a person's way of reflecting and expressing their gender to the outside world, typically demonstrated through appearance, dress, and behavior.

(b) "Gender identity" means a person's innate sense of the person's own gender, which may or may not correspond with the person's sex as assigned at birth.

(c) "Placement-related service" means any program, benefit, or service related to out-of-home placement, including adoption, kinship care, foster care homes, and private child placement, or a benefit or service described in title 26 that is related to out-of-home placement, provided by the state department of human services, a county department of human or social services, a child placement agency, or any other such entity, or a contractor or subcontractor that provides such program, benefit, or service on behalf of the state department of human services, a county department of human or social services, a child placement agency, or any other such entity. Placement-related services may include, but are not limited to, pursuing adoption or any other child placement; providing early intervention services, out-of-home placement prevention services, or family preservation services; or any service related to licensing or training for child care centers, adoptive or foster parents, or kinship care. The state department of human services, a county department of human or social services, a child placement agency, or any other such entity is not required to contract with or access a placement-related service outside the current placement-related services that are utilized by that specific entity.

(d) "Service provider" means the state department of human services, a county department of human or social services, or a child placement agency. "Service provider" includes a contractor or subcontractor that provides placement-related services on a service provider's behalf.

(2) A service provider that receives state money to provide placement-related services shall provide to each individual, family, or other service provider requesting services, including a service provider under investigation by the state department of human services or its designee for a violation of this section, fair and equal access to all available placement-related services offered by the service provider. Service providers that provide specialized placement-related services to specific populations are not required to provide services outside the scope of their specialized service or their specific population if the specialization serves a specific treatment-related purpose.

(3) In addition to any restrictions set forth in section 24-34-805 (2)(b), a service provider that receives state money to provide placement-related services shall not:

(a) Deny any person the opportunity to become an adoptive or a foster parent solely on the basis of a real or perceived disability, race, creed, religion, color, sex, sexual orientation, gender identity, gender expression, marital status, national origin, ancestry, or any communicable disease, including HIV, of the person or a member of the person's household. Any denial to care for a specific child or youth that includes one of these factors as the basis for the denial must be documented, must have a clear nexus to the ability to meet the needs of the child or youth, and the denial to care must not be detrimental to the health or welfare of the child or youth.

(b) Delay or deny the placement of a child or youth for adoption or into foster care on the basis of a real or perceived disability, race, creed, religion, color, sex, sexual orientation, gender identity, gender expression, national origin, ancestry, or any communicable disease,

including HIV, of the child or youth, unless the delay or denial of the placement is not detrimental to the health or welfare of the child or youth;

(c) Require different or additional screenings, processes, or procedures for adoptive or foster placement decisions solely on the basis of the following, unless such screenings, processes, or procedures are necessary to determine if the placement is detrimental to the health or welfare of the child or youth:

(I) A real or perceived disability, race, creed, religion, color, sex, sexual orientation, gender identity, gender expression, marital status, national origin, ancestry, or any communicable disease, including HIV, of the prospective adoptive or foster parent; or

(II) A real or perceived disability, race, creed, religion, color, sex, sexual orientation, gender identity, gender expression, national origin, ancestry, or any communicable disease, including HIV, of the child or youth involved; or

(d) Subject a child or youth in foster care or an individual, family, or other service provider to discrimination or harassment on the basis of actual or perceived disability, race, creed, religion, color, sex, sexual orientation, gender identity, gender expression, marital status, national origin, ancestry, or any communicable disease, including HIV, when providing any placement-related service.

(4) (a) A service provider shall provide placement-related services in a manner that is culturally responsive to the complex social identity of the individual receiving such services. Complex social identities include but are not limited to race, ethnicity, nationality, age, religion, sex, sexual orientation, gender identity, gender expression, socioeconomic status, physical or cognitive ability, language, beliefs, values, behavior patterns, and customs. Nothing in this subsection (4) may be used to cause the delay or denial of an out-of-home placement of a child or youth, unless the delay or denial of the placement is not detrimental to the health or welfare of the child or youth.

(b) The state department of human services shall determine whether placement-related services are provided in a manner that is culturally responsive to the complex social identity of the individual receiving such services.

(5) Nothing in this section diminishes the protections afforded to a parent, prospective parent, child, or youth with a disability, as described in sections 19-3-208, 19-5-100.2, and 24-34-805.

19-1-213. State CASA entity - duties - state court administrator duties - state court-appointed special advocate fund - definitions. (1) For the purposes of this section, unless the context otherwise requires:

(a) "Local CASA program" means a CASA program established in a judicial district, or any two or more judicial districts, pursuant to section 19-1-202.

(c) "State CASA entity" means the nonprofit entity that has entered into a contract with the office of the child's representative as described in subsection (2) of this section.

(2) The office of the child's representative shall contract with a nonprofit entity that is in good standing with the national CASA association to enhance the CASA program in Colorado. The state CASA entity shall:

(a) Aid and develop local CASA programs in each judicial district or in adjacent judicial districts;

(b) Ensure that local CASA programs adhere to state and national CASA standards;

(c) Ensure the provision and availability of high-quality accessible training for local CASA programs and volunteers;

(d) Seek to enhance existing funding sources, develop private-public partnership funding, and study the availability of new funding sources for the provision of high-quality local CASA programs in each judicial district or in adjacent judicial districts.

(3) Beginning July 1, 2019, and at least annually thereafter, the office of the child's representative shall allocate money appropriated to the state judicial department for CASA programs to the state CASA entity for allocation to local CASA programs. The state CASA entity shall report to the office of the child's representative regarding its duties described in subsection (2) of this section within one month before receiving an allocation.

(4) The state CASA entity, in consultation with local CASA programs, shall annually establish a formula for the allocation of money appropriated and shall allocate money to the local CASA programs in accordance with the established allocation formula. PART 3

RECORDS AND INFORMATION

Editor's note: This part 3 was added with relocations in 1996, effective January 1, 1997. Former C.R.S. section numbers are shown in editor's notes following those sections that were relocated.

19-1-301. Short title. This part 3 shall be known and may be cited as the "Children's Code Records and Information Act".

Source: L. 96: Entire part added with relocations, p. 1156, § 6, effective January 1, 1997.

19-1-302. Legislative declaration. (1) (a) The general assembly declares that information obtained by public agencies in the course of performing their duties and functions under this title is considered public information under the "Colorado Open Records Act", part 2

of article 72 of title 24, C.R.S. The general assembly, however, recognizes that certain information obtained in the course of the implementation of this title is highly sensitive and has an impact on the privacy of children and members of their families. The disclosure of sensitive information carries the risk of stigmatizing children; however, absolute confidentiality of such information may result in duplicated services in some cases, fragmented services in others, and the delivery of ineffective and costly programs and, in some situations, may put other members of the public at risk of harm. In addition, disclosure may result in serving the best interests of the child and may be in the public interest.

(b) Furthermore, the general assembly specifically finds that schools, school districts, and criminal justice agencies attempting to protect children and the public are often frustrated by their lack of ability to exchange information concerning disruptive children who may have experienced disciplinary actions at school or whose actions outside of a school setting may have resulted in contact with local law enforcement. The general assembly finds that schools, school districts, and criminal justice agencies are often better able to assist such disruptive children and to preserve school safety when they are equipped with knowledge concerning a child's history and experiences. The general assembly, however, recognizes that any such sharing of information among and between schools, school districts, and agencies to promote school safety or otherwise to assist disruptive children mandates an awareness of the responsibility on the part of those schools, school districts, and agencies receiving or providing the information that it be used only for its intended and limited purpose as authorized by law and that the confidential nature of the information be preserved. The general assembly finds, therefore, that it is desirable to authorize and encourage open communication among appropriate agencies, including criminal justice agencies, assessment centers for children, school districts, and schools, in order to assist disruptive children and to maintain safe schools.

(c) The general assembly further finds that partners in multi-agency assessment centers for children are often frustrated by their lack of ability to exchange information with each other when attempting to serve children and the public. The general assembly finds that assessment centers for children are better able to assist children when they are equipped with knowledge concerning a child's history and experiences. The general assembly, however, recognizes that any such sharing of information among agencies who are part of a multi-agency assessment center for children mandates an awareness of the responsibility on the part of the agencies receiving or providing the information that it be used only for its intended and limited purpose as authorized by law and that the confidential nature of the information be preserved.

(d) The general assembly recognizes the importance of children receiving support from all responsible parties and further finds that the state child support enforcement agency and the delegate child support enforcement units have a need to exchange information with other state, federal, and local agencies in order to effectively locate responsible parties; establish paternity and child support, including child support debt pursuant to section 14-14-104, C.R.S.; enforce support orders; disburse collected child support payments; and facilitate the efficient and effective delivery of services under articles 13 and 13.5 of title 26, C.R.S. Therefore, the general assembly recognizes that the state child support enforcement agency and the delegate child support enforcement units need access to the records and databases of the judicial department, the contents of which are otherwise protected under the provisions of this part 3. The general assembly, however, recognizes that any such information sharing mandates an awareness of responsibility on the part of the state child support enforcement agency and the delegate child

support enforcement units receiving information that it be used only for its intended purposes as authorized by law and in accordance with the provisions of section 26-13-102.7, C.R.S., and that the confidential nature of the information be preserved.

(e) The general assembly recognizes the need to make recommendations to the court concerning the many aspects of a child's legal status, including but not limited to existing court orders on placement of the child, legal custody of the child, and orders of protection. Because the population of this state is transitory, and jurisdictional lines for the purpose of court actions are arbitrary, communication of certain information available electronically on a statewide basis may assist state and county agencies, attorneys representing state or county agencies, and attorneys appointed by the court in making recommendations to the court. The general assembly recognizes that any such sharing of information among agencies, attorneys representing agencies, and attorneys appointed by the court mandates an awareness of the responsibility on the part of these agencies, attorneys representing agencies, and attorneys appointed by the court in receiving and providing the information that it be used only for its intended and limited purpose as authorized by law and that the confidential nature of the information be preserved.

(f) (I) The general assembly further recognizes the need for the command authority of military installations under the United States secretary of defense to receive notice and information regarding any report that is assigned for an assessment by the state department of human services or a county department of known or suspected instances of child abuse or neglect in which the person having care of the child in question is a member of the armed forces or a spouse, or a significant other or family member residing in the home of the member of the armed forces. The general assembly recognizes the need for the state department of human services and county departments to collect information concerning the military affiliation of the individual having custody or control of a child who is the subject of an investigation of child abuse or neglect.

(II) To further the fulfillment of these needs, the state department of human services and county departments should be able to enter into memorandums of understanding with the command authority of military installations. The memorandums of understanding may establish protocols for the sharing of information related to assessments of known or suspected instances of child abuse or neglect and for collaboration on the oversight of child abuse or neglect investigations involving a member of the armed forces or a spouse, or a significant other or family member residing in the home of the member of the armed forces.

(III) The general assembly, however, recognizes that any sharing of such information is critical for an awareness of the responsibility of the involved agencies and military installations that receive or provide the information that it be used only for its intended and limited purpose as authorized by law and that the confidential nature of the information must be preserved.

(IV) The general assembly finds, therefore, that it is desirable to authorize and encourage open communication between the state department of human services, county departments, and command authority of military installations to better serve children and families of Colorado.

(2) Therefore, in an effort to balance the best interests of children and the privacy interests of children and their families with the need to share information among service agencies and schools and the need to protect the safety of schools and the public at large, the general assembly enacts the provisions of this part 3.

In order to receive such information, the judicial department, attorney, or agency shall have a need to know for purposes of investigations and case management in the provision of services or the administration of their respective programs. The judicial department or the agencies shall exchange information in accordance with paragraph (b) of this subsection (1).

(b) The judicial department, an agency, an attorney representing an agency, or an attorney appointed by the court described in paragraph (a) of this subsection (1) shall exchange information with the judicial department or similar agencies or individuals who have a need to know to the extent necessary for the acquisition, provision, oversight, and referral of services and support and if provided in the course of an investigation or for case management purposes. (2) (a) School personnel may obtain from the judicial department or agencies described in paragraph (a) of subsection (1) of this section any information required to perform their legal duties and responsibilities. Said personnel shall maintain the confidentiality of the information obtained.

(b) Notwithstanding any other provision of law to the contrary, any criminal justice agency or assessment center for children in the state may share any information or records concerning a specific child who is or will be enrolled as a student at a school with that school's principal or with the principal's designee and, if the student is or will be enrolled at a public school, with the superintendent of the school district in which the student is or will be enrolled or the superintendent's designee as follows:

19-1-306. Expungement of juvenile delinquent records - definition - repeal. (1) (a) For the purposes of this section, "expungement" is defined in section 19-1-103 (48). Upon the entry of an expungement order, the person who is the subject of the record that has been expunged may assert that he or she has no juvenile delinquency record. Further, the person who is the subject of the record that has been expunged may lawfully deny that he or she has ever been arrested, charged, adjudicated, convicted, or sentenced in regard to the expunged case, matter, or charge.

(b) The court, law enforcement, and all other agencies shall reply to any inquiry regarding an expunged record that no record exists with respect to the person named in the record, unless information may be shared with the inquiring party pursuant to subsection (3) of this section.

(c) The expungement order only applies to the named juvenile and not to any co-participant.

(2) (a) At the time of the adjudication, the court shall advise the adjudicated juvenile and any respondent parent or guardian, in writing, of the right to expunge and the time period and process for expunging the order. The court, on its own motion or the motion of the juvenile probation department, the juvenile parole department, the juvenile, a respondent parent or guardian, or a court-appointed guardian ad litem, may initiate expungement proceedings concerning the record of any juvenile who has been under the jurisdiction of the court.

(b) If a juvenile is supervised by probation, the probation department, upon the termination of the juvenile's supervision period, shall provide the juvenile with a written advisement of the right to expungement and the time period and process for expunging the record.

(c) If a juvenile is supervised by parole, the department or division supervising the juvenile's parole, upon the termination of the juvenile's parole supervision period, shall provide the juvenile with a written advisement of the right to expungement and the time period and process for expunging the record.

(d) If the juvenile is supervised by a diversion officer or agency other than probation, the agency supervising the diversion program, upon the termination of the juvenile's diversion period, shall provide the juvenile with a written advisement of the right to expungement and the time period and process for expunging the record.

(e) If a juvenile is sentenced in municipal court, the municipal court, at sentencing, shall provide the juvenile and any respondent parent or guardian with a written advisement of the right to expungement and the time period and process for expunging the record. The municipal court may provide the notice through a municipal diversion program, the city attorney, or a municipal probation program.

(f) If a juvenile is committed to the division of youth services and is released without a requirement to complete further parole, the division shall provide the juvenile with a written advisement of the right to expungement and the time period and process for expunging the record.

(g) Expungement must be effectuated by physically sealing or conspicuously indicating on the face of the record or at the beginning of the computerized file of the record that the record has been designated as expunged.

(h) The prosecuting attorney shall not require as a condition of a plea agreement that the juvenile waive his or her right to expungement under this section upon the completion of the juvenile's sentence.

(i) Prior to the court ordering any records expunged, the court shall determine whether the juvenile has any felony, drug felony, misdemeanor, drug misdemeanor, petty offense, or delinquency actions pending, and, if the court determines that there is a felony, drug felony, misdemeanor, drug misdemeanor, petty offense, or delinquency action pending against the juvenile, the court shall stay the petition for expungement proceedings until the resolution of the pending case.

(3) (a) After expungement, basic identification information on the juvenile and a list of any state and local agencies and officials having contact with the juvenile, as they appear in the records, are not open to the public but are available to a prosecuting attorney, local law enforcement agency, the department of human services, the state judicial department, and the victim as defined in section 24-4.1-302 (5); except that such information is not available to an agency of the military forces of the United States.

(b) Notwithstanding any order for expungement pursuant to this section, any record that is ordered expunged is available to any judge and the probation department for use in any future proceeding in which the person whose record was expunged is charged with an offense as either a juvenile or as an adult. A new criminal or delinquency charge may not be brought against the juvenile based upon information gained initially or solely from examination of the expunged records.

(c) Notwithstanding an order for expungement pursuant to this section, any criminal justice record of a juvenile who has been charged, adjudicated, or convicted of any offense shall be available for use by the juvenile, the juvenile's attorney, a prosecuting attorney, any law enforcement agency, or any agency of the state judicial department in any subsequent criminal investigation or prosecution as a substantive predicate offense conviction or adjudication of record.

(d) Notwithstanding any order for expungement issued pursuant to this section, nothing prevents the prosecuting attorney, including the staff of a prosecuting attorney's office or a victim or witness assistance program or a law enforcement agency or law enforcement victim assistance program, from discussing with the victim the case, the results of any expungement proceedings, information regarding restitution, and information related to any victim services available to the victim as defined in section 24-4.1-302 (5), but copies of expunged records must not be provided to the victim. The victim may petition the court and request that a copy of the expunged records be provided to the victim. If the court finds that there are compelling reasons for the release, a copy of the expunged records may be released to the victim. If the court orders the release of a copy of the expunged records to the victim, the court must issue a protective order regarding the usage of the expunged records.

(e) Notwithstanding any order for expungement issued pursuant to this section, any information, including police affidavits and reports and records related to any prior conviction or adjudication, are available without court order to the persons, government agencies, or entities allowed access to or allowed to exchange such information pursuant to section 19-1-303 for the

purposes described therein. Any person who knowingly violates the confidentiality provisions of section 19-1-303 is subject to the penalty in section 19-1-303 (4.7).

(f) Notwithstanding any order for expungement issued pursuant to this section, nothing in this section precludes a county department of human or social services employee from reviewing internal department records that are ordered expunged and are in the county department's possession for purposes of department investigations and case management in the provision of child welfare services.

(g) (I) Notwithstanding any order for expungement issued pursuant to this section, any record that is ordered expunged is available to the pre-adolescent services task force created pursuant to section 19-3-304.4 for the purpose of performing its required duties.

(II) This subsection (3)(g) is repealed, effective July 1, 2023.

(4) (a) The court shall order all records in a juvenile delinquency case in the custody of the court, and any records related to the case and charges in the custody of any other agency, person, company, or organization, expunged within forty-two days after:

(I) A finding of not guilty at an adjudicatory trial;

(II) Dismissal of the petition in its entirety prior to any disposition or alternative to sentencing, including diversion, a deferred adjudication, or an informal adjustment; or

(III) The completion of a sentence or alternative to sentencing, including diversion, a deferred adjudication, or an informal adjustment, for a petty offense, drug petty offense, class 2 or class 3 misdemeanor offense, or level 1 or level 2 drug misdemeanor if the offense does not involve unlawful sexual behavior as defined in section 16-22-102 (9), is not an act of domestic violence as defined in section 18-6-800.3, or is not a crime listed under section 24-4.1-302 (1), and the defendant was under eighteen years of age at the time the offense was committed.

(b) (I) Upon successful completion of diversion at the prefiling level as an alternative to the filing of a petition, the custodian of any record shall expunge the record in the custody of law enforcement, the juvenile's school, the diversion provider, and the district attorney without the need for a court order.

(II) The district attorney or other diversion provider shall notify the Colorado bureau of investigation, the law enforcement agency that had contact with the juvenile, and the juvenile's school, if the incident occurred at school or the district attorney notified the school of the case, that diversion is complete and the records are expunged. Any law enforcement agency or school that receives a notice shall acknowledge receipt of the notice. The Colorado bureau of investigation, law enforcement agency, school, diversion provider, and district attorney shall treat the records as expunged within thirty-five days after the completion of diversion, and all provisions of this section addressing expunged records apply to those records.

(III) If victim notification is required pursuant to part 4.1 of title 24, the district attorney shall notify the victim prior to sending the notice pursuant to subsection (4)(b)(II) of this section, and offer the victim an opportunity to object. If the victim objects, the district attorney shall notify the court and the diversion provider. Upon receipt of the notice of objection from the district attorney, the diversion provider shall complete and file a report pursuant to subsection (5)(c) of this section, and the provisions of subsections (5)(e), (5)(e.5), (5)(f), and (5)(g) of this section apply.

(c) The court shall, on or before November 1 of each year, review all juvenile delinquency court files during the two previous years that resulted in a finding of not guilty; a dismissal of the petition; a sentence for a petty offense; a sentence for a drug petty offense; a

sentence for a drug misdemeanor offense; or a sentence for a class 2 or class 3 misdemeanor offense if the offense does not involve unlawful sexual behavior as defined in section 16-22-102 (9), is not an act of domestic violence as defined in section 18-6-800.3, or is not a crime listed under section 24-4.1-302 (1), and the defendant was under eighteen years of age at the time the offense was committed. The court shall enter an expungement order for all juveniles eligible for expungement pursuant to this subsection (4), if the expungement order was not previously made.

(5) (a) At the time that the court orders the following sentences or alternatives to sentencing, the court shall make a finding that the juvenile is eligible for expungement pursuant to this subsection (5) and include that finding on the written mittimus or other sentencing document:

(I) A juvenile diversion program, a deferred adjudication, or an informal adjustment, except for those described in subsection (4)(a)(III) of this section;

(II) A juvenile sentence for an adjudication for a class 1 misdemeanor or a petty or a misdemeanor offense that is not eligible for expungement pursuant to subsection (4) of this section; or

(III) Repealed.

(IV) A juvenile sentence for an adjudication for a felony offense or felony drug offense if:

(A) The felony offense did not constitute unlawful sexual behavior as defined in section 16-22-102 (9);

(B) The felony offense was not a crime of violence as described in section 18-1.3-406;

(C) The felony offense was not a class 1 or class 2 felony; and

(D) The juvenile had no prior felony adjudications.

(b) Repealed.

(c) (I) If the court makes a finding that a juvenile is eligible for expungement pursuant to subsection (5)(a) of this section, the agency supervising the juvenile shall, at the conclusion of the agency's supervision, prepare a report and summary of supervision outlining the performance of the juvenile while under supervision. The supervising agency shall provide the report to the court and provide a copy of the report to the prosecuting attorney, the juvenile, and the juvenile's attorney of record no earlier than thirty-five days prior to the end of supervision and no later than fourteen days after the conclusion of supervision. If there is no supervising agency, the court shall send a notice that the unsupervised sentence is complete to the district attorney when the sentence is complete.

(II) Upon receipt of the report or notice pursuant to this subsection (5)(c), the prosecuting attorney shall contact the victim regarding expungement if notification is required pursuant to part 4.1 of title 24.

(d) If neither the prosecuting attorney nor a victim files an objection within thirty-five days after the filing of the report or notice pursuant to subsection (5)(c) of this section, the court shall order all records in the juvenile delinquency case in the custody of the court, and any records related to the case and charges in the custody of any other agency, person, company, or organization, expunged.

(e) If the prosecuting attorney or a victim files an objection within thirty-five days after the filing of the report or notice pursuant to subsection (5)(c) of this section, the court shall schedule a hearing on the issue of expungement. The court shall notify all objecting parties of

the hearing date. The hearing must be set at least thirty-five days after the date the court sends notice of the hearing.

(e.5) If the offense for which the records are eligible for expungement requires the juvenile to register pursuant to section 16-22-103 and the court has not already issued a notice pursuant to section 16-22-113 (1.3)(b), upon receipt of the report from the supervising agency pursuant to subsection (5)(c) of this section, the court shall issue a notice pursuant to section 16-22-113 (1.3)(b) and this subsection (5)(e.5), and the victim and prosecution have sixty-three days from the issuance of that notice to file an objection to expungement or the discontinuation of registration. All other requirements of subsections (5)(d), (5)(e), (5)(f), and (5)(g) of this section apply to the expungement. The provisions of section 16-22-113 (1.3) apply to the issue of discontinuing registration. The court shall consider both issues at the same hearing. If the court has not already ordered that the juvenile may discontinue registration pursuant to section 16-22-113, the court shall enter an order granting expungement and discontinuing the registration requirement, denying expungement and discontinuing the registration requirement, or denying expungement and continuing the registration requirement.

(f) If a hearing is scheduled pursuant to subsection (5)(e) of this section, the court shall send notice to the last known address of the juvenile notifying the juvenile of the date of the hearing and of the juvenile's right to appear at the hearing and to present evidence to the court in writing prior to the hearing and in person at the hearing. The notice must indicate that, at the hearing, the court will consider whether the juvenile has been rehabilitated and whether expungement is in the best interest of the juvenile and the community. The juvenile is not required to appear at the hearing.

(g) At a hearing held pursuant to this subsection (5), the court shall order all records of the case in the custody of the court, and any records related to the case or charges in the custody of any other agency, person, company, or organization, expunged if the court makes written findings that:

(I) The rehabilitation of the juvenile has been attained to the satisfaction of the court; and

(II) The expungement is in the best interest of the juvenile and the community.

(h) The court shall, starting on November 1, 2019, and each November 1 thereafter, review all juvenile delinquency court files during the two previous years that resulted in participation in diversion, a deferred adjudication, or an informal adjustment; a sentence for a class 1 misdemeanor offense, any drug felony offense, or a misdemeanor offense involving domestic violence as defined in section 18-6-800.3; or a felony offense that did not constitute unlawful sexual behavior as defined in section 16-22-102 (9), was not a crime of violence as described in section 18-1.3-406, and was not a class 1 or class 2 felony. The court shall send the notice required for all records eligible for a notice pursuant to this subsection (5) if the notice was not previously sent and an expungement order was not previously made. After the notice is sent, the provisions of subsections (5)(b) to (5)(g) of this section apply.

(i) With the victim's consent, or if there is no named victim, the prosecuting attorney may agree at the time of a plea that there will be no objection to expungement upon the completion of the juvenile's sentence. In such a case, the court shall order all records of the case in the custody of the court, and any records related to the case or charges in the custody of any other agency, person, company, or organization, expunged upon completion of the juvenile's sentence. If the petition is not granted without a hearing, the court shall set a date for a hearing on the petition for expungement and shall notify the appropriate prosecuting attorney.

(10) Upon the entry of an order expunging a record pursuant to this section, the court shall order, in writing, the expungement of all case records in the custody of the court and any records related to the case and charges in the custody of any other agency, person, company, or organization. ARTICLE 2.5

The Colorado Juvenile Justice System

Editor's note: This article 2.5 was added with relocations in 2021. Former C.R.S. section numbers are shown in editor's notes following those sections that were relocated. For a detailed comparison of this article 2.5, see the comparative tables located in the back of the index.

PART 1

GENERAL PROVISIONS

19-2.5-101. Legislative declaration. (1) (a) The general assembly finds that the intent of this article 2.5 is to protect, restore, and improve the public safety by creating a system of juvenile justice that will appropriately sanction juveniles who violate the law and, in certain cases, will also provide the opportunity to bring together affected victims, the community, and juvenile offenders for restorative purposes.

(b) The general assembly further finds that, while holding paramount the public safety, the juvenile justice system must take into consideration the best interests of the juvenile, the victim, and the community in providing appropriate treatment to reduce the rate of recidivism in the juvenile justice system and to assist the juvenile in becoming a productive member of society.

(2) The general assembly finds that the public has the right to safe and secure homes and communities and that when a delinquent act occurs, safety and security is compromised; and the result is harm to the victim, the community, and the juvenile offender. The general assembly finds that the juvenile justice system should seek to repair such harm and that victims and communities should be provided with the opportunity to elect to participate actively in a restorative process that would hold the juvenile offender accountable for the offense.

(a) Concerning any juvenile ten years of age or older who has violated:

(I) Any federal or state law, except nonfelony state traffic, game and fish, and parks and recreation laws or rules; the offense specified in section 18-13-122, concerning the illegal possession or consumption of ethyl alcohol or marijuana by an underage person or illegal possession of marijuana paraphernalia by an underage person; the offenses specified in section 18-18-406 (5)(b)(I) and (5)(b)(II), concerning marijuana and marijuana concentrate; and the civil infraction in section 18-7-109 (3), concerning exchange of a private image by a juvenile;

(b) Concerning a juvenile to whom section 19-2.5-802 applies; except that, after filing charges in the juvenile court but prior to the time that the juvenile court conducts a transfer hearing, the district attorney may file the same or different charges against the juvenile by direct filing of an information in the district court or by indictment pursuant to section 19-2.5-801. Upon such filing or indictment in the district court, the juvenile court no longer has jurisdiction over proceedings concerning such charges.

(2) The juvenile court has limited jurisdiction in matters to which section 19-2.5-801 applies.

(3) The fact that a juvenile has been prosecuted or convicted in the county court for a nonfelony violation pursuant to title 42 is not a bar to a subsequent or parallel proceeding pursuant to this title 19 for delinquent acts arising out of the same criminal episode; nor are proceedings pursuant to this title 19 a bar to a subsequent or parallel prosecution in the county court for a nonfelony violation pursuant to title 42 for the same delinquent acts arising from the same criminal episode.

(4) Notwithstanding any other provision of this section to the contrary, the juvenile court may exercise jurisdiction over a juvenile who is under sixteen years of age and who has violated a traffic law or ordinance if the juvenile's case is transferred to the juvenile court from the county court. Such a transfer is subject to approval by the juvenile court.

(5) Notwithstanding any other provision of this section to the contrary, the juvenile court and the county court have concurrent jurisdiction over a juvenile who is under eighteen years of age and who is charged with a violation of section 18-13-122, 18-18-406 (5)(b)(I) and (5)(b)(II), 18-18-428, 18-18-429, 18-18-430, or 42-4-1301; except that, if the juvenile court accepts jurisdiction over such a juvenile, the county court jurisdiction terminates.

(6) The juvenile court may retain jurisdiction over a juvenile until all orders have been fully complied with by such person, or any pending cases have been completed, or the statute of limitations applicable to any offense that may be charged has run, regardless of whether such person has attained the age of eighteen years, and regardless of the age of such person.

(7) This section does not confer any jurisdiction upon the court over a person for any offense committed after the person attains the age of eighteen years.

(8) Notwithstanding any other provision of this section to the contrary, the juvenile court may exercise jurisdiction over a juvenile to determine the legal custody of a juvenile or to appoint a guardian of the person or legal custodian of any child who comes within the juvenile court's jurisdiction pursuant to section 19-1-104.

(9) If a juvenile is charged with a civil infraction and is not charged with an additional offense that would constitute a criminal offense if charged against an adult, the county court has jurisdiction over the civil infraction.

19-2.5-104. Venue. (1) (a) Proceedings in cases brought pursuant to this article 2.5 must be commenced in the county in which the alleged violation of the law, ordinance, or court order took place; except that the court may order a change of venue based upon written findings that a change of venue is necessary to ensure that the juvenile receives a fair trial, in which case venue must be transferred to an appropriate jurisdiction prior to the findings of fact. When the court in which the petition was filed is in a county other than where the juvenile resides, such court may transfer venue to the court of the county of the juvenile's residence for the purposes of supervision after sentencing and entry of any order for payment of restitution. A transfer of venue may not be rejected for any reason except where venue would be improper.

(b) For purposes of determining proper venue, a juvenile who is placed in the legal custody of a county department of human or social services is deemed for the entire period of placement to reside in the county in which the juvenile's legal custodian is located, even if the juvenile is physically residing in a residential facility located in another county. If a juvenile is placed in the legal custody of a county department of human or social services, the court shall not transfer venue during the period of placement to any county other than the county in which the juvenile's legal custodian is located.

(2) In determining proper venue, section 18-1-202 applies.

(3) A court transferring venue pursuant to this section shall transmit all documents and legal social records, or certified copies of such documents, to the receiving court. The receiving court shall then proceed with the case as if the petition had been originally filed or the adjudication had been originally made in such court.

(4) Upon transfer of venue, the receiving court shall set a date not more than thirty-five days following the date upon which the change of venue is ordered for the juvenile and the juvenile's parent or guardian to appear.

The victim or the victim's relative has the right to appear at the proceedings personally or with counsel and to adequately and reasonably express the victim's views concerning the act, the juvenile, the need for restitution, and the type of dispositional orders that the court should issue. When issuing such orders, the court shall consider the statements made by the victim, or the victim's relative, and shall make a finding, on the record, when appropriate, as to whether the juvenile would pose a threat to public safety if granted probation.

The court may impose contempt sanctions against the parent, guardian, or legal custodian for failure, without good cause, to attend any proceeding concerning the juvenile; except that, if the juvenile's legal custodian is a county department of human or social services or the state department of human services, the legal custodian need not attend any proceeding at which the juvenile's guardian ad litem is present.

(b) For any juvenile adjudicated pursuant to this article 2.5, the court may specify its expectations for the juvenile's parent, guardian, or legal custodian, so long as the parent, guardian, or legal custodian is a party to the delinquency proceedings.

(2) (a) The general assembly determines that families play a significant role in the cause and cure of delinquent behavior of children. It is therefore the intent of the general assembly that parents cooperate and participate significantly in the assessment and treatment planning for their children.

(2) (a) An employer, whether a public entity or private individual or entity, shall not ask an applicant for employment of any age to disclose information related to an arrest, detention, processing, diversion, supervision, adjudication, or court disposition that occurred while the applicant was subject to the process and jurisdiction of the juvenile court and an applicant of any age is not required to disclose such information in response to any employer inquiry.

(2) Upon the district attorney's request, the matter may be referred to any agency for an investigation and recommendation.

19-2.5-203. Statements - definitions. (1) A statement or admission of a juvenile made as a result of the custodial interrogation of the juvenile by a law enforcement official concerning delinquent acts alleged to have been committed by the juvenile are not admissible in evidence against the juvenile unless a parent, guardian, or legal or physical custodian of the juvenile was present at such interrogation and the juvenile and the juvenile's parent, guardian, or legal or physical custodian were advised of the juvenile's right to remain silent and that any statements made may be used against the juvenile in a court of law, of the juvenile's right to the presence of an attorney during such interrogation, and of the juvenile's right to have counsel appointed if the juvenile so requests at the time of the interrogation; except that, if a public defender or counsel representing the juvenile is present at such interrogation, such statements or admissions may be admissible in evidence even though the juvenile's parent, guardian, or legal or physical custodian was not present.

(2) (a) Notwithstanding subsection (1) of this section, statements or admissions of a juvenile may be admissible in evidence, notwithstanding the absence of a parent, guardian, or legal or physical custodian, if the court finds that, under the totality of the circumstances, the juvenile made a knowing, intelligent, and voluntary waiver of rights and:

(I) The juvenile is eighteen years of age or older at the time of the interrogation or the juvenile misrepresents his or her age as being eighteen years of age or older and the law enforcement official acts in good-faith reliance on such misrepresentation in conducting the interrogation;

(II) The juvenile is emancipated from the parent, guardian, or legal or physical custodian; or

(III) The juvenile is a runaway from a state other than Colorado and is of sufficient age and understanding.

(b) For the purposes of this subsection (2), "emancipated juvenile" means a juvenile over fifteen years of age and under eighteen years of age who has, with the real or apparent assent of

the juvenile's parents, demonstrated independence from the juvenile's parents in matters of care, custody, and earnings. The term may include, but is not limited to, any such juvenile who has the sole responsibility for the juvenile's own support, who is married, or who is in the military.

(3) Notwithstanding subsection (1) of this section, statements or admissions of a juvenile are not inadmissible in evidence by reason of the absence of a parent, guardian, or legal custodian if the juvenile was accompanied by a responsible adult who was a custodian of the juvenile or assuming the role of a parent at the time.

(4) For the purposes of this section, "physical custodian" is defined in section 19-2.5-102.

(5) Notwithstanding subsection (1) of this section, the juvenile and the juvenile's parent, guardian, or legal or physical custodian may expressly waive the requirement that the parent, guardian, or legal or physical custodian be present during the juvenile's interrogation. This express waiver must be in writing and must be obtained only after full advisement of the juvenile and the juvenile's parent, guardian, or legal or physical custodian of the juvenile's rights prior to the taking of the custodial statement by a law enforcement official. If said requirement is expressly waived, statements or admissions of the juvenile are not inadmissible in evidence by reason of the absence of the juvenile's parent, guardian, or legal or physical custodian during interrogation. Notwithstanding the requirements of this subsection (5), a county department of human or social services and the state department of human services, as legal or physical custodian, may not waive said requirement.

(6) Notwithstanding subsection (1) of this section, statements or admissions of a juvenile are not inadmissible into evidence by reason of the absence of a parent, guardian, or legal or physical custodian, if the juvenile makes any deliberate misrepresentations affecting the applicability or requirements of this section and a law enforcement official, acting in good faith and in reasonable reliance on such deliberate misrepresentation, conducts a custodial interrogation of the juvenile that does not comply with the requirements of subsection (1) of this section.

(7) (a) Notwithstanding any provisions of this section to the contrary, if the juvenile asserts that statements made during the custodial interrogation are inadmissible because a responsible adult had an interest adverse to the juvenile, the prosecution, as part of its burden of proof at a hearing on a motion to suppress the statements, must show by a preponderance of the evidence that the person interrogating the juvenile reasonably believed that the responsible adult did not have any interests adverse to those of the juvenile and that the responsible adult was able to provide protective counseling to the juvenile concerning the juvenile's rights during the interrogation.

(b) For purposes of this subsection (7):

(I) "Protective counseling" means an ongoing opportunity to offer guidance and advice concerning the juvenile's right to remain silent and to obtain retained or appointed counsel associated with the custodial interrogation; and

(II) "Responsible adult" means a parent, guardian, legal or physical custodian, or other responsible adult who was a custodian of the juvenile or who assumed the role of a parent at the time of the interrogation.

19-2.5-204. Issuance of a lawful warrant taking a juvenile into custody. (1) A lawful warrant taking a juvenile into custody may be issued pursuant to this section by any judge of a court of record or by a juvenile magistrate upon receipt of an affidavit relating facts sufficient to establish probable cause to believe that a delinquent act has been committed and probable cause to believe that a particular juvenile committed that act. Upon receipt of such affidavit, the judge or magistrate shall issue a lawful warrant commanding any peace officer to take the juvenile named in the affidavit into custody and to take the juvenile without unnecessary delay before the nearest judge of the juvenile court or magistrate pursuant to section 19-2.5-305 (4)(e)(I).

(2) Upon filing of a petition in the juvenile court, the district attorney may request a warrant to issue that authorizes the taking of a juvenile into temporary custody. If a warrant is requested, the petition must be accompanied by a verified affidavit relating facts sufficient to establish probable cause that the juvenile has committed the delinquent act set forth in the petition.

(3) A warrant for the arrest of a juvenile for violation of the conditions of probation or of a bond may be issued by any judge of a court of record or juvenile magistrate upon the report of a juvenile probation officer or upon the verified complaint of any person, establishing to the satisfaction of the judge or juvenile magistrate probable cause to believe that a condition of probation or of a bond has been violated and that the arrest of the juvenile is reasonably necessary. The warrant may be executed by any juvenile probation officer or by a peace officer authorized to execute warrants in the county in which the juvenile is found. If the warrant is for a juvenile found in contempt of court in a truancy proceeding, the court shall follow the procedures set forth in section 22-33-108 (7).

19-2.5-206. Search warrants - application. (1) A search warrant shall issue only on affidavit sworn to or affirmed before the judge or juvenile magistrate and relating facts sufficient to:

(a) Identify or describe, as nearly as may be, the premises, person, place, or thing to be searched;

(b) Identify or describe, as nearly as may be, the property to be searched for, seized, or inspected;

(c) Establish the grounds for issuance of the warrant or probable cause to believe that such grounds exist; and

(d) Establish probable cause to believe that the property to be searched for, seized, or inspected is located at, in, or upon the premises, person, place, or thing to be searched.

(2) The affidavit required by this section may include sworn testimony reduced to writing and signed under oath by the witness giving the testimony before issuance of the warrant. 19-2.5-207. Fingerprinting - juvenile under arrest - ordered by court - definition.

(1) For purposes of this section, "juvenile" means any juvenile who is charged with committing, summoned, or held in detention for committing a delinquent act that constitutes a felony, a class 1 misdemeanor, or a misdemeanor pursuant to section 42-4-1301 or a crime, the underlying factual basis of which included an act of domestic violence, as defined in section 18-6-800.3 (1), as if committed by an adult.

(2) (a) Any juvenile detained pursuant to this article 2.5 must be fingerprinted by the entity authorized by the court or the local law enforcement agency to obtain fingerprints, except for juvenile detention centers and alternative service programs, otherwise known as "SB 91-94 programs", described in section 19-2.5-606. Such entity or local agency shall forward a set of the juvenile's fingerprints to the Colorado bureau of investigation in the form and manner prescribed by the bureau.

(b) Any fingerprints required by this section to be forwarded to the Colorado bureau of investigation must be forwarded within twenty-four hours after completion of the fingerprinting, excluding Saturdays, Sundays, and legal holidays.

19-2.5-208. Petty tickets - summons - contracts - data. (1) (a) If a law enforcement officer contacts a juvenile ten years of age or older for a delinquent act that would be a petty offense if committed by an adult or a municipal ordinance violation, the officer may issue the juvenile a petty ticket that requires the juvenile to go through an assessment process or procedure as designated by the municipal, county, or district court, including assessment by a law enforcement officer, assessment officer, or a screening team, referred to in this section as the "screening entity". When a petty ticket is issued, an assessment officer or screening team officer shall offer a petty offense contract to the juvenile and the juvenile's parent or legal guardian if:

(I) The juvenile has no prior adjudication or non-traffic conviction in a municipal, county, juvenile, or district court;

(II) The alleged offense would be a class 1, class 2, or unclassified petty offense;

(III) The juvenile admits to the offense; and

(IV) The petty offense contract is in the best interests of the juvenile.

(b) If the juvenile is otherwise eligible for a petty offense contract pursuant to this subsection (1), but the screening entity finds that the issuance of a petty offense contract is not in the best interests of the juvenile, the screening entity shall state the reasons in writing. The screening entity shall provide a copy of the written statement to the juvenile and shall maintain a copy of the written statement. If there is no agreement resulting in a signed contract pursuant to this section, the prosecuting attorney may file a petition of delinquency.

(2) Every contract entered into pursuant to this section must be in writing and contain the following:

(a) Consent to the contract terms by the juvenile and the juvenile's parent or legal guardian;

(b) An agreement to pay restitution, when applicable;

(c) An agreement to perform useful community service, when applicable;

(d) An agreement to attend school unless the juvenile is in a certified home study program or is otherwise legally excused from such attendance;

(e) A requirement of restorative justice practices, when appropriate;

(f) A requirement that the juvenile not commit a delinquent act during the term of the contract; and

(g) Any other conditions determined appropriate by the screening entity.

(3) The term of the contract may not exceed ninety-one days; except that the contract may be extended for an additional thirty-five days for good cause.

(4) Upon the successful completion of the contract to the satisfaction of the screening entity, the juvenile is released from any further obligation, and the prosecuting attorney shall not

file a petition in delinquency for the admitted act. The completed contract remains confidential except to the ticketing agency, the screening and supervisory entity, the juvenile, and the juvenile's parent or legal guardian.

(5) (a) If a juvenile fails to comply with a written condition of the contract within a specific time designated in the contract, the prosecuting attorney may file charges with the court. The contract and any statements contained in the contract or made by the juvenile to the screening entity administering the contract must not be used against the juvenile.

(b) If there is no agreement resulting in a signed contract, any statement made by the juvenile to the screening entity administering the assessment must not be used against the juvenile.

(c) Notwithstanding subsections (5)(a) and (5)(b) of this section, statements or admissions of a juvenile contained in the contract or made by the juvenile to the screening entity are admissible into evidence, if the juvenile makes any deliberate misrepresentations affecting the applicability or requirements of this section.

(6) (a) Each law enforcement agency that issues petty offense tickets pursuant to this section shall maintain annual data on the number of tickets issued and the age, ethnicity, gender, and final disposition for each ticket.

(b) The data collected pursuant to subsection (6)(a) of this section is public and must be made available upon request.

(4) A juvenile may be detained temporarily by an adult other than a law enforcement officer if the juvenile has committed or is committing a delinquent act in the presence of such adult. Any person detaining a juvenile shall notify, without unnecessary delay, a law enforcement officer, who shall assume custody of said juvenile.

(5) The taking of a juvenile into temporary custody pursuant to this section is not an arrest, nor does it constitute a police record.

PART 3

DETENTION

19-2.5-301. Legislative declaration. The general assembly declares that the placement of children and juveniles in a detention facility exacts a negative impact on the mental and physical well-being of the child or juvenile, and such detention may make it more likely that the child or juvenile will reoffend. Children and juveniles who are detained are more likely to penetrate deeper into the juvenile justice system than similar children or juveniles who are not detained, and community-based alternatives to detention should be based on the principle of using the least-restrictive setting possible and returning a child or juvenile to his or her home, family, or other responsible adult whenever possible consistent with public safety. It is the intent of the general assembly in adopting section 19-2.5-304 and amending sections 19-2.5-303, 19-2.5-305, and 19-2.5-1404 to limit the use of detention to only those children and juveniles who pose a substantial risk of serious harm to others or that are a flight risk from prosecution.

19-2.5-302. Local juvenile services planning committee - creation - duties - identification and notification of dually identified crossover youth. (1) If all of the boards of commissioners of each county or the city council of each city and county in a judicial district agree, there may be created in the judicial district a local juvenile services planning committee that is appointed by the chief judge of the judicial district or, for the second judicial district, the presiding judge of the Denver juvenile court, from persons recommended by the boards of commissioners of each county or the city council of each city and county within the judicial district. The committee, if practicable, must include, but need not be limited to, a representative from a county department of human or social services, a local school district, a local law enforcement agency, a local probation department, the division of youth services, private citizens, the district attorney's office, the public defender's office, a community mental health representative, and a representative of the concerns of municipalities. The committee, if created, shall meet as necessary to develop a plan for the allocation of resources for local juvenile services within the judicial district for the fiscal year. The committee is strongly encouraged to consider programs with restorative justice components when developing the plan. The state department of human services shall approve the plan. A local juvenile services planning committee may be consolidated with other local advisory boards pursuant to section 24-1.7-103.

(2) The plan must provide for the management of dually identified crossover youth. The plan must contain descriptions and processes to include:

(a) A process for the identification of dually identified crossover youth at the earliest reasonable point of contact;

(b) A method for collaborating and exchanging information with other judicial districts, including with the collaborative management program described in section 24-1.9-102 and consistent with the data-sharing policies of the collaborative management program;

(c) A process for promptly communicating information about the youth's crossover status between the child welfare and juvenile justice systems and to notify each other of the new involvement in the respective system or information that may aid in the identification of dually identified crossover youth. The following parties should be notified of a youth's status as a dually identified crossover youth if applicable: Public defenders, district attorneys, local juvenile services planning committee coordinators, human or social services department representatives, probation representatives, juvenile court representatives, parents, and guardians ad litem.

(d) A process for identifying the appropriate services or placement-based assessment for a dually identified crossover youth;

(e) A process for sharing and gathering information in accordance with applicable laws, rules, and county policy;

(f) A process for the development of a single case management plan and identification of the lead agency for case management purposes and the engagement of dually identified crossover youth and their caregivers;

(g) A process that facilitates the sharing of assessments and case planning information and includes policies around sharing information with other judicial districts;

(h) A process for a multidisciplinary group of professionals to consider decisions that include youth and community safety, placement, provision of needed services, alternatives to detention and commitment, probation, parole, permanency, education stability, and case closure; and

(i) A requirement that dually identified crossover youth placed in a secure detention facility who are deemed eligible for release by the court be placed in the least restrictive setting whenever possible to reduce the disparity between dually identified crossover youth and nondually identified crossover youth in secure detention.

19-2.5-303. Duty of officer - screening teams - notification - release or detention. (1)

When a juvenile is taken into temporary custody and not released pending charges, the officer shall notify the screening team for the judicial district in which the juvenile is taken into custody. The screening team shall notify the juvenile's parent, guardian, or legal custodian without unnecessary delay and inform the juvenile's parent, guardian, or legal custodian that, if the juvenile is placed in detention or a temporary holding facility, all parties have a right to a prompt hearing to determine whether the juvenile is to be detained further. Such notification may be made to a person with whom the juvenile is residing if a parent, guardian, or legal custodian cannot be located. If the screening team is unable to make such notification, the notification may be made by any law enforcement officer, juvenile probation officer, detention center counselor, or detention facility staff in whose physical custody the juvenile is placed.

(2) (a) If the law enforcement officer does not release the juvenile to the care of the juvenile's parents, legal guardian, kin, or other responsible adult, the screening team shall administer a validated detention screening instrument developed or adopted pursuant to section 19-2.5-1404. The law enforcement officer, screening team, or juvenile court shall not remove the

juvenile from the custody of the parent or legal guardian pursuant to this section unless the screening team or the juvenile court:

(I) (A) First finds that a validated detention screening instrument selected or adopted pursuant to section 19-2.5-1404 has been administered and the juvenile scored as detention-eligible; or

(B) There are grounds to override the results of the detention screening instrument based on the criteria developed in accordance with section 19-2.5-1404; and

(II) Finds that the juvenile poses a substantial risk of serious harm to others or a substantial risk of flight from prosecution and finds that community-based alternatives to detention are insufficient to reasonably mitigate that risk. Flight from prosecution is distinguished from simple failure to appear and must generally be evidenced by a demonstrated record of repeat, recent willful failures to appear at a scheduled court appearance.

(b) The screening team shall administer the detention screening instrument for each juvenile under consideration for detention. The detention screening instrument must be administered by a screener who has completed training to administer the detention screening instrument.

(c) Any information concerning a juvenile that is obtained during the administration of the detention screening instrument must be used solely for the purpose of making a recommendation to the court regarding the continued detention of the juvenile. The information is not subject to subpoena or other court process, for use in any other proceeding, or for any other purpose.

(d) Court records and division of youth services records must include data on detention screening scores and, if the score does not mandate detention, the explanation for the override placing the juvenile in detention.

(e) A juvenile who must be taken from the juvenile's home but who does not require physical restriction must be given temporary care with a grandparent, kin, or other suitable person; in a temporary shelter facility designated by the court; or with the county department of human or social services and must not be placed in detention.

(f) The screening team and the juvenile court shall use the results from the detention screening instrument in making a release determination. Release options include allowing a juvenile to return home with no supervision, or with limited supervision such as a location monitoring device, or a referral to a preadjudication alternative to detention or service program established pursuant to section 19-2.5-606.

(3) (a) The juvenile must be released to the care of the juvenile's parents, kin, or other responsible adult, unless a determination has been made in accordance with subsection (2) of this section that the juvenile's substantial risk of serious harm to others requires that the juvenile be detained. The court may make reasonable orders as conditions of release pursuant to section 19-2.5-305 (5). In addition, the court may provide that any violation of such orders may subject the juvenile to contempt sanctions of the court. The parent, kin, or other person to whom the juvenile is released is required to sign a written promise, on forms supplied by the court, to bring the juvenile to the court at a time set or to be set by the court. Failure, without good cause, to comply with the promise subjects the juvenile's parent or any other person to whom the juvenile is released to contempt sanctions of the court.

(b) Parents or legal guardians of a juvenile released from detention pursuant to this section shall complete the relative information form described in section 19-2.5-1404 (1)(b)(VIII) no later than the next hearing on the matter.

(4) (a) Except as required in subsection (4)(b) of this section, a law enforcement officer shall not detain a juvenile any longer than is reasonably necessary to obtain basic identification information and to contact the juvenile's parents, guardian, or legal custodian.

(b) If the juvenile is not released as required in subsection (3) of this section, the juvenile must be taken directly to the court or to the place of detention, a temporary holding facility, a temporary shelter designated by the court, or a preadjudication service program established pursuant to section 19-2.5-606 without unnecessary delay.

(5) (a) As an alternative to taking a juvenile into temporary custody pursuant to subsections (1), (3), and (4) of this section, a law enforcement officer may, if authorized by the establishment of a policy that permits such service by order of the chief judge of the judicial district or the presiding judge of the Denver juvenile court, which policy is established after consultation between such judge and the district attorney and law enforcement officials in the judicial district, serve a written promise to appear for juvenile proceedings based on any act that would constitute a felony, misdemeanor, or petty offense upon the juvenile and the juvenile's parent, guardian, or legal custodian.

(b) A promise to appear served pursuant to subsection (5)(a) of this section must state any charges against the juvenile and the date, time, and place where the juvenile is required to answer such charges. The promise to appear must also state:

(I) That the juvenile has the right to have the assistance of counsel;

(II) That counsel can be appointed for the juvenile if the juvenile and the juvenile's parent, guardian, or legal custodian lack adequate resources to retain counsel or the juvenile's parent, guardian, or legal custodian refuses to retain counsel for the juvenile;

(III) That, to determine if the juvenile is eligible for court-appointed counsel, or to apply for court-appointed counsel, the juvenile's parent, guardian, or legal custodian is advised to call the office of the state public defender, visit the state public defender's office, or visit the state public defender's internet website;

(IV) That, to avoid delay in obtaining counsel, the juvenile's parent, guardian, or legal custodian is advised to apply for court-appointed counsel at least five days, excluding Saturdays, Sundays, and legal holidays, before the juvenile's promised date of appearance; and

(V) The contact information for the local office of the state public defender, including the office's telephone number and address, and the address of the internet website of the office of the state public defender.

(c) Repealed.

(d) The juvenile shall sign the promise to appear. The promise to appear must be served upon the juvenile's parent, guardian, or legal custodian by personal service or by certified mail, return receipt requested. The date established for the juvenile and the juvenile's parent, guardian, or legal custodian to appear must not be earlier than seven days nor later than thirty-five days after the promise to appear is served upon both the juvenile and the juvenile's parent, guardian, or legal custodian.

19-2.5-304. Limitations on detention. (1) Detention is not permitted for the following:

(a) Juveniles who have not committed, or have not been accused of committing, a delinquent act unless otherwise found in contempt of court;

(b) Delinquent and nondelinquent juveniles who have been placed in the legal custody of a county department of human or social services pursuant to a petition in dependency or neglect and are solely awaiting out-of-home placement;

(c) Juveniles who at admission require medical care, are intoxicated, or are under the influence of drugs, to an extent that custody of the juvenile is beyond the scope of the detention facility's medical service capacity;

(d) Juveniles who are solely assessed as suicidal or exhibit behavior placing them at imminent risk of suicide; and

(e) Juveniles who have not committed a delinquent act but present an imminent danger to self or others or appear to be gravely disabled as a result of a mental health disorder or an intellectual and developmental disability.

(2) A juvenile court shall not order a juvenile who is ten years of age and older but less than thirteen years of age to detention unless the juvenile has been arrested for a felony or weapons charge pursuant to section 18-12-102, 18-12-105, 18-12-106, or 18-12-108.5. A preadjudication service program created pursuant to section 19-2.5-606 shall evaluate a juvenile described in this subsection (2). The evaluation may result in the juvenile:

(a) Remaining in the custody of a parent or legal guardian;

(b) Being placed in the temporary legal custody of kin, for purposes of a kinship foster care home or noncertified kinship care placement, as defined in section 19-1-103, or other suitable person under such conditions as the court may impose;

(c) Being placed in a temporary shelter facility; or

(d) Being referred to a local county department of human or social services for assessment for placement.

(3) A juvenile shall not be placed in detention solely:

(a) Due to lack of supervision alternatives, service options, or more appropriate facilities;

(b) Due to the community's inability to provide treatment or services;

(c) Due to a lack of supervision in the home or community;

(d) In order to allow a parent, guardian, or legal custodian to avoid legal responsibility;

(e) Due to a risk of the juvenile's self-harm;

(f) In order to attempt to punish, treat, or rehabilitate the juvenile;

(g) Due to a request by a victim, law enforcement, or the community;

(h) In order to permit more convenient administrative access to the juvenile;

(i) In order to facilitate further interrogation or investigation; or

(j) As a response to technical violations of probation unless the results of a detention screening instrument indicate that the juvenile poses a substantial risk of serious harm to others

or if the applicable graduated responses system adopted pursuant to section 19-2.5-1108 allows for such a placement.

19-2.5-305. Detention and shelter - hearing - time limits - findings - review - confinement with adult offenders - restrictions. (1) Unless placement is prohibited pursuant to section 19-2.5-304, when a juvenile is placed in a detention facility, in a temporary holding facility, or in a temporary shelter facility designated by the court, the screening team shall promptly notify the court, the district attorney, and the local office of the state public defender. The screening team shall also notify a parent or legal guardian or, if a parent or legal guardian cannot be located within the county, the person with whom the juvenile has been residing and inform such person of the right to a prompt hearing to determine whether the juvenile is to be detained further. The court shall hold the detention hearing within forty-eight hours, excluding Saturdays, Sundays, and legal holidays. For a juvenile being held in detention on a warrant for violating a valid court order on a status offense, the court shall hold the detention hearing within twenty-four hours, excluding Saturdays, Sundays, and legal holidays.

(2) A juvenile who is detained for committing a delinquent act must be represented at the detention hearing by counsel. If the juvenile has not retained his or her own counsel, the court shall appoint the office of the state public defender or, in the case of a conflict, the office of alternate defense counsel to represent the juvenile. This appointment continues if the court appoints the office of the state public defender or the office of alternate defense counsel pursuant to section 19-2.5-605 (2)(a) unless:

(a) The juvenile retains his or her own counsel; or
(b) The juvenile makes a knowing, intelligent, and voluntary waiver of the right to counsel, as described in section 19-2.5-605 (2)(c).

(3) (a) (I) A juvenile taken into custody pursuant to this article 2.5 and placed in a detention or temporary shelter facility or a temporary holding facility is entitled to a hearing within forty-eight hours after such placement, excluding Saturdays, Sundays, and legal holidays, to determine if the juvenile should be detained. The time of the detention hearing must allow defense counsel sufficient time to consult with the juvenile before the detention hearing. This consultation may be performed by secure electronic means if the conditions under which the electronic consultation is held allow the consultation to be confidential. The time in which the hearing must be held may be extended for a reasonable time by order of the court upon good cause shown.

(II) The law enforcement agency that arrested the juvenile shall promptly provide to the court and to defense counsel the affidavit supporting probable cause for the arrest and the arrest report, if the arrest report is available, and the screening team shall promptly provide to the court and to defense counsel results from the detention risk screening prepared pursuant to the juvenile's arrest. Upon completion of the detention hearing, the defense shall return any materials received pursuant to this subsection (3)(a)(II) unless the appointment is continued at the conclusion of the hearing.

(III) The only purposes of a detention hearing are to determine if a juvenile should be detained further and to define conditions under which the juvenile may be released, if release is appropriate. A detention hearing must not be combined with a preliminary hearing or a first advisement. Due to the limited scope of a detention hearing, the representation of a juvenile by appointed counsel at a detention hearing does not, by itself, create a basis for disqualification in the event that such counsel is subsequently appointed to represent another individual whose case is related to the juvenile's case.

(IV) With respect to this section, the court may further detain the juvenile only if the court finds from the information provided at the hearing that:

(A) Probable cause exists to believe that the juvenile committed the delinquent act charged;

(B) On and after thirty-five days after the screening instrument has been developed or adopted pursuant to section 19-2.5-1404, the validated detention screening instrument has been administered and the juvenile scored as detention-eligible; or there are grounds to override the result of the detention screening instrument based on the criteria developed in accordance with section 19-2.5-1404; and

(C) The juvenile poses a substantial risk of serious harm to others or a substantial risk of flight from prosecution and community-based alternatives to detention are insufficient to reasonably mitigate that risk. Flight from prosecution is distinguished from simple failure to appear and must generally be evidenced by a demonstrated record of repeat, recent willful failures to appear at a scheduled court appearance.

(V) A court shall not order further detention for a juvenile who is ten years of age and older but less than thirteen years of age unless the juvenile has been arrested or adjudicated for a felony or weapons charge pursuant to section 18-12-102, 18-12-105, 18-12-106, or 18-12-108.5. The court shall receive any information having probative value regardless of its admissibility under the rules of evidence. In determining whether a juvenile requires detention, the court shall consider the results of the detention screening instrument. There is a rebuttable presumption that a juvenile poses a substantial risk of serious harm to others if:

(A) The juvenile is alleged to have committed a felony enumerated as a crime of violence pursuant to section 18-1.3-406; or

(B) The juvenile is alleged to have used, or possessed and threatened to use, a firearm during the commission of any felony offense against a person, as such offenses are described in article 3 of title 18; or

(C) The juvenile is alleged to have committed possessing a dangerous or illegal weapon, as described in section 18-12-102; possession of a defaced firearm, as described in section 18-12-103; unlawfully carrying a concealed weapon, as described in section 18-12-105; unlawfully carrying a concealed weapon on school, college, or university grounds, as described in section 18-12-105.5; prohibited use of weapons, as described in section 18-12-106; illegal discharge of a firearm, as described in section 18-12-107.5; or illegal possession of a handgun by a juvenile, as described in section 18-12-108.5.

(VI) Notwithstanding subsection (3)(a)(IV) of this section, there is no presumption pursuant to subsection (3)(a)(V) of this section that a juvenile poses a substantial risk of serious harm to others if the item in the possession of the juvenile is alleged to be a BB gun, a pellet gun, or a gas gun.

(VII) Except as provided in subsection (3)(a)(IX) of this section, at the conclusion of the hearing, the court shall enter one of the following orders, while ensuring efforts are made to keep the juvenile with a parent, guardian, or legal custodian:

(A) That the juvenile be released to the custody of a parent, guardian, legal custodian, kin, or other suitable person without the posting of bond;

(B) That the juvenile be placed in a temporary shelter facility;

(C) That an unsecured personal recognizance bond be set and that the juvenile be released accordingly;

(D) That no bail be set and that the juvenile be detained without bail upon a finding that the juvenile poses a substantial risk of serious harm to others. A juvenile who is detained without bail must be tried on the charges in the petition filed pursuant to subsection (3)(a)(IX) of this section within the time limits set forth in section 19-2.5-904, unless the juvenile is deemed to have waived the time limit for an adjudicatory trial pursuant to section 19-2.5-610 (4).

(E) That no bail be set and that, upon the court's finding that the juvenile poses a substantial risk of serious harm to others, the juvenile be placed in a preadjudication service program established pursuant to section 19-2.5-606. This subsection (3)(a)(VII)(E) does not apply to any case in which the juvenile's alleged offense is one of the offenses described in subsection (3)(a)(V) of this section.

(VIII) A preadjudication service program created pursuant to section 19-2.5-606 shall evaluate a juvenile described in subsection (8) of this section. The evaluation may result in the juvenile:

(A) Remaining in the custody of a parent, guardian, or legal custodian; or

(B) Being placed in the temporary legal custody of kin, for purposes of a kinship foster care home or noncertified kinship care placement, as defined in section 19-1-103, or other suitable person under such conditions as the court may impose; or

(C) Being placed in a temporary shelter facility; or

(D) Being referred to a local county department of human or social services for assessment for placement.

(IX) When the court orders further detention of the juvenile or placement of the juvenile in a preadjudication service program after a detention hearing, the district attorney shall file a petition alleging the juvenile to be a delinquent within seventy-two hours after the detention hearing, excluding Saturdays, Sundays, and legal holidays. The juvenile must be held or must participate in a preadjudication service program pending a hearing on the petition. Upon a showing of good cause, the court may extend such time for the filing of charges.

(X) Following the detention hearing, if the court orders that the juvenile be released and, as a condition of such release, requires the juvenile to attend school, the court shall notify the school district in which the juvenile is enrolled of such requirement.

(XI) If the court orders further detention of a juvenile pursuant to this section, the order must contain specific findings as follows:

(A) Whether placement of the juvenile out of the juvenile's home would be in the juvenile's and the community's best interests;

(B) Whether reasonable efforts have been made to prevent or eliminate the need for removal of the juvenile from the home, whether it is reasonable that such efforts not be provided due to the existence of an emergency situation that requires the immediate removal of the

juvenile from the home, or whether such efforts not be required due to the circumstances described in section 19-1-115 (7); and

(C) Whether procedural safeguards to preserve parental rights have been applied in connection with the removal of the juvenile from the home, any change in the juvenile's placement in a community placement, or any determination affecting parental visitation of the juvenile.

(b) (I) ***[Editor's note: This version of subsection (3)(b)(I) is effective until July 1, 2024.]*** If it appears that a juvenile being held in detention or temporary shelter may have an intellectual and developmental disability, as described in article 10.5 of title 27, the court or detention personnel shall refer the juvenile to the nearest case management agency, as defined in section 25.5-6-1702, for an eligibility determination. If it appears that a juvenile being held in a detention or temporary shelter facility pursuant to this article 2.5 may have a mental health disorder, as provided in section 27-65-106, the intake personnel or other appropriate personnel shall contact a mental health professional to do a mental health hospital placement prescreening on the juvenile. The court must be notified of the contact and may take appropriate action. If a mental health hospital placement prescreening is requested, it must be conducted in an appropriate place accessible to the juvenile and the mental health professional. A request for a mental health hospital placement prescreening must not extend the time within which a detention hearing must be held pursuant to this section. If a detention hearing has been set but has not yet occurred, the mental health hospital placement prescreening must be conducted prior to the hearing; except that the prescreening must not extend the time within which a detention hearing must be held.

(b) (I) ***[Editor's note: This version of subsection (3)(b)(I) is effective July 1, 2024.]*** If it appears that a juvenile being held in detention or temporary shelter may have an intellectual and developmental disability, as described in article 10.5 of title 27, the court or detention personnel shall refer the juvenile to the nearest case management agency, as defined in section 25.5-6-1702, for an eligibility determination. If it appears that a juvenile being held in a detention or temporary shelter facility pursuant to this article 2.5 may have a mental health disorder, as provided in section 27-65-106, the intake personnel or other appropriate personnel shall contact a mental health professional to do a mental health hospital placement prescreening on the juvenile. The court must be notified of the contact and may take appropriate action. If a mental health hospital placement prescreening is requested, it must be conducted in an appropriate place accessible to the juvenile and the mental health professional. A request for a mental health hospital placement prescreening must not extend the time within which a detention hearing must be held pursuant to this section. If a detention hearing has been set but has not yet occurred, the mental health hospital placement prescreening must be conducted prior to the hearing; except that the prescreening must not extend the time within which a detention hearing must be held.

(II) If a juvenile has been ordered detained pending an adjudication, disposition, or other court hearing, and the juvenile subsequently appears to have a mental health disorder, as described in section 27-65-106, the intake personnel or other appropriate personnel shall contact the court with a recommendation for a mental health hospital placement prescreening. A mental health hospital placement prescreening must be conducted at any appropriate place accessible to the juvenile and the mental health professional within twenty-four hours after the request, excluding Saturdays, Sundays, and legal holidays.

(III) When the mental health professional finds, as a result of the prescreening, that the juvenile may have a mental health disorder, the mental health professional shall recommend to the court that the juvenile be evaluated pursuant to section 27-65-106.

(IV) Nothing in this subsection (3)(b) precludes the use of procedures for an emergency mental health hold pursuant to section 27-65-106 (1)(a).

(c) (I) A juvenile taken to a detention or temporary shelter facility or a temporary holding facility pursuant to section 19-2.5-209 as the result of an allegedly delinquent act that constitutes any of the offenses described in subsection (3)(a)(V) of this section must not be released from such facility if a law enforcement agency has requested that a detention hearing be held to determine whether the juvenile's substantial risk of serious harm to others requires that the juvenile be detained. A juvenile must not be released from detention except after a hearing, reasonable advance notice of which has been given to the district attorney, alleging new circumstances concerning the juvenile's further detention.

(II) Following a detention hearing held in accordance with subsection (3)(c)(I) of this section, a juvenile who is to be tried as an adult for criminal proceedings pursuant to a direct filing or transfer must not be held at any adult jail or pretrial facility unless the district court finds, after a hearing held pursuant to subsection (3)(c)(IV), (3)(c)(V), or (3)(c)(VI) of this section, that an adult jail is the appropriate place of confinement for the juvenile.

(III) In determining whether an adult jail is the appropriate place of confinement for the juvenile, the district court shall consider the following factors:

(A) The juvenile's age;

(B) Whether, in order to provide physical separation from adults, the juvenile would be deprived of contact with other people for a significant portion of the day or would not have access to recreational facilities or age-appropriate educational opportunities;

(C) The juvenile's current emotional state, intelligence, and developmental maturity, including any emotional and psychological trauma, and the risk to the juvenile caused by placement in an adult jail, which risk may be evidenced by mental health or psychological assessments or screenings made available to the district attorney and to defense counsel;

(D) Whether detention in a juvenile facility will adequately serve the need for community protection pending the outcome of the criminal proceedings;

(E) Whether detention in a juvenile facility will negatively impact the functioning of the juvenile facility by compromising the goals of detention to maintain a safe, positive, and secure environment for all juveniles within the facility;

(F) The relative ability of the available adult and juvenile detention facilities to meet the juvenile's needs, including the juvenile's need for mental health and educational services;

(G) Whether the juvenile presents an imminent risk of serious harm to others within a juvenile facility;

(H) The juvenile's physical maturity; and

(I) Any other relevant factors.

(IV) After charges are filed directly in district court against a juvenile pursuant to section 19-2.5-801 or a juvenile is transferred to district court pursuant to section 19-2.5-802, the division of youth services may petition the district court to transport the juvenile to an adult jail. The district court shall hold a hearing on the place of pretrial detention for the juvenile as soon as practicable, but no later than twenty-one days after the receipt of the division's petition to transport. The district attorney, sheriff, or juvenile may file a response to the petition and

participate in the hearing. The juvenile remains in a juvenile detention facility pending hearing and decision by the district court.

(V) If a juvenile is placed in the division of youth services and is being tried in district court, the division of youth services may petition the court for an immediate hearing to terminate juvenile detention placement if the juvenile's placement in a juvenile detention facility presents an imminent danger to the other juveniles or to staff at the detention facility. In making its determination, the court shall review the factors set forth in subsection (3)(c)(III) of this section.

(VI) If the district court determines that an adult jail is the appropriate place of confinement for the juvenile, the juvenile may petition the court for a review hearing. The juvenile may not petition for a review hearing within thirty-five days after the initial confinement decision or within thirty-five days after any subsequent review hearing. Upon receipt of the petition, the court may set the matter for a hearing if the juvenile has alleged facts or circumstances that, if true, would warrant reconsideration of the juvenile's placement in an adult jail based upon the factors set forth in subsection (3)(c)(III) of this section and the factors previously relied upon by the court.

(4) (a) A jail shall not receive a juvenile for detention following a detention hearing pursuant to this section unless the juvenile has been ordered by the court to be held for criminal proceedings as an adult pursuant to a transfer or unless the juvenile is to be held for criminal proceedings as an adult pursuant to a direct filing. A juvenile under the age of fourteen and, except upon order of the court, a juvenile fourteen years of age or older, shall not be detained in a jail, lockup, or other place used for the confinement of adult offenders. The exception for detention in a jail applies only if the juvenile is being held for criminal proceedings as an adult pursuant to a direct filing or transfer.

(b) Whenever a juvenile is held pursuant to a direct filing or transfer in a facility where adults are held, the juvenile must be physically segregated from the adult offenders.

(c) (I) When a juvenile who is to be held for criminal proceedings as an adult pursuant to a direct filing or transfer of charges, as provided in sections 19-2.5-801 and 19-2.5-802, respectively, is received at a jail or other facility for the detention of adult offenders, the official in charge of the jail or facility, or the official's designee, shall, as soon as practicable, contact the person designated pursuant to section 22-32-141, by the school district in which the jail or facility is located to request that the school district provide educational services for the juvenile for the period during which the juvenile is held at the jail or facility. The school district shall provide the educational services in accordance with section 22-32-141. The official, in cooperation with the school district, shall provide an appropriate and safe environment to the extent practicable in which the juvenile may receive educational services.

(II) Notwithstanding subsection (4)(c)(I) of this section, if either the official in charge of the jail or facility or the school district determines that an appropriate and safe environment cannot be provided for a specific juvenile, the official and the school district are exempt from the requirement to provide educational services to the juvenile until such time as an environment that is determined to be appropriate and safe by both the official and the school district can be provided. If the school district will not be providing educational services to a juvenile because of the lack of an appropriate and safe environment, the official in charge of the jail or facility shall notify the juvenile, the juvenile's parent or legal guardian, the juvenile's defense attorney, and the court having jurisdiction over the juvenile's case.

(III) The official in charge of the jail or facility for the detention of adult offenders, or the official's designee, in conjunction with each school district that provides educational services at the jail or facility, shall annually collect nonidentifying data concerning:

(A) The number of juveniles held at the jail or facility who are awaiting criminal proceedings as an adult pursuant to a direct filing or transfer of charges, pursuant to sections 19-2.5-801 and 19-2.5-802, respectively, for the year;

(B) The length of stay of each of the juveniles in the jail or facility;

(C) The number of the juveniles in the jail or facility who received educational services pursuant to this subsection (4)(c);

(D) The number of days on which school districts provided educational services to the juveniles in the jail or facility and the number of hours for which school districts provided the educational services each day;

(E) The number of juveniles in the jail or facility who were exempt from receiving educational services pursuant to section 22-32-141 (2)(c), (2)(e), (2)(f), and (2)(g);

(F) The number of juveniles in the jail or facility who had previously been determined pursuant to section 22-20-108 to be eligible for special education services and had an individualized education program; and

(G) The number of juveniles in the jail or facility who, while receiving educational services at the jail or facility, were determined to be eligible for special education services pursuant to section 22-20-108 and had subsequently received an individualized education program.

(IV) The official in charge of the jail or facility shall submit the information collected pursuant to subsection (4)(c)(III) of this section to the division of criminal justice in the department of public safety. The division of criminal justice shall make the information available to a member of the public upon request.

(d) The official in charge of a jail or other facility for the detention of adult offenders shall immediately inform the court that has jurisdiction of the juvenile's alleged offense when a juvenile who is or appears to be under eighteen years of age is received at the facility, except for a juvenile ordered by the court to be held for criminal proceedings as an adult.

(e) (I) Any juvenile arrested and detained for an alleged violation of any article of title 42, or for any alleged violation of a municipal or county ordinance, and not released on bond, must be taken before a judge with jurisdiction of such violation within forty-eight hours for the fixing of bond and conditions of bond pursuant to subsection (3)(a)(VII) of this section. A juvenile may be detained in a jail, lockup, or other place used for the confinement of adult offenders only for processing for no longer than six hours and during such time must be placed in a setting that is physically segregated by sight and sound from the adult offenders, and in no case may the juvenile be detained in such place overnight. After six hours, the juvenile may be further detained only in a juvenile detention facility operated by or under contract with the department of human services. In calculating time pursuant to this subsection (4), Saturdays, Sundays, and legal holidays are included.

(II) A sheriff or police chief who violates subsection (4)(e)(I) of this section may be subject to a civil fine of no more than one thousand dollars. The decision to fine must be based on prior violations of subsection (4)(e)(I) of this section by the sheriff or police chief and the willingness of the sheriff or police chief to address the violations in order to comply with subsection (4)(e)(I) of this section.

(f) The official in charge of a jail, lockup, or other facility for the confinement of adult offenders that receives a juvenile for detention should, wherever possible, take such measures as are reasonably necessary to restrict the confinement of any such juvenile with known past or current affiliations or associations with any gang so as to prevent contact with other inmates at such jail, lockup, or other facility. The official should, wherever possible, also take such measures as are reasonably necessary to prevent recruitment of new gang members from among the general inmate population. For purposes of this subsection (4)(f), "gang" is defined in section 19-2.5-102.

(g) A person who is eighteen years of age or older who is being detained for a delinquent act or criminal charge over which the juvenile court has jurisdiction, or for which charges are pending in district court pursuant to a direct filing or transfer if the person has not already been transferred to the county jail pursuant to subsection (3)(c)(IV) of this section, must be detained in the county jail in the same manner as if such person is charged as an adult.

(h) A juvenile court shall not order a juvenile offender who is under eighteen years of age at the time of sentencing to enter a secure setting or secure section of an adult jail or lockup as a disposition for an offense or as a means of modifying the juvenile offender's behavior.

(5) A juvenile has the right to bond as limited by this section.

(6) Except for a juvenile described in section 19-2.5-304 (2), the court may also issue temporary orders for legal custody pursuant to section 19-1-115.

(7) Any law enforcement officer, employee of the division of youth services, or another person acting under the direction of the court who in good faith transports any juvenile, releases any juvenile from custody pursuant to a written policy of a court, releases any juvenile pursuant to any written criteria established pursuant to this title 19, or detains any juvenile pursuant to court order or written policy or criteria established pursuant to this title 19 is immune from civil or criminal liability that might otherwise result by reason of such act. For purposes of any proceedings, civil or criminal, the good faith of any such person is presumed.

(8) (a) A juvenile who allegedly commits a status offense or is convicted of a status offense must not be held in a secure area of a jail or lockup.

(b) A sheriff or police chief who violates subsection (8)(a) of this section may be subject to a civil fine of no more than one thousand dollars. The decision to fine must be based on prior violations of subsection (8)(a) of this section by the sheriff or police chief and the willingness of the sheriff or police chief to address the violations in order to comply with subsection (8)(a) of this section.

19-2.5-306. Conditions of release - personal recognizance bond. (1) Unless the district attorney consents, a juvenile charged or accused of having committed a delinquent act that constitutes a felony or a class 1 misdemeanor shall not be released without an unsecured personal recognizance bond, if:

(3) An application for the revocation or modification of the conditions of an unsecured personal recognizance bond must be made in accordance with section 16-4-109; except that the presumption described in section 19-2.5-305 (3)(a)(V) must continue to apply for the purposes of this section.

Except as described in subsection (9) of this section, the judge or magistrate may set any other conditions or limitations on the juvenile's release as are reasonably necessary for the protection of the community. A juvenile who is ordered held at the detention hearing or pursuant to an order entered at any time after the initial detention hearing and who remains in custody or detention must be tried on the charges within sixty days after the entry of the court order detaining the juvenile or within sixty days after the juvenile's entry of a plea, whichever date is earlier; except that, if the juvenile requests a jury trial pursuant to section 19-2.5-610, section 19-2.5-610 (4) applies.

(5) Repealed.

The court shall

apply the presumption specified in section 19-2.5-305 (3)(a)(V) in determining whether to revoke the personal recognizance bond.

(8) A juvenile may be released on an unsecured personal recognizance bond, or as otherwise provided in this section regardless of whether the juvenile appears in court pursuant to a summons or a warrant.

(9) A judge or magistrate may only impose an unsecured personal recognizance bond without monetary or property conditions to secure the juvenile's future appearance. A judge or magistrate shall not impose a bond with secured monetary or property conditions for a juvenile.

As an alternative to a petition filed pursuant to section 19-2.5-502, an adjudicatory trial pursuant to part 9 of this article 2.5, or disposition of a juvenile delinquent pursuant to section 19-2.5-1103, the district attorney may agree to allow a juvenile to participate in a diversion program established in accordance with section 19-2.5-402.

19-2.5-402. Juvenile diversion program - authorized - report - allocation of money - legislative declaration - definitions. (1) (a) In order to more fully implement the stated objectives of this title 19, the general assembly declares its intent to establish a juvenile diversion program that integrates restorative justice practices to provide community-based alternatives to the formal court system to reduce juvenile crime and recidivism and improve positive juvenile outcomes, change juvenile offenders' behavior and attitudes, promote juvenile offenders' accountability, recognize and support the rights of victims, heal the harm to relationships and the community caused by juvenile crime, and reduce the costs within the juvenile justice system.

(b) Research has shown that court involvement for juveniles not identified as a risk of harm to others is harmful, and most low-risk juveniles grow out of their behavior and stop reoffending without system intervention.

(c) The goals of the diversion programs are to:

(I) Prevent further involvement of a juvenile in the formal legal system;

(II) Provide an eligible juvenile with cost-effective alternatives to adjudication that require the least amount of supervision and restrictive conditions necessary consistent with public safety and the juvenile's risk of reoffending;

(III) Serve the best interest of a juvenile while emphasizing acceptance of responsibility and repairing any harm caused to victims and communities;

(IV) Reduce recidivism and improve positive outcomes for each juvenile through the provision of services, if warranted, that address the juvenile's specific needs and are proven effective; and

(V) Ensure appropriate services are available for all eligible juveniles.

(2) The division of criminal justice of the department of public safety, referred to in this section as the "division of criminal justice", is authorized to establish and administer a juvenile diversion program that seeks to divert juveniles from the juvenile justice system and integrate restorative justice practices. To effectuate the program, the division shall allocate money within each judicial district and may contract with district attorneys' offices, governmental units, and nongovernmental agencies for reasonable and necessary expenses and services to serve each judicial district to divert juveniles and provide services, if warranted, for each eligible juvenile through community-based programs providing an alternative to entry into the formal legal system, a petition filed pursuant to section 19-2.5-502, or an adjudicatory hearing pursuant to section 19-2.5-907.

(3) For purposes of this section:

(a) "Director" means the executive director of the department of public safety.

(b) "Diversion" is defined in section 19-2.5-102.

(c) "Governmental unit" means any county, city and county, city, town, district or judicial attorney's office, or school district.

(d) "Nongovernmental agency" means a person, private nonprofit agency, corporation, association, or other nongovernmental agency.

(d.5) "Restorative justice" has the same meaning as set forth in section 19-1-103.

(e) "Services" may include, but are not limited to, provision of diagnostic needs assessment, general counseling and counseling during a crisis situation, specialized tutoring, job training and placement, restitution programs, community service, constructive recreational activities, day reporting and day treatment programs, and follow-up activities.

(4) District attorneys' offices or the office's designees shall:

(a) **[Editor's note: This version of subsection (4)(a) is effective until December 31, 2022.]** On and after January 1, 2021, conduct a risk screening using a risk screening tool selected pursuant to section 24-33.5-2402 (1)(c) for all juveniles referred to the district attorney pursuant to section 19-2.5-201, unless the juvenile is currently committed or on parole, a determination has already been made to divert the juvenile, the district attorney declines to file charges, dismisses the case, or charges the juvenile with a class 1 or class 2 felony. The district attorney's office shall conduct the risk screening or contract with an alternative agency that has been formally designated by the district attorney's office to conduct the screening, in which case the

results of the screening must be made available to the district attorney's office. The entity conducting the screening shall make the results of the risk screening available to the juvenile and the juvenile's family. All individuals using the risk screening tool must receive training on the appropriate use of the tool. The risk screening tool is for informing decisions about diversion. The risk screening tool and any information obtained from a juvenile in the course of any screening, including any admission, confession, or incriminating evidence, obtained from a juvenile in the course of any screening or assessment in conjunction with proceedings pursuant to this section or made in order to participate in a diversion or restorative justice program is not admissible into evidence in any adjudicatory hearing in which the juvenile is accused and is not subject to subpoena or any other court process for use in any other proceeding or for any other purpose.

(a) ***[Editor's note: This version of subsection (4)(a) is effective December 31, 2022.]***

On and after January 1, 2021, conduct a risk screening using a risk screening tool selected pursuant to section 24-33.5-2402 (1)(c), as it existed prior to its repeal in 2022, for all juveniles referred to the district attorney pursuant to section 19-2.5-201, unless the juvenile is currently committed or on parole, a determination has already been made to divert the juvenile, or the district attorney declines to file charges, dismisses the case, or charges the juvenile with a class 1 or class 2 felony. The entity conducting the screening shall make the results of the risk screening available to the juvenile and the juvenile's family. All individuals using the risk screening tool must receive training on the appropriate use of the tool. The risk screening tool is for informing decisions about diversion. The risk screening tool and any information obtained from a juvenile in the course of any screening, including any admission, confession, or incriminating evidence, obtained from a juvenile in the course of any screening or assessment in conjunction with proceedings pursuant to this section or made in order to participate in a diversion or restorative justice program is not admissible into evidence in any adjudicatory hearing in which the juvenile is accused and is not subject to subpoena or any other court process for use in any other proceeding or for any other purpose.

PART 5

INITIATION OF PROCEEDINGS

19-2.5-501. Summons - issuance - contents - service - legislative declaration. (1) After a petition has been filed, the court shall promptly issue a summons reciting briefly the substance of the petition. The summons must also state, in a separate box, in bold, and in capitalized letters, the following text, inserting the telephone number and address of the local office of the state public defender and the internet website address of the state public defender, as indicated:

1. YOU HAVE THE RIGHT TO HAVE YOUR OWN LAWYER HELP YOU AT YOUR HEARING.

2. YOU MAY BE ELIGIBLE FOR THIS LAWYER AT NO CHARGE.

3. TO FIND OUT IF YOU ARE ELIGIBLE, YOU OR YOUR PARENT, GUARDIAN, OR LEGAL CUSTODIAN SHOULD CALL THE OFFICE OF THE STATE PUBLIC DEFENDER AT _____, VISIT THE OFFICE OF THE STATE PUBLIC DEFENDER AT _____, OR VISIT THE STATE PUBLIC DEFENDER'S WEBSITE AT _____.

4. YOU ARE MORE LIKELY TO HAVE A FREE LAWYER PRESENT AT YOUR HEARING IF YOU OR YOUR PARENT, GUARDIAN, OR LEGAL CUSTODIAN CALLS OR VISITS THE OFFICE OF THE STATE PUBLIC DEFENDER AT LEAST

FIVE DAYS, EXCLUDING SATURDAYS, SUNDAYS, AND LEGAL HOLIDAYS, BEFORE YOUR HEARING.

(2) A summons must not issue to any juvenile or respondent who appears voluntarily, or waives service, or has promised in writing to appear at the hearing, but any such person must be provided with a copy of the petition and summons upon appearance or request.

(3) (a) The court may, when the court determines that it is in the best interests of the juvenile, join the juvenile's parent or guardian and the person with whom the juvenile resides, if other than the juvenile's parent or guardian, as a respondent to the action and shall issue a summons requiring the parent or guardian and the person with whom the juvenile resides, if other than the juvenile's parent or guardian, to appear with the juvenile at all proceedings pursuant to this article 2.5 that involve the juvenile. If the juvenile's parent or guardian cannot be found, the court, in its discretion, may proceed with the case without the presence of the parent or guardian. For the purposes of this section and section 19-2.5-611, "parent" is defined in section 19-1-103. This subsection (3) does not apply to any person whose parental rights have been terminated pursuant to the provisions of this title 19 or the parent of an emancipated minor. For the purposes of this section, "emancipated minor" has the same meaning as set forth in section 13-21-107.5.

(b) The general assembly declares that every parent or guardian whose juvenile is the subject of a juvenile proceeding pursuant to this article 2.5 shall attend any such proceeding.

(c) A parent or legal guardian of a juvenile who is the subject of a juvenile proceeding shall complete the relative information form described in section 19-2.5-1404 (1)(b)(VIII) no later than seven business days after the hearing or prior to the juvenile's next hearing, whichever occurs first.

(4) The summons must require the person or persons having the physical custody of the juvenile, if other than a parent or guardian, to appear and to bring the juvenile before the court at a time and place stated not more than thirty-five days after issuance of the summons.

(5) The court on its own motion or on the motion of any party may join as a respondent or require the appearance of any person it deems necessary to the action and authorize the issuance of a summons directed to such person. Any party to the action may request the issuance of compulsory process by the court requiring the attendance of witnesses on the party's own behalf or on the juvenile's behalf.

(6) If it appears that the welfare of the juvenile or of the public requires that the juvenile be taken into custody, the court may, by endorsement upon the summons, direct that the person serving the summons take the juvenile into custody at once.

(7) The court may authorize the payment of necessary travel expenses incurred by persons summoned or otherwise required to appear. The payments must not exceed the amount allowed to witnesses for travel by the district court.

(8) (a) A summons issued pursuant to this section may be served in the same manner as the summons in a civil action or by mailing the summons to the juvenile's last-known address by certified mail with return receipt requested not less than seven days prior to the time the juvenile is requested to appear in court. Service by mail is complete upon return of the receipt signed by the juvenile, the juvenile's parents, guardian, legal custodian, physical custodian, or spousal equivalent as defined in section 19-1-103.

(b) Service upon the parent, guardian, legal custodian, or physical custodian who has physical care of a juvenile of a summons that contains wording commanding the parent,

guardian, legal custodian, or physical custodian to produce the juvenile in court constitutes valid service compelling the attendance of both the juvenile and the juvenile's parent, guardian, legal custodian, or physical custodian in court. In addition, service of a summons as described in this subsection (8)(b) compels the juvenile's parent, guardian, legal custodian, or physical custodian either to make all necessary arrangements to ensure that the juvenile is available to appear before the court or to appear in court and show good cause for the juvenile's failure to appear.

(9) If the juvenile's parents, guardian, or other legal custodian required to be summoned pursuant to subsection (4) of this section cannot be found within the state, the fact of the juvenile's presence in the state confers jurisdiction on the court as to any absent parent, guardian, or legal custodian.

(10) When the residence of the person to be served outside the state is known, a copy of the summons and petition must be sent by certified mail with postage prepaid to such person at the person's place of residence with a return receipt requested. Service of summons is deemed complete seven days after return of the requested receipt.

(11) Repealed.

19-2.5-502. Petition initiation - petition form and content. (1) If the district attorney determines that the interests of the juvenile or of the community require that further action be taken, the district attorney may file a petition in delinquency on the form specified in subsections (3), (4), and (5) of this section, which the court shall accept. If the district attorney chooses to file a petition in delinquency on any juvenile who receives a detention hearing pursuant to section 19-2.5-305, the district attorney shall file the petition within seventy-two hours after the detention hearing, excluding Saturdays, Sundays, and legal holidays. Upon filing the petition, the court, if practicable, shall send notice of the pendency of such action to the juvenile's parent, guardian, or legal custodian.

(2) If the petition is the first juvenile petition filed against the juvenile in any jurisdiction and is initiated in a jurisdiction that has restorative justice practices available, the district attorney or the district attorney's designee may determine whether the juvenile is suitable for restorative justice practices. The district attorney shall consider whether the victim, having been informed about restorative justice practices pursuant to section 24-4.1-303 (11)(g), is requesting consideration of restorative justice practices as an alternative to formal prosecution; the seriousness of the crime; the crime's impact on the victim; the best methodology to involve the victim; whether the juvenile accepts responsibility for, expresses remorse for, and is willing to repair the harm caused by the juvenile's actions; whether the juvenile's parent or legal guardian is willing to support the juvenile in the process; and other programmatic support available. If a juvenile wants to participate in restorative justice practices, the juvenile shall make the request to the district attorney or the law enforcement agency administering the program and may not make the request to the victim. If requested by the juvenile, restorative justice practices may only be conducted after the district attorney consults with the victim and offers the victim an opportunity to participate or submit a victim impact statement. If a victim elects not to attend, a victim-

offender conference may be held with a suitable victim surrogate or victim advocate, and the victim may submit a victim impact statement. The district attorney may offer dismissal of charges as an option for the successful completion of these and any other conditions imposed and designed to address the harm done to the victim and the community by the offender, subject to approval by the court.

(3) **Form and content.** The petition and all subsequent court documents in any proceedings brought pursuant to section 19-1-104 (1)(a) or (1)(b) must be titled "The People of the State of Colorado, in the Interest of, a juvenile (or juveniles) and Concerning, Respondent". The petition may be filed using the language of the statutes defining the offense, including either conjunctive or disjunctive clauses. Pleading in either the conjunctive or the disjunctive places a respondent on notice that the prosecution may rely on any or all of the alternatives alleged.

(4) The petition must plainly set forth the facts that bring the juvenile within the court's jurisdiction. If the petition alleges that the juvenile is delinquent, it must cite the law or municipal or county ordinance that the juvenile is alleged to have violated. The petition must also state the name, age, and residence of the juvenile and the names and residences of the juvenile's parents, guardian, or other legal custodian or of the nearest known relative if a parent, guardian, or other legal custodian is unknown.

(5) (a) Pursuant to section 19-1-126, in those delinquency proceedings to which the federal "Indian Child Welfare Act of 1978", 25 U.S.C. sec. 1901 et seq., as amended, applies, including but not limited to status offenses such as the illegal possession or consumption of ethyl alcohol or marijuana by an underage person or illegal possession of marijuana paraphernalia by an underage person, as described in section 18-13-122, and possession of handguns by juveniles, as described in section 18-12-108.5, the petition must:

(I) Include a statement indicating what continuing inquiries the district attorney or the district attorney's representative has made in determining whether the juvenile is an Indian child;

(II) Identify whether the juvenile is an Indian child; and

(III) Include the identity of the Indian child's tribe, if the child is identified as an Indian child.

(b) If notices were sent to the parent or Indian custodian of the child and to the Indian child's tribe, pursuant to section 19-1-126, the postal receipts must be attached to the petition and filed with the court or filed within fourteen days after the filing of the petition, as specified in section 19-1-126 (1)(c).

19-2.5-503. Aggravated juvenile offender. (1) (a) In any action in delinquency alleging that a juvenile is an aggravated juvenile offender, as described in section 19-2.5-1125 (4), the petition must allege by separate count that the juvenile is an aggravated juvenile offender and that increased commitment is authorized.

(b) If the petition alleges that the juvenile is an aggravated juvenile offender, as described in section 19-2.5-1125 (4), the petition must identify by separate counts each alleged former adjudication or probation revocation and, for each such count, must include the date of adjudication or probation revocation, the court, and the specific act that formed the basis for the adjudication or probation revocation. If the alleged prior adjudication or probation revocation occurred outside of this state, the petition must so allege and state that the delinquent act that formed the basis for the adjudication or probation revocation would constitute a felony in this state.

(2) (a) In any action in delinquency in which it is alleged that a juvenile is an aggravated juvenile offender, as described in section 19-2.5-1125 (4), the court shall, at the juvenile's first appearance, advise the juvenile of the effect and consequences of the allegation that the juvenile is an aggravated juvenile offender.

(b) If a juvenile is alleged to be an aggravated juvenile offender, as described in section 19-2.5-1125 (4), the juvenile is required, at the juvenile's first appearance before the court, to admit or deny any previous adjudications or probation revocations alleged in the petition. A refusal to admit or deny any such adjudication or probation revocation is considered a denial.

(3) (a) In addition to the rights specified in section 19-2.5-605, a juvenile who is alleged to be an aggravated juvenile offender, as described in section 19-2.5-1125 (4), may file a written request that adjudication of the act that is the subject of the petition must be to a jury of twelve persons, and the court shall so order it. A juvenile who requests a jury is deemed to have waived the time limit for an adjudicatory trial pursuant to section 19-2.5-610 (4).

(b) When a jury is requested pursuant to this subsection (3), the following challenges are allowed:

(I) If the petition alleges that one juvenile is an aggravated juvenile offender, as described in section 19-2.5-1125 (4), the state and the juvenile are each entitled to five peremptory challenges.

(II) If the petition alleges that more than one juvenile is an aggravated juvenile offender, as described in section 19-2.5-1125 (4), and the adjudicatory trials on the acts that are the subject of the petition are not severed, the state and the defense are entitled to two additional challenges for every juvenile after the first, not to exceed fifteen peremptory challenges per side; when multiple juveniles are adjudicated in a single hearing, each peremptory challenge made on the part of the juveniles must be made and considered as the joint peremptory challenge of all of the juveniles.

(c) When more than one petition concerning different juveniles are consolidated for the adjudication of the delinquent acts that are the subjects of the petitions, peremptory challenges are allowed as if the juveniles had been joined in the same petition in delinquency.

(4) (a) If a juvenile alleged to be an aggravated juvenile offender, as described in section 19-2.5-1125 (4), admits the previous adjudications or probation revocations alleged in the petition pursuant to subsection (2) of this section, further proof of such previous adjudications or probation revocations is not required. Upon a finding that the juvenile has committed the delinquent acts that are the subject of the petition alleging that the juvenile is an aggravated juvenile offender, as described in section 19-2.5-1125 (4), the court may enter any sentence authorized by this section.

(b) If a juvenile alleged to be an aggravated juvenile offender, as described in section 19-2.5-1125 (4), denies one or more of the previous adjudications or probation revocations alleged

in the petition pursuant to subsection (2) of this section, the court, after a finding of guilty of the acts that are the subject of this petition, shall conduct a separate hearing in which the court shall be the trier of fact to determine whether the juvenile has suffered such adjudications or probation revocations. Each count alleging a previous adjudication or probation revocation must be proven beyond a reasonable doubt.

(c) In any hearing before the court pursuant to subsection (4)(b) of this section, a duly authenticated copy of the record of an adjudication or probation revocation is prima facie evidence that the juvenile suffered the adjudication or probation revocation. In addition, any basic identification information that is part of the record of the former adjudication or probation revocation at the place the juvenile was incarcerated after disposition of the adjudication or probation revocation may be introduced into evidence in any hearing before the court pursuant to subsection (4)(b) of this section and is prima facie evidence of the identity of the juvenile.

19-2.5-602. General procedure for juvenile hearings. (1) The Colorado rules of juvenile procedure apply in all proceedings conducted pursuant to this article 2.5.

(2) Hearings must be held before the court without a jury, except as set forth in sections 19-2.5-610 and 19-2.5-503 (3), and may be conducted in an informal manner.

19-2.5-605. Advisement - right to counsel - waiver of right to counsel - definition. (1)
(a) At the juvenile's first appearance before the court, after the detention hearing or at the first appearance if the juvenile appears on a summons, the court shall advise the juvenile and the juvenile's parents, guardian, or other legal custodian of the juvenile's constitutional rights and legal rights as set forth in rule 3 of the Colorado rules of juvenile procedure, including but not limited to the right to counsel. The advisement must include the possibility of restorative justice practices, including victim-offender conferences if restorative justice practices are available in the jurisdiction. The advisement regarding restorative justice practices does not establish any right to restorative justice practices on the juvenile's behalf.

(b) If the respondent has made an early application for appointed counsel for the juvenile and the office of the state public defender has made a preliminary determination that the juvenile is eligible for appointed counsel as set forth in section 21-1-103 or if the court has appointed counsel for the juvenile pursuant to section 19-2.5-305 (2), an attorney from the office of the state public defender or, in the case of a conflict, from the office of alternate defense counsel, shall be available to represent the juvenile at the juvenile's first appearance, as described in subsection (1)(a) of this section.

(c) If the respondent has not made an early application for appointed counsel for the juvenile but the juvenile requests appointment of counsel at the first appearance, the court shall determine if the juvenile is eligible for counsel pursuant to subsection (2)(a) of this section.

(d) As used in this subsection (1), unless the context otherwise requires, "early application" means that the respondent has contacted the office of the state public defender and applied for representation of the juvenile by the state public defender not less than five days, excluding Saturdays, Sundays, and legal holidays, before the juvenile's scheduled court date for the first appearance and has provided sufficient information to the office of the state public defender to allow that office to make a preliminary determination of eligibility for representation.

(e) Failure of the juvenile's parent, guardian, or legal custodian to apply for court-appointed counsel may not be construed as a waiver of the right to counsel or any other rights held by the juvenile.

(2) (a) If the juvenile and the juvenile's parents, guardian, or other legal custodian are found to be indigent pursuant to section 21-1-103 (3), or the juvenile's parents, guardian, or other legal custodian refuses to retain counsel for the juvenile, or the court, on its own motion, determines that counsel is necessary to protect the interests of the juvenile or other parties, or the juvenile is in the custody of the state department of human services or a county department of human or social services, the court shall appoint the office of state public defender or, in the case of a conflict, the office of alternate defense counsel for the juvenile; except that the court shall not appoint the office of the state public defender or the office of alternate defense counsel if:

(I) The juvenile has retained the juvenile's own counsel; or

(II) The juvenile has made a knowing, intelligent, and voluntary waiver of the juvenile's right to counsel, as described in subsection (2)(c) of this section.

(b) Repealed.

(c) The court may accept a waiver of counsel by a juvenile only after finding on the record, based on a dialogue conducted with the juvenile, that the juvenile:

(I) Is of a sufficient maturity level to make a voluntary, knowing, and intelligent waiver of the right to counsel;

(II) Understands the sentencing options that are available to the court in the event of an adjudication or conviction of the offense with which the juvenile is charged;

(III) Has not been coerced by any other party, including but not limited to the juvenile's parent, guardian, or legal custodian, into making the waiver;

(IV) Understands that the court will provide counsel for the juvenile if the juvenile's parent, guardian, or legal custodian is unable or unwilling to obtain counsel for the juvenile; and

(V) Understands the possible consequences that may result from an adjudication or conviction of the offense with which the juvenile is charged, which consequences may occur in addition to the actual adjudication or conviction itself.

(d) The appointment of counsel pursuant to this subsection (2) continues until:

(I) The court's jurisdiction is terminated;

(II) The juvenile or the juvenile's parent, guardian, or legal custodian retains counsel for the juvenile;

(III) The court finds that the juvenile or the juvenile's parents, guardian, or other legal custodian has sufficient financial means to retain counsel or that the juvenile's parents, guardian, or other legal custodian no longer refuses to retain counsel for the juvenile; or

(IV) The court finds the juvenile has made a knowing, intelligent, and voluntary waiver of the juvenile's right to counsel, as described in subsection (2)(c) of this section.

19-2.5-606. Preadjudication service program - creation. (1) (a) The chief judge of any judicial district may issue an order that any juvenile who applies for preadjudication release be evaluated for placement by a preadjudication service program established pursuant to this section. In evaluating the juvenile, the service program shall follow criteria for the placement of a juvenile established pursuant to section 19-2.5-1404. Upon evaluation, the service program shall make a recommendation to the court concerning placement of the juvenile with a preadjudication service program.

(b) Parents or legal guardians of a juvenile evaluated by a preadjudication service program shall complete the information form described in section 19-2.5-1404 (1)(b)(VIII) no later than two business days after the evaluation or prior to the juvenile's first detention hearing, whichever occurs first. If available, the screening team or preadjudication service program shall file the original completed information form with the court. If the information form has not been completed at the time of the detention hearing, the court shall direct the parent or legal guardian to immediately complete the form and file it with the court. The screening team, preadjudication service program, or the court shall deliver a copy of the information form to the division of youth services; the guardian ad litem, if any; and the county department of human or social services no later than seven business days after the date of the detention hearing.

(2) Any county or city and county or judicial district in the state may establish a preadjudication service program for use by the district court for the county or city and county or judicial district. Such program must be established in accordance with a local justice plan developed pursuant to section 19-2.5-302.

(3) The local justice plan must provide for the assessment of juveniles taken into custody and detained by law enforcement officers. The assessment must be based on criteria for the placement of juveniles established pursuant to section 19-2.5-1404, so that relevant information may be presented to the judge presiding over the detention hearing. The information provided to the court through the screening process, including the record of any prior adjudication of the juvenile, is intended to enhance the court's ability to make a more appropriate detention and bond decision, based on facts relative to the juvenile's substantial risk of serious harm to others.

(4) The plan may include different methods and levels of community-based supervision as conditions for preadjudication release, including the possibility of release without formal supervision. The plan may provide for the use of the same supervision methods that have been established for adult defendants as a pretrial release method to reduce pretrial incarceration or that have been established as sentencing alternatives for juvenile or adult offenders placed on probation or parole. The use of such supervision methods is intended to reduce preadjudication

detentions without sacrificing the protection of the community from juveniles who may be risks to the public. The plan may allow for the release of the juvenile to the juvenile's home with no formal supervision or provide for the use of any of the following supervision methods as conditions of preadjudication release:

- (a) Periodic telephone communications with the juvenile;
- (b) Periodic office visits by the juvenile to the preadjudication service program;
- (c) Periodic home visits to the juvenile's home;
- (d) If a validated mental health or substance use screening and subsequent mental health or substance use assessment indicates that the juvenile has a need:
 - (I) Periodic drug testing of the juvenile; or
 - (II) Behavioral or mental health or substance use treatment for the juvenile, which may include residential treatment;
- (e) Periodic visits to the juvenile's school;
- (f) Domestic violence or child abuse counseling for the juvenile, if applicable;
- (g) Electronic or global position monitoring of the juvenile;
- (h) Work release for the juvenile, if school attendance is not applicable or appropriate under the circumstances; or
- (i) Juvenile day reporting and day treatment programs.

19-2.5-607. Mandatory protection order. (1) (a) A mandatory protection order is created against any juvenile charged with the commission of a delinquent act and the juvenile's parents or legal guardian. The order remains in effect from the time that the juvenile is advised of the juvenile's rights and informed of the order at the juvenile's first appearance before the court until final disposition of the action or, in the case of an appeal, until disposition of the appeal. The order restrains the juvenile and the juvenile's parents or legal guardian from harassing, molesting, intimidating, retaliating against, or tampering with any witness to or victim of the delinquent act charged.

(b) The protection order issued pursuant to this section must be on a standardized form prescribed by the judicial department, and a copy must be provided to the protected parties.

(2) At the time of the juvenile's first appearance before the court, the court shall inform the juvenile and the juvenile's parents or legal guardian of the protection order effective pursuant to this section and shall also inform the juvenile and the juvenile's parents or legal guardian that a violation of such order is punishable as contempt of court.

(3) Nothing in this section precludes the juvenile or the juvenile's parents or legal guardian from applying to the court at any time for modification or dismissal of the protection order issued pursuant to this section or the district attorney from applying to the court at any time for additional provisions under the protection order, modification of the order, or dismissal of the order. The trial court shall retain jurisdiction to enforce, modify, or dismiss the protection order during the pendency of any appeal that may be brought.

(4) The duties of peace officers enforcing orders issued pursuant to this section are in accordance with section 18-6-803.5 and any rules adopted by the Colorado supreme court pursuant to said section.

19-2.5-608. Fingerprinting - ordered by court - definition. (1) For purposes of this section, "juvenile" means any juvenile who is charged with committing, summoned, or held in detention for committing a delinquent act that constitutes a felony, a class 1 misdemeanor, or a misdemeanor pursuant to section 42-4-1301 or a crime, the underlying factual basis of which included an act of domestic violence, as defined in section 18-6-800.3 (1), as if committed by an adult.

(2) If a juvenile has not been fingerprinted prior to the juvenile's first appearance before the court, the court shall order the juvenile to report to an entity authorized by the court or the local law enforcement agency for fingerprinting, except for juvenile detention centers and alternative service programs, otherwise known as "SB 91-94 programs", described in section 19-2.5-606. The authorized entity or local law enforcement agency shall endorse upon a copy of the order the completion of the fingerprinting and return the same to the court. The authorized entity or local law enforcement agency shall forward a set of fingerprints ordered pursuant to this subsection (2) to the Colorado bureau of investigation in the form and manner prescribed by the bureau.

(3) Any fingerprints required by this section to be forwarded to the Colorado bureau of investigation must be forwarded within twenty-four hours after completion of the fingerprinting, excluding Saturdays, Sundays, and legal holidays.

19-2.5-609. Preliminary hearing - dispositional hearing. (1) The district attorney or a juvenile who is accused in a petition of a delinquent act that constitutes a class 1, 2, or 3 felony may demand and receive a preliminary hearing to determine if there is probable cause to believe that the delinquent act alleged in the petition was committed by the juvenile. In addition, the district attorney or a juvenile who is accused in a petition of only those delinquent acts that constitute class 4, 5, or 6 felonies, which felonies require mandatory sentencing, constitute crimes of violence as defined in section 18-1.3-406, or constitute sexual offenses pursuant to part 4 of article 3 of title 18, may demand and receive a preliminary hearing to determine if there is probable cause to believe that the juvenile committed the delinquent act alleged in the petition. A preliminary hearing may be heard by a judge of the juvenile court or by a magistrate and conducted as follows:

(a) At the juvenile's advisement hearing and after the filing of the delinquency petition, the prosecution shall make available to the juvenile the discovery material required by the Colorado rules of juvenile procedure. The juvenile or the prosecution may file a written motion for a preliminary hearing, stating the basis therefor. Upon the filing of the motion, the court shall set the matter for a hearing. The juvenile or the prosecution shall file a written motion for a preliminary hearing not later than fourteen days after the advisement hearing.

(b) If the juvenile is being detained because of the delinquent act alleged in the petition, the preliminary hearing must be held within thirty-five days after the filing of the motion, unless good cause for continuing the hearing beyond that time is shown to the court. If the juvenile is not being detained, it must be held as promptly as the calendar of the court permits.

(c) At the preliminary hearing, the juvenile shall not be called upon to plead, although the juvenile may cross-examine the prosecution witnesses and may introduce evidence in the juvenile's own behalf. The prosecution has the burden of establishing probable cause. The court at the hearing may temper the rules of evidence in the exercise of sound judicial discretion.

(d) If the court determines that probable cause exists, it shall enter a finding to that effect and schedule an adjudicatory trial. If from the evidence it appears to the court that probable cause does not exist, it shall dismiss the delinquency petition and the court shall discharge the juvenile from any restriction or other previous temporary order stemming from the petition.

(2) (a) The district attorney and the juvenile who is accused in a petition of a delinquent act that constitutes a class 4, 5, or 6 felony, except those that require mandatory sentencing, that constitute crimes of violence as defined in section 18-1.3-406, or that constitute sexual offenses pursuant to part 4 of article 3 of title 18, do not have the right to demand or receive a preliminary hearing but shall participate in a dispositional hearing for the purposes of case evaluation and potential resolution. A judge of the juvenile court or a magistrate may hear the dispositional hearing.

(b) Any juvenile accused of a class 4, 5, or 6 felony who is not otherwise entitled to a preliminary hearing pursuant to subsection (2)(a) of this section may demand and shall receive a preliminary hearing within a reasonable time pursuant to subsection (1) of this section if the juvenile is in custody; except that, upon motion of either party, the court shall vacate the preliminary hearing if there is a reasonable showing that the juvenile has been released from custody prior to the preliminary hearing.

(3) A request for review of a preliminary hearing finding entered by a magistrate must be filed pursuant to section 19-1-108 (5.5), and review must be conducted pursuant to said section.

(4) The prosecution may file a motion to refile the petition in delinquency, which motion must be accompanied by a verified affidavit stating the grounds therefor.

19-2.5-610. Right to jury trial. (1) In any action in delinquency in which a juvenile is alleged to be an aggravated juvenile offender, as described in section 19-2.5-1125, or is alleged to have committed an act that would constitute a crime of violence, as defined in section 18-1.3-

406, if committed by an adult, the juvenile or the district attorney may demand a trial by a jury of not more than six persons, except as provided in section 19-2.5-503 (3)(a), or the court, on its own motion, may order the jury to try any case brought pursuant to this title 19, except as provided in subsection (2) of this section.

(2) The juvenile is not entitled to a trial by jury when the petition alleges a delinquent act that is a misdemeanor, a petty offense, a violation of a municipal or county ordinance, or a violation of a court order.

(3) Unless a jury is demanded pursuant to subsection (1) of this section, it is deemed waived.

(4) Notwithstanding any other provisions of this article 2.5, in any action in delinquency in which a juvenile requests a jury pursuant to this section, the juvenile is deemed to have waived the sixty-day requirement for holding the adjudicatory trial established in section 19-2.5-902. In such a case, the juvenile's right to a speedy trial is governed by section 18-1-405 and rule 48 (b) of the Colorado rules of criminal procedure.

19-2.5-611. Contempt - warrant - legislative declaration. (1) Except as otherwise set forth in subsection (3) of this section, any person summoned or required to appear pursuant to section 19-2.5-501 who has acknowledged service and fails to appear without reasonable cause may be proceeded against for contempt of court.

(2) If after reasonable effort the summons cannot be served or if the welfare of the juvenile requires that the juvenile be brought immediately into the custody of the court, a bench warrant may be issued for the parents, guardian, or other legal custodian or for the juvenile.

(3) (a) When a parent or other person who signed a written promise to appear and bring the juvenile to court or who has waived or acknowledged service fails to appear with the juvenile on the date set by the court, a bench warrant may be issued for the parent or other person, the juvenile, or both.

(b) Whenever a parent or guardian or person with whom the juvenile resides, if other than the parent or guardian, who has received a summons to appear fails, without good cause, to appear on any other date set by the court, a bench warrant must be issued for the parent, guardian, or person with whom the juvenile resides, and the parent, guardian, or person with whom the juvenile resides is subject to contempt.

(c) For purposes of this subsection (3), good cause for failing to appear includes but is not limited to a situation where a parent or guardian:

- (I) Does not have physical custody of the juvenile and resides outside of Colorado;
- (II) Has physical custody of the juvenile but resides outside of Colorado and appearing in court will result in undue hardship to the parent or guardian; or
- (III) Resides in Colorado but is outside of the state at the time of the juvenile proceeding for reasons other than avoiding appearance before the court and appearing in court will result in undue hardship to the parent or guardian.

(d) The nonappearance of the parent, guardian, or person with whom the juvenile resides is not the basis for a continuance.

(e) This subsection (3) is not applicable to any proceeding in a case that has been transferred to the district court pursuant to section 19-2.5-802.

(f) The general assembly declares that every parent or guardian whose juvenile is the subject of a juvenile proceeding pursuant to this article 2.5 shall attend any such proceeding.

(g) Nothing in this subsection (3) creates a right for any juvenile to have the juvenile's parent or guardian present at any proceeding at which the juvenile is present.

19-2.5-612. Mental health services for juvenile - how and when issue raised - procedure - definitions. (1) At any stage of a delinquency proceeding, if the court, prosecution, probation officer, guardian ad litem, parent, or legal guardian has reason to believe that the juvenile could benefit from mental health services, the party shall immediately advise the court of that belief.

(2) *[Editor's note: This version of subsection (2) is effective until December 31, 2022.]* After the party advises the court of the party's belief that the juvenile could benefit from mental health services, the court shall immediately order a mental health screening of the juvenile pursuant to section 16-11.9-102 using the mental health screening tool selected pursuant to section 24-33.5-2402 (1)(b), unless the court already has sufficient information to determine whether the juvenile could benefit from mental health services or unless a mental health screening of the juvenile has been completed within the last three months. Before sentencing a juvenile, the court shall order a mental health screening using the mental health screening tool selected pursuant to section 24-33.5-2402 (1)(b) or make a finding that the screening would not provide information that would be helpful in sentencing the juvenile. The court shall not stay or suspend delinquency proceedings pending the results of the mental health screening ordered pursuant this section. However, the court may continue the dispositional and sentencing hearing to await the results of the mental health screening.

(2) *[Editor's note: This version of subsection (2) is effective December 31, 2022.]* After the party advises the court of the party's belief that the juvenile could benefit from mental health services, the court shall immediately order a mental health screening of the juvenile pursuant to section 16-11.9-102 using the mental health screening tool selected pursuant to section 24-33.5-2402 (1)(b), as it existed prior to its repeal in 2022, unless the court already has sufficient information to determine whether the juvenile could benefit from mental health services or unless a mental health screening of the juvenile has been completed within the last three months. Before sentencing a juvenile, the court shall order a mental health screening using the mental health screening tool selected pursuant to section 24-33.5-2402 (1)(b), as it existed prior to its repeal in 2022, or make a finding that the screening would not provide information that would be helpful in sentencing the juvenile. The court shall not stay or suspend delinquency proceedings pending the results of the mental health screening ordered pursuant this section. However, the

court may continue the dispositional and sentencing hearing to await the results of the mental health screening.

(3) If the mental health screening indicates that the juvenile could benefit from mental health services, the court may order a mental health assessment.

(4) At the time the court orders a mental health assessment, the court shall specify the date upon which the assessment must be completed and returned to the court. The court may assign responsibility for the cost of the assessment to any party having legal custody or legal guardianship of the juvenile.

(5) The assessment, at a minimum, must include an opinion regarding whether the juvenile could benefit from mental health services. If the assessment concludes that the juvenile could benefit from mental health services, the assessment must identify the juvenile's mental health issues and the appropriate services and treatment.

(6) Evidence or treatment obtained as a result of a mental health screening or assessment ordered pursuant to this section, including any information obtained from the juvenile in the course of a mental health screening or assessment, must be used only for purposes of sentencing; to determine what mental health treatment, if any, to provide to the juvenile; and to determine whether the juvenile justice or another service system is most appropriate to provide this treatment, and must not be used for any other purpose. The mental health screening or assessment or any information obtained in the course of the mental health screening or assessment is not subject to subpoena or any other court process for use in any other court proceeding and is not admissible on the issues raised by a plea of not guilty unless the juvenile places the juvenile's mental health at issue. If the juvenile places the juvenile's mental health at issue, then either party may introduce evidence obtained as a result of a mental health screening or assessment. The court shall keep any mental health screening or assessment in the court file under seal.

(7) For purposes of this section:

(a) "Assessment" means an objective process used to collect pertinent information in order to identify a juvenile who may have mental health needs and identify the least restrictive and most appropriate services and treatment.

(b) "Juvenile could benefit from mental health services" means a juvenile exhibits one or more of the following characteristics:

- (I) A chronic or significant lack of impulse control or of judgment;
- (II) Significant abnormal behaviors under normal circumstances;
- (III) Severe or frequent changes in sleeping or eating patterns or in levels of activity;
- (IV) A pervasive mood of unhappiness or of depression; or
- (V) A history that includes mental health treatment, a suicide attempt, or the use of psychotropic medication.

(c) **[Editor's note: This version of subsection (7)(c) is effective until December 31, 2022.]** "Screening" means a short validated mental health screening adopted by the juvenile justice reform committee pursuant to section 24-33.5-2402 (1)(b) to identify juveniles who may have mental health needs.

(c) **[Editor's note: This version of subsection (7)(c) is effective December 31, 2022.]** "Screening" means a short validated mental health screening adopted by the committee on juvenile justice reform pursuant to section 24-33.5-2402 (1)(b), as it existed prior to its repeal in 2022, to identify juveniles who may have mental health needs.

19-2.5-613. Advisement of services. (1) For any juvenile who is sixteen years of age or older, before terminating jurisdiction, the court shall advise the juvenile that:

(a) If the juvenile was in foster care at sixteen years of age or older, or in noncertified kinship care and adjudicated dependent and neglected, then the juvenile has the right to begin voluntarily receiving child welfare services on or after reaching eighteen years of age through the foster youth in transition program, established in part 3 of article 7 of this title 19, until the juvenile's twenty-first birthday, or such greater age of foster care eligibility as required by federal law;

(b) The foster youth in transition program provides the juvenile with access to financial support for housing and other services, as outlined in section 19-7-305; and

(c) If the juvenile is eligible for the foster youth in transition program, the juvenile has the right to counsel through the office of the child's representative.

PART 7

COMPETENCY TO PROCEED

19-2.5-701. Legislative declaration. (1) The general assembly finds and declares that:

(a) The juvenile justice system is civil in nature and focused on rehabilitation rather than punishment;

(b) Juveniles differ in significant and substantive ways from adults; therefore, different standards for competency are necessary for juveniles and adults; and

(c) Notwithstanding the differences between adults and juveniles, age alone is not determinative of incompetence without a finding that the juvenile actually lacks the relevant capacities for competence.

Editor's note: This section is similar to former § 19-2-1300.2 as it existed prior to 2021.

19-2.5-702. Incompetent to proceed - effect - how and when raised. (1) This part 7 applies only to proceedings brought pursuant to this title 19.

(2) A juvenile must not be tried or sentenced if the juvenile is incompetent to proceed, as defined in section 19-2.5-102, at that stage of the proceedings. Juveniles, like adults, are presumed competent to proceed, as defined in section 19-2.5-102, until such time as they are

found incompetent to proceed through a decision by the court. A determination of competency must include an evaluation of intellectual and developmental disabilities, mental health disorders, and mental capacity. Age alone is not determinative of incompetence without a finding that the juvenile actually lacks the relevant capacities for competence.

(3) When a party specified in this subsection (3) has reason to believe that a juvenile is incompetent to proceed in a delinquency action, the party shall raise the question of the juvenile's competency in the following manner:

(a) On its own motion, the court shall suspend the proceeding and determine the competency or incompetency of the juvenile pursuant to section 19-2.5-703;

(b) By motion of the prosecution, probation officer, guardian ad litem, or defense, made in advance of the commencement of the particular proceeding. The motion may be filed after the commencement of the proceeding if, for good cause shown, the juvenile's mental health was unknown or unapparent before the commencement of the proceeding.

(c) By the juvenile's parent or legal guardian.

(4) If the issue of competency is raised at the time charges are filed or at any time thereafter and the juvenile is not represented by counsel, the court may immediately appoint counsel and may also appoint a guardian ad litem to ensure the best interests of the juvenile are addressed in accordance with existing law.

Editor's note: This section is similar to former § 19-2-1301 as it existed prior to 2021.

19-2.5-703. Determination of incompetency to proceed. (1) Whenever the question of a juvenile's competency to proceed is raised, the court shall make a preliminary finding that the juvenile is or is not competent to proceed. If the court feels that the information available to it is inadequate for making such a finding, it shall order a competency examination.

(2) The court shall immediately notify the prosecuting attorney and defense counsel of the preliminary finding regarding competency. The prosecuting attorney or the defense counsel may request a hearing on the preliminary finding by filing a written request with the court within fourteen days after the date on which the court issues the preliminary finding, unless the court extends the time period for good cause. The preliminary finding becomes a final determination if neither the prosecuting attorney nor defense counsel requests a hearing. Upon the timely written request of either the prosecuting attorney or defense counsel, the court shall hold a competency hearing. If the court did not order a competency examination or other evaluation prior to its preliminary determination and the court determines adequate mental health information is not available, the court shall refer the juvenile for a competency examination prior to the hearing. At the conclusion of the competency hearing, the court shall make a final determination regarding the juvenile's competency to proceed. At a competency hearing held pursuant to this subsection (2), the burden of submitting evidence and the burden of proof by a preponderance of the evidence are upon the party asserting the juvenile's incompetency.

(3) If the question of a juvenile's incompetency to proceed is raised after a jury is impaneled to try the issues raised by a plea of not guilty or after the court as the finder of fact begins to hear evidence and the court determines that the juvenile is incompetent to proceed or

orders the juvenile referred for a competency examination, the court may declare a mistrial. If the court declares a mistrial under these circumstances, the juvenile must not be deemed to have been placed in jeopardy with regard to the charges at issue. The juvenile may be tried on, and sentenced if adjudicated for, the same charges after the juvenile has achieved or been restored to competency.

(4) (a) If the court orders a competency evaluation, the court shall order that the competency evaluation be conducted in the least-restrictive environment, including home or community placement, if appropriate, taking into account the public safety and the best interests of the juvenile.

(b) A competency evaluation must be conducted by a licensed psychiatrist or licensed psychologist who is experienced in the clinical evaluation of juveniles and trained in forensic competency assessments, or a psychiatrist or psychologist who is in forensic training and under the supervision of a licensed forensic psychiatrist or licensed psychologist with expertise in forensic psychology.

(c) The competency evaluation must, at a minimum, include an opinion regarding whether the juvenile is incompetent to proceed as defined in section 19-2.5-102. If the evaluation concludes the juvenile is incompetent to proceed, the evaluation must include a recommendation as to whether there is a likelihood that the juvenile may achieve or be restored to competency and identify appropriate services to restore the juvenile to competency.

(d) The evaluator conducting the competency evaluation shall file the evaluation with the court within:

(I) Thirty-five days after issuance of the order for the competency evaluation, unless good cause is shown for a delay, if the juvenile is held in a secure detention facility;

(II) Forty-nine days after issuance of the order for the competency evaluation, unless good cause is shown for a delay, if the juvenile is not held in a secure detention facility.

19-2.5-704. Procedure after determination of competency or incompetency. (1) If the court finally determines pursuant to section 19-2.5-703 that the juvenile is competent to proceed, the court shall order that the suspended proceeding continue or, if a mistrial has been declared, shall reset the case for trial at the earliest possible date.

(2) (a) If the court finally determines pursuant to section 19-2.5-703 that the juvenile is incompetent to proceed but may be restored to competency, the court shall stay the proceedings and order that the juvenile receive services designed to restore the juvenile to competency, based upon recommendations in the competency evaluation, unless the court makes specific findings that the recommended services in the competency evaluation are not justified. The court shall order that the restoration services ordered are provided in the least-restrictive environment, taking into account the public safety and the best interests of the juvenile, and that the provision of the services and the juvenile's participation in those services occur in a timely manner. The court shall review the provision of and the juvenile's participation in the services and the juvenile's progress toward competency at least every ninety-one days until competency is

restored, unless the juvenile is in custody, in which event the court shall review the case every thirty-five days to ensure the prompt provision of services in the least-restrictive environment. The court shall not maintain jurisdiction longer than the maximum possible sentence for the original offense, unless the court makes specific findings of good cause to retain jurisdiction. However, the juvenile court's jurisdiction shall not extend beyond the juvenile's twenty-first birthday.

(b) Pursuant to section 27-60-105, the behavioral health administration in the department of human services is the entity responsible for the oversight of restoration education and coordination of services necessary to competency restoration.

(3) (a) If the court finally determines pursuant to section 19-2.5-703 that the juvenile is incompetent to proceed and cannot be restored to competency, the court shall determine whether a management plan for the juvenile is necessary, taking into account the public safety and the best interests of the juvenile. If the court determines a management plan is necessary, the court shall develop the management plan after ordering that the juvenile be placed in the least-restrictive environment, taking into account the public safety and best interests of the juvenile. If the court determines a management plan is unnecessary, the court may continue any treatment or plan already in place for the juvenile. The management plan must, at a minimum, address treatment for the juvenile, identify the party or parties responsible for the juvenile, and specify appropriate behavior management tools, if they are not otherwise part of the juvenile's treatment.

(b) The management plan may include:

(I) Placement options included in article 10.5 or 65 of title 27;

(II) A treatment plan developed by a licensed mental health professional;

(III) An informed supervision model;

(IV) Institution of a guardianship petition; or

(V) Any other remedy deemed appropriate by the court.

(c) If the charges are not dismissed earlier by the district attorney, the charges against a juvenile found to be incompetent and unrestorable must be dismissed no later than the maximum possible sentence for the original offense after the date of the court's finding of incompetent and unrestorable, unless the court makes specific findings of good cause to retain jurisdiction. However, the juvenile court's jurisdiction shall not extend beyond the juvenile's twenty-first birthday.

(4) A determination pursuant to subsection (2) of this section that a juvenile is incompetent to proceed must not preclude the court from considering the release of the juvenile on bond upon compliance with the standards and procedures for such release prescribed by statute. At any hearing to determine eligibility for release on bond, the court may consider any effect the juvenile's incompetency may have on the juvenile's ability to ensure the juvenile's presence for trial.

19-2.5-705. Restoration to competency hearing. (1) The court may order a restoration to competency hearing, as defined in section 19-2.5-102, at any time on its own motion, on motion of the prosecuting attorney, or on motion of the juvenile. The court shall order a restoration of competency hearing if a competency evaluator with the qualifications described in section 19-2.5-703 (4)(b) files a report certifying that the juvenile is competent to proceed.

(2) At the hearing, if the question is contested, the burden of submitting evidence and the burden of proof by a preponderance of the evidence is on the party asserting that the juvenile is competent.

(3) At the restoration to competency hearing, the court shall determine whether the juvenile has achieved or is restored to competency.

19-2.5-706. Procedure after restoration to competency hearing. (1) If a juvenile is found to have achieved or been restored to competency after a restoration to competency hearing, pursuant to section 19-2.5-705, or by the court during a review, pursuant to section 19-2.5-704 (2), the court shall resume or recommence the trial or sentencing proceeding or order the sentence carried out. The court may credit any time the juvenile spent in confinement or detention while incompetent to proceed against any term of commitment imposed after achievement of or restoration to competency.

(2) If the court determines that the juvenile remains incompetent to proceed and the delinquency petition is not dismissed, the court may continue or modify any orders entered at the time of the original determination of incompetency or enter any new order necessary to facilitate the juvenile's achievement of or restoration to competency.

(3) Evidence obtained during a competency evaluation or during treatment related to the juvenile's competency or incompetency and the determination as to the juvenile's competency or incompetency are not admissible on the issues raised by a plea of not guilty.

PART 8

DIRECT FILING AND TRANSFER HEARINGS

19-2.5-801. Direct filing - definition. (1) A juvenile may be charged by the direct filing of an information in the district court or by indictment only if the juvenile is sixteen years of age or older at the time of the commission of the alleged offense and:

(a) Is alleged to have committed a class 1 or class 2 felony; or
(b) Is alleged to have committed a sexual assault that is a crime of violence pursuant to section 18-1.3-406 or a sexual assault under the circumstances described in section 18-3-402 (5)(a); or

(c) (I) Is alleged to have committed a felony enumerated as a crime of violence pursuant to section 18-1.3-406, other than a sexual assault as described in subsection (1)(b) of this section, or is alleged to have committed sexual assault pursuant to section 18-3-402, sexual assault on a child pursuant to section 18-3-405, or sexual assault on a child by one in a position of trust pursuant to section 18-3-405.3; and

(II) Is found to have a prior adjudicated felony offense; or

(d) Has previously been subject to proceedings in district court as a result of a direct filing pursuant to this section or a transfer pursuant to section 19-2.5-802; except that:

(I) If the juvenile is found not guilty in district court of the prior felony or any lesser included offense, the subsequent charge must be remanded to the juvenile court; and

(II) If the juvenile is convicted in district court in the prior case of a lesser included or nonenumerated offense for which criminal charges could not have been originally filed by information or indictment in the district court pursuant to this section, the subsequent charge may be remanded to the juvenile court.

(2) If, after a preliminary hearing, the district court does not find probable cause for an offense that may be charged by direct filing, or if the direct file eligible offense is dismissed at a later date, the court shall remand the case to the juvenile court.

(3) Notwithstanding section 19-2.5-802, after filing charges in the juvenile court but before the juvenile court conducts a transfer hearing, the district attorney may file the same or different charges against the juvenile by direct filing of an information in the district court or by indictment pursuant to this section. Upon the filing or indictment in the district court, the juvenile court no longer has jurisdiction over proceedings concerning the charges.

(4) (a) After a juvenile case has been charged by direct filing of information or by an indictment in district court, the juvenile may file in district court a motion to transfer the case to juvenile court. The juvenile must file the motion no later than the time to request a preliminary hearing. Upon receipt of the motion, the court shall set the reverse-transfer hearing with the preliminary hearing. The court shall permit the district attorney to file a response to the juvenile's motion to transfer the case to juvenile court. The district attorney shall file the response no later than fourteen days before the reverse-transfer hearing.

(b) In determining whether the juvenile and the community would be better served by adjudicative proceedings pursuant to this article 2.5 or by proceedings pursuant to title 16, the court shall consider the following factors:

(I) The seriousness of the alleged offense and whether the protection of the community requires response or consequence beyond that afforded by this article 2.5;

(II) Whether the alleged offense was committed in an aggressive, violent, premeditated, or willful manner;

(III) Whether the alleged offense was against persons or property, greater weight being given to offenses against persons;

(IV) The age of the juvenile and the maturity of the juvenile, as determined by considerations of the juvenile's home, environment, emotional attitude, and pattern of living;

(V) The juvenile's record and previous history in prior court-related matters;

(VI) The juvenile's current and past mental health status, as evidenced by relevant mental health or psychological assessments or screenings that are made available to both the district attorney and defense counsel;

(VII) The likelihood of the juvenile's rehabilitation by use of the sentencing options available in the juvenile courts and district courts;

(VIII) The interest of the community in the imposition of a punishment commensurate with the gravity of the offense;

(IX) The impact of the offense on the victim;

(X) Whether the juvenile was previously committed to the department of human services following an adjudication for a delinquent act that constitutes a felony; and

(XI) Whether the juvenile used, or possessed and threatened the use of, a deadly weapon in the commission of the delinquent act.

(c) If the district court determines pursuant to subsection (4)(b) of this section that the juvenile and the community would be better served by adjudicative proceedings pursuant to this article 2.5, the court shall enter an order directing that the offenses against the juvenile be adjudicated in juvenile court pursuant to this article 2.5.

(5) (a) If a juvenile is convicted following the filing of criminal charges by information or indictment in the district court pursuant to this section, the district judge shall sentence the juvenile either:

(I) As an adult; except that a juvenile is excluded from the mandatory minimum sentencing provisions in section 18-1.3-406, unless the juvenile is convicted of a class 1 felony or a sex offense that is subject to part 9 of article 1.3 of title 18; or

(II) To the youthful offender system in the department of corrections in accordance with section 18-1.3-407; except that a juvenile is ineligible for sentencing to the youthful offender system if the juvenile is convicted of:

(A) A class 1 felony;

(B) Any sexual offense described in section 18-6-301 or 18-6-302 or part 4 of article 3 of title 18; or

(C) A second or subsequent offense, if the juvenile received a sentence to the department of corrections or to the youthful offender system for the prior offense.

(b) The district court judge may sentence a juvenile pursuant to this article 2.5 if the juvenile is convicted of a lesser included or nonenumerated felony offense for which criminal charges could not have been originally filed by information or indictment in the district court pursuant to this section. If the juvenile is convicted of only a misdemeanor offense or misdemeanor offenses, the court shall adjudicate the juvenile a delinquent and sentence the juvenile pursuant to this article 2.5.

(c) If a juvenile is convicted of an offense that is not eligible for district court jurisdiction pursuant to either this section or section 19-2.5-802, the juvenile must be remanded to juvenile court.

(6) In the case of a person who is sentenced as a juvenile pursuant to subsection (5) of this section, the following provisions apply:

(a) Section 19-2.5-1126 (1)(a), regarding mandatory sentence offenders;

- (b) Section 19-2.5-1126 (1)(b), regarding repeat juvenile offenders;
 - (c) Section 19-2.5-1126 (1)(c), regarding violent juvenile offenders; and
 - (d) Sections 19-2.5-503 and 19-2.5-1127, regarding aggravated juvenile offenders.
- (7) The court in its discretion may appoint a guardian ad litem for a juvenile charged by the direct filing of an information in the district court or by indictment pursuant to this section.
- (8) When a juvenile is sentenced pursuant to this article 2.5, the juvenile's conviction must be adjudicated as a juvenile delinquency adjudication.
- (9) For purposes of this section, "violent juvenile offender" has the same meaning as set forth in section 19-2.5-1125 (3).

19-2.5-802. Transfers. (1) (a) The juvenile court may enter an order certifying a juvenile to be held for criminal proceedings in the district court if:

(I) A petition filed in juvenile court alleges the juvenile is:

(A) Twelve or thirteen years of age at the time of the commission of the alleged offense and is a juvenile delinquent by virtue of having committed a delinquent act that constitutes a class 1 or class 2 felony or a crime of violence, as defined in section 18-1.3-406; or

(B) Fourteen years of age or older at the time of the commission of the alleged offense and is a juvenile delinquent by virtue of having committed a delinquent act that constitutes a felony; and

(II) After investigation and a hearing, the juvenile court finds it would be contrary to the best interests of the juvenile or of the public to retain jurisdiction.

(b) A petition may be transferred from the juvenile court to the district court only after a hearing as provided in this section.

(c) If the crime alleged to have been committed is a felony defined by section 18-8-208, and no other crime is alleged to have been committed and the juvenile has been adjudicated a juvenile delinquent for a delinquent act that constitutes a class 4 or 5 felony, then the charge for the crime may not be filed directly in the district court, but the juvenile court may transfer the charge to the district court pursuant to subsection (1)(a) of this section.

(d) (I) If a juvenile is convicted in cases in which criminal charges are transferred to the district court pursuant to this section, the district court judge shall sentence the juvenile either:

(A) As an adult; except that a juvenile is excluded from the mandatory minimum sentencing provisions in section 18-1.3-406, unless the juvenile is convicted of a class 1 felony or a sex offense that is subject to part 9 of article 1.3 of title 18; or

(B) To the youthful offender system in the department of corrections in accordance with section 18-1.3-407; except that a juvenile is not eligible for sentencing to the youthful offender system if the juvenile is convicted of a class 1 felony; any sexual offense described in section 18-6-301 or 18-6-302, or part 4 of article 3 of title 18; or a second or subsequent offense, if the juvenile received a sentence to the department of corrections or to the youthful offender system for the prior offense.

(II) The district court judge may sentence a juvenile pursuant to this article 2.5 if the juvenile is convicted of a lesser included or nonenumerated felony offense in cases in which criminal charges are transferred to the district court pursuant to this section. If the juvenile is convicted of only a misdemeanor offense or misdemeanor offenses, the court shall adjudicate the juvenile a delinquent and sentence the juvenile pursuant to this article 2.5.

(III) If a juvenile is convicted of an offense that is not eligible for district court jurisdiction pursuant to either this section or section 19-2.5-801, the juvenile shall be remanded to juvenile court for sentencing pursuant to this article 2.5.

(IV) In the case of a person who is sentenced as a juvenile pursuant to this subsection (1)(d), the following provisions apply:

(A) Section 19-2.5-1126 (1)(a), regarding mandatory sentence offenders;

(B) Section 19-2.5-1126 (1)(b), regarding repeat juvenile offenders;

(C) Section 19-2.5-1126 (1)(c), regarding violent juvenile offenders; and

(D) Section 19-2.5-1127, regarding aggravated juvenile offenders.

(V) The court in its discretion may appoint a guardian ad litem for a juvenile following the transfer of charges to the district court pursuant to this section.

(VI) When a juvenile is sentenced pursuant to this article 2.5, the juvenile's conviction shall be adjudicated as a juvenile delinquency adjudication.

(VII) For purposes of this subsection (1)(d), "violent juvenile offender" has the same meaning as defined in section 19-2.5-1125 (3).

(e) Whenever a juvenile under the age of fourteen years is sentenced pursuant to section 18-1.3-401 as provided in subsection (1)(d) of this section, the department of corrections shall contract with the department of human services to house and provide services to the juvenile in a facility operated by the department of human services until the juvenile reaches the age of fourteen years. On reaching the age of fourteen years, the juvenile must be transferred to an appropriate facility operated by the department of corrections for the completion of the juvenile's sentence.

(2) After filing charges in the juvenile court but prior to the time that the juvenile court conducts a transfer hearing, the district attorney may file the same or different charges against the juvenile by direct filing of an information in the district court or by indictment pursuant to section 19-2.5-801. Upon the filing or indictment in the district court, the juvenile court no longer has jurisdiction over proceedings concerning the charges.

(3) At the transfer hearing, the court shall consider:

(a) Whether there is probable cause to believe that the juvenile has committed a delinquent act for which waiver of juvenile court jurisdiction over the juvenile and transfer to the district court may be sought pursuant to subsection (1) of this section; and

(b) Whether the interests of the juvenile or of the community would be better served by the juvenile court's waiving its jurisdiction over the juvenile and transferring jurisdiction over the juvenile to the district court.

(4) (a) The hearing must be conducted as set forth in section 19-1-106, and the court shall make certain that the juvenile and the juvenile's parents, guardian, or legal custodian have been fully informed of their right to be represented by counsel.

(b) In considering whether to waive juvenile court jurisdiction over the juvenile, the juvenile court shall consider the following factors:

(I) The seriousness of the offense and whether the protection of the community requires isolation of the juvenile beyond that afforded by juvenile facilities;

(II) Whether the alleged offense was committed in an aggressive, violent, premeditated, or willful manner;

(III) Whether the alleged offense was against persons or property, greater weight being given to offenses against persons;

(IV) The juvenile's maturity, as determined by considerations of the juvenile's home, environment, emotional attitude, and pattern of living;

(V) The juvenile's record and previous history;

(VI) The likelihood of the juvenile's rehabilitation by use of facilities available to the juvenile court;

(VII) The interest of the community in the imposition of a punishment commensurate with the gravity of the offense;

(VIII) The impact of the offense on the victim;

(IX) Whether the juvenile was twice previously adjudicated a delinquent juvenile for delinquent acts that constitute felonies;

(X) Whether the juvenile was previously adjudicated a juvenile delinquent for a delinquent act that constitutes a crime of violence, as defined in section 18-1.3-406;

(XI) Whether the juvenile was previously committed to the department of human services following an adjudication for a delinquent act that constitutes a felony;

(XII) Whether the juvenile is sixteen years of age or older at the time of the offense and the present act constitutes a crime of violence, as defined in section 18-1.3-406;

(XIII) Whether the juvenile is sixteen years of age or older at the time of the offense and has been twice previously adjudicated a juvenile delinquent for delinquent acts against property that constitute felonies; and

(XIV) Whether the juvenile used, or possessed and threatened the use of, a deadly weapon in the commission of a delinquent act.

(c) The amount of weight to be given to each of the factors listed in subsection (4)(b) of this section is discretionary with the court; except that a record of two or more previously sustained petitions for delinquent acts that constitute felonies or a record of two or more juvenile probation revocations based on acts that constitute felonies establish prima facie evidence that to retain jurisdiction in juvenile court would be contrary to the best interests of the juvenile or of the community.

(d) The insufficiency of evidence pertaining to any one or more of the factors listed in subsection (4)(b) of this section is not in and of itself determinative of the issue of waiver of juvenile court jurisdiction.

(5) Written reports and other materials relating to the juvenile's mental, physical, educational, and social history may be considered by the court, but the court, if so requested by the juvenile, the juvenile's parent or guardian, or other interested party, shall require the person or agency preparing the report and other material to appear and be subject to both direct and cross-examination.

(6) (a) If the court finds that its jurisdiction over a juvenile should be waived, it shall enter an order to that effect; except that such order of waiver is null and void if the district attorney fails to file an information in the criminal division of the district court within five days after issuance of the written order of waiver, exclusive of Saturdays, Sundays, and court

holidays. Upon failure of the district attorney to file an information within five days of the issuance of the written order of waiver, exclusive of Saturdays, Sundays, and court holidays, the juvenile court shall retain jurisdiction and shall proceed pursuant to this article 2.5.

(b) As a condition of the waiver of jurisdiction, the court in its discretion may provide that a juvenile shall continue to be held in custody pending the filing of an information in the criminal division of the district court. Where the juvenile has made bond in proceedings in the juvenile court, the bond may be continued and made returnable in and transmitted to the district court, where it must continue in full force and effect unless modified by order of the district court.

(7) If the court finds that it is in the best interests of the juvenile and of the public for the court to retain jurisdiction, it shall proceed with the adjudicatory trial pursuant to part 9 of this article 2.5.

PART 9

ADJUDICATORY PROCEEDINGS

19-2.5-901. Informal adjustment. (1) The district attorney may request of the court at any time, either before, during, or after the filing of a petition, that the matter be handled as an informal adjustment if:

(a) The juvenile and the juvenile's parents, guardian, or legal custodian have been informed of their constitutional and legal rights, including the right to have counsel at every stage of the proceedings;

(b) There are sufficient facts to establish the court's jurisdiction; and

(c) The juvenile and the juvenile's parents, guardian, or legal custodian have waived the right to a speedy trial.

(2) An informal adjustment must be for an initial period of no longer than six months. One additional extension of up to six months may be ordered by the court upon showing of good cause.

(3) During any informal adjustment, the court may place the juvenile under the supervision of the probation department or other designated agency. The court may require further conditions of conduct, as requested by the district attorney, probation department, or designated agency.

(4) A juvenile shall not be granted an informal adjustment if the juvenile has been adjudicated a juvenile delinquent within the preceding twelve months, has had a prior deferred adjudication, or has had an informal adjustment granted within the preceding twelve months.

19-2.5-902. Entry of plea. (1) Upon the entry of a plea of not guilty to the allegations contained in the petition, the court shall set the matter for an adjudicatory trial. Except as set forth in section 19-2.5-610, the court shall hold the adjudicatory trial within sixty days after the entry of a plea of not guilty.

(2) Upon the entry of a plea of guilty to one or more of the allegations contained in the petition, the court shall advise the juvenile in accordance with rule 3 of the Colorado rules of juvenile procedure. The advisement must include the possibility of restorative justice practices, including victim-offender conferences if restorative justice practices are available in the jurisdiction. The advisement regarding restorative justice practices does not establish any right to restorative justice practices on the juvenile's behalf.

19-2.5-903. Deferral of adjudication. (1) Except as set forth in subsection (2) of this section, in any case in which the juvenile has agreed with the district attorney to enter a plea of guilty, the court, with the consent of the juvenile and the district attorney, upon accepting the guilty plea and entering an order deferring adjudication, may continue the case for a period not to exceed one year after the date of entry of the order deferring adjudication. The court may continue the case for an additional one-year period for good cause.

(2) In a case in which the juvenile has agreed with the district attorney to enter a plea of guilty, resulting in a conviction, as defined in section 16-22-102 (3), for unlawful sexual behavior, as defined in section 16-22-102 (9), the court, with the consent of the juvenile and district attorney, upon accepting the guilty plea and entering an order deferring adjudication, may continue the case for a period of time not to exceed two years after the date of the order deferring adjudication. Upon a showing of good cause, the court may continue the case for additional time, not to exceed five years after the date of the order deferring adjudication.

(3) A juvenile granted a deferral of adjudication pursuant to this section may be placed under the supervision of a probation department. The court may impose any conditions of supervision that it deems appropriate that are stipulated to by the juvenile and the district attorney.

(4) Upon full compliance with the conditions of supervision, the plea of the juvenile or the finding of guilt by the court must be withdrawn and the case dismissed with prejudice.

(5) The district attorney or a probation officer may make an application for entry of adjudication and imposition of sentence at any time within the term of the deferred adjudication or within thirty-five days thereafter.

(6) If the juvenile fails to comply with the terms of supervision, the court shall enter an order of adjudication and proceed to sentencing pursuant to section 19-2.5-1102. Lack of compliance is a matter to be determined by the court without a jury, upon written application of the district attorney or probation department. At least seven days' notice must be given to the

juvenile and the juvenile's parents, guardian, or legal custodian. The burden of proof is the same as if the matter were being heard as a probation revocation proceeding.

(7) If the juvenile agrees to a deferral of adjudication, the juvenile waives all rights to a speedy trial and sentencing.

19-2.5-904. Speedy trial - procedural schedule. (1) The juvenile's right to a speedy trial is governed by section 18-1-405 and rule 48(b) of the Colorado rules of criminal procedure.

(2) In bringing an adjudicatory action against a juvenile pursuant to this article 2.5, the district attorney and the court shall comply with the deadlines for:

(3) The court may grant a continuance with regard to any of the deadlines specified in subsection (2) of this section upon making a finding of good cause.

19-2.5-905. Evidentiary considerations. (1) All statutes and rules of this state that apply to evidentiary considerations in adult criminal proceedings apply to proceedings pursuant to this title 19 except as otherwise specifically provided.

(2) In any case brought pursuant to this title 19, the credibility of any witness may be challenged because of the witness's prior adult felony convictions and juvenile felony adjudications. The fact of such conviction or adjudication may be proved either by the witness through testimony or by other competent evidence.

(3) Prior to the juvenile resting the juvenile's case, the trial court shall advise the juvenile outside the presence of the jury that:

- (a) The juvenile has a right to testify in the juvenile's own behalf;
- (b) If the juvenile wants to testify, no one, including the juvenile's attorney, can prevent the juvenile from doing so;
- (c) If the juvenile testifies, the prosecutor will be allowed to cross-examine the juvenile;
- (d) If the juvenile has been convicted or adjudicated for a felony, the prosecutor is entitled to ask the juvenile about it and thereby disclose it to the jury;
- (e) If a felony conviction or adjudication is disclosed to the jury, the jury can be instructed to consider it only as it bears upon the juvenile's credibility;
- (f) The juvenile has a right not to testify and that, if the juvenile does not testify, the jury must be instructed about such right.

19-2.5-906. Admissibility of evidence - legislative declaration - definitions. (1) It is the intent of the general assembly that, when evidence is sought to be excluded from the trier of fact in a delinquency proceeding because of the conduct of a peace officer leading to its discovery, such evidence should not be suppressed if otherwise admissible when the proponent of the evidence can show that the conduct in question was taken in a reasonable, good-faith belief that it was proper. It is further declared to be the general assembly's intent to identify the characteristics of admissible evidence and not to address or attempt to prescribe court procedure.

(2) For purposes of this section:

(a) "Good-faith mistake" means a reasonable error of judgment concerning the existence of facts or law that, if true, would be sufficient to constitute probable cause.

(b) "Peace officer" has the meaning set forth in section 16-2.5-101.

(c) "Technical violation" means a reasonable, good-faith reliance upon a statute that is later ruled unconstitutional, a warrant that is later invalidated due to a good-faith mistake, or a court precedent that is later overruled.

(3) The court shall not suppress evidence sought to be excluded in a delinquency proceeding because of the conduct of the peace officer leading to its discovery if the court finds that the evidence was seized by the peace officer as a result of a good-faith mistake or a technical violation and the evidence is otherwise admissible.

(4) The court shall not suppress in a delinquency proceeding evidence that is obtained as a result of a confession voluntarily made in a noncustodial setting if the evidence is otherwise admissible.

(5) It is prima facie evidence that the conduct of the peace officer was taken in the reasonable good-faith belief that it was proper if there is a showing that the evidence was obtained pursuant to and within the scope of a warrant, unless the warrant was obtained through intentional and material misrepresentation.

19-2.5-907. Procedures at trial. (1) At the adjudicatory trial, that must be conducted pursuant to section 19-1-106, the court shall consider whether the allegations of the petition are supported by evidence beyond a reasonable doubt. Jurisdictional matters of the age and residence of the juvenile are deemed admitted by or on behalf of the juvenile unless specifically denied within a reasonable time prior to the trial.

(2) If the juvenile is found not guilty after an adjudicatory trial, the court shall order the petition dismissed and the juvenile discharged from any detention or restriction previously ordered. The juvenile's parents, guardian, or other legal custodian are also discharged from any restriction or other previous temporary order.

(3) If the juvenile is found guilty after an adjudicatory trial, the court may proceed to sentencing or direct that the matter be set for a separate sentencing hearing within forty-nine days following completion of the adjudicatory trial.

19-2.5-909. Motion for new trial. (1) All motions for a new trial must be made pursuant to rule 33 of the Colorado rules of criminal procedure.

(2) If the juvenile was not represented by counsel, the court shall inform the juvenile and the juvenile's parent, guardian, or legal custodian at the conclusion of the trial that they have the right to file a motion for a new trial and that, if such motion is denied, they have the right to appeal.

19-2.5-910. Adjudication - collateral relief - application - definitions. (1) At the time of the entry of adjudication or at any time thereafter, upon the request of the adjudicated juvenile or upon the court's own motion, a court may enter an order of collateral relief in the juvenile's case for the purpose of improving the juvenile's likelihood of success in the community.

(2) **Application contents.** (a) An application for an order of collateral relief must cite the grounds for granting the relief, the type of relief sought, and the specific collateral consequence from which the applicant is seeking relief and must include a copy of a recent criminal history record check. The state court administrator may produce an application form that an applicant may submit in application.

(b) The applicant shall provide a copy of the application to the district attorney and to the regulatory or licensing body that has jurisdiction over the collateral consequence from which the applicant is seeking relief, if any, by certified mail or personal service within fourteen days after filing the application with the court.

(c) An application filed after an adjudication order has been entered must include a copy of a recent Colorado bureau of investigation fingerprint-based criminal history record check, the

filing fee required by law, and an additional filing fee of thirty dollars to cover the actual costs related to the application. A court shall waive the filing fees if it finds that the juvenile is indigent.

(3) An order of collateral relief may relieve an adjudicated juvenile of any collateral consequences of the adjudication, whether in housing or employment barriers or any other sanction or disqualification that the court shall specify, including but not limited to statutory, regulatory, or other collateral consequences that the court may see fit to relieve that will assist the adjudicated juvenile in successfully reintegrating into the community.

(4) (a) Notwithstanding any other provision of law, an order of collateral relief cannot relieve any collateral consequences imposed by law for licensure by the department of education or any collateral consequences imposed by law for employment with the judicial branch, the department of corrections, the division of youth services in the department of human services, or any other law enforcement agency in the state of Colorado.

(b) A court shall not issue an order of collateral relief if the adjudicated juvenile:

(I) Has been adjudicated for a felony that included an element that requires a victim to suffer a serious bodily injury and the victim suffered a permanent impairment of the function of any part or organ of the body;

(II) Has been adjudicated for a crime of violence as described in section 18-1.3-406; or

(III) Is required to register as a sex offender pursuant to section 16-22-103.

(5) **Hearing.** (a) The court may conduct a hearing on any matter relevant to the granting or denying of an application or include a hearing on the matter at the adjudicated juvenile's sentencing hearing and may take testimony under oath.

(b) The court may hear testimony from victims or any proponent or opponent of the application and may hear arguments from the applicant and the district attorney.

(6) **Standard for granting relief.** (a) A court may issue an order of collateral relief if the court finds that:

(I) The order of collateral relief is consistent with the applicant's rehabilitation; and

(II) Granting the application would improve the applicant's likelihood of success in reintegrating into society and is in the public's interest.

(b) The court that previously issued an order of collateral relief, on its own motion or either by cause shown by the district attorney or on grounds offered by the applicant, may at any time issue a subsequent judgment to enlarge, limit, or circumscribe the relief previously granted.

(c) Upon the motion of the district attorney or probation officer or upon the court's own motion, a court may revoke an order of collateral relief upon evidence of a subsequent criminal conviction or adjudication or proof that the adjudicated juvenile is no longer entitled to relief. Any bars, prohibitions, sanctions, and disqualifications relieved may be reinstated as of the date of the written order of revocation. The court shall provide a copy of the order of revocation to the holder and to any regulatory or licensing entity that the adjudicated juvenile noticed in the juvenile's motion for relief.

(7) If the court issues an order of collateral relief, it shall send a copy of the order of collateral relief through the Colorado integrated criminal justice information system to the Colorado bureau of investigation, and the Colorado bureau of investigation shall note in the applicant's record in the Colorado crime information center that the order of collateral relief was issued.

(8) **Definitions.** As used in this section, unless the context otherwise requires:

(a) "Adjudication" or "adjudicated" means a verdict of guilty by a judge or jury or a plea of guilty or nolo contendere that is accepted by the court or an adjudication for a crime under the laws of any other state, the United States, or any territory subject to the jurisdiction of the United States, which, if committed within this state, would be a crime. "Adjudication" or "adjudicated" also includes having received a deferred adjudication.

(b) "Collateral consequence" means a collateral sanction or a disqualification.

(c) "Collateral sanction" means a penalty, prohibition, bar, or disadvantage, however denominated, imposed on an individual as a result of the individual's adjudication for an offense, which penalty, prohibition, bar, or disadvantage applies by operation of law regardless of whether the penalty, prohibition, bar, or disadvantage is included in the judgment or sentence. "Collateral sanction" does not include imprisonment, probation, parole, supervised release, forfeiture, restitution, fine, assessment, costs of prosecution, or a restraint or sanction on an individual's driving privilege.

(d) "Disqualification" means a penalty, prohibition, bar, or disadvantage, however denominated, that an administrative agency, governmental official, or court in a civil proceeding is authorized, but not required, to impose on an individual on grounds relating to the individual's adjudication for an offense.

(9) The provisions of this section apply to adjudications entered before, on, or after September 7, 2021.

19-2.5-1003. Teen court program - supervising courts. (1) Any supervising court is authorized to establish a teen court program pursuant to this part 10. In any jurisdiction where a teen court program is established, a teen charged with a minor offense may receive a deferred judgment, a condition of which is successful participation in the teen court program.

(2) The procedure for determining the eligibility for and imposition of the deferred judgment is as follows:

(a) The teen, in the presence of at least one of the teen's parents or legal guardian, enters a plea of guilty to the minor offense charged;

(b) The teen requests to participate in the teen court program, agrees to the deferral of further proceedings in the supervising court for a period of six months or until the teen has successfully completed the teen court program, and provides the court with addresses for mailing notices to both the teen and the teen's parent or legal guardian;

(c) The supervising court finds that the teen will benefit more from participation in the teen court program than from any other sentence that may be imposed;

(e) In addition to ordering the teen to participate in the teen court program, the supervising court may enter an order that the teen pay any restitution otherwise authorized by law.

(3) If the supervising court receives a report from the teen court judge that the teen has not successfully completed the teen court program, or if within six months after the entry of the order for deferred judgment the supervising court has not received a report that the teen has successfully completed the teen court program, the court shall schedule a sentencing hearing,

send notice to the teen and the teen's parent or legal guardian at the addresses given at the time of the order for deferred judgment or any changed address, and at the sentencing hearing impose any other sentence authorized for the offense charged.

(4) If the supervising court receives a report from the teen court judge that the teen has successfully completed the teen court program, the court shall dismiss all charges against the teen. The dismissal does not constitute a conviction for any purpose.

(b) The approval of teen court judges;

(c) The collection of a fee from any teen defendant; and

(c) The teen court judge may order that a teen juror be replaced if the judge finds that the juror may be biased;

(d) The teen prosecutor and either the teen defendant or teen defense attorney may make an opening statement;

(e) The teen defendant is subject to cross-examination by the teen prosecutor concerning the circumstances or facts surrounding the offense or the character of the teen defendant and may either make a statement or be subject to direct examination by the teen defense attorney;

(f) Each side may offer witnesses and documents concerning the circumstances or facts surrounding the offense or the character of the teen defendant;

(g) The teen prosecutor and either the teen defendant or teen defense attorney may make a closing statement;

(c) Notifies the teen defendant that if the teen court judge does not receive the written report within the time required, the teen court judge shall file with the supervising court a report stating that the teen defendant has not satisfactorily completed the teen court program.

(4) Within six months after the order for deferred judgment, the teen court judge shall file a written report with the supervising court notifying the court whether the teen defendant has satisfactorily completed the teen court program.

IN GENERAL

19-2.5-1101. Presentence investigation. (1) (a) Prior to the sentencing hearing, juvenile probation for the judicial district in which the juvenile is adjudicated shall conduct a presentence investigation unless waived by the court on its own determination or on recommendation of the prosecution or the juvenile. The presentence investigation must take into consideration and build on the intake assessment performed by the screening team. The presentence investigation may address, but is not limited to, the following:

- (I) The details of the offense;
- (II) Statements made by the victims of the offense;
- (III) The amount of restitution, if any, that should be imposed on the juvenile or the juvenile's parent, guardian, or legal custodian;
- (IV) The juvenile's previous criminal record, if any, if the juvenile has not been adjudicated for an act that constitutes unlawful sexual behavior as defined in section 16-22-102 (9);
- (V) Any history of substance abuse by the juvenile;
- (VI) The juvenile's education history, including any special education history and any current individualized education program the juvenile may have pursuant to section 22-20-108;
- (VII) The juvenile's employment history;
- (VIII) The juvenile's family, kin, and persons having a significant relationship with the juvenile;
- (IX) The juvenile's peer relationships;
- (X) The status of juvenile programs and community placements in the juvenile's judicial district of residence;
- (XI) Other related material;
- (XII) Review of placement and commitment criteria adopted pursuant to section 19-2.5-1404, which are the criteria for any sentencing recommendations included in the presentence investigation;
- (XIII) Assessment of the juvenile's needs; and
- (XIV) Recommendations and a proposed treatment plan for the juvenile.

(b) If the juvenile has been adjudicated for an act that constitutes unlawful sexual behavior, as defined in section 16-22-102 (9), then the report on the presentence investigation must include the juvenile's previous criminal and juvenile delinquency records, if any.

(2) (a) The probation department shall conduct a presentence investigation in each case unless waived by the court on its own determination or on recommendation of the prosecution or the juvenile. The level of detail included in the presentence investigation may vary, as appropriate, with the services being considered for the juvenile.

(b) (I) Except as set forth in subsection (2)(b)(II) of this section, if the juvenile is adjudicated on or after July 1, 2018, the report described in subsection (1)(a) of this section must include the following statement:

Each adjudicated juvenile may, at the time of adjudication or at any time thereafter, apply to the court for an order of collateral relief of the consequences of the juvenile's adjudication pursuant to section 19-2.5-910, Colorado Revised Statutes.

(II) The report described in subsection (1)(a) of this section need not include the statement described in subsection (2)(b)(I) of this section if the juvenile:

(A) Has been adjudicated for a felony that included an element that requires a victim to suffer a serious bodily injury and the victim suffered a permanent impairment of the function of any part or organ of the body;

(B) Has been adjudicated for a crime of violence as described in section 18-1.3-406; or

(C) Is required to register as a sex offender pursuant to section 16-22-103.

(3) (a) The state court administrator may implement a behavioral or mental health disorder screening program to be used by the juvenile court. If the state court administrator chooses to implement a behavioral or mental health disorder screening program, the juvenile court shall use the standardized behavioral or mental health disorder screening developed pursuant to section 16-11.9-102 and conduct the screening in accordance with the procedures established pursuant to section 16-11.9-102. The findings and results of any standardized behavioral or mental health disorder screening conducted pursuant to this subsection (3) must be included in the written report to the court prepared and submitted pursuant to this section.

(b) Prior to implementation of a behavioral or mental health disorder screening program pursuant to this subsection (3), if implementation of the program would require an increase in appropriations, the state court administrator shall submit to the joint budget committee a request for funding in the amount necessary to implement the behavioral or mental health disorder screening program. If implementation of the behavioral or mental health disorder screening program would require an increase in appropriations, implementation of the program is conditional upon approval of the funding request.

(4) Prior to sentencing a juvenile who was adjudicated for an offense that would be a felony or misdemeanor not contained in title 42 if committed by an adult, the court may order the juvenile to participate in an assessment to determine whether the juvenile would be suitable for participation in restorative justice practices that would be a part of the juvenile's sentence; except that the court may not order participation in a restorative justice practice if the juvenile was adjudicated a delinquent for unlawful sexual behavior, as defined in section 16-22-102 (9); a crime in which the underlying factual basis involves domestic violence, as defined in section 18-6-800.3 (1); stalking, as defined in section 18-3-602; or violation of a protection order, as defined in section 18-6-803.5. If the court orders a suitability assessment, the assessor shall provide the services for a fee of no more than forty dollars based on a sliding scale consistent with guidelines used to determine eligibility for appointment of counsel. The court shall not include payment of this fee as part of any court order. If a juvenile wants to participate in restorative justice practices, the juvenile must make the request to the district attorney or the law enforcement agency administering the program and may not make the request to the victim. If requested by the juvenile or law enforcement agency, a victim-offender conference may only be conducted after the victim is consulted by the district attorney and offered an opportunity to participate or submit a victim impact statement. If a victim elects not to attend, a victim-offender conference may be held with a suitable victim surrogate or victim advocate, and the victim may submit a victim impact statement. If the juvenile participates in a restorative justice practices victim-offender conference, the facilitator shall provide these services for a fee of no more than one hundred twenty-five dollars based on a sliding scale consistent with guidelines used to determine eligibility for appointment of counsel. The court shall not include payment of this fee as part of any court order.

19-2.5-1102. Sentencing hearing. (1) (a) After making a finding of guilt, the court shall hear evidence on the question of the proper disposition best serving the interests of the juvenile and the public. Such evidence includes but is not necessarily limited to the social study and other reports as provided in section 19-1-107.

(b) In cases in which the juvenile is adjudicated a juvenile delinquent for an act that constitutes unlawful sexual behavior, as defined in section 16-22-102 (9), the court shall consider the juvenile's previous criminal and juvenile delinquency records, if any, set forth in the presentence investigation report prepared pursuant to section 19-2.5-1101 (1)(b) in determining the proper disposition for the juvenile and the public.

(2) **[Editor's note: This version of subsection (2) is effective until July 1, 2024.]** If the court has reason to believe that the juvenile may have an intellectual and developmental disability, the court shall refer the juvenile to the community-centered board in the designated service area where the action is pending for an eligibility determination pursuant to article 10.5 of title 27. If the court has reason to believe that the juvenile may have a behavioral or mental health disorder, the court shall order a mental health placement prescreening to be conducted in any appropriate place.

(2) **[Editor's note: This version of subsection (2) is effective July 1, 2024.]** If the court has reason to believe that the juvenile may have an intellectual and developmental disability, the court shall refer the juvenile to the case management agency, as defined in section 25.5-6-1702, in the defined service area where the action is pending for an eligibility determination pursuant to article 10.5 of title 27. If the court has reason to believe that the juvenile may have a behavioral or mental health disorder, the court shall order a mental health placement prescreening to be conducted in any appropriate place.

(3) If the court receives a mental health screening or mental health assessment pursuant to section 19-2.5-612 determining that the juvenile could benefit from mental health services, or the court already has sufficient information to determine that the juvenile could benefit from mental health services, the court may order mental health services as a part of the disposition.

(4) (a) The court may continue the sentencing hearing, either on its own motion or on the motion of any interested party, for a reasonable period to receive reports or other evidence; except that the court shall determine sentencing within forty-nine days after completion of the adjudicatory trial.

(b) If the hearing is continued, the court shall make an appropriate order for detention of the juvenile or for the juvenile's release in the custody of the juvenile's parents, guardian, or other responsible person or agency under such conditions of supervision as the court may impose during the continuance.

(c) In scheduling investigations and hearings, the court shall give priority to proceedings concerning a juvenile who is in detention or who has otherwise been removed from the home before an order of disposition has been made.

(5) In any case in which the sentence is placement out of the home, except for juveniles committed to the department of human services, the court shall, at the time of placement, set a review within ninety-one days to determine if continued placement is necessary and is in the best interest of the juvenile and of the community. The court shall give notice of the review to all parties and to the director of the facility or agency in which the juvenile is placed and any person who has physical custody of the juvenile and any attorney or guardian ad litem of record.

- (l) Participation in an evaluation to determine whether the juvenile would be suitable for restorative justice practices that would be a part of the juvenile's sentence; except that the court may not order participation in restorative justice practices if the juvenile was adjudicated a

delinquent for unlawful sexual behavior, as defined in section 16-22-102 (9); a crime in which the underlying factual basis involves domestic violence, as defined in section 18-6-800.3 (1); stalking, as defined in section 18-3-602; or violation of a protection order, as defined in section 18-6-803.5. If the court orders participation in restorative justice practices, the facilitator shall provide these services for a fee of no more than one hundred twenty-five dollars based on a sliding scale consistent with guidelines used to determine eligibility for appointment of counsel. The court shall not include payment of this fee as part of any court order. Nothing in this subsection (1)(l) requires a victim to participate in a restorative justice victim-offender conference.

(2) The judge shall sentence any juvenile adjudicated as a special offender pursuant to section 19-2.5-1126.

(3) Any sentence imposed on a juvenile pursuant to this section may include the juvenile's parent or guardian pursuant to section 19-2.5-1110.

(4) If, as a condition of or in connection with any sentence imposed pursuant to this section, the court requires a juvenile to attend school, the court shall notify the school district in which the juvenile is enrolled of such requirement.

(5) (a) Except as otherwise set forth in section 19-2.5-1127 for an aggravated juvenile offender, if the court finds that placement out of the home is necessary and is in the best interests of the juvenile and the community, the court shall place the juvenile, following the criteria established pursuant to section 19-2.5-1404, in the facility or setting that most appropriately meets the needs of the juvenile, the juvenile's family, and the community. In making its decision as to proper placement, the court shall utilize the evaluation for placement prepared pursuant to section 19-1-107 or the evaluation for placement required by section 19-1-115 (8)(e). Any placement recommendation in the evaluation prepared by the county department of human or social services must be accorded great weight as the placement that most appropriately meets the needs of the juvenile, the juvenile's family, and the community. A recommendation prepared by the county department of human or social services must set forth specific facts and reasons for the placement recommendation. If the evaluation for placement recommends placement in a facility located in Colorado that can provide appropriate treatment and that will accept the juvenile, then the court shall not place the juvenile in a facility outside this state. If the court places the juvenile in a facility located in Colorado other than one recommended by the evaluation for placement, in a facility located outside this state in accordance with the evaluation for placement, or in a facility in which the average monthly cost exceeds the amount established by the general assembly in the general appropriation bill, it shall make specific findings of fact, including the monthly cost of the facility in which the juvenile is placed, relating to its placement decision. A copy of the findings must be sent to the chief justice of the supreme court, who shall, notwithstanding section 24-1-136 (11)(a)(I), report monthly to the joint budget committee and annually to the house and senate committees on health and human services, or any successor committees, on such placements. If the court commits the juvenile to the state department of human services, it shall not make a specific placement, nor is this subsection (5) relating to specific findings of fact applicable.

(b) If the court sentences a juvenile to an out-of-home placement funded by the state department of human services or any county, or commits a juvenile to the state department of human services, and the receiving agency determines that the placement or commitment does not follow the criteria established pursuant to section 19-2.5-1404, including the placement

recommended by the receiving agency, the receiving agency may, after assessing the juvenile's needs, file a petition with the court for reconsideration of the placement or commitment. The petition must be filed not later than thirty-five days after the placement or commitment. The court shall hear the petition and enter an order thereon not later than thirty-five days after the filing of the petition, and after notice to all agencies or departments that might be affected by the resolution of the petition, and after all such agencies or departments have had an opportunity to participate in the hearing on the petition. Failure of any such agency or department to appear may be a basis for refusal to accept a subsequent petition by the agency or department that had an opportunity to appear and be present at the original petition hearing. The notification to the parties required pursuant to this subsection (5)(b) must be made by the petitioning party, and proof of the service must be filed with the court. If the court sentences a juvenile to an out-of-home placement funded by the county department of human or social services, temporary legal custody of the juvenile must be placed with the county department of human or social services, and the placement recommended by the county department must be accorded great weight as the placement that most appropriately meets the needs of the juvenile, the juvenile's family, and the community. Any deviation from the recommendation must be supported by specific findings on the record of the case detailing the specific extraordinary circumstances that constitute the reasons for deviations from the placement recommendation of the county department of human or social services.

(6) Repealed.

(7) The juvenile court in each judicial district may implement a behavioral or mental health disorder screening program to screen juveniles sentenced pursuant to this part 11. If the juvenile court chooses to implement a behavioral or mental health disorder screening program, the juvenile court shall use the standardized behavioral or mental health disorder screening developed pursuant to section 16-11.9-102 and conduct the screening in accordance with procedures established pursuant to section 16-11.9-102.

19-2.5-1104. Sentencing - restitution by juvenile. (1) If the court finds that a juvenile who receives a deferral of adjudication or who is adjudicated a juvenile delinquent has damaged a victim's personal or real property, that the victim's personal property has been lost, or that personal injury has been caused to a victim as a result of the juvenile's delinquent act, the court, in addition to any other sentence or commitment that it may impose on the juvenile pursuant to section 19-2.5-1103, shall enter a sentencing order requiring the juvenile to make restitution as required by article 18.5 of title 16 and part 6 of article 1.3 of title 18.

(2) Restitution must be ordered to be paid in a reasonable manner, as determined by the court and in accordance with article 18.5 of title 16 and part 6 of article 1.3 of title 18.

(3) Notwithstanding section 18-1.3-602 (4)(a)(III) or any other provision of law, a court shall not order a juvenile to pay restitution to an insurance company. A court may order a juvenile to pay restitution to a victim for the portion of a victim's pecuniary loss for which the victim cannot be compensated under a policy of insurance, self-insurance, an indemnity agreement, or a risk management fund.

(4) As used in this section, "victim" does not mean an insurance company, as defined in section 38-13-102 (13), for purposes of restitution in juvenile cases.

(III) The supervised work program assignment is made for a period of time consistent with the juvenile's best interest, but not exceeding one hundred eighty days.

(3) Participation by the juvenile, or by both the juvenile and the juvenile's parent or guardian, in a community service or work program may be ordered in addition to or in conjunction with an order to pay restitution pursuant to section 19-2.5-1104 or 19-2.5-1110.

(4) With the written consent of the victim of the juvenile's delinquent act, the juvenile, or both the juvenile and the custodial parent, the juvenile's parent who has parental responsibilities, or the juvenile's guardian may be ordered to perform work for the victim.

The cooperation of suitable nonprofit organizations and other entities may be sought to establish suitable work programs.

stalking, as defined in section 18-3-602; or violation of a protection order, as defined in section 18-6-803.5.

(b) ***[Editor's note: This version of subsection (2)(b) is effective until December 31, 2022.]*** The court shall use the results from a validated risk and needs assessment adopted by the juvenile justice reform committee pursuant to section 24-33.5-2402 to inform the court of additional conditions of probation, as necessary.

(b) ***[Editor's note: This version of subsection (2)(b) is effective December 31, 2022.]*** The court shall use the results from a validated risk and needs assessment adopted by the committee on juvenile justice reform pursuant to section 24-33.5-2402, as it existed prior to its repeal in 2022, to inform the court of additional conditions of probation, as necessary.

(3) (a) The court may periodically review the terms and conditions of probation and the progress of each juvenile placed on probation. Counsel for the juvenile does not have to be present at any probation review hearing unless notified by the court that a petition to revoke probation has been filed.

(b) The court may release a juvenile from probation prior to the completion of the juvenile's term of probation, pursuant to this section, or modify the terms and conditions of the juvenile's probation at any time, but a juvenile who has complied satisfactorily with the terms and conditions of the juvenile's probation for a period of two years must be released from probation and the jurisdiction of the court terminated.

(4) Before January 1, 2021, the state court administrator shall establish rules to develop a statewide system of structured community-based graduated responses, including incentives and sanctions, to guide probation officers in determining how best to motivate positive juvenile behavior change and the appropriate response to a violation of terms and conditions of juvenile probation. "Graduated responses" means an accountability-based series of sanctions and services designed to respond to a juvenile's violation of probation quickly, consistently, and proportionally and incentives to motivate positive behavior change and successful completion of probation and treatment goals. Juvenile probation shall adopt and use a state juvenile graduated responses and incentives system developed pursuant to this subsection (4) or develop and use a locally developed system that is aligned to best practices. Policies and procedures for the graduated responses system must:

(a) Include incentives that encourage the completion of treatment milestones as well as compliance with the terms and conditions of a juvenile's probation and that reward behavior aligned with the expectations of supervision and the juvenile's case plan; and

(b) Require that a response to a juvenile's violation of the terms and conditions of the juvenile's supervision take into consideration:

(I) The juvenile's risk to reoffend, as determined by the results of a validated risk and needs assessment;

(II) The previous history of violations and the underlying cause of the juvenile's behavior leading to the violation;

(III) The severity of the current violation;

(IV) The juvenile's case plan; and

(V) The juvenile's previous responses to past violations.

(5) Whenever a probation office has reasonable cause to believe that a juvenile has committed a violation of the terms and conditions of probation and that graduated responses developed pursuant to subsection (4) of this section have previously been applied, or when the

nature of the violation poses a substantial risk of serious harm to others, the probation officer, following the approval of the chief probation officer or the chief's designee, shall petition the court for revocation and shall file written information with the court concerning the juvenile's violation behavior history and the responses applied using the graduated response system developed pursuant to subsection (4) of this section.

(6) Unless there is reason to believe that a juvenile would not appear, would interfere with the juvenile justice process, or poses substantial risk of serious harm to others, the probation officer shall issue a summons, or other method approved by local court rule, rather than a warrant when filing a petition for revocation.

(7) The state court administrator shall collect data related to the use of the graduated responses and incentives system developed pursuant to subsection (4) of this section and report the data annually to the judiciary committees of the senate and house of representatives, the health and human services committee of the senate, and the public health care and human services committee of the house of representatives, or any successor committees, and the chief justice of the Colorado supreme court. Notwithstanding section 24-1-136 (11)(a)(I), the reports to the committees continue indefinitely. Data collected by the state court administrator must include, at a minimum, the types of responses and incentives that were issued, the number of formal violations filed, and the behavior resulting in the violation.

(8) (a) When it is alleged that a juvenile has violated the terms and conditions of probation, and graduated responses have been imposed and exhausted, pursuant to subsection (5) of this section, the court shall set a hearing on the alleged violation and shall give notice to the juvenile and the juvenile's parents, guardian, or other legal custodian and any other parties to the proceeding as provided in section 19-2.5-501.

(b) The juvenile and the juvenile's parents, guardian, or other legal custodian must be given a written statement concerning the alleged violation, and have the right to be represented by counsel at the hearing, and are entitled to the issuance of compulsory process for the attendance of witnesses.

(c) When the juvenile has been taken into custody because of the alleged violation, sections 19-2.5-303, 19-2.5-304, and 19-2.5-305 apply.

(d) (I) The hearing on the alleged violation must be conducted pursuant to section 19-1-106.

(II) Pursuant to section 19-2.5-1103, if the court finds that the juvenile violated the terms and conditions of probation, it may modify the terms and conditions of probation, revoke probation, or take such other action permitted by this article 2.5 that is in the best interest of the juvenile and the public.

(III) If the court finds that the juvenile did not violate the terms and conditions of probation as alleged, it shall dismiss the proceedings and continue the juvenile on probation under the terms and conditions previously prescribed.

(e) If the court revokes the probation of a person eighteen years of age or older, in addition to other action permitted by this article 2.5, the court may sentence the person to the county jail for a period not to exceed one hundred eighty days, during which time the person may be released during the day for school attendance, job training, or employment, as ordered by the court; except that, if the sentence imposed exceeds ninety days, the court shall order the person released for school attendance, job training, or employment while serving the sentence.

(9) Following specification of the terms and conditions of probation, where the conditions of probation include requiring the juvenile to attend school, the court shall notify the school district in which the juvenile is enrolled of the requirement.

(B) Specify the level of supervision and intensity of services that the juvenile must receive;

(C) Provide referrals to treatment providers that may address the juvenile's risks and needs;

(E) Specify the responsibilities of each person or agency involved with the juvenile; and

(F) Provide for the full reentry of the juvenile into the community.

(d) (I) Criteria and policies for the early termination of the juvenile's supervised probation.

(II) Juvenile probation and the juvenile court shall consider the following factors, among others, in determining the early termination of supervision:

(A) The seriousness of the offense committed by the juvenile resulting in placement under the supervision of a probation officer;

(B) The results of a validated risk and needs assessment, which must be conducted at least every six months to determine whether the juvenile's risk of reoffending or risk scores in key domains have been reduced;

(C) The juvenile's progress in meeting the goals of the juvenile's individualized case plan; and

(D) The juvenile's offense history, if any, during the juvenile's probation term.

19-2.5-1110. Sentencing - requirements imposed on parents - definition. (1) In addition to any requirements specified in sections 19-2.5-1103 to 19-2.5-1106, 19-2.5-1111 to 19-2.5-1115, 19-2.5-1117, 19-2.5-1118, 19-2.5-1123, and 19-2.5-1126, any sentence imposed pursuant to section 19-2.5-1103 may require:

(a) The juvenile or both the juvenile and the juvenile's parent or guardian to perform volunteer service in the community designed to contribute to the juvenile's rehabilitation or to the ability of the parent or guardian to provide proper parental care and supervision of the juvenile;

(b) The juvenile's parent or guardian or both the parent or guardian and the juvenile to attend the parental responsibility training program described in section 19-2.5-1411. The court may make reasonable orders requiring proof of completion of the training course within a certain time period and may provide that any violation of such orders subjects the parent or guardian to the contempt sanctions of the court.

(c) The juvenile or both the juvenile and the juvenile's custodial parent or parent with parental responsibilities or guardian to perform services for the victim pursuant to section 19-2.5-1106, designed to contribute to the juvenile's rehabilitation, if the victim consents in writing to such services. However, the value of the services required to be rendered by the parent, guardian, legal custodian of, or parent with parental responsibilities with respect to the juvenile pursuant to this subsection (1)(c) must not exceed twenty-five thousand dollars for any one delinquent act.

(2) In addition to any sentence imposed pursuant to section 19-2.5-1103 or subsection (1) of this section and regardless of whether the court orders the juvenile to pay restitution pursuant to section 19-2.5-1104, the court may order:

(a) The juvenile's guardian or legal custodian or the parent allocated parental responsibilities with respect to the juvenile to make restitution to one or more victims pursuant to the terms and conditions set forth in this subsection (2); except that the liability of the juvenile's guardian or legal custodian or parent allocated parental responsibilities with respect to the juvenile pursuant to this subsection (2) must not exceed twenty-five thousand dollars for any one delinquent act. If the court finds, after a hearing, that the juvenile's guardian or legal custodian or the parent allocated parental responsibilities with respect to the juvenile has made diligent, good-faith efforts to prevent or discourage the juvenile from engaging in delinquent activity, the court shall absolve the guardian or legal custodian or parent allocated parental responsibilities with respect to the juvenile of liability for restitution pursuant to this subsection (2).

(b) The juvenile's parent, so long as the parent is a party to the delinquency proceedings, to make restitution to one or more victims pursuant to the terms and conditions set forth in this subsection (2)(b); except that the liability of the juvenile's parent pursuant to this subsection (2)(b) must not exceed the amount of twenty-five thousand dollars for any one delinquent act. Notwithstanding the requirements of this subsection (2), the court may not enter an order of restitution against a juvenile's parent unless the court, prior to entering the order of restitution, holds a restitution hearing at which the juvenile's parent is present. If the court finds, after the hearing, that the juvenile's parent has made diligent, good-faith efforts to prevent or discourage the juvenile from engaging in delinquent activity, the court shall absolve the parent of liability for restitution pursuant to this subsection (2)(b). For purposes of this subsection (2)(b), "parent" is defined in section 19-1-103.

(3) An order of restitution entered pursuant to this section may be collected pursuant to article 18.5 of title 16.

19-2.5-1111. Sentencing - community accountability program. Except as otherwise required by section 19-2.5-1127, the court may sentence the juvenile to participate in the community accountability program as set forth in section 19-2.5-1410. Such a sentence is a condition of probation for higher-risk juveniles who would have otherwise been sentenced to detention or out-of-home placement or committed to the department of human services. A sentence pursuant to this section is conditioned on the availability of space in the community accountability program and on a determination by the division of youth services that the juvenile's participation in the program is appropriate. In the event that the division of youth services determines the program is at maximum capacity or that a juvenile's participation is not appropriate, the juvenile must be ordered to return to the sentencing court for another sentencing hearing.

19-2.5-1112. Sentencing - placement with relative. Except as otherwise required by section 19-2.5-1127 for an aggravated juvenile offender, the court may place the juvenile in the legal custody of a relative or other suitable person under such conditions as the court may impose, which may include placing the juvenile on probation pursuant to section 19-2.5-1106 or under protective supervision.

19-2.5-1113. Sentencing - alternative services - detention. Except as otherwise required by section 19-2.5-1127 for an aggravated juvenile offender and except as required by section 19-2.5-1123, the court may sentence the juvenile to alternative services funded through section 19-2.5-1404 or other alternative services programs. If a juvenile who is thirteen years of age or older fails to make satisfactory progress in the alternative services to which the juvenile is sentenced or if the court finds that a sentence to alternative services would be contrary to the community interest, the court may sentence a juvenile adjudicated for an offense that would constitute a class 3, class 4, class 5, or class 6 felony or a misdemeanor weapons charge if committed by an adult to detention for a period not to exceed forty-five days. Release for

purposes of work, therapy, education, or other good cause may be granted by the court. The court may not sentence to detention a juvenile adjudicated for an offense that would constitute a class 1 or class 2 felony if committed by an adult.

19-2.5-1114. Sentencing - placement based on special needs of the juvenile. (1) Except as otherwise required by section 19-2.5-1127 for an aggravated juvenile offender, the court may order that the juvenile be examined or treated by a physician, surgeon, psychiatrist, or psychologist or that the juvenile receive other special care and may place the juvenile in a hospital or other suitable facility for such purposes; except that a juvenile may not be placed in a mental health facility operated by the department of human services until the juvenile has received a mental health placement prescreening resulting in a recommendation that the juvenile be placed in a facility for an evaluation pursuant to section 27-65-106, or a hearing has been held by the court after notice to all parties, including the department of human services. An order for an emergency mental health hold must not be entered unless a hearing is held and evidence indicates that the prescreening report is inadequate, incomplete, or incorrect and that competent professional evidence is presented by a mental health professional that indicates that the juvenile has a behavioral or mental health disorder. The court shall make, prior to the hearing, orders regarding temporary custody of the juvenile as are deemed appropriate.

(2) Placement in any mental health facility operated by the department of human services must continue for such time as ordered by the court or until the professional person in charge of the juvenile's treatment concludes that the treatment or placement is no longer appropriate. If placement or treatment is no longer deemed appropriate, the court must be notified and a hearing held for further disposition of the juvenile within five days excluding Saturdays, Sundays, and legal holidays. The court shall make, prior to the hearing, orders regarding temporary custody of the juvenile as are deemed appropriate.

Except as otherwise required by section 19-2.5-1127 for an aggravated juvenile offender, the court, following the criteria for out-of-home placement established pursuant to section 19-2.5-1404, may place legal custody of the juvenile in the county department of human or social services.

19-2.5-1116. Orders - community placement - reasonable efforts required - reviews.

(1) If the court orders legal custody of a juvenile to a county department of human or social services pursuant to this article 2.5, the order must contain specific findings as follows:

(a) Whether placement of the juvenile out of the home would be in the juvenile's and the community's best interests;

(b) Whether reasonable efforts have been made to prevent or eliminate the need for removal of the juvenile from the home, whether it is reasonable that such efforts are not made because an emergency situation exists that requires the immediate removal of the juvenile from the home, or whether such efforts are not required because of circumstances described in section 19-1-115 (7); and

(c) Whether reasonable efforts have been made to identify kin or a suitable adult with whom to place the juvenile.

(2) For all hearings and reviews concerning the juvenile, the court shall ensure that notice is provided to the juvenile and to the following persons with whom the juvenile is placed:

(b) Pre-adoptive parents;

(c) Relatives; or

(d) Kin, as defined in section 19-1-103.

(3) (a) Every six months after the sentencing hearing held pursuant to section 19-2.5-1102, the court shall hold a hearing to review an order of community placement or, if there is no objection by a party to the action, the court may require the department of human services to conduct an administrative review. The entity scheduling the review shall provide notice of the review to the juvenile; the juvenile's parents or guardian; any service providers working with the juvenile; the juvenile's guardian ad litem, if one has been appointed; and all attorneys of record to allow appearances of any of said persons at the review. At the review conducted pursuant to this subsection (3), the reviewing entity shall determine whether:

(I) Continued community placement is in the best interests of the juvenile and the community;

(II) The juvenile's safety is protected in the community placement;

(III) Reasonable efforts have been made to return the juvenile to the home or the juvenile should be permanently removed from the home;

(IV) Continued community placement is necessary and appropriate;

(V) There has been compliance with the juvenile's case plan;

(VI) Progress has been made toward alleviating or mitigating the causes that necessitated the community placement; and

(VII) There is a date projected by which the juvenile will be returned and safely maintained in the home, placed for legal guardianship, or placed in a planned permanent living arrangement.

(b) If the juvenile resides in an out-of-state placement, the entity conducting the review shall make a determination that the out-of-state placement continues to be appropriate and in the best interests of the juvenile.

(4) (a) If the juvenile is in the legal custody of a county department of human or social services and is placed in a community placement for a period of twelve months or longer, the

district court, another court of competent jurisdiction, or an administrative body appointed or approved by the court that is not under the county department's supervision shall conduct a permanency hearing within said twelve months and every twelve months thereafter for as long as the juvenile remains in community placement. At the permanency hearing, the entity conducting the hearing shall determine whether:

(II) The juvenile's safety is protected in the community placement;

(III) Reasonable efforts have been made to finalize the juvenile's permanency plan that is in effect at that time;

(IV) Continued community placement is necessary and appropriate;

(V) There has been compliance with the juvenile's case plan;

(VI) Progress has been made toward alleviating or mitigating the causes that necessitated the community placement;

(VII) There is a date projected by which the juvenile will be returned and safely maintained in the home, placed for legal guardianship, or placed in a planned permanent living arrangement; and

(VIII) Procedural safeguards to preserve parental rights have been applied in connection with the removal of the juvenile from the home, any change in the juvenile's community placement, or any determination affecting parental visitation.

(b) If the juvenile resides in an out-of-state placement, the entity conducting the review shall make a determination that the out-of-state placement continues to be appropriate and in the best interests of the juvenile.

(c) The entity conducting the permanency hearing shall consult with the juvenile, in an age-appropriate manner, concerning the juvenile's permanency plan.

19-2.5-1117. Sentencing - commitment to the department of human services - definitions. (1) (a) Except as otherwise required in subsection (6) of this section and section 19-2.5-1127 for an aggravated juvenile offender, the court may commit a juvenile to the department of human services for a determinate period of up to two years if the juvenile is adjudicated for an offense that would constitute a felony or a misdemeanor if committed by an adult; except that, if the juvenile is younger than twelve years of age and is not adjudicated an aggravated juvenile offender, the court may commit the juvenile to the department of human services only if the juvenile is adjudicated for an offense that would constitute a class 1, class 2, or class 3 felony if committed by an adult.

(b) Any commitment to the department of human services pursuant to section 19-2.5-1127 or subsection (1)(a) of this section must be followed by a mandatory period of parole of six months, unless the period of parole is extended by the juvenile parole board pursuant to section 19-2.5-1203 (5).

(c) For purposes of this section:

(I) "Determinate period" is defined in section 19-2.5-102.

(II) "Period of parole" means the period between the parole period start date and the parole period end date as determined by the juvenile parole board. The period of parole applies to both mandatory six-month parole and extended parole pursuant to section 19-2.5-1203 (5). The period of parole continues unless the juvenile is deemed to be on escape status, parole has been suspended pursuant to section 19-2.5-1203, or the juvenile returns to commitment status pursuant to section 19-2.5-1206. In such circumstances, the period of parole stops until the juvenile has returned to parole status.

(2) A juvenile committed to the department of human services may be placed in the Lookout Mountain school, the Mount View school, or any other training school or facility, or any other disposition may be made that the department may determine as provided by law.

(3) (a) When a juvenile is committed to the department of human services, the court shall transmit, with the commitment order, a copy of the petition, the order of adjudication, copies of the social study, any clinical or educational reports, and other information pertinent to the juvenile's care and treatment.

(b) The department of human services shall provide the court with any information concerning a juvenile committed to its care that the court at any time may require.

(4) (a) When a court commits a juvenile to the state department of human services pursuant to this article 2.5, the court shall make the following specific determinations:

(I) Whether placement of the juvenile outside the home would be in the juvenile's and community's best interest; and

(II) Whether reasonable efforts have been made to prevent or eliminate the need for removal of the juvenile from the home; whether it is reasonable that such efforts are not made because an emergency situation exists that requires the immediate removal of the juvenile from the home; or whether such efforts are not required because of circumstances described in section 19-1-115 (7).

(III) How to assist in the evaluation of the impact of Colorado's implementation of the federal "Family First Prevention Services Act" on the state's juvenile justice system and make a finding of whether the lack of available and appropriate congregate care placements is a contributing factor in committing a juvenile to the division of youth services.

(b) If a juvenile is making a transition from the legal custody of a county department of human or social services to commitment with the state department of human services, the court shall conduct a permanency hearing in combination with the sentencing hearing. The court shall consider multidisciplinary recommendations for sentencing and permanency planning. In conducting such a permanency hearing, the court shall make determinations pursuant to section 19-2.5-1116 (4)(a).

(5) (a) The department of human services shall designate receiving centers for juveniles committed to the department.

(b) If the department of human services makes a change in the designation of a receiving center, it shall notify the juvenile courts at least thirty-five days prior to the date that the change takes effect.

(6) (a) Pursuant to section 19-2.5-1103, commitment of a juvenile to the department of human services must be for a determinate period.

(b) (I) The juvenile court may commit any juvenile adjudicated as an aggravated juvenile offender pursuant to section 19-2.5-1127 for an offense other than an offense that would

constitute a class 1 or class 2 felony if committed by an adult to the department of human services for a determinate period of up to five years.

(II) The juvenile court shall commit any juvenile adjudicated as an aggravated juvenile offender pursuant to section 19-2.5-1127 for an offense that would constitute a class 2 felony if committed by an adult to the department of human services for a determinate period of at least three but not more than five years.

(III) The juvenile court shall commit any juvenile adjudicated as an aggravated juvenile offender pursuant to section 19-2.5-1127 for an offense that would constitute a class 1 felony if committed by an adult to the department of human services for a determinate period of at least three but not more than seven years.

19-2.5-1127. Aggravated juvenile offender - definition. (1) (a) (I) Upon adjudication as an aggravated juvenile offender:

(A) For an offense other than an offense that would constitute a class 1 or 2 felony if committed by an adult, the court may commit the juvenile to the department of human services for a determinate period of up to five years;

(B) For an offense that would constitute a class 2 felony if committed by an adult, the court shall commit the juvenile to the department of human services for a determinate period of at least three but not more than five years;

(C) For an offense that would constitute a class 1 felony if committed by an adult, the court shall commit the juvenile to the department of human services for a determinate period of at least three but not more than seven years; and

(D) When the petition alleges the offense of murder in the first degree or murder in the second degree, or sexual assault pursuant to section 18-3-402 (3.5) or (4) and the juvenile is adjudicated a delinquent for either murder in the first degree or murder in the second degree, then the court may sentence the juvenile consecutively or concurrently for any crime of violence as described in section 18-1.3-406 or for a delinquent act contained in the petition for which the juvenile is an aggravated juvenile offender.

(II) An aggravated juvenile offender thus committed to the department of human services must not be transferred to a nonsecure or community setting for a period of more than forty-eight hours, excluding Saturdays, Sundays, and court holidays, nor released before the expiration of the determinate term imposed by the court without prior order of the court.

(b) (I) Upon court order, the department of human services may transfer a juvenile committed to its custody pursuant to subsection (1)(a) of this section to the department of corrections if the juvenile has reached eighteen years of age and the department of human services has certified that the juvenile is no longer benefitting from its programs.

(II) The department of human services shall initiate such transfer by filing a request for transfer with the court of commitment that must state the basis for the request. Upon receipt of such a request, the court shall notify the interested parties and set the matter for a hearing.

(III) The court shall authorize the transfer only upon a finding by a preponderance of the evidence that the juvenile is no longer benefitting from the programs of the department of human services.

(IV) Upon entering an order of transfer to the department of corrections, pursuant to this subsection (1)(b), the court shall amend the mittimus and transfer all further jurisdiction over the

juvenile to the department of corrections. Thereafter the juvenile is governed by the provisions for adult felony offenders in titles 16 and 17 as if the juvenile had been sentenced as an adult felony offender for the unserved portion of sentence that remains upon transfer to the department of corrections.

(2) (a) After a juvenile who is sentenced pursuant to subsection (1)(a)(I)(B) or (1)(a)(I)(C) of this section has been in the custody of the department of human services for three years or more, the department may petition the court for an order authorizing the department to place the juvenile on juvenile parole upon approval by the juvenile parole board pursuant to section 19-2.5-1203. After a juvenile who is sentenced pursuant to subsection (1)(a)(I)(A) of this section has served the minimum mandatory period of the commitment or three years, whichever is sooner, the department of human services may petition the court for an order authorizing the department to place the juvenile on juvenile parole upon approval by the juvenile parole board pursuant to section 19-2.5-1203. (b) Parole supervision of a juvenile who has been transferred to the department of corrections is governed by the provisions for adult felony offenders in titles 16, 17, and 18 as if the juvenile had been sentenced as an adult felony offender; except that, if the juvenile was adjudicated and sentenced for a class 1 felony, then the juvenile must serve a ten-year period of mandatory parole after completion of the juvenile's sentence.

(3) Upon filing a petition with the committing court for transfer of the juvenile to a nonsecure or community setting, or for early release from the custody of the department of corrections or human services, the court shall notify the interested parties and set the matter for a hearing. The court shall order such transfer or release only upon a finding by a preponderance of the evidence that the safety of the community will not be jeopardized by the transfer or release; except that early release of the juvenile from the department of corrections is governed by the provisions for adult felony offenders in titles 16 and 17 as if the juvenile had been sentenced as an adult felony offender.

(4) (a) (I) When a juvenile in the custody of the department of human services pursuant to this section reaches the age of twenty years and six months, the department of human services shall file a motion with the court of commitment regarding further jurisdiction of the juvenile. Upon the filing of such a motion, the court shall notify the interested parties, appoint counsel for the juvenile, and set the matter for a hearing. The court shall, as part of this hearing, reconsider the length of the remaining sentence and consider the factors as set forth in subsection (4)(c) of this section.

(II) When the court notifies the interested parties, the court shall order that the juvenile submit to and cooperate with a psychological evaluation and risk assessment by a mental health professional to determine whether the juvenile is a danger either to himself or herself or to others. The mental health professional shall prepare a written report and provide a copy of the report to the court that ordered it, the prosecuting attorney, and counsel for the juvenile at least fourteen days before the hearing.

(b) At the hearing upon the motion, the court may either transfer the custody of and jurisdiction over the juvenile to the department of corrections for placement in a correctional facility, the youthful offender system, or a community corrections program; authorize early release of the juvenile pursuant to subsection (3) of this section; place the juvenile on adult parole for a period of five years; or order that custody and jurisdiction over the juvenile must remain with the department of human services; except that the custody of and jurisdiction over the juvenile by the department of human services terminates when the juvenile reaches twenty-one years of age.

(c) In considering whether to transfer the custody of and jurisdiction over the juvenile to the department of corrections, the court shall consider all relevant factors including, but not limited to, the court-ordered psychological evaluation and risk assessment; the nature of the crimes committed; the offender's prior criminal history; the offender's maturity; the offender's behavior in custody; the offender's progress and participation in classes, programs, and educational improvement; the impact of the crimes on the victims; the likelihood of rehabilitation; the placement where the offender is most likely to succeed in reintegrating in the community; and the interest of the community in the imposition of punishment commensurate with the gravity of the offense.

(5) At any postadjudication hearing held pursuant to this section, the state is represented by the district attorney and the attorney general; except that the attorney general may be excused from participation in the hearing with the permission of the district attorney and of the court. PART 12

JUVENILE PAROLE

19-2.5-1201. Juvenile parole board - creation - membership - authority - rules. (1) There is created a juvenile parole board, referred to in this part 12 as the "board". The board consists of nine members appointed by the governor and confirmed by the senate. Members are appointed for terms of three years; except that the terms shall be staggered so that one-third of the membership of the board becomes vacant each year. There are no term limits for the members of the board. Any vacancy that occurs when the general assembly is not in session may be filled by the governor, and such member serves temporarily until confirmed at the next

regular session of the general assembly. The board is a **type 1** entity, as defined in section 24-1-105.

(2) All nine members are voting members. All members must be residents of the state of Colorado. Of the nine members:

- (a) One member is from the department of human services;
- (b) One member is from the department of education;
- (c) One member is from the department of public safety;
- (d) One member is from the department of labor and employment; and
- (e) Five members are from the public at large and must not be employees of the state government. At least one of the members from the public at large must be a resident of the area west of the continental divide.

(3) All members serve at the pleasure of the governor, and the governor shall designate one member of the board to act as chairperson.

(4) The full board meets not less than once a month, and the presence of five members, at least two of whom are members described in subsection (2)(e) of this section, constitutes a quorum to transact official business of the full board.

(5) All members of the board are reimbursed for expenses necessarily incurred in the performance of their duties. In addition to the reimbursement of expenses, the five at-large board members shall receive a per diem of one hundred fifty dollars per full day and seventy-five dollars per half day spent transacting official business of the board.

(6) The department of human services shall furnish clerical and other assistance for the board. A juvenile parole board administrator appointed by the executive director of the department of human services shall supervise such clerical and other assistance provided pursuant to this subsection (6).

(7) The board may grant, deny, defer, suspend, revoke, or specify or modify the conditions of any parole for any juvenile committed to the department of human services pursuant to section 19-2.5-1103 or 19-2.5-1127 in a manner that is in the best interests of the juvenile and the public. In addition to any other conditions, the board may require, as a condition of parole, any adjudicated juvenile to attend school or an educational program or to work toward the attainment of a high school diploma or the successful completion of a high school equivalency examination, as that term is defined in section 22-33-102 (8.5); except that the board shall not require any such juvenile to attend a school from which the juvenile has been expelled without the prior approval of that school's local board of education. The board shall promulgate rules that establish criteria under which its parole decisions are made. The board has the duties and responsibilities specified in this part 12.

19-2.5-1202. Juvenile parole - organization. (1) Juvenile parole services are administered by the division of youth services in the department of human services, under the direction of the director of the division of youth services, appointed pursuant to section 19-2.5-1501.

(2) The director of the division shall appoint juvenile parole officers and other personnel of the division of youth services pursuant to section 13 of article XII of the state constitution and with the consent of the department of human services. Juvenile parole officers have the powers and duties specified in section 19-2.5-1204 and the powers of peace officers, as described in sections 16-2.5-101 and 16-2.5-138.

(3) The division of youth services may divide juvenile parole supervision into regions throughout the state. Within each region there may be more than one office location for parole officers.

19-2.5-1203. Juvenile parole - hearing panels - definition. (1) **Juvenile parole board - hearing panels authority.** The juvenile parole board, established pursuant to section 19-2.5-1201, may grant, deny, defer, suspend, revoke, or specify or modify the conditions of any parole for any juvenile committed to the department of human services pursuant to sections 19-2.5-1103 and 19-2.5-1127. In addition to any other conditions, the board may require, as a condition of parole, any adjudicated juvenile to attend school or an educational program or to work toward the attainment of a high school diploma or the successful completion of a high school equivalency examination, as that term is defined in section 22-33-102 (8.5); except that the board shall not require any juvenile to attend a school from which the juvenile has been expelled without the prior approval of that school's local board of education. The board may modify any of its decisions, or those of the hearing panel, except an order of discharge.

(2) (a) The board or a hearing panel has subpoena power and the power to administer oaths to secure attendance and testimony at hearings before the board. All relevant records pertaining to the juvenile must be made available to the board.

(b) (I) The board or hearing panel shall take into consideration the results of the validated risk and needs assessment administered by the department of human services.

(II) In making release and discharge decisions, the board or hearing panel shall use the length of stay matrix and release criteria developed pursuant to section 19-2.5-1117 (7).

(3) (a) Hearing panels consisting of two members of the board shall interview and review the record of each juvenile who comes before the board for the granting of parole. Whenever possible, one of the hearing panel members must be a representative of an executive department, and the other must be a member from the public at large. A hearing panel may grant,

deny, defer, suspend, revoke, or specify or modify the conditions of any parole of a juvenile that are in the best interests of the juvenile and the public; except that:

(I) If the members of a hearing panel disagree, a review of that case must be referred to the board for review and a decision made by a majority vote of the board members present. At least a quorum of the board, as defined in section 19-2.5-1201 (4), must be present to make a decision pursuant to this subsection (3)(a)(I).

(II) The hearing panel does not have authority to grant parole to juveniles committed as violent juvenile offenders as described in section 19-2.5-1125 (3) or aggravated juvenile offenders as described in section 19-2.5-1125 (4). In such cases, the board shall conduct a hearing and make a decision by a majority vote of the board members present at the hearing. However, if expiration of the juvenile's commitment is imminent, as defined by the board, the hearing panel shall hold a hearing and make a recommendation to the board. The board shall review the case and make a decision by a majority vote of the board members present.

(III) If a written request is made by the juvenile, the juvenile's parents or guardian, or the executive director of the department of human services or the executive director's designee, the board may review the case of any juvenile who has been interviewed by a hearing panel. If such a review is made, the board has the authority to affirm or reverse the decision of the hearing panel or to impose such additional conditions for parole as the board deems appropriate.

(b) If a juvenile, while under a juvenile commitment, is in jail pending adult charges, the board may conduct a parole hearing without the juvenile's presence.

(c) When the board conducts a hearing pursuant to subsection (3)(a) or (3)(b) of this section, a quorum, as defined in section 19-2.5-1201 (4), must be present.

(d) In addition to any other conditions, the hearing panel may require, as a condition of parole, any adjudicated juvenile to attend school or an educational program or to work toward the attainment of a high school diploma or the successful completion of a high school equivalency examination, as that term is defined in section 22-33-102 (8.5); except that the hearing panel shall not require any such juvenile to attend a school from which the juvenile has been expelled without the prior approval of that school's local board of education.

(4) The juvenile parole board administrator appointed pursuant to section 19-2.5-1201 (6) shall assist the hearing panel in its duties. The administrator shall also arrange training for the members of the board in all aspects of the juvenile justice system. It is mandatory for members of the board to attend such training.

(5) (a) If the hearing panel or the board determines that parole should be granted, the hearing panel shall establish six months as the length of the parole supervision. However, for a juvenile committed to the department of human services due to an adjudication for an offense specified in subsection (5)(b) of this section, the hearing panel may extend the period of parole supervision up to an additional fifteen months if the hearing panel makes findings of special circumstances that warrant an extended period of parole services for the juvenile.

(b) Subsection (5)(a) of this section allowing for extension of the period of parole applies to juveniles committed to the department of human services due to an adjudication for one or more of the following offenses:

(I) Any offense specified in article 3 of title 18 or in part 3 of article 4 of title 18 that would constitute a felony if committed by an adult;

(II) Incest, as described in section 18-6-301;

(III) Aggravated incest, as described in section 18-6-302;

(IV) Child abuse, as described in section 18-6-401, that would constitute a felony if committed by an adult;

(V) Fourth degree arson, as described in section 18-4-105, that would constitute a felony if committed by an adult;

(VI) Assault during escape, as described in section 18-8-206, that would constitute a felony if committed by an adult;

(VII) Felony illegal possession of a handgun by a juvenile, as described in section 18-12-108.5, that would constitute a felony if committed by an adult;

(VIII) Misdemeanor illegal possession of a handgun by a juvenile, as described in section 18-12-108.5, that would constitute a misdemeanor if committed by an adult, if the juvenile is contemporaneously committed to the department of human services for an offense that would constitute a felony if committed by an adult; or

(IX) Attempt, conspiracy, or solicitation to commit any of the offenses specified in this subsection (5)(b), which attempt, conspiracy, or solicitation would constitute a felony if committed by an adult.

(c) Upon completion of the period of parole supervision as established by the board, the juvenile is deemed to have discharged the juvenile's sentence to commitment in the same manner as if the sentence were discharged pursuant to law.

(d) (I) If the juvenile court commits a juvenile to the department of human services for concurrent sentences based on the commission of two or more offenses or consecutive sentences based on commission of two or more offenses, the juvenile is subject to one six-month mandatory period of parole, unless the period of parole is extended pursuant to subsection (5)(a) of this section.

(II) As used in this subsection (5)(d), "concurrent sentence" means sentences identified by the court as concurrent and any sentences, or portions thereof, that are served simultaneously and that are the basis of the juvenile's treatment services during the juvenile's commitment.

(e) (I) If a juvenile's parole is revoked pursuant to section 19-2.5-1206, the juvenile shall serve all or a portion of the remainder of the sentence to commitment, and the period of reparole or extended period of reparole imposed pursuant to subsection (5)(a) of this section must be reduced by any time served on parole prior to the revocation. This subsection (5)(e) does not limit the board's authority to grant, deny, defer, suspend, revoke, or modify a juvenile's parole within the period of parole.

(II) If a juvenile's parole is revoked or modified pursuant to section 19-2.5-1206, and the juvenile has completed the period of commitment imposed by the court, the period of parole, or extended period of parole imposed pursuant to subsection (5)(a) of this section must continue pursuant to section 19-2.5-1117 (1)(c)(II). The period of parole continues regardless of whether the revocation or modification authorizes the department of human services to place the juvenile in a residential placement while on parole status. This does not limit the board's authority to grant, deny, defer, suspend, revoke, or modify a juvenile's parole within the period of parole.

(6) If the hearing panel or the board determines that parole should be granted, the hearing panel or board shall order the parolee to pay any unpaid restitution that has previously been ordered as a condition of parole.

(7) **Notice.** (a) The board, prior to consideration of the case of a juvenile for parole, shall notify the committing court, any affected juvenile community review board, the prosecuting attorney, and any victims of the juvenile's actions whose names and addresses have

been provided by the district attorney of the time and place of the juvenile's hearing before the board or a hearing panel of the board. The notice must be given in order that the persons notified have an opportunity to present written testimony to the hearing panel or the board. The board, in its sole discretion, may allow oral testimony at any hearing and has sole discretion regarding who may attend a juvenile parole hearing.

(b) (I) (A) Prior to consideration of the case of a juvenile for parole, the board shall provide notice of the time and place of the juvenile's hearing before the board or a hearing panel of the board to a victim who has provided to the division of youth services or the board a written statement pursuant to sections 24-4.1-302.5 and 24-4.1-303. The notice and subsequent interactions with the victim must be consistent with article 4.1 of title 24.

(B) The board shall notify the victim of changes in the juvenile's parole pursuant to section 24-4.1-303 (14.3).

(II) For a juvenile who is currently serving parole that implicates article 4.1 of title 24, the division of youth services shall notify the board of any discharge as a matter of law and any placement change that may impact public safety or victim safety as determined by the division of youth services, including any escape or recapture.

(8) **Representation of juvenile - parent.** The juvenile and the juvenile's parents or guardian must be informed that they may be represented by counsel in any hearing before the board or a hearing panel to grant, modify, or revoke parole.

(9) **Parole discharge.** (a) The board may discharge a juvenile from parole after the juvenile has served the mandatory parole period of six months but prior to the expiration of the period of parole supervision when it appears to the board that there is a reasonable probability that the juvenile will remain at liberty without violating the law.

(b) (I) Based upon a request and recommendation by the division of youth services, the board may discharge all or a portion of a juvenile's period of parole, as defined in section 19-2.5-1117 (1)(b), without holding a hearing before the board or a hearing panel of the board, if the board finds that:

(A) The juvenile is unavailable to complete the period of parole or the extended period of parole and the juvenile is not likely to become available in a time or manner in which the juvenile will benefit from parole services and neither community safety nor restorative justice interests will be served through the imposition or continuation of the juvenile's parole; or

(B) The community interest in safety or restorative justice will not be served through the imposition or continuation of juvenile parole because the juvenile is under the adult probation supervision of the district court.

(II) As used in this subsection (9), a juvenile is unavailable to complete the period of parole if:

(A) The juvenile, pursuant to an adult sentence, has been placed in a department of corrections facility, adult community corrections, the youthful offender system, or a local jail, as defined in section 17-1-102; or

(B) The juvenile has been or will be transferred out of the state of Colorado and the division of youth services determines that the discharge is not in conflict with the interstate compact on juveniles, part 7 of article 60 of title 24; or

(C) The juvenile is in a medical, mental health, treatment facility, or similar institution; or

(D) The board finds any other circumstance that constitutes unavailability as established in rule.

(c) The board may discharge a juvenile from parole before completion of the mandatory six-month parole period when the board finds that the juvenile meets, at a minimum, all of the following conditions of special achievement:

(I) Graduation from a high school or successful completion of a high school equivalency examination, as that term is defined in section 22-33-102 (8.5);

(II) Payment of one hundred percent of any restitution the juvenile has been ordered to pay;

(III) Certification by the juvenile's parole officer that the juvenile is ready for discharge from parole, that takes into consideration the results of an objective risk assessment conducted by the department of human services and is based upon researched factors that have been demonstrated to be correlative to risk to the community; and

(IV) Presentation to the board of a plan of action prepared by the juvenile that includes the steps the juvenile will accomplish to ensure a transition to law-abiding citizenship. If the juvenile's plan of action includes an intent to enlist in military service, the plan must specify the interim steps that the juvenile will take prior to entering military service.

(d) A discharge from parole pursuant to this subsection (9) has the same legal effect as if parole had been discharged upon completion of juvenile parole or when the sentence to commitment was discharged as a matter of law.

(10) Notwithstanding any provisions of law to the contrary, the department of human services shall not retain custody of or jurisdiction over an individual who reaches twenty-one years of age. The sentence to commitment and the period of parole are discharged as a matter of law when a juvenile reaches twenty-one years of age.

19-2.5-1204. Parole officers - powers - duties. (1) Under the direction of the director of the division of youth services, the juvenile parole officer or officers in each region established in section 19-2.5-1202 (3) shall supervise all juveniles living in the region who, having been committed to the department of human services, are on parole from one of its facilities.

(2) The juvenile parole officer shall give to each juvenile granted parole a written statement of the conditions of the juvenile's parole, shall explain such conditions fully, and shall aid the juvenile to observe them. The juvenile parole officer shall have periodic conferences with and reports from the juvenile. The juvenile parole officer may conduct such investigations or other activities as necessary to determine whether the conditions of parole are being met and to accomplish the juvenile's rehabilitation.

(3) All juvenile parole officers have the powers of peace officers, as described in sections 16-2.5-101 and 16-2.5-138, in performing the duties of their position.

19-2.5-1205. Administrative law judges. An administrative law judge shall assist any hearing panel of the juvenile parole board that is considering the suspension, modification, or revocation of a juvenile's parole.

19-2.5-1206. Parole violation and revocation. (1) The director of the division of youth services or any juvenile parole officer may arrest any parolee when:

- (a) The director or officer has a warrant commanding that the parolee be arrested; or
- (b) The director or officer has probable cause to believe that a warrant for the parolee's arrest has been issued in this state or another state for any criminal offense or for violation of a condition of parole; or
- (c) Any offense under the laws of this state has been or is being committed by the parolee in the director's or officer's presence; or
- (d) The director or officer has probable cause to believe that a violation of law has been committed by the parolee; or
- (e) The director or officer has probable cause to believe that the parolee has violated a condition of the juvenile's parole and probable cause to believe that the parolee is leaving or about to leave the state, or that the parolee will fail or refuse to appear before the hearing panel to answer charges of violations of one or more conditions of parole, or that the parolee's arrest is necessary to prevent physical harm to the parolee or another person or to prevent the violation of a law.

(2) When an alleged parole violator is taken into custody, the director of the division of youth services or the juvenile parole officer shall notify the juvenile's parents, guardian, or legal custodian without unnecessary delay.

(3) When a juvenile parole officer has reasonable grounds to believe that a parolee has violated a condition of parole, the juvenile parole officer may issue a summons requiring the parolee to appear before the hearing panel at a specified time and place to answer charges of violation of one or more conditions of parole. The summons, unless accompanied by a copy of a complaint filed before the hearing panel seeking revocation or suspension of parole or modification of parole conditions, must contain a brief statement of the alleged parole violation and the date and place of the alleged parole violation. Failure of the parolee to appear before the hearing panel as required by the summons is a violation of a condition of parole.

(4) If, rather than issuing a summons, a parole officer arrests a parolee with or without a warrant or takes custody of a parolee who has been arrested by another, the parole officer shall place the parolee in the nearest local juvenile detention facility or shelter care facility approved by the department of human services, if under eighteen years of age, or in the nearest county jail, if eighteen years of age or older. Within forty-eight hours, not including Saturdays, Sundays, and legal holidays, the parole officer shall take one of the following actions:

(a) Notify the juvenile parole board that the parolee has been arrested or taken into custody and request that a juvenile parole preliminary hearing be conducted by an administrative law judge; or

(b) Obtain from the parolee a written agreement that the parolee waives the right to a juvenile parole preliminary hearing. The parolee's parent or guardian shall also sign the waiver of the parolee if the parolee is a juvenile; or

(c) Release the parolee if the parolee is not subject to other actions that require further detention.

(5) An administrative law judge shall, upon the request of the juvenile parole board, conduct a preliminary hearing in a case in which a parole violation has been alleged to determine whether there is probable cause to believe that the parolee has violated a condition of parole, pursuant to subsection (4) of this section.

(6) Whenever an administrative law judge schedules a preliminary hearing pursuant to subsection (5) of this section, the juvenile parole officer shall notify the parolee and the parolee's parent, guardian, or legal custodian of the following information:

(a) The date, the time, and the place of the preliminary hearing and the name of the administrative law judge;

(b) That the purpose of the hearing is to determine whether there is probable cause to believe that the parolee has violated parole;

(c) That at the preliminary hearing the parolee will be permitted to present evidence, either oral or documentary, in person or by other witnesses, in defense of any alleged parole violation;

(d) A statement of any alleged parole violation;

(e) A brief summary of the evidence tending to establish any alleged parole violation; and

(f) That the parolee has the right to counsel at the preliminary hearing.

(7) (a) At any preliminary hearing held pursuant to subsection (5) of this section, the administrative law judge shall hear any offered testimony and determine whether there is probable cause to believe that the parolee has violated parole. If probable cause has not been shown, the administrative law judge shall order the parolee's release and make a written report of the judge's findings to the juvenile parole board within fourteen days of the hearing.

(b) If the administrative law judge finds that probable cause exists to believe that the parolee has violated parole, the administrative law judge shall order that the parolee be held to answer the charge before a hearing panel and shall order that the juvenile parole officer return the parolee without unnecessary delay to any of the juvenile corrections facilities of the department of human services pending a hearing before a hearing panel on the complaint for revocation, suspension, or modification of the juvenile's parole.

(8) Within fourteen working days after the finding of probable cause by the preliminary administrative law judge, the juvenile parole officer shall complete the officer's investigation and either:

(a) File a complaint before the hearing panel in which the facts are alleged upon which a revocation of parole is sought; or

(b) Recommend to the director of the division of youth services, or the director's designee, that the parolee, if detained, be released and the violation proceedings be dismissed. The director, or the director's designee, shall determine whether to cause the violation

proceedings to be dismissed, and, if he or she elects to cause dismissal, the parolee must be released or notified that the parolee is relieved of obligation to appear before the hearing panel. In such event, the director, or the director's designee, shall give written notification to the board of such action.

(9) A complaint filed by a juvenile parole officer in which revocation of parole is sought must contain the name of the parolee, identify the violation charged and the condition or conditions of parole alleged to have been violated, including the date and approximate location of the violation, and be signed by the juvenile parole officer. A copy must be given to the parolee and the parolee's parents, guardian, or legal custodian at least seven days before a hearing on the complaint is held before the hearing panel.

(10) The board may order the detention of any parolee for failure to appear as required by the summons issued pursuant to subsection (3) of this section.

(11) At least seven days before the appearance of a parolee before the hearing panel, the juvenile parole officer shall provide, in writing, to the parolee and the parolee's parents, guardian, or legal custodian the following:

(a) A statement of the nature of the charges that are alleged to justify revocation or suspension of parole and the substance of the evidence sustaining the charges;

(b) A copy of the complaint unless he or she has already received one;

(c) A listing of the consequences that may follow in the event parole is revoked; and

(d) An advisement that, if the parolee denies the charges, a hearing will be held before the hearing panel, that, at the hearing, the parolee may testify and present witnesses and documentary evidence in defense of the charges or in mitigation or explanation, and that the parolee has the right to counsel at the hearing.

(12) At the hearing before the hearing panel, if the parolee denies the violation, the division of youth services has the burden of establishing by a preponderance of the evidence the violation of a condition or conditions of parole. The hearing panel shall, when it appears that the alleged violation of conditions of parole consists of an offense with which the parolee is charged in a criminal case then pending, continue the parole violation hearing until the termination of the criminal proceeding. Any evidence having probative value is admissible regardless of its admissibility under exclusionary rules of evidence if the parolee is accorded a fair opportunity to rebut hearsay evidence. The parolee has the right to confront and to cross-examine adverse witnesses unless the administrative law judge specifically finds good cause for not allowing confrontation.

(13) If the hearing panel determines that a violation of a condition or conditions of parole has been committed, it shall hear further evidence related to the parolee's disposition. At the conclusion of the hearing, the hearing panel shall advise the parties of its findings and recommendations and of their right to request a review before the board. Such review may be held if a written request is filed within fourteen days after the conclusion of the hearing before the hearing panel. If a review before the board is not requested or the right to review is waived, the findings and recommendations of the hearing panel, if unanimous, become the decision of the juvenile parole board unless the board on its own motion orders a review.

(14) The case of a juvenile alleged or found to have violated the conditions of parole outside the state of Colorado must be handled according to the interstate compact on juveniles, part 7 of article 60 of title 24.

19-2.5-1301. Appeals. (1) Appellate procedure is governed by the Colorado appellate rules. Initials must appear on the record on appeal in place of the juvenile's and other respondents' names. (2) The prosecution in a delinquency case may appeal any decision of the trial court as provided in section 16-12-102.

19-2.5-1410. Community accountability program - legislative declaration - creation.

(1) It is the intent of the general assembly that the program established pursuant to this section benefit the state by providing a structured program combining residential and community reintegration components under which certain adjudicated juveniles are subject to an ordered environment affirming the dignity of self and others; promoting the value of education, work, and accountability; adhering to the principals of restorative justice; and developing useful skills that can be applied when the juvenile is reintegrated into the community.

(2) (a) The division of youth services, pursuant to a contract with one or more private entities, shall establish, maintain, and operate a community accountability program, referred to in this section as the "program".

(b) The program must provide a sentencing option for adjudicated juveniles who are at least fourteen years of age but younger than eighteen years of age. An adjudicated juvenile may be sentenced to participate in the program only as a condition of probation. A sentence to the program may be in addition to, but must not be in lieu of, a mandatory sentence required by section 19-2.5-1123. The juvenile court shall consider the program as a sentencing option for higher risk juveniles who would have otherwise been sentenced to detention or out-of-home placement or committed to the department of human services.

(c) A sentence imposed pursuant to this section is conditioned on the availability of space in the program and the division of youth services' determination of whether the juvenile's participation in the program is appropriate. A juvenile may be denied participation in the program upon a determination by the division of youth services that a physical or mental health condition, including severe substance abuse, will prevent the juvenile's full participation in the program. Any juvenile denied participation in the program must be returned to the juvenile court for resentencing.

(d) The judicial department shall provide information to the division of youth services concerning the juvenile's sentencing, including but not limited to the juvenile's criminal history, the presentence investigation report, the risk-need assessment, and demographics pertaining to the juvenile.

(e) The program must be established for up to eighty beds. Pursuant to the contract entered into pursuant to subsection (2)(a) of this section, the division of youth services shall pay only for the actual number of juveniles placed in the program.

(3) If feasible, the program may be established regionally, one in each of the division of youth services' regions. The division of youth services, through a competitive bid process, shall select one or more private entities to operate the program.

(4) (a) The program consists of two integrated components. Each selected entity shall provide both components within the contracted region as follows:

(I) **Component I.** Component I consists of a sixty-day residential program, which may contain, but need not be limited to, the following program elements:

- (A) Assessment and treatment planning;
- (B) Behaviorally based programming with appropriate sanctions and reinforcements;
- (C) Life and cognitive skill development;
- (D) Treatment interventions;

- (E) Educational and vocational training;
- (F) Competency development;
- (G) Victim awareness and empathy;
- (H) Gender-specific programming; and
- (I) Restorative justice programming.

(II) **Component II.** The division of youth services shall administer component II, which consists of a community reintegration phase. For each juvenile entering component II, the division of youth services and the local probation department shall jointly establish a reintegration plan. Component II may contain, but need not be limited to, the following program elements:

- (A) Multi-systemic therapy;
- (B) Functional family therapy;
- (C) Aggression replacement training;
- (D) Life skills;
- (E) Skills development;
- (F) Behaviorally based programming with appropriate sanctions and reinforcements;
- (G) Education and vocational training;
- (H) Work experience;
- (I) Victim empathy;
- (J) Victim-offender mediation;
- (K) Gender-specific programming; and
- (L) Restorative justice programming.

(b) The program may be housed in a privately owned and operated facility or in a state-owned and privately operated facility. The state department of human services and any private contractors in each region shall involve local governments in identifying locations for residential facilities.

(c) The division of youth services shall include a community involvement component in the development of reintegration plans, which may include the creation of community advisory boards.

(5) If a juvenile in the first component of the program would substantially benefit, the division of youth services shall notify the local department of probation who may petition the court for an extension of up to fifteen days in addition to the initial sixty-day period for the first component of the program. The period of time a juvenile spends in the second component of the program must not exceed one hundred twenty days. The entire period of a juvenile's participation in the program must not exceed the length of the juvenile's probation sentence. Whenever a juvenile fails to progress through or complete the first or second component of the program, the juvenile is subject to section 19-2.5-1108 (8) for violating a condition of probation.

(6) The division of youth services and the judicial department shall jointly establish guidelines for the program and for each of the components described in subsection (4) of this section. The division of youth services shall make available necessary support services for the juvenile and the juvenile's family under both components of the program.

(7) The division of youth services shall conduct an ongoing evaluation of the program. On or before January 15 each year, the division of youth services shall submit a report of the evaluation results to the general assembly. Notwithstanding section 24-1-136 (11)(a)(I), the

(1) The staff of the department of human services, in restraining a female juvenile committed to the department of human services or detained in a juvenile facility, shall use the least restrictive restraints necessary to ensure safety if the staff have actual knowledge or a reasonable belief that the juvenile is pregnant. The requirement that staff use the least restrictive restraints necessary to ensure safety must continue during postpartum recovery and transport to or from a juvenile facility.

(2) (a) (I) Staff of the department of human services or medical facility staff shall not use restraints of any kind on a pregnant juvenile during labor and delivery of the child; except that staff may use restraints if:

(A) The medical staff determine that restraints are medically necessary for safe childbirth;

(B) The staff of the department of human services or medical staff determine that the juvenile presents an immediate and serious risk of harm to herself, to other patients, or to medical staff; or

(C) The staff of the department of human services determine that the juvenile poses a substantial risk of escape that cannot reasonably be reduced by the use of other existing means.

(II) Notwithstanding subsection (2)(a)(I) of this section to the contrary, under no circumstances shall staff use leg shackles or waist restraints on a juvenile during labor and delivery of the child, postpartum recovery while in a medical facility, or transport to or from a medical facility for childbirth.

(b) The staff of the department of human services or medical facility authorizing the use of restraints on a pregnant juvenile during labor or delivery of the child shall make a written record of the use of restraints. The record must include, at a minimum, the type of restraint used, the circumstances that necessitated the use of the restraint, and the length of time the restraint was used. The department of human services staff shall retain the record for a minimum of five years and shall make the record available for public inspection with individually identifying information redacted from the record unless the juvenile who is the subject of the record gives prior written consent for the public release of the record. The written record of the use of restraint does not constitute a medical record under state or federal law.

(3) Upon return to a department of human services facility after childbirth, the juvenile is entitled to have a member of the department of human services' medical staff present during any strip search.

(4) When a juvenile's pregnancy is determined, the staff of the department of human services shall inform a pregnant juvenile committed to the department of human services in writing in a language and in a manner understandable to the juvenile of the provisions of this section concerning the use of restraints and the presence of medical staff during a strip search.

(5) The executive director of the department of human services shall ensure that the staff of the department of human services receive adequate training concerning the provisions of this section.

19-2.5-1532. Juveniles committed to department of human services - transfers. (1)

The executive director of the department of human services may transfer a juvenile committed pursuant to section 19-2.5-1127 or 19-2.5-1103 among the facilities established pursuant to sections 19-2.5-1502 and 19-2.5-1527 to 19-2.5-1529; except that, before the juvenile is transferred, the juvenile shall be examined and evaluated, and the executive director shall review the evaluation before approving the transfer.

(2) When the executive director of the department of human services finds that the welfare and protection of a juvenile or of others requires the juvenile's immediate transfer to another facility, the executive director shall make the transfer prior to having the juvenile examined and evaluated.

(3) (a) A juvenile committed to the department of human services may be transferred temporarily to any state treatment facility for persons with behavioral or mental health disorders or intellectual and developmental disabilities for purposes of diagnosis, evaluation, and emergency treatment; except that a juvenile may not be transferred to a state treatment facility for persons with mental health disorders until the juvenile has received a mental health hospital placement prescreening resulting in a recommendation that the juvenile be placed in a facility for evaluation pursuant to section 27-65-106. A juvenile committed to the department of human services as an aggravated juvenile offender pursuant to section 19-2.5-1127 or violent juvenile offender pursuant to section 19-2.5-1126 (1)(c) must not be transferred until the treatment facility has a secure setting in which to house the juvenile. The period of temporary transfer pursuant to this subsection (3)(a) must not exceed sixty days.

(b) When a juvenile has remained in the treatment facility for sixty days, the treatment facility shall determine whether the juvenile requires further treatment or services, and, if so, the treatment facility shall confer with the sending facility concerning continued placement. If both facilities agree that the juvenile should remain in the treatment facility, the executive director of the department of human services shall be notified of the recommendation and may authorize an additional sixty-day placement. When an additional placement is authorized, the court must be notified of the transferred placement.

(c) During each subsequent sixty-day placement period, the juvenile shall be reevaluated by both the treatment facility and the sending facility to determine the need for continued transferred placement. The juvenile remains in transferred placement until the facilities agree that such placement is no longer appropriate. At that time the juvenile must be transferred back to the sending facility or to any other facility that the department of human services determines to be appropriate. The period of placement must not exceed the length of the original commitment to the department of human services unless authorized by the court after notice and a hearing.

(d) When a juvenile is in continued transferred placement and the treatment facility and the sending facility agree that the need for placement of the juvenile is likely to continue beyond the original period of commitment to the department of human services, the treatment facility shall initiate proceedings with the court having jurisdiction over the juvenile pursuant to article 65 of title 27 if the juvenile has a mental health disorder or pursuant to article 10.5 of title 27 if the juvenile has intellectual and developmental disabilities.

PART 1

DEFINITIONS

19-3-100.5. Legislative declarations - reasonable efforts - movement of children and sibling groups. (1) The general assembly hereby finds and declares that the stability and preservation of the families of this state and the safety and protection of children are matters of statewide concern. The general assembly finds that the federal "Adoption Assistance and Child Welfare Act of 1980", federal Public Law 96-272, requires that each state make a commitment to make "reasonable efforts" to prevent the placement of abused and neglected children out of the home and to reunify the family whenever appropriate.

(2) The general assembly further finds that the federal "Adoption and Safe Families Act of 1997", federal Public Law 105-89, clarifies what constitutes "reasonable efforts" by decreeing that when deciding whether to make such efforts and in the process of making such efforts, the health and safety of the child is the paramount concern. This federal law further encourages expediting permanency planning for children in out-of-home placement by removing barriers to permanency and streamlining entitlement services. The law specifies that one of the goals of all placement decisions, whether leaving the child in the home or placing the child outside the home, is safety for the child.

(3) The general assembly further finds that the implementation of the federal "Adoption Assistance and Child Welfare Act of 1980", federal Public Law 96-272, is not the exclusive responsibility of the state department of social services or of local departments of social services. Elected officials at the state and local levels must ensure that resources and services are available through state and local social services agencies and through the involvement of the resources of

public and private sources. Judges, attorneys, and guardians ad litem must be encouraged to take independent responsibility to ensure that "reasonable efforts" to prevent out-of-home placements have been made only when appropriate, that permanency occurs for children in foster care, and that safe child placements occur in each case.

(4) (a) The general assembly also hereby finds that:

(I) The American Academy of Pediatrics has found that emotional and cognitive disruptions in the early lives of children have the potential to impair brain development. Paramount in the lives of children in foster care is their need for continuity with their primary attachment figures and a sense of permanence that is enhanced when the child's placement is stable.

(II) The American Academy of Pediatrics has found that attachment to a primary caregiver is essential to the development of emotional security and social conscience; and

(III) According to the American Academy of Pediatrics, optimal child development occurs when a spectrum of needs is consistently met over an extended period. Separation of a child from his or her primary caregiver occurring between six months and three years of age is more likely to result in subsequent emotional disturbances for the child than if the separation occurs when the child is older. Repeated moves from home to home compound the adverse consequences of separation. Further, the younger the child and the more extended the period of uncertainty or separation, the more detrimental the separation will be to the child's well-being. Any intervention that separates a child from the child's primary caregiver or person who provides psychological support to the child should be cautiously considered and treated as a matter of urgency and profound importance.

(b) The general assembly further finds that older children in foster care are at a high risk of having long-term mental health issues, dropping out of school, developing alcohol and drug dependence, experiencing promiscuity, and interacting with the criminal justice system. Multiple moves for older children lead to disruption in schooling and meaningful relationships and attachments, including relationships with peers and family of origin. As a result these children have few, if any, long-term connections when they leave foster care, resulting in little support for their growth into independent adults.

(c) The general assembly therefore declares that multiple moves for children in the dependency and neglect system should be discouraged in favor of permanent planning upon which these children can rely for their healthy mental, physical, and emotional development.

(5) Therefore, in order to carry out the requirements addressed in this section, to ensure stability in placements, to preserve families, and to decrease the need for out-of-home placement, the general assembly shall define "reasonable efforts" and identify the services and processes that must be in place to ensure that "reasonable efforts" have been made. The general assembly provides that "reasonable efforts" are deemed to be met when a county or city and county provides services in accordance with section 19-3-208 and when full consideration has been given to the provisions of section 24-34-805 (2).

19-3-102. Neglected or dependent child. (1) A child is neglected or dependent if:

(a) A parent, guardian, or legal custodian has abandoned the child or has subjected him or her to mistreatment or abuse or a parent, guardian, or legal custodian has suffered or allowed another to mistreat or abuse the child without taking lawful means to stop such mistreatment or abuse and prevent it from recurring;

(b) The child lacks proper parental care through the actions or omissions of the parent, guardian, or legal custodian;

(c) The child's environment is injurious to his or her welfare;

(d) A parent, guardian, or legal custodian fails or refuses to provide the child with proper or necessary subsistence, education, medical care, or any other care necessary for his or her health, guidance, or well-being;

(e) The child is homeless, without proper care, or not domiciled with his or her parent, guardian, or legal custodian through no fault of such parent, guardian, or legal custodian;

(f) The child has run away from home or is otherwise beyond the control of his or her parent, guardian, or legal custodian;

(g) The child is born affected by alcohol or substance exposure, except when taken as prescribed or recommended and monitored by a licensed health care provider, and the newborn child's health or welfare is threatened by substance use.

(2) A child is neglected or dependent if:

(a) A parent, guardian, or legal custodian has subjected another child or children to an identifiable pattern of habitual abuse; and

(b) Such parent, guardian, or legal custodian has been the respondent in another proceeding under this article in which a court has adjudicated another child to be neglected or dependent based upon allegations of sexual or physical abuse, or a court of competent jurisdiction has determined that such parent's, guardian's, or legal custodian's abuse or neglect has caused the death of another child; and

(c) The pattern of habitual abuse described in paragraph (a) of this subsection (2) and the type of abuse described in the allegations specified in paragraph (b) of this subsection (2) pose a current threat to the child.

19-3-103. Child not neglected - when. (1) No child who in lieu of medical treatment is under treatment solely by spiritual means through prayer in accordance with a recognized method of religious healing shall, for that reason alone, be considered to have been neglected or dependent within the purview of this article. However, the religious rights of a parent, guardian, or legal custodian shall not limit the access of a child to medical care in a life-threatening situation or when the condition will result in serious disability. In order to make a determination as to whether the child is in a life-threatening situation or that the child's condition will result in serious disability, the court may, as provided under section 19-1-104 (3), order a medical evaluation of the child. If the court determines, on the basis of any relevant evidence before the court, including the medical evaluation ordered pursuant to this section, that the child is in a life-threatening situation or that the child's condition will result in serious disability, the court may, as provided under section 19-1-104 (3), order that medical treatment be provided for the child. A child whose parent, guardian, or legal custodian inhibits or interferes with the provision of medical treatment in accordance with a court order shall be considered to have been neglected or dependent for the purposes of this article and injured or endangered for the purposes of section 18-6-401, C.R.S.

(2) A method of religious healing shall be presumed to be a recognized method of religious healing if:

(a) (I) Fees and expenses incurred in connection with such treatment are permitted to be deducted from taxable income as medical expenses pursuant to regulations or rules promulgated by the United States internal revenue service; and

(II) Fees and expenses incurred in connection with such treatment are generally recognized as reimbursable health-care expenses under medical policies of insurance issued by insurers licensed by this state; or

(b) Such treatment provides a rate of success in maintaining health and treating disease or injury that is equivalent to that of medical treatment.

(3) Refusing an immunization on the grounds of medical, religious, or personal belief considerations, as set forth in section 25-4-903, or opting to exclude immunization notification information from the immunization tracking system established in section 25-4-2403 (7) by itself does not constitute child abuse or neglect by a parent or legal guardian for the purposes of this article 3.

19-3-104. Hearings - procedure. Any hearing conducted pursuant to this article 3 in a county designated pursuant to section 19-1-123 regarding a child who is under six years of age at the time a petition is filed in accordance with section 19-3-501 (2) must not be delayed or continued unless good cause is shown and unless the court finds that the best interests of the child will be served by granting a delay or continuance. Whenever any such delay or continuance is granted, the court shall set forth the specific reasons necessitating the delay or continuance and shall schedule the matter within thirty days after the date of granting the delay or continuance. If appropriate, in any hearing conducted pursuant to this article 3 in a county designated pursuant to section 19-1-123 regarding a child who is under six years of age at the time a petition is filed in accordance with section 19-3-501 (2), the court shall include all other children residing in the same household whose placement is subject to determination pursuant to this article 3.

PART 2

GENERAL PROVISIONS

19-3-201. Venue. (1) [*Editor's note: This version of subsection (1) is effective until January 9, 2023.*] (a) Except as provided in paragraph (b) of this subsection (1), all proceedings brought under this article shall be commenced in the county in which the child resides or is present.

(b) A county department, guardian ad litem, or other person filing a petition for reinstatement of the parent-child legal relationship as set forth in section 19-3-612 must file the petition for the reinstatement of the parent-child legal relationship in the county or city and county that has legal custody of the child.

(1) [*Editor's note: This version of subsection (1) is effective January 9, 2023.*] (a) Except as provided in subsection (1)(b) of this section, all proceedings brought pursuant to this article 3 must be commenced in the county in which the child resides or is present.

(b) A county department, guardian ad litem or counsel for youth, or other person filing a petition for reinstatement of the parent-child legal relationship as set forth in section 19-3-612 must file the petition for the reinstatement of the parent-child legal relationship in the county or city and county that has legal custody of the child.

(1.5) For purposes of determining proper venue, a child who is placed in the legal custody of a county department shall be deemed for the entire period of placement to reside in the county in which the child's legal parent or guardian resides or is located, even if the child is physically residing in a foster care or residential facility located in another county. In such circumstance, if a child is placed out of the home, the court shall not transfer venue pursuant to subsection (2) of this section during the period of out-of-home placement to any county other than the county in which the child's legal parent or guardian resides or is located.

(2) When proceedings are commenced pursuant to this article 3 in a county other than that of the child's residence, the court in which proceedings were initiated may, on its own motion or on the motion of any interested party, transfer the case to the court in the county where the child's legal parent or guardian resides or is located unless any of the following circumstances exist:

- (a) The transfer would be detrimental to the best interests of the child;
- (b) Adjudication has not taken place and the case has not been continued pursuant to section 19-3-505 (5);
- (c) The legal parent or guardian has a history of frequent moves unless there is evidence of stability in the most recent move indicating an intent to remain in the new residence for six or more months, such as the legal parent or guardian has signed a lease whose term is six or more months;
- (d) The case is likely to be closed within three to six months;
- (e) The transfer will disrupt continuity or provisions of services; or
- (f) The case is an expedited permanency planning case, unless the requirements of subsection (3) of this section have been met. Pursuant to subsection (3) of this section, the presumption that a transfer of the proceedings is not in the child's best interest has been rebutted by a preponderance of the evidence.

(2.5) The county attorney of a county that files a motion to change venue pursuant to this section shall immediately provide notice of the motion to the proposed receiving county. Upon receipt of a motion to change venue, the court shall set a hearing to rule on the motion. The requesting county attorney shall provide fourteen days written notice of the hearing to the office of the county attorney in the proposed receiving county, who shall have a right to file responsive pleadings and appear at the hearing.

(3) In a county designated pursuant to section 19-1-123, if the child is under six years of age at the time a petition is filed in accordance with section 19-3-501 (2), it shall be presumed that any transfer of proceedings pursuant to subsection (2) of this section without good cause shown that results in a delay in the judicial proceedings would be detrimental to the child's best interests. Such presumption may be rebutted by a preponderance of the evidence.

(4) (a) An order granting a change of venue and transferring jurisdiction to the court in the county in which the child resides shall be effective fifteen days after the transferring court signs the order. Within thirty days after signing the order, the transferring court shall forward the court file, including originals or certified copies of all documents and reports, to the receiving court.

(b) ***[Editor's note: This version of the introductory portion to subsection (4)(b) is effective until January 9, 2023.]*** The order granting a change of venue and transferring jurisdiction shall include:

(b) ***[Editor's note: This version of the introductory portion to subsection (4)(b) is effective January 9, 2023.]*** The order granting a change of venue and transferring jurisdiction must include:

(I) ***[Editor's note: This version of subsection (4)(b)(I) is effective until January 9, 2023.]*** Notice to the receiving court of whether a respondent parent's counsel and the guardian ad litem appointed for the child will remain on the case. If a respondent parent's counsel or the guardian ad litem for the child will not remain on the case, the order shall inform the receiving court that the receiving court shall make a new appointment of counsel or guardian ad litem.

(I) *[Editor's note: This version of subsection (4)(b)(I) is effective January 9, 2023.]* Notice to the receiving court of whether a respondent parent's counsel and the guardian ad litem or counsel for youth appointed for the child will remain on the case. If a respondent parent's counsel or the guardian ad litem or counsel for youth for the child will not remain on the case, the order must inform the receiving court that the receiving court shall make a new appointment of counsel or guardian ad litem or counsel for youth.

(II) Notice that the transferring court shall vacate any existing hearing date after the effective date of the order.

(5) When venue is transferred, as set forth in subsection (2) of this section, the receiving court shall proceed with the case as if the petition had been originally filed or adjudication had been originally made in that court. The receiving court shall hold an initial hearing in the case within thirty days after the effective date of the order granting a change of venue and transferring jurisdiction to the receiving court.

(6) A motion for change of venue shall be made in writing and shall include a certification by the moving party that the moving party has complied with all statutory requirements. (2) Within fifteen days after a court signs an order pursuant to section 19-3-201 granting a change of venue and transferring jurisdiction, the transferring county department shall:

(a) Provide written case information to the designated change of venue coordinator in the receiving county, which information shall include, but need not be limited to, permanency goals, target dates relating to the case, evaluations, a current family services plan, court reports, dates of placement moves, the progress of the child in placement, all Title IV-E eligibility determinations pursuant to the federal "Social Security Act", as amended, and recommendations for continuing progress in the case;

(b) Update all documentation in the case file, including the record in the state automated system;

(c) Provide information concerning, to the extent known, the physical location of the child's parents, guardians, legal custodians, and relatives; and

(4) The state department shall promulgate, in accordance with the "State Administrative Procedure Act", article 4 of title 24, C.R.S., any rules necessary for the effective transfer of case responsibilities between county departments resulting from a change of venue pursuant to section 19-3-201.

The court shall fully explain to the respondent the informational notice of rights and remedies for families prepared pursuant to section 19-3-212 and shall recommend that the respondent discuss such notice with his or her counsel. Further, the court shall advise the respondent of the minimum and maximum time frames for the dependency and neglect process, including the minimum and maximum time frames for adjudication, disposition, and termination of parental rights for a child who is under six years of age at the time the petition is filed in a county designated pursuant to section 19-1-123. Nothing in this section limits the power of the court to appoint counsel prior to the filing of a petition for good cause.

(2) *[Editor's note: This version of subsection (2) is effective until January 9, 2023.]* The petitioner, any respondent, or the guardian ad litem may demand a trial by jury of six persons at the adjudicatory hearing under section 19-3-505 or the court, on its own motion, may order such a jury to try any case at the adjudicatory hearing under section 19-3-505.

19-3-203. Guardian ad litem. [*Editor's note: This version of this section is effective until January 9, 2023.*] (1) Upon the filing of a petition under section 19-3-502 that alleges abuse or neglect of a minor child, the court shall appoint a guardian ad litem, who shall be an attorney-at-law licensed to practice in Colorado. Nothing in this section shall limit the power of the court to appoint a guardian ad litem prior to the filing of a petition for good cause.

(2) The guardian ad litem shall be provided with all reports relevant to a case submitted to or made by any agency or person pursuant to this article, including reports of examination of the child or persons responsible for the neglect or dependency of the child. The county department shall share with the guardian ad litem the reports of fingerprint-based criminal history record checks from the Colorado bureau of investigation and from the federal bureau of investigation if the court orders the county department to share that information with the guardian ad litem. The court and social workers assigned to the case shall keep the guardian ad litem apprised of significant developments in the case, particularly prior to further neglect or dependency court appearances.

(3) The guardian ad litem shall be charged in general with the representation of the child's interests. To that end, the guardian ad litem shall make such further investigations as the guardian ad litem deems necessary to ascertain the facts and shall talk with or observe the child involved, examine and cross-examine witnesses in both the adjudicatory and dispositional hearings, introduce and examine the guardian ad litem's own witnesses, make recommendations to the court concerning the child's welfare, appeal matters to the court of appeals or the supreme court, and participate further in the proceedings to the degree necessary to adequately represent the child. In addition, the guardian ad litem, if in the best interest of the child, shall seek to assure that reasonable efforts are being made to prevent unnecessary placement of the child out of the home and to facilitate reunification of the child with the child's family or, if reunification is not possible, to find another safe and permanent living arrangement for the child. In determining whether said reasonable efforts are made with respect to a child, and in making such reasonable efforts, the child's health and safety shall be the paramount concern.

(4) A guardian ad litem already appointed to represent a youth's best interests pursuant to this article 3 shall begin acting as counsel and providing client-directed representation immediately upon the youth's eighteenth birthday and shall act in this role until either the case is

dismissed or new counsel is appointed, unless the court determines a guardian ad litem is necessary due to the youth's diminished capacity, in which case the guardian ad litem shall remain in that role and separate counsel for the youth shall be appointed.

(5) At the first hearing following a youth's eighteenth birthday, the court shall advise each youth who has a current guardian ad litem appointed pursuant to this section of the youth's right to counsel and the option to either consent to have the same person continue as counsel, if the lawyer remains available and has no conflict of interest, or to have a new person appointed as counsel. If the youth elects to have a new person appointed as counsel, the court shall appoint an attorney from the list of attorneys approved by the office of the child's representative.

19-3-203. Right to guardian ad litem and counsel for youth. *[Editor's note: This version of this section is effective January 9, 2023.]* (1) Upon the filing of a petition pursuant to section 19-3-502 that alleges abuse or neglect of a child, the court shall appoint a guardian ad litem for any child who is under twelve years of age. The guardian ad litem must be an attorney-at-law licensed to practice in Colorado and approved by the office of the child's representative created in section 13-91-104. Nothing in this section limits the power of the court to appoint a guardian ad litem prior to the filing of a petition for good cause.

(2) Upon the filing of a petition pursuant to section 19-3-502 that alleges abuse or neglect of a child, the court shall appoint counsel for youth for any child or youth who is twelve years of age or older. The counsel for youth must be an attorney-at-law licensed to practice in Colorado and approved by the office of the child's representative created in section 13-91-104. The court may appoint the same attorney, as long as the attorney does not assert there is a conflict of interest as defined under the applicable rules of professional conduct, to represent the best interests of younger siblings who are under twelve years of age as a guardian ad litem and to represent youth in the sibling group who are twelve years of age or older as a counsel for youth. Until the court's jurisdiction is terminated, appointment of counsel for youth pursuant to this section continues. A child's or youth's right to counsel may not be waived. Nothing in this section limits the power of the court to appoint counsel for youth prior to the filing of a petition for good cause.

(3) A guardian ad litem who is currently appointed to represent the best interests of a child or youth pursuant to this section shall transition to client-directed counsel for youth immediately upon a child's twelfth birthday and act in this role until either the case is dismissed or new counsel is appointed, unless the court finds it necessary to appoint a guardian ad litem because the child or youth has diminished capacity, in which case the guardian ad litem remains in that role and the court shall appoint separate counsel for youth for the child. Counsel for youth shall notify the court and parties of the change, and the court shall issue a new order of appointment within seven days.

(4) The guardian ad litem or counsel for youth must be provided with all reports relevant to a case submitted to or made by any agency or person pursuant to this article 3, including reports of examination of the child or youth or persons responsible for the neglect or dependency of the child or youth. The county department shall share with the guardian ad litem or the counsel for youth the reports of fingerprint-based criminal history record checks from the Colorado bureau of investigation and from the federal bureau of investigation if the court orders the county department to share that information with the guardian ad litem or the counsel for youth. The guardian ad litem or counsel for youth must have access to the child or youth and

confidential information regarding the child or youth, including but not limited to the child's or youth's educational, medical, and mental health records; social service agency files; court records, including court files involving allegations of abuse or neglect of the child or youth; delinquency records involving the child or youth; and any other information regarding the child relevant to the issues in the proceeding and reports that form the basis of recommendations made to the court. This section does not confer an independent right to obtain a parent's information or parent's records that are confidential or that are otherwise privileged under state or federal law. The court and social workers assigned to the case shall keep the guardian ad litem or counsel for youth apprised of significant developments in the case, particularly prior to further neglect or dependency court appearances.

(5) The guardian ad litem is charged in general with the representation of the child's best interests. To that end, the guardian ad litem shall make such further investigations as the guardian ad litem deems necessary to ascertain the facts and shall talk with or observe the child involved, examine and cross-examine witnesses in both the adjudicatory and dispositional hearings, introduce and examine the guardian ad litem's own witnesses, make recommendations to the court concerning the child's welfare, appeal matters to the court of appeals or the supreme court, and participate further in the proceedings to the degree necessary to adequately represent the child. In addition, the guardian ad litem, if in the best interest of the child, shall seek to assure that reasonable efforts are being made to prevent unnecessary placement of the child out of the home and to facilitate reunification of the child with the child's family or, if reunification is not possible, to find another safe and permanent living arrangement for the child. In determining whether said reasonable efforts are made with respect to a child, and in making such reasonable efforts, the child's health and safety are the paramount concern.

(6) A person appointed to serve as counsel for youth pursuant to this section shall comply with the Colorado rules of professional conduct, provisions set forth in a chief justice directive concerning the court appointment of counsel for youth in this title 19, and subsequent chief justice directives or practice standards established by rule or directive of the chief justice pursuant to section 13-91-105 concerning the duties and responsibilities of a guardian ad litem and counsel for youth in legal matters affecting children or youth. Counsel for youth shall ensure that the child or youth has representation through pending appeals.

(7) A guardian ad litem may be appointed for a child or youth twelve years of age or older if necessary because the child or youth has diminished capacity. The court shall not consider age or developmental maturity as the sole basis for an appointment of a guardian ad litem pursuant to this section.

(a) If a determination is pending or the youth has been determined to be an incapacitated person pursuant to section 15-14-102, then jurisdiction continues until either the youth has made a complete transition into adult disability services and it is in the youth's best interests for the juvenile court to terminate jurisdiction or the youth reaches twenty-one years of age or such greater age of foster care eligibility as required by federal law, whichever comes first;

(b) If a youth is making the transition to adult services pursuant to section 25.5-6-409.5, then the court may extend jurisdiction until such transition is complete; or

(b) The court shall set a hearing no later than thirty-five days after the county department files the motion to determine whether the county department has made reasonable efforts to locate the youth prior to terminating jurisdiction. The hearing may be waived upon stipulation by all parties.

(c) The motion must be withdrawn and the hearing may be vacated or converted to a review hearing if the youth returns.

(1) Upon the request of the county attorney, special county attorney, or the city attorney of a city and county, the court shall set a hearing to determine the admissibility in a subsequent criminal proceeding arising from the same episode of information derived directly from testimony obtained pursuant to compulsory process in a proceeding under this article. The district attorney of the judicial district in which the matter is being heard shall be given five days' written notice of the hearing by the clerk of the court. Such hearing shall be held in camera, and the district attorney shall have the right to appear at the hearing and to object to the entry of the order holding such information inadmissible. The court shall not enter such an order if the district attorney presents prima facie evidence that the inadmissibility of such information would substantially impair his or her ability to prosecute the criminal case. (X) Foster care prevention services.

(d.5) On or before January 1, 2022, the department of human services, in cooperation with county departments of human or social services, shall analyze necessary data to assess and determine the number of placements necessary for each level of care for children or youth who are in out-of-home placements.

(d.7) On or before July 1, 2022, the department of human services, in consultation with the department of health care policy and financing, shall develop and implement a plan to build capacity and develop appropriate and available out-of-home placement options for each necessary level of care in the state in order to serve the number of children and youth who require a given level of care.

(3) (a) ***[Editor's note: This version of subsection (3)(a) is effective January 9, 2023.]***

The state board of human services shall promulgate rules creating a standard and deliberate process for determining, in coordination with the education provider, parents, if appropriate, guardian ad litem or counsel for youth, and the child, whether it is in the best interest of a child in out-of-home placement to remain in the child's school of origin when the child is placed in out-of-home placement or experiences a change in placement.

(b) Each county department of human or social services shall coordinate with school districts and the state charter school institute to establish systems-level plans for how necessary transportation to a school of origin will be provided, arranged, and funded for the duration of a child or youth's time as a student in out-of-home placement, including the equitable allocation of costs.

(c) The department of human services shall provide technical assistance and compliance monitoring for the county departments of human or social services to ensure that county departments of human or social services are properly implementing this subsection (3), including administering funds to allow students in out-of-home placement to remain in their schools of origin, with transportation provided.

(g) Assurances with respect to the foster parent's family's health or safety;

(h) Be provided a clear and understandable description of a child placement agency's plan concerning the placement of a child or youth in the foster parent's home;

The members of such citizen review panel shall be appointed by the governing body without influence from the state department or the county department, be representative of the community, have demonstrable personal or professional knowledge and experience with children, and not be employees or agents of the state department or any county department. At least one member of the citizen review panel in each county and city and county shall be the parent of a minor child at the time of his or her appointment to serve on such panel.

(d) The governing body shall submit a written decision containing its recommendation and the basis for its recommendation to the county director and any county department employee who is the subject of a grievance, and the county director shall issue a written final decision that shall include the county director's plan for implementation of the final decision.

(e) Any recommendations of the citizen review panel and of the governing body shall be limited to actions within the authority of the county director including, but not limited to, recommendations for case reassignment, personnel training, and disciplinary action concerning a county department employee. If disciplinary action is initiated against a county department employee as a result of recommendations, the employee shall be entitled to the rights, including

procedural rights to appeal, that the employee has through the merit system or other applicable personnel system under which the employee is employed.

(f) A citizen review panel and any governing body shall have access to child abuse or neglect reports and any information from the complete case file that the governing body believes is pertinent to the grievance, which shall be reviewed solely for the purpose of resolving grievances pursuant to the provisions of this section; except that access to identifying information concerning any person who reported child abuse or neglect shall not be provided and no participant in the conflict resolution process shall divulge or make public any confidential information contained in a report of child abuse or neglect or in other case file records to which he or she has been provided access.

(g) The county department shall prepare a final report to the citizen review panel within thirty days after the issuance of any final decision in the conflict resolution process that shall include the disposition of each grievance referred to the citizen review panel in a manner not inconsistent with applicable state and county personnel rules.

(b) Each citizen review panel may request and receive information from any other county or city and county that may be pertinent to the grievance.

(5) (a) Nothing in this section shall be construed to direct or authorize any participant in the conflict resolution process to use the process to interfere with any civil or criminal

investigation or judicial proceeding, to seek relief from any court action, or to seek a remedy that is within the authority of a court having jurisdiction over a pending proceeding.

(b) Notwithstanding the provisions of paragraph (a) of this subsection (5), a county department shall not be precluded from presenting any relevant evidence in a pending civil or criminal investigation or proceeding that the county department has obtained in the course of fulfilling its duties in the conflict resolution process pursuant to the provisions of this section.

19-3-213. Placement criteria. (1) In any case in which the county department recommends placement out of the home for a child or in which a child is in out-of-home placement, the court, the guardian ad litem, the county department, any CASA volunteer, and other parties shall consider the best interests of the child and shall comply with the following placement criteria:

(a) *[Editor's note: This version of subsection (1)(a) is effective until January 9, 2023.]* Prior to the change of placement of a child, the county department shall, to the extent possible, notify the guardian ad litem, any CASA volunteer, and other parties. If the guardian ad litem or other party disagrees with the change of placement, he or she may seek an emergency hearing

concerning the appropriate placement for a child. In an emergency, the county department may proceed to make the change of placement prior to any requested hearing.

(a) *[Editor's note: This version of subsection (1)(a) is effective January 9, 2023.]* Prior to the change of placement of a child, the county department shall, to the extent possible, notify the guardian ad litem or counsel for youth, any CASA volunteer, and other parties. If any party disagrees with the change of placement, the party may seek an emergency hearing concerning the appropriate placement for a child. In an emergency, the county department may proceed to make the change of placement prior to any requested hearing.

(b) Except in exceptional circumstances, no child shall remain in an emergency, short-term, or shelter facility for more than sixty days, nor shall a child be moved from one such facility to another, unless all reasonable efforts to return the child to the child's home or to place the child in a more permanent setting have been exhausted.

(c) (I) If the child is part of a sibling group, as defined in section 19-1-103, and the sibling group is being placed in foster care, the county department shall make thorough efforts to locate a joint placement for all of the children in the sibling group. If the county department locates an appropriate, capable, willing, and available joint placement for all of the children in the sibling group, it is presumed that placement of the entire sibling group in the joint placement is in the best interests of the children. The presumption may be rebutted by a preponderance of the evidence that placement of the entire sibling group in the joint placement is not in the best interests of a child or of the children.

(II) Consideration of the placement of children together as a sibling group in foster care shall not be construed as requiring the removal of a child from his or her home and placement into foster care if that is not in the best interests of the child.

(III) In any proceeding under this article involving a sibling group, the judge shall review the family services plan document regarding placement of siblings.

(d) Prior to the change of placement of a child, all parties shall attempt to promote educational stability for the child by taking into account the child's existing educational situation and, to the extent possible and in accordance with the child's best interests, selecting a change of placement that enables the child to remain in the existing educational situation or to transfer to a new educational situation that is comparable to the existing situation.

(2) If a child runs away from an out-of-home placement facility, the person in charge of the placement facility, foster parent, relative, or other placement provider shall notify the county department as soon as possible after discovering that the child has run away. The county department shall notify the court and other parties within ten days after the county department has received notice and take appropriate steps to locate the child.

19-3-214. Placement reporting. (1) Each county department shall maintain and update on a monthly basis a report of the number of children who have been removed from their homes and placed in the temporary custody of the county department for the preceding month. The report shall indicate whether a child who has been placed out of the home has been placed with relatives.

(2) Notwithstanding section 24-1-136 (11)(a)(I), the state department shall submit an annual report to the joint budget committee of the general assembly no later than December 1 of each year that compiles the monthly reports of the number of children who have been placed out of the home in each county or city and county for the preceding year as required pursuant to subsection (1) of this section.

19-3-215. Foster care - capacity may be exceeded for sibling groups. 19-3-216. Rules. The state board of human services shall promulgate rules to determine whether there is child abuse or neglect as defined in section 19-1-103 (1)(a)(VII) or if a child is neglected or dependent as described in section 19-3-102 (1)(g).

19-3-217. Parent-child visitation upon removal. (1) At any hearing held pursuant to section 19-3-403 (2) or (3.5), the court shall enter temporary orders for reasonable visitation with the child's parent that is consistent with the age and developmental needs of a child if the court finds that visitation is in a child's best interests. The court shall order contact between the parent and child, which contact may include but is not limited to telephone, virtual, or in-person visits, commencing within seventy-two hours after any hearing pursuant to section 19-3-403 (2) or (3.5), excluding Saturdays, Sundays, and any court holiday. The court may authorize an extension of time for contact to commence if the delay is agreed upon by the parent, county department, and guardian ad litem or if the court finds that a delay in contact is in the child's best interests.

(2) Nothing in this section restricts the court from granting discretionary authority to the department and guardian ad litem to increase opportunities for additional parent-child contacts or sibling contacts without further court order.

(3) *[Editor's note: This version of subsection (3) is effective until January 9, 2023.]* Absent the issuance of an emergency order, a parent granted visitation is entitled to a hearing prior to an ongoing reduction in, suspension of, or increase in the level of supervision, including a change from in-person visitation to virtual visitation. If the court issues an emergency order suspending, reducing, or restricting visitation, a parent is entitled to a hearing within seventy-two hours after the order is issued, excluding Saturdays, Sundays, and court holidays. The court need not hold a hearing if there is agreement by the petitioner, guardian ad litem, and parent to the reduction, suspension, or increase in level of supervision of visits. Any such agreement must be reduced to writing and filed with the court. Nothing in this section prevents the county department from canceling a visit if the child's health or welfare would be endangered or if the parent consents to the cancellation of the visit.

(3) *[Editor's note: This version of subsection (3) is effective January 9, 2023.]* Absent the issuance of an emergency order, a parent granted visitation is entitled to a hearing prior to an ongoing reduction in, suspension of, or increase in the level of supervision, including a change from in-person visitation to virtual visitation. If the court issues an emergency order suspending, reducing, or restricting visitation, a parent is entitled to a hearing within seventy-two hours after the order is issued, excluding Saturdays, Sundays, and court holidays. The court need not hold a hearing if there is agreement by the petitioner, guardian ad litem or counsel for youth, and parent to the reduction, suspension, or increase in level of supervision of visits. Any such agreement must be reduced to writing and filed with the court. Nothing in this section prevents the county department from canceling a visit if the child's health or welfare would be endangered or if the parent consents to the cancellation of the visit.

(4) Nothing in this section requires or permits a county department to arrange a visit if the visit would violate an existing protection order in any case pending in this state or any other state. The county department is not required to produce a child for court-ordered visitation if the visitation is made impossible due to the policies of a facility where the parent is incarcerated or in treatment.

PART 3

CHILD ABUSE OR NEGLECT

19-3-301. Short title. This part 3 shall be known and may be cited as the "Child Protection Act of 1987".

Source: L. 87: Entire title R&RE, p. 762, § 1, effective October 1.

Editor's note: This section was contained in a title that was repealed and reenacted in 1987. Provisions of this section, as it existed in 1987, are similar to those contained in 19-10-101 as said section existed in 1986, the year prior to the repeal and reenactment of this title.

19-3-302. Legislative declaration. (1) The general assembly declares that the complete reporting of child abuse is a matter of public concern and that, in enacting this part 3, it is the intent of the general assembly to protect the best interests of children of this state and to offer protective services in order to prevent any further harm to a child suffering from abuse. It is also the intent of the general assembly that if a county or group of counties decides to establish a child protection team, that the child protection teams publicly discuss public agencies' responses to child abuse and neglect reports so that the public and the general assembly are better informed concerning the operation and administration of this part 3.

(2) (a) The general assembly further declares that requiring people to report known or suspected child abuse or neglect pursuant to this part 3 impacts the people reporting as well as children and families. As a result of implicit bias, under-resourced communities, communities of color, and persons with disabilities are disproportionately impacted by the mandatory reporting system. To create a more equitable mandatory reporting system, people required to report child abuse or neglect must have access to necessary resources to report child abuse or neglect, including but not limited to:

(I) Specialized training to address and decrease the disproportionate impact on under-resourced communities, communities of color, and persons with disabilities;

(II) Standardized training and materials; and

(III) Information regarding obligations and protections pursuant to the law.

(b) Additionally, through the creation of a mandatory reporter task force in this part 3, diverse representatives from statewide organizations serving families and youth shall analyze best practices and may recommend changes to training materials and reporting procedures.

(7) The general assembly hereby finds, determines, and declares that a county department of human or social services shall place an abandoned child with a potential adoptive parent as soon as possible. The general assembly further declares that, as soon as lawfully possible, a county department of human or social services shall proceed with a motion to terminate the parental rights of a parent who abandons a child.

19-3-308. Action upon report of intrafamilial, institutional, or third-party abuse - investigations - child protection team - rules - report. (1) (a) The county department shall respond immediately upon receipt of any report of a known or suspected incident of intrafamilial abuse or neglect to assess the abuse involved and the appropriate response to the report. The assessment shall be in accordance with rules adopted by the state board of social services to determine the risk of harm to such child and the appropriate response to such risks. Appropriate responses shall include, but are not limited to, screening reports that do not require further investigation, providing appropriate intervention services, pursuing reports that require further investigation, and conducting immediate investigations. The immediate concern of any assessment or investigation shall be the protection of the child, and, where possible, the preservation of the family unit.

(b) Repealed.

(c) It shall be an appropriate response to a report of a known or suspected incident of intrafamilial abuse or neglect for a county department to require a parent or a child placement agency assisting a parent to verify that a petition for relinquishment has been filed or is imminent and to deem that a report does not require additional investigation pending finalization of the relinquishment in the following circumstance:

(I) When the report of a known or suspected incident of intrafamilial abuse or neglect involves a case in which the child tests positive at birth for either a schedule I or a schedule II controlled substance; and

(II) The parents of the child have filed or a child placement agency assisting the parents has filed a petition for relinquishment or anticipates filing a petition for relinquishment pursuant to the expedited relinquishment process described in section 19-5-103.5.

(1.5) (a) Upon referral to the county department, the county department shall assess the possibility of abuse or neglect.

(b) If, during the investigation and assessment process, the county department determines that the family's issues may be attributable to the child's mental health status, rather than dependency or neglect issues, and that mental health treatment services pursuant to section 27-67-104 may be more appropriate, the county department shall contact the mental health agency, as that term is defined in section 27-67-103 (10). Within ten days after the commencement of the investigation, the county department shall meet with a representative from the mental health agency and the family. The county department, in conjunction with the mental health agency, shall jointly determine whether mental health services should be provided pursuant to section 27-67-104 or whether the provision of services through the county department is more appropriate.

(c) On and after April 15, 2010, if a county department of human or social services that is participating in the differential response program pursuant to section 19-3-308.3 determines from an assessment performed pursuant to paragraph (a) of this subsection (1.5) that the known

or suspected incident of intrafamilial abuse or neglect that was the basis for the assessment is of low or moderate risk, the county department, in lieu of performing an investigation pursuant to this section, may proceed in accordance with the provisions of section 19-3-308.3.

(2) The investigation, to the extent that it is reasonably possible, shall include:

- (a) The credibility of the source or the report;
- (b) The nature, extent, and cause of the abuse or neglect;
- (c) The identity of the person responsible for such abuse or neglect;
- (d) The names and conditions of any other children living in the same place;
- (e) The environment and the relationship of any children therein to the person responsible for the suspected abuse or neglect;
- (f) All other data deemed pertinent.

(3) (a) The investigation shall include an interview with or observance of the child who is the subject of a report of abuse or neglect. The investigation may include a visit to the child's place of residence or place of custody or wherever the child may be located, as indicated by the report. In addition, in connection with any investigation, the alleged perpetrator shall be advised as to the allegation of abuse and neglect and the circumstances surrounding such allegation and shall be afforded an opportunity to respond.

(b) If admission to the child's place of residence cannot be obtained, the juvenile court or the district court with juvenile jurisdiction, upon good cause shown, shall order the responsible person or persons to allow the interview, examination, and investigation. Should the responsible person or persons refuse to allow the interview, examination, and investigation, the juvenile court or the district court with juvenile jurisdiction shall hold an immediate proceeding to show cause why the responsible person or persons shall not be held in contempt of court and committed to jail until such time as the child is produced for the interview, examination, and investigation or until information is produced that establishes that said person or persons cannot aid in providing information about the child. Such person or persons may be held without bond. During the course of any such hearing, the responsible person or persons, or any necessary witness, may be granted use immunity by the district attorney against the use of any statements made during such hearing in a subsequent or pending criminal action.

(4) (a) The county department, except as provided in subsections (5) and (5.3) of this section, shall be the agency responsible for the coordination of all investigations of all reports of known or suspected incidents of intrafamilial abuse or neglect. The county department shall arrange for such investigations to be conducted by persons trained to conduct either the complete investigation or such parts thereof as may be assigned. The county department shall conduct the investigation in conjunction with the local law enforcement agency, to the extent a joint investigation is possible and deemed appropriate, and any other appropriate agency. The county department may arrange for the initial investigation to be conducted by another agency with personnel having appropriate training and skill. The county department shall provide for persons to be continuously available to respond to such reports. Contiguous counties may cooperate to fulfill the requirements of this subsection (4). The county department or other agency authorized to conduct the investigation pursuant to this subsection (4), for the purpose of such investigation, shall have access to the records and reports of child abuse or neglect maintained by the state department for information under the name of the child or the suspected perpetrator.

(b) Upon the receipt of a report, if the county department reasonably believes that an incident of intrafamilial abuse or neglect has occurred, it shall immediately offer social services

to the child who is the subject of the report and his family and may file a petition in the juvenile court or the district court with juvenile jurisdiction on behalf of such child. If, before the investigation is completed, the opinion of the investigators is that assistance of the local law enforcement agency is necessary for the protection of the child or other children under the same care, the local law enforcement agency shall be notified. If immediate removal is necessary to protect the child or other children under the same care from further abuse, the child or children may be placed in protective custody in accordance with sections 19-3-401 (1)(a) and 19-3-405.

(c) Upon the receipt of a report, if the county department assessment concludes that a child has been a victim of intrafamilial, institutional, or third-party abuse or neglect in which he or she has been subjected to human trafficking of a minor for sexual servitude, as described in section 18-3-504, or commercial sexual exploitation of a child, it shall, when necessary and appropriate, immediately offer social services to the child who is the subject of the report and to his or her family, and it may file a petition in the juvenile court or the district court with juvenile jurisdiction on behalf of such child. If, at any time after the commencement of an investigation, the county department has reasonable cause to suspect that the child or any other child under the same care is a victim of human trafficking, the county department shall notify the local law enforcement agency as soon as it is reasonably practicable to do so. If immediate removal is necessary to protect the child or other children under the same care from further abuse, the child or children may be placed in protective custody in accordance with sections 19-3-401 (1)(a) and 19-3-405. In instances of third-party abuse or neglect as it relates to human trafficking, a county department of human or social services may, but is not required to, interview the person alleged to be responsible for the abuse or neglect or prepare an investigative report pursuant to subsection (5.3)(a) of this section. If a county department elects to interview the third-party individual, it shall first confer with its local law enforcement agency.

(4.5) (a) The state department shall adopt rules setting forth procedures for the investigation of reports of institutional abuse. Such rules may provide for investigations to be conducted by an agency that contracts with the state and has staff trained to conduct investigations, the county departments, or any other entity the state department deems appropriate. The procedures may include the use of a review team responsible to make recommendations to the state department concerning the procedures for investigating institutional abuse.

(a.5) (I) The state department shall adopt rules that specify that, prior to notice of an investigation being sent to the parents or legal guardians of children cared for at a child care center, as that term is defined in section 26-6-903 or 26.5-5-303, or a family child care home, as that term is defined in section 26.5-5-303, which children were not involved in the incident being investigated, the state department or the county department shall ensure that:

(A) The incident of alleged child abuse or neglect that prompted the investigation is at the level of a medium, severe, or fatal incident of abuse or neglect, as defined by rule of the state board, or involves sexual abuse;

(B) The state department or county department has made a determination as to whether notice to the parents or legal guardians of the uninvolved children is essential to the investigation of the specific allegation or is necessary for the safety of children cared for at the facility; and

(C) The state department or county department has stated in writing the basis for the determination and a state department or county department supervisor has provided written approval of the determination, which basis and approval may be in electronic form.

(II) The rules adopted pursuant to subparagraph (I) of this paragraph (a.5) shall require the notice of investigation to be sent to the parents or legal guardians within seventy-two hours after the determination described in sub-subparagraph (B) of subparagraph (I) of this paragraph (a.5) is made.

(b) If, as a result of an investigation conducted pursuant to rules adopted in accordance with this subsection (4.5), institutional abuse is found to have occurred, the entity that conducted such investigation may:

(I) If the institutional abuse is the result of a single act or occurrence at the facility, request that the owner, operator, or administrator of the facility formulate a plan of remedial action. Such request shall be made within a period established by the state department. Within thirty days of the agency's request, the owner, operator, or administrator of the facility shall notify the agency, in writing, of a plan for remedial action. Within ninety days of the request, the owner, operator, or administrator shall complete the plan for remedial action.

(II) If the institutional abuse is one of several similar incidents that have occurred at the facility, request that the owner, operator, or administrator of the facility make administrative, personnel, or structural changes at the facility. Such request shall be made within a period established by the state department. Within thirty days of such request, the owner, operator, or administrator of the facility shall notify the agency of the progress in complying with the request. The agency and the owner, operator, or administrator shall establish the period in which the requested changes shall be completed.

(III) If an owner, operator, or administrator of a facility does not formulate or implement a plan for remedial action in accordance with subparagraph (I) of this paragraph (b) or make requested changes in accordance with subparagraph (II) of this paragraph (b), recommend to the entity that licenses, oversees, certifies, or authorizes the operation of the facility that appropriate sanctions or actions be imposed against the facility.

(c) A teacher, employee, volunteer, or staff person of an institution who is alleged to have committed an act of child abuse shall be temporarily suspended from his position at the institution with pay, or reassigned to other duties which would remove the risk of harm to the child victim or other children under such person's custody or control, if there is reasonable cause to believe that the life or health of the victim or other children at the institution is in imminent danger due to continued contact between the alleged perpetrator and a child at the institution. A public employee suspended pursuant to this paragraph (c) shall be accorded and may exercise due process rights, including notice of the proposed suspension and an opportunity to be heard, and any other due process rights provided under the laws of this state governing public employment and under any applicable individual or group contractual agreement. A private employee suspended pursuant to this subsection (4.5) shall be accorded and may exercise due process rights provided for under the laws of this state governing private employment and under any applicable individual or group employee contractual agreement.

(d) Nothing in this subsection (4.5) shall be construed to abrogate or limit any other enforcement action provided by law.

(5) If a local law enforcement agency receives a report of a known or suspected incident of intrafamilial abuse or neglect, it shall forthwith attempt to contact the county department in order to refer the case for investigation. If the local law enforcement agency is unable to contact the county department, it shall forthwith make a complete investigation and may institute appropriate legal proceedings on behalf of the subject child or other children under the same

care. As a part of an investigation pursuant to this subsection (5), the local law enforcement agency shall have access to the records and reports of child abuse or neglect maintained by the state department for information under the name of the child or the suspected perpetrator. The local law enforcement agency, upon the receipt of a report and upon completion of any investigation it may undertake, shall forthwith forward a summary of the investigatory data plus all relevant documents to the county department.

(5.3) (a) Local law enforcement agencies have the responsibility for the coordination and investigation of all reports of third-party abuse or neglect by persons ten years of age or older. Upon receipt of a report, if the local law enforcement agency reasonably believes that the protection and safety of a child is at risk due to an act or omission on the part of persons responsible for the child's care, such agency shall notify the county department of human or social services for an assessment regarding neglect or dependency. In addition, the local law enforcement agency shall refer to the county department of human or social services any report of third-party abuse or neglect in which the person allegedly responsible for such abuse or neglect is under age ten. Upon the completion of an investigation, the local law enforcement agency shall forward a copy of its investigative report to the county department of human or social services. The county department shall review the law enforcement investigative report and shall determine whether the report contains information that constitutes a case of confirmed child abuse and requires it to be submitted to the state department, which report, upon such determination, shall be submitted to the state department in the manner prescribed by the state department within sixty days after the receipt of the report by the county department.

(b) If, before an investigation is completed, the local law enforcement agency determines that social services are necessary for the child and, if applicable, the child's family or that assistance from the county department of human or social services is otherwise required, the agency may request said services or assistance from the county department. The county department shall immediately respond to a law enforcement agency's request for services or assistance in a manner deemed appropriate by the county department.

(c) When the investigation involves a suspected perpetrator who was acting in his official capacity as an employee of a school district, the local law enforcement agency shall coordinate such investigation with any concurrent abuse investigation being conducted by the department of education or the school district to the extent such coordination is possible and deemed appropriate.

(5.5) Upon the receipt of a report, if the county department reasonably believes that an incident of abuse or neglect has occurred, it shall immediately notify the local law enforcement agency responsible for investigation of violations of criminal child abuse laws. The local law enforcement agency may conduct an investigation to determine if a violation of any criminal child abuse law has occurred. It is the general assembly's intent that, in each county of the state, law enforcement agencies and the respective county departments of human or social services develop and implement cooperative agreements to coordinate duties of both agencies in connection with the investigation of all child abuse or neglect cases and that the focus of such agreements is to ensure the best protection for the child. The agreements must provide for special requests by one agency for assistance from the other agency and for joint investigations by both agencies.

(5.7) Upon initial investigation of a report alleging abuse or neglect in which the suspected perpetrator was acting in his official capacity as an employee of a school district, if the

county department or the local law enforcement agency reasonably believes that an incident of abuse or neglect has occurred, it shall immediately notify the superintendent of the school district who shall consider such report to be confidential information; except that the superintendent shall notify the department of education of such investigation.

(6) (a) It is the intent of the general assembly to encourage the creation of one or more child protection teams in each county or contiguous group of counties. The creation of a child protection team in any given county is left to the discretion of the county director or the directors of a contiguous group of counties. If a county director or the directors of a contiguous group of counties decides to form a child protection team, the child protection team may be consolidated with other local advisory boards pursuant to section 24-1.7-103. If a child protection team is formed pursuant to this section in a county or contiguous group of counties, the director or directors of the county department or departments of human or social services may, at their discretion, implement the provisions of this section.

(b) If a child protection team is established pursuant to subsection (6)(a) of this section, it may review an assessment or the investigatory reports of a case, including the diagnostic, prognostic, and treatment services being offered to the family in connection with the reported abuse.

(c) At each meeting, each member of a child protection team established pursuant to subsection (6)(a) of this section may be provided with the investigatory reports on each assessment or case being considered.

(d) and (e) (Deleted by amendment, L. 91, p. 223, § 4, effective May 24, 1991.)

(f) Immediately after any executive session at which a child abuse or neglect case is discussed, a child protection team established pursuant to subsection (6)(a) of this section shall publicly review the responses of public and private agencies to each reported incident of child abuse or neglect, publicly state whether the responses were timely, adequate, and in compliance with the provisions of this part 3, and publicly report nonidentifying information relating to any inadequate responses, specifically indicating the public and private agencies involved.

(g) After this mandatory public discussion of agency responses, a child protection team established pursuant to subsection (6)(a) of this section shall go into executive session upon the vote of a majority of the child protection team members to consider identifying details of the case being discussed; discuss confidential reports, including but not limited to the reports of physicians, including psychiatrists; or, when the members of the child protection team desire, act as an advisory body concerning the details of treatment or evaluation programs. The child protection team shall state publicly, before going into executive session, its reasons for doing so. Any recommendation based on information presented in the executive session shall be discussed and formulated at the immediately succeeding public session of the child protection team, without publicly revealing identifying details of the case.

(h) At the next regularly scheduled meeting of a child protection team established pursuant to subsection (6)(a) of this section, or at the earliest possible time, the child protection team shall publicly report whether there were any lapses and inadequacies in the child protection system and if they have been corrected.

(i) A child protection team established pursuant to subsection (6)(a) of this section may make a report of its recommendations to the county department with suggestions for further action or stating that the child protection team has no recommendations or suggestions. Contiguous counties may cooperate in meeting the requirements of this subsection (6).

(7) If a county or group of contiguous counties decides to establish a child protection team pursuant to subsection (6)(a) of this section, each member of the child protection team is appointed by the agency he or she represents, and each child protection team member serves at the pleasure of his or her appointing agency; except that the county director may appoint the representatives of the lay community, including the representatives of any ethnic, racial, or linguistic minority, as well as persons with disabilities, and may actively recruit all interested individuals and consider their applications for appointment as lay-community representatives on the team.

(8) The county director or his or her designee is the local coordinator of the child protection team, if one is established pursuant to subsection (6)(a) of this section.

(9) Repealed.

(4) The state department and the participating county departments shall administer the program in accordance with rules promulgated by the state board pursuant to subsection (6) of this section.

19-3-308.5. Recorded interviews of child. (1) Any interview of a child conducted pursuant to section 19-3-308, concerning a report of child abuse, may be audiotaped or videotaped. However, interviews concerning reports of sexual child abuse are strongly encouraged to be videotaped. A competent interviewer at a child advocacy center, as that term is defined in section 19-1-103, that has a memorandum of understanding with the agency responsible for the investigation or a competent interviewer for the agency responsible for the investigation in accordance with such section shall conduct an audiotaped or videotaped interview; except that an interview must not be videotaped when doing so is impracticable under the circumstances or will result in trauma to the child, as determined by the investigating agency. No more than one videotaped interview is required unless the interviewer or the investigating agency determines that additional interviews are necessary to complete an investigation. The same interviewer shall conduct additional interviews, to the extent possible. The recordings must be preserved as evidence in the manner and for a period provided by law for maintaining such evidence. In addition, access to the recordings is subject to the rules of discovery under the Colorado rules of criminal and civil procedure.

(2) The provisions of this section shall not apply to a videotaped deposition taken in accordance with and governed by section 18-3-413, C.R.S., or section 13-25-132, C.R.S., and rule 15 (d) of the Colorado rules of criminal procedure. In addition, this section shall not apply to interviews of the child conducted after a dependency and neglect action or a criminal action has been filed with the court.

(3) Any agency subject to the provisions of this section shall provide equipment necessary to videotape or audiotape the interviews or shall enter into a memorandum of understanding with a child advocacy center authorizing the use of such equipment. The investigating agency shall train persons responsible for conducting videotaped interviews in

accordance with this section; except that the agency shall not be responsible for training interviewers employed by a child advocacy center. The agency shall adopt standards for persons conducting such interviews.

(4) An agency that enters into a memorandum of understanding with a child advocacy center that employs interviewers shall assure that such interviewers meet the training standards for persons conducting interviews adopted by the agency pursuant to subsection (3) of this section. In addition, an agency that enters into a memorandum of understanding with a child advocacy center that provides technical assistance for forensic interviews, forensic medical examinations, or evidence collection or preservation may require that the child advocacy center meets the national performance standards for children's advocacy centers as established by the national accrediting body. These standards include, but are not limited to, standards for forensic interviews to be conducted in a manner which is of a neutral, fact-finding nature and coordinated to avoid duplicative interviewing.

19-3-309.5. Preconfirmation safety plan agreement - first-time minor incidents of child abuse or neglect - rules. (1) The county department and any person who is believed to be responsible for the abuse or neglect of a child as a result of an investigation of a report of child

abuse or neglect pursuant to section 19-3-308 may agree to defer the filing of a confirmed report of child abuse or neglect with the state department as required by section 19-3-307 and enter into a safety plan agreement when the following circumstances exist:

(a) The person who is believed to be responsible for the child abuse or neglect has had no previous allegation of child abuse or neglect investigated;

(b) The child abuse or neglect that the person is believed to be responsible for is at the level of a minor incident of abuse or neglect, as defined by rule of the state board;

(c) The person who is believed to be responsible for the minor incident of child abuse or neglect and the county department decide on a mutually agreeable method for resolving the issues related to the report; and

(d) The requirements set forth in the safety plan agreement for resolving the issues related to the report can be completed within sixty days after the report of child abuse or neglect is made to the county department or the local law enforcement agency.

(2) (a) If a person who is believed to be responsible for the child abuse or neglect completes the mutually agreed upon safety plan agreement entered into pursuant to subsection (1) of this section, then the county department shall release him or her from the terms of the agreement and shall not file a confirmed report of child abuse or neglect related to the incident with the state department.

(b) If a person who is believed to be responsible for the child abuse or neglect does not complete the mutually agreed upon safety plan agreement entered into pursuant to subsection (1) of this section, as determined by the county department, then the county department shall file a confirmed report of child abuse or neglect with the state department.

(c) Nothing in this section shall be construed to eliminate a county department's obligation to report to the state department that there was an investigation of a report of abuse or neglect of a child and to further report the county department's assessment of risk, the county department's decision regarding a referral of the matter to child welfare services, and any county department decision to defer the filing of a confirmed report of child abuse or neglect pursuant to this section.

(3) Participation in a safety plan agreement by any county department and by any person who is believed to be responsible for child abuse or neglect shall be at the discretion of the person believed to be responsible for the child abuse or neglect. (4) Nothing in this section shall be construed to obligate a county department to expend moneys to provide services to persons for the purpose of entering into a safety plan agreement pursuant to this section.

(5) For purposes of this section, "safety plan agreement" means an agreement between the county department and the person who is believed to be responsible for the abuse or neglect of a child, developed pursuant to this section after a safety assessment is completed by the county department that identifies conditions that will endanger the child, in order to fully address all obvious safety concerns identified in the safety assessment.

(6) The state board shall promulgate rules to implement this section.

(7) An agreement to enter into a safety plan agreement pursuant to this section shall not negate a person's right to appeal a later finding of child abuse or neglect.

19-3-313.5. State department duties - reports of child abuse or neglect - training of county departments - rules - notice and appeal process - confidentiality. (1) **Legislative declaration.** As a result of the report of the state auditor evaluating the performance of the state central registry of child protection released in November of 2001 and the subsequent repeal of the state central registry of child protection, the general assembly hereby finds and declares that it is in the best interests of the children and the citizens of the state of Colorado for the state department to modify the processing of records and reports of child abuse or neglect. These modifications are intended to ensure that the state department is able to provide reliable, accurate, and timely information concerning records and reports of child abuse or neglect. In addition, these modifications are intended to ensure compliance with federal law regarding the prompt expungement of any records or reports that are used for purposes of employment checks or other background checks in cases determined to be unsubstantiated or false, while allowing the state department to maintain such records and reports in case files for the purpose of assisting in determinations of future risk and safety assessments. Finally, these modifications are intended to ensure that the state department's procedural systems related to records and reports of child abuse or neglect provide adequate protection to the children and the citizens of the state of Colorado.

(2) **Training of county departments.** On or before January 1, 2004, the state department shall modify the training provided to county departments to achieve consistency and standardization in the performance of the following duties:

19-3-307 may appeal the finding of a confirmed report of child abuse or neglect to the state department. At a minimum, the rules established pursuant to this subsection (3) must address the following matters, consistent with federal law:

(a) The provision of adequate and timely written notice by the county departments of human or social services or, for an investigation pursuant to section 19-3-308 (4.5), by the agency that contracts with the state, using a form created by the state department, to a person found to be responsible in a confirmed report of child abuse or neglect of the person's right to appeal the finding of a confirmed report of child abuse or neglect to the state department;

(b) The timeline and method for appealing the finding of a confirmed report of child abuse or neglect;

(c) Designation of the entity, which entity must be one other than a county department of human or social services, with the authority to accept and respond to an appeal by a person found to be responsible in a confirmed report of child abuse or neglect at each stage of the appellate process;

(d) The legal standards involved in the appellate process and a designation of the party who bears the burden of establishing that each standard is met;

(e) The confidentiality requirements of the appeals process; and

(f) Provisions requiring, and procedures in place that facilitate, the prompt expungement of and prevent the release of any information contained in any records and reports that are accessible to the general public or are used for purposes of employment or background checks in cases determined to be unsubstantiated or false; except that the state department and the county departments of human or social services may maintain information concerning unsubstantiated reports in casework files to assist in future risk and safety assessments.

PART 4

TEMPORARY CUSTODY AND SHELTER

19-3-401. Taking children into custody. (1) A child may be taken into temporary custody by a law enforcement officer without order of the court:

(a) When the child is abandoned, lost, or seriously endangered in such child's surroundings or seriously endangers others and immediate removal appears to be necessary for such child's protection or the protection of others;

(b) When there are reasonable grounds to believe that such child has run away or escaped from such child's parents, guardian, or legal custodian and the child's parents, guardian, or legal custodian has not made a report to a law enforcement agency that the child has run away from home; or

(c) When an arrest warrant has been issued for such child's parent or guardian on the basis of an alleged violation of section 18-3-304, C.R.S. No child taken into temporary custody pursuant to this paragraph (c) shall be placed in detention or jail.

(1.3) A child shall be taken into temporary custody by a law enforcement officer without order of the court when there are reasonable grounds to believe the child has run away from the child's parents, guardian, or legal custodian and the child's parents, guardian, or legal custodian has made a report to a law enforcement agency that the child has run away from home.

(1.5) An emergency exists and a child is seriously endangered as described in paragraph (a) of subsection (1) of this section whenever the safety or well-being of a child is immediately at issue and there is no other reasonable way to protect the child without removing the child from the child's home. If such an emergency exists, a child shall be removed from such child's home and placed in protective custody regardless of whether reasonable efforts to preserve the family have been made.

(2) The taking of a child into temporary custody under this section shall not be deemed an arrest, nor shall it constitute a police record.

(3) (a) Notwithstanding subsections (1) and (1.5) of this section and except as otherwise provided in subsections (3)(b) and (3)(c) of this section, a newborn child, as defined in section 19-1-103, who is not in a hospital setting must not be taken into temporary protective custody for a period of longer than twenty-four hours without an order of the court made pursuant to section 19-3-405 (1). The order must include findings that an emergency situation exists and that the newborn child is seriously endangered as described in subsection (1)(a) of this section.

(b) A newborn child, as defined in section 19-1-103, who is in a hospital setting must not be taken into temporary protective custody without an order of the court made pursuant to section 19-3-405 (1). The order must include findings that an emergency situation exists and that the newborn child is seriously endangered as described in subsection (1)(a) of this section. A newborn child may be detained in a hospital by a law enforcement officer upon the recommendation of a county department or by a physician, registered nurse, licensed practical nurse, or physician assistant while an order of the court pursuant to section 19-3-405 (1) is being

pursued, but the newborn child must be released if a court order pursuant to section 19-3-405 (1) is denied.

(c) The court orders required by subsections (3)(a) and (3)(b) of this section are not required in the following circumstances:

(I) When a newborn child is identified by a physician, registered nurse, licensed practical nurse, or physician assistant engaged in the admission, care, or treatment of patients as being affected by substance abuse or demonstrating withdrawal symptoms resulting from prenatal drug exposure;

(II) When the newborn child's only identifiable birth parent has been determined by a physician, registered nurse, or qualified mental health professional to meet the criteria specified in section 27-65-106 for custody, treatment, and evaluation of a mental health disorder or grave disability;

(III) When both of the newborn child's birth parents have been determined by a physician, registered nurse, or qualified mental health professional to meet the criteria specified in section 27-65-106 for custody, treatment, and evaluation of a mental health disorder or grave disability; or

(IV) When the newborn child is subject to an environment exposing the newborn child to a laboratory for manufacturing controlled substances as defined in section 18-18-102 (5), C.R.S.

(d) At the time a law enforcement officer takes a newborn child into temporary protective custody, the law enforcement officer shall provide the notices required by sections 19-3-402 and 19-3-212 directly to the newborn child's identifiable birth parent or parents in both verbal and written form. Such notices may be provided to the child's identifiable birth parent or parents in a language that the birth parent or parents understand, and the law enforcement officer may designate another person to assist him or her in providing such written and verbal notices to fulfill this requirement, if necessary.

(e) If a newborn child is taken into temporary protective custody pursuant to this subsection (3), the county department may contact the child's identifiable birth parent or parents to obtain the names of any relatives or other persons in the parent's or parents' community who may be appropriate, capable, and willing to care for the newborn child prior to the hearing required by section 19-3-403. In addition, if the identifiable parent or parents are not citizens of the United States, the county department may request the parent's or parents' consent to notify the parent's or parents' government of origin of the situation and, if consent is given, may contact the parent's or parents' government of origin.

19-3-402. Duty of officer - notification - release or detention. (1) When a child is taken into temporary custody, the officer shall notify a parent, guardian, or legal custodian without unnecessary delay and inform him that, if the child is placed out of the child's home, all parties have a right to a prompt hearing to determine whether the child is to remain out of the child's home for a further period of time. Such notification may be made to a person with whom the child is residing if a parent, guardian, or legal custodian cannot be located. If the officer taking the child into custody is unable to make such notification, it may be made by any other law enforcement officer, probation officer, detention center counselor, shelter care provider, or common jailor in whose physical custody the child is placed.

(2) (a) The child shall then be released to the care of his or her parents or other responsible adult, unless it is in the child's best interests and necessary for the child's welfare to be placed out of the child's home. In the event the child is placed out of the child's home, if in the best interests of the child, preference may be given to placing the child with the child's grandparent who is appropriate, capable, willing, and available to care for the child. The court may make reasonable orders as conditions of said release and may provide that any violation of such orders shall subject the child or the child's parent, guardian, or legal custodian to contempt sanctions of the court. The parent or other person to whom the child is released may be required to sign a written promise, on forms supplied by the court, to bring the child to the court at a time set or to be set by the court.

(b) Notwithstanding the provisions of paragraph (a) of this subsection (2) to the contrary, when the child is part of a sibling group and the sibling group is being placed out of the home, if the county department locates an appropriate, capable, willing, and available joint placement for all of the children in the sibling group, it shall be presumed that placement of the entire sibling group in the joint placement is in the best interests of the children. Such presumption may be rebutted by a preponderance of the evidence that placement of the entire sibling group in the joint placement is not in the best interests of a child or of the children.

(3) (a) Except as provided in paragraph (b) of this subsection (3), a child shall not be detained by law enforcement officials any longer than is reasonably necessary to obtain his name, age, residence, and other necessary information and to contact his parents, guardian, or legal custodian.

(b) If he is not released as provided in subsection (2) of this section, he shall be taken directly to the court or to the place of detention, or a temporary holding facility, or a shelter designated by the court without unnecessary delay.

(4) The officer or other person who takes a child to a detention or shelter facility or a temporary holding facility shall notify the court and any agency or persons so designated by the court at the earliest opportunity that the child has been taken into custody and where he has been taken. He shall also promptly file a brief written report with the court and any agency or person so designated by the court stating the facts which led to the child being taken into custody and the reason why the child was not released.

Editor's note: This section was contained in a title that was repealed and reenacted in 1987. Provisions of this section, as it existed in 1987, are similar to those contained in 19-2-102 as said section existed in 1986, the year prior to the repeal and reenactment of this title.

19-3-403. Temporary custody - hearing - time limits - restriction - rules. (1) A child who must be taken from his or her home but who does not require physical restriction may be given temporary care with his or her grandparent, upon the grandparent's request, if in the best interests of the child, in a shelter facility designated by the court or with the county department of human or social services and must not be placed in detention. If an appropriate shelter facility does not exist, the child may be placed in a staff-secure temporary holding facility authorized by the court.

(2) When a child is placed in a shelter facility or a temporary holding facility not operated by the department of human services designated by the court, the law enforcement official taking the child into custody shall promptly so notify the court. He shall also notify a parent or legal guardian or, if a parent or legal guardian cannot be located within the county, the person with whom the child has been residing and inform him of the right to a prompt hearing to determine whether the child is to be detained further. The court shall hold such hearing within forty-eight hours, excluding Saturdays, Sundays, and legal holidays. A child requiring physical restraint may be placed in a juvenile detention facility operated by or under contract with the department of human services for a period of not more than twenty-four hours, including Saturdays, Sundays, and legal holidays.

(3) Repealed.

(3.5) When temporary custody is placed with the county department of human or social services pursuant to this section or section 19-3-405 or when an emergency protection order is entered pursuant to section 19-3-405, the court shall hold a hearing within seventy-two hours after placement, excluding Saturdays, Sundays, and court holidays, to determine further custody of the child or whether the emergency protection order should continue. Such a hearing need not be held if a hearing has previously been held pursuant to subsection (2) of this section.

(3.6) (a) (I) The office of the state court administrator shall prepare a form affidavit and advisement. The form affidavit and advisement shall be available at each judicial district to each parent attending a temporary custody hearing. The form affidavit and advisement shall:

(A) Advise the parent that he or she is required to provide the requested information fully and completely under penalties of perjury and contempt of court;

(B) Require the parent to list the names, addresses, and telephone numbers of, and any comments concerning the appropriateness of the child's potential placement with, every grandparent, aunt, uncle, brother, sister, half-sibling, and first cousin of the child;

(C) Provide a section in which the parent may list the names, addresses, telephone numbers of, and any comments concerning the appropriateness of the child's potential placement with, other relatives and kin who have a significant relationship with the child;

(D) Advise the parent that failure to identify these relatives in a timely manner may result in the child being placed permanently outside of the home of the child's relatives, if the child cannot be safely returned to the home of the child's parents;

(E) Advise the parent that the child may risk life-long damage to his or her emotional well-being if the child becomes attached to one caregiver and is later removed from the caregiver's home;

(F) Require the parent to acknowledge that he or she understands the advisements contained in the form; and

(G) Require the parent to sign and date the form.

(II) At the hearing, information may be supplied to the court in the form of written or oral reports, affidavits, testimony, or other relevant information that the court may wish to receive. Any information having probative value may be received by the court, regardless of its admissibility under the Colorado rules of evidence.

(III) **[Editor's note: This version of subsection (3.6)(a)(III) is effective until January 9, 2023.]** The court shall advise the parents of the child that the child may be placed with a relative if, in the court's opinion, such placement is appropriate and in the child's best interests. The court shall order the parents to complete the form affidavit and advisement described in subparagraph (I) of this paragraph (a) no later than seven business days after the date of the hearing or prior to the next hearing on the matter, whichever occurs first. The original completed form shall be filed with the court, and a copy delivered to the county department of human or social services no later than five business days after the date of the hearing. Each parent, the guardian ad litem, and counsel for each parent, if any, shall also receive copies of the completed form. The court may advise each parent of the penalties associated with perjury and contempt of court, if necessary. Each parent may suggest an adult relative or relatives whom he or she believes to be the most appropriate caretaker or caretakers for the child. If appropriate, the child or children shall be consulted regarding suggested relative caretakers. The court shall order each parent to notify every relative who may be an appropriate relative caretaker for the child that failure to come forward in a timely manner may result in the child being placed permanently outside of the home of the child's relatives, if the child is not able to return to the child's home. In addition, the court shall advise each parent that failure to identify these relatives in a timely manner may result in the child being placed permanently outside of the home of the child's relatives.

(III) **[Editor's note: This version of subsection (3.6)(a)(III) is effective January 9, 2023.]** The court shall advise the child's parents that the child may be placed with a relative if, in the court's opinion, such placement is appropriate and in the child's best interests. The court shall order the parents to complete the form affidavit and advisement described in subsection (3.6)(a)(I) of this section no later than seven business days after the date of the hearing or prior to the next hearing on the matter, whichever occurs first. The original completed form must be filed with the court, and a copy delivered to the county department of human or social services no later than five business days after the date of the hearing. Each parent, the guardian ad litem

or counsel for youth, and counsel for each parent, if any, shall also receive copies of the completed form. The court may advise each parent of the penalties associated with perjury and contempt of court, if necessary. Each parent may suggest an adult relative or relatives whom the parent believes to be the most appropriate caretaker or caretakers for the child. If appropriate, the child or children shall be consulted regarding suggested relative caretakers. The court shall order each parent to notify every relative who may be an appropriate relative caretaker for the child that failure to come forward in a timely manner may result in the child being placed permanently outside of the home of the child's relatives, if the child is not able to return to the child's home. In addition, the court shall advise each parent that failure to identify these relatives in a timely manner may result in the child being placed permanently outside of the home of the child's relatives.

(IV) The court shall order a county department of human or social services to exercise due diligence to contact all grandparents and other adult relatives within thirty days following the removal of the child and to inform them about placement possibilities for the child, unless the court determines there is good cause not to contact or good cause to delay contacting the child's relatives, including but not limited to family or domestic violence. A county department of human or social services shall provide notice to the relatives that the child has been removed from his or her home; options under federal, state, and local law to participate in the child's care or placement; options that may be lost by failing to respond; and requirements to become a foster parent, and services and supports available to the child placed in a foster home. The county department of human or social services shall advise each appropriate identified relative that the possibility for placement of the child in his or her home may terminate at a future date; request each such relative who is interested in becoming a placement option for the child to come forward at the earliest possible time to seek placement of the child in his or her home and to cooperate with the county department of human or social services to expedite procedures pertaining to the placement of the child in his or her home, if the child cannot be safely returned to the home of the child's parents. The department of human services shall promulgate rules for the implementation of this subparagraph (IV) and subparagraph (III) of this paragraph (a).

(V) The court may consider and give preference to giving temporary custody to a child's relative who is appropriate, capable, willing, and available for care if it is in the best interests of the child and if the court finds that there is no suitable birth or adoptive parent available, with due diligence having been exercised in attempting to locate any such birth or adoptive parent. The court may place or continue custody with the county department of human or social services if the court is satisfied from the information presented at the hearing that such custody is appropriate and in the child's best interests, or the court may enter such other orders as are appropriate. The court may authorize the county department of human or social services with custody of a child to place the child with a relative without the necessity for a hearing if a county department locates an appropriate, capable, and willing relative who is available to care for the child and the guardian ad litem of the child concurs that the placement is in the best interests of the child. If the county department of human or social services places a child with a relative without a hearing pursuant to the provisions of this subsection (3.6)(a)(V), the county department shall fully inform the court of the details concerning the child's placement on the record at the next hearing. If the court enters an order removing a child from the home or continuing a child in a placement out of the home, the court shall make the findings required pursuant to section 19-1-115 (6), if such findings are warranted by the evidence.

(b) Notwithstanding the provisions of paragraph (a) of this subsection (3.6) to the contrary, when the child is part of a sibling group and the sibling group is being placed out of the home, if the county department locates an appropriate, capable, willing, and available joint placement for all of the children in the sibling group, the court shall presume that placement of the entire sibling group in the joint placement is in the best interests of the children. Such presumption may be rebutted by a preponderance of the evidence that placement of the entire sibling group in the joint placement is not in the best interests of a child or of the children.

(3.7) A child who is alleged to be a runaway from a state other than Colorado may be held in a shelter care or other appropriate facility for up to seven days, during which time arrangements shall be made for returning the child to the state of his residence.

(4) (a) ***[Editor's note: This version of subsection (4)(a) is effective until July 1, 2024.]*** If it appears that any child being held in a shelter facility may have an intellectual and developmental disability, as provided in article 10.5 of title 27, the court shall refer the child to the nearest case management agency, as defined in section 25.5-6-1702, for an eligibility determination. If it appears that any child being held in a shelter facility pursuant to this article 3 may have a mental health disorder, as provided in section 27-65-106, the intake personnel or other appropriate personnel shall contact a mental health professional to do a mental health disorder prescreening on the child. The court must be notified of the contact and may take appropriate action. If a mental health disorder prescreening is requested, it must be conducted in an appropriate place accessible to the child and the mental health professional. A request for a mental health disorder prescreening must not extend the time within which a hearing is to be held pursuant to this section. If a hearing has been set but has not yet occurred, the mental health disorder prescreening must be conducted prior to the hearing; except that the prescreening must not extend the time within which a hearing is to be held pursuant to this section.

(4) (a) ***[Editor's note: This version of subsection (4)(a) is effective July 1, 2024.]*** If it appears that any child being held in a shelter facility may have an intellectual and developmental disability, as provided in article 10.5 of title 27, the court shall refer the child to the nearest case management agency, as defined in section 25.5-6-1702, for an eligibility determination. If it appears that any child being held in a shelter facility pursuant to this article 3 may have a mental health disorder, as provided in section 27-65-106, the intake personnel or other appropriate personnel shall contact a mental health professional to do a mental health disorder prescreening on the child. The court must be notified of the contact and may take appropriate action. If a mental health disorder prescreening is requested, it must be conducted in an appropriate place accessible to the child and the mental health professional. A request for a mental health disorder prescreening must not extend the time within which a hearing is to be held pursuant to this section. If a hearing has been set but has not yet occurred, the mental health disorder prescreening must be conducted prior to the hearing; except that the prescreening must not extend the time within which a hearing is to be held pursuant to this section.

(b) If a child has been ordered detained pending an adjudication, disposition, or other court hearing and the child subsequently appears to have a mental health disorder, as provided in section 27-65-106, the intake personnel or other appropriate personnel shall contact the court with a recommendation for a mental health disorder prescreening. A mental health disorder prescreening must be conducted at any appropriate place accessible to the child and the mental health professional within twenty-four hours after the request, excluding Saturdays, Sundays, and legal holidays.

(c) If the mental health professional finds, as a result of the prescreening, that the child may have a mental health disorder, the mental health professional shall recommend to the court that the child be evaluated pursuant to section 27-65-106, and the court shall proceed as provided in section 19-3-506.

(d) Nothing in this subsection (4) precludes the use of procedures for an emergency mental health hold pursuant to section 27-65-106.

(5) The court may, at any time, order the release of any child being held pursuant to section 19-3-401 from shelter care or a temporary holding facility not operated by the department of human services without holding a hearing, either without restriction or upon written promise of the parent, guardian, or legal custodian to bring the child to the court at a time set or to be set by the court.

(6) (a) After making a reasonable effort to obtain the consent of the parent, guardian, or other legal custodian, the court may authorize or consent to medical, surgical, or dental treatment or care for a child placed in shelter care or a temporary holding facility not operated by the department of human services.

(b) When the court finds that emergency medical, surgical, or dental treatment is required for a child placed in shelter care or a temporary holding facility not operated by the department of human services, it may authorize such treatment or care if the parents, guardian, or legal custodian are not immediately available.

(7) The court may also issue temporary orders for legal custody as provided in section 19-1-115. The court shall enter visitation orders consistent with section 19-3-217.

(8) Any law enforcement officer, employee of the division in the department of human services responsible for youth services, or other person acting under the direction of the court who in good faith transports any child, releases any child from custody pursuant to a written policy of a court, releases any child from custody pursuant to any written criteria established pursuant to this title, or detains any child pursuant to court order or written policy or criteria established pursuant to this title shall be immune from civil or criminal liability that might otherwise result by reason of such act. For purposes of any proceedings, civil or criminal, the good faith of any such person shall be presumed.

19-3-403.5. Temporary shelter. (1) Temporary shelter is the temporary care of a child in a physically unrestricted setting pending a return to the child's home or placement in an appropriate alternate setting pursuant to applicable state law. Receiving temporary care in temporary shelter is voluntary and a child may leave at any time. A child may not be placed in a licensed temporary shelter facility for more than five days.

(2) A person or entity providing temporary shelter must allow for professionals to complete assessments to determine the child's treatment needs and establish plans to safely transition the child back to the care of the child's parent, guardian, legal custodian, or kin, or to another community-based facility or home, as informed by the relative information form described in section 19-2.5-1404 (1)(b)(VIII). A child in temporary shelter must have access to ongoing educational services.

(3) The general assembly strongly encourages a judicial district's juvenile services planning committee, or the judicial district if the judicial district has not established a juvenile services planning committee, to consider less restrictive settings, including kinship placement, foster care, respite care, and group homes that are small, home-like, and based in the community of the sheltered child, before relying on licensed temporary shelter facilities.

19-3-404. Temporary shelter - child's home. The court may find that it is not necessary to remove a child from his or her home to a temporary shelter facility and may provide temporary shelter in the child's home by authorizing a representative of the county or district department of human or social services, which has emergency caretaker services available, to remain in the child's home with the child until a parent, legal guardian, or relative of the child enters the home and expresses willingness and has the apparent ability, as determined by the state department, to resume charge of the child. In no event must such period of time exceed seventy-two hours. In the case of a relative, the relative is to assume charge of the child until a parent or legal guardian enters the home and expresses willingness and has the apparent ability, as determined by the state department, to resume charge of the child. The director of the county

or district department of human or social services shall designate in writing the representatives of the county or district departments of human or social services authorized to perform such duties.

19-3-405. Temporary protective custody. (1) In addition to other powers granted to the court for the protection of children, the court may issue verbal or written temporary protective custody orders or emergency protection orders, or both. Each judicial district shall be responsible for making available a person appointed by the judge of the juvenile court, who may be the judge, a magistrate, or any other officer of the court, to be available by telephone at all times to act with the authorization and authority of the court to issue such orders.

(2) (a) Temporary protective custody orders may be requested by the county department of human or social services, a law enforcement officer, an administrator of a hospital in which a child reasonably believed to have been neglected or abused is being treated, or any physician who has before him or her a child he or she reasonably believes has been abused or neglected, whether or not additional medical treatment is required, if such person or department believes that the circumstances or conditions of the child are such that continuing the child's place of residence or in the care and custody of the person responsible for the child's care and custody would present a danger to that child's life or health in the reasonably foreseeable future.

(b) Emergency protection orders may be requested by the county department of human or social services, a law enforcement officer, an administrator of a hospital in which a child reasonably believed to have been neglected or abused is being treated, or any physician who has before him or her a child the physician reasonably believes has been abused or neglected, whether or not additional medical treatment is required, if such person or department believes that the child is able to remain safely in the child's place of residence or in the care and custody of the person responsible for the child's care and custody only if certain emergency protection orders are entered. An emergency protection order may include but is not limited to:

- (I) Restraining a person from threatening, molesting, or injuring the child;
- (II) Restraining a person from interfering with the supervision of the child; or
- (III) Restraining a person from having contact with the child or the child's residence.

(3) The county department of human or social services must be notified of such action immediately by the court-appointed official in order that child protection proceedings may be initiated.

(4) In any case, such temporary protective custody or emergency protection shall not exceed seventy-two hours, excluding Saturdays, Sundays, and court holidays.

19-3-406. Fingerprint-based criminal history record check - providers of emergency placement for children - use of criminal justice records - definitions - rules. (1)

(a) Any time a child is taken into temporary custody by a law enforcement officer and any time the court places temporary custody of a child with a county department pursuant to the provisions of this part 4, and a relative or other available person is identified as a potential emergency placement for the child, the county department or a local law enforcement agency shall immediately conduct an initial criminal history record check of the relative or other available person prior to the county department or the law enforcement officer placing the child in the emergency placement. A county department may perform initial criminal history record checks through its staff or may collaborate with local law enforcement agencies to perform the initial criminal history record checks. When a county department has temporary custody of a child pursuant to the provisions of this part 4 and contacts the local law enforcement agency for an initial criminal history record check of a person who is identified as a potential emergency placement for the child pursuant to the provisions of this section, the local law enforcement agency shall immediately provide the county department with a verbal response regarding the person's criminal history and shall not provide the county department with documentation of the person's criminal history, consistent with the provisions of Public Law 92-544, and regulations promulgated thereunder, as amended.

(b) The child may not be placed with the relative or other available person if the initial criminal history record check conducted pursuant to paragraph (a) of this subsection (1) reflects a criminal history described in subsection (4) of this section.

(c) The child may be placed with the relative or other available person if the initial criminal history record check does not reflect a criminal history described in subsection (4) of this section; except that the relative or other person who is not disqualified based upon the results of the initial criminal history record check conducted pursuant to subsection (1)(a) of this section shall report to local law enforcement, to the county department when the county department has a fingerprint machine, or to another designated third party approved by the Colorado bureau of investigation to obtain a set of fingerprints for a fingerprint-based criminal history record check as described in subsections (2) and (3) of this section and all of the other required background checks described in subsection (4.5) of this section. If an approved third party takes the person's fingerprints, the fingerprints may be electronically captured using Colorado bureau of investigation-approved livescan equipment. Third-party vendors shall not keep the relative's or other person's information for more than thirty days unless requested to do so by the relative or other person.

(2) A relative or other available person who is not disqualified as an emergency placement for a child pursuant to subsection (1)(b) of this section and who authorizes a child to be placed with him or her on an emergency basis pursuant to the provisions of this part 4 shall submit a complete set of his or her fingerprints to the county department no later than five days

after the child is placed in the person's home or no later than fifteen calendar days when exigent circumstances exist. If the relative or other available person fails to submit a complete set of his or her fingerprints to the county department, the county department or the law enforcement officer, as appropriate, shall immediately remove the child from the physical custody of the person. The county department shall confirm within fifteen days after the child has been placed with the relative or other available person that the relative or other available person identified by the county department submitted a complete set of his or her fingerprints within the time period specified by this subsection (2).

(3) When a person submits a complete set of his or her fingerprints to the county department, the county department shall immediately forward the fingerprints to the Colorado bureau of investigation for the purpose of obtaining a fingerprint-based criminal history record check. Upon receipt of fingerprints and payment for the costs, the Colorado bureau of investigation shall conduct a state and national fingerprint-based criminal history record check utilizing records of the Colorado bureau of investigation and the federal bureau of investigation. The results of the state and national fingerprint-based criminal history record checks conducted pursuant to this section shall be forwarded immediately to the agency authorized to receive the information. If the fingerprint-based criminal history record check indicates that the person has a criminal history described in subsection (4) of this section, the county department or the local law enforcement officer, whichever is appropriate, shall immediately remove the child from the emergency placement and shall not place a child with the person who has the criminal history without court involvement and an order of the court affirming placement of the child with the person.

(4) A county department or a local law enforcement agency shall not make an emergency placement or continue the emergency placement of a child with a person who has been convicted of one or more of the following offenses:

- (a) Child abuse, as described in section 18-6-401, C.R.S.;
- (b) A crime of violence, as defined in section 18-1.3-406, C.R.S.;
- (c) An offense involving unlawful sexual behavior, as defined in section 16-22-102 (9), C.R.S.;
- (d) A felony, the underlying factual basis of which has been found by the court on the record to include an act of domestic violence, as defined in section 18-6-800.3, C.R.S.;
- (e) A felony involving physical assault or a drug-related offense, committed within the preceding five years;
- (f) Violation of a protection order, as described in section 18-6-803.5, C.R.S.;
- (g) A crime involving homicide; or
- (h) An offense in any other state, the elements of which are substantially similar to the elements of any one of the offenses described in paragraphs (a) to (g) of this subsection (4).

(4.5) (a) If a relative or other person was not disqualified as an emergency placement based upon the fingerprint-based criminal history record check and the child was placed in an emergency placement with such person, the county department shall perform the following additional background checks of the relative or other person:

- (I) A check of the ICON system at the state judicial department pursuant to section 26-6-910 (5)(b) to determine the status or disposition of any criminal charges;

(II) A check of the state department's automated database for information to inform decisions about placement to determine if the person has been identified as having a finding of child abuse or neglect and whether such finding presents an unsafe placement for the child; and

(III) A check against the state's sex offender registry and against the national sex offender public registry operated by the United States department of justice that checks names and addresses against the known names and addresses in the registries and the interactive database system for Colorado to determine if a person is a registered sex offender.

(b) If information is found as a result of the additional background checks of the relative or other person that indicate that continued placement with that relative or other person would no longer be safe for the child, the county department shall remove the child from that placement.

(c) The county department shall also request that a local law enforcement agency perform a state and national fingerprint-based criminal history record check of any person residing in the home to determine if the person has a criminal history as described in subsection (4) of this section and also perform the additional background checks described in subparagraphs (I) and (II) of paragraph (a) of this subsection (4.5). The local law enforcement agency shall provide the county department with the results of the state and national fingerprint-based criminal history record check within forty-eight hours. If the fingerprint-based criminal history record check indicates that a person residing in the home has a criminal history described in subsection (4) of this section or the information from the other background checks raises issues about the safety of the child in the home, the county department shall evaluate the continued placement of the child in the home and develop a plan to address the issues within fourteen days. A county department shall remedy the situation as quickly as possible and no later than two weeks after the placement. The state board shall promulgate rules to address child safety and what must be considered in the evaluation.

(5) The state board shall promulgate rules to implement the provisions of this section, consistent with the provisions contained in part 3 of article 72 of title 24, C.R.S.

(6) For purposes of this section, "initial criminal history record check" means a name-based state and federal criminal history record check performed by a local law enforcement agency utilizing the records of the Colorado bureau of investigation and the federal bureau of investigation.

(7) Notwithstanding the provisions of this section, if the county department verifies and documents that all of the criminal history record checks and other background checks described in subsection (4.5) of this section have been completed in the preceding three months for a relative, other person, or a person residing in the home, the county department does not need to repeat the fingerprint-based criminal history record check of that relative, other person, or a person residing in the home; except that the county department shall repeat the other background checks described in subsection (4.5) of this section and contact local law enforcement to determine if there were any new charges for offenses filed against that relative, other person, or a person residing in the home during the preceding three months since the last fingerprint-based criminal history record check.

(8) (a) The Colorado bureau of investigation shall flag the fingerprints of and notify the applicable county department of any new arrests of an individual whose fingerprints the county department submits to a local law enforcement agency that the county department also intends to be subsequently used for foster care certification.

(b) The county department shall notify the Colorado bureau of investigation within five calendar days after submitting the request for a fingerprint-based criminal history record check when the county department intends to accept an application for foster care certification from that person so that the flagging and automatic notification to the county department of new arrests pursuant to subsection (8)(a) of this section occurs for that person and continues through the duration of the individual's foster care certification. The county department shall use the same fingerprints received under this subsection (8) and any updated fingerprint-based criminal history record check results from the automatic notification as a substitute for meeting the fingerprint requirements for a person who is applying for foster care certification pursuant to section 26-9-910.

19-3-407. Noncertified kinship care - requirement for background checks and other checks - definitions. (1) Except as described in subsection (1)(a) of this section, a county department shall request that a local law enforcement agency conduct the following background checks of kin or any adult who resides at the home prior to placing a child in noncertified kinship care, unless such placement is an emergency placement pursuant to section 19-3-406:

(a) A fingerprint-based criminal history record check through the Colorado bureau of investigation, which criminal history record check may be conducted by any third party approved by the bureau, and the federal bureau of investigation to determine if the kin or an adult who resides at the home has been convicted of:

(I) Child abuse, as specified in section 18-6-401, C.R.S.;

(II) A crime of violence, as defined in section 18-1.3-406, C.R.S.;

(III) An offense involving unlawful sexual behavior, as defined in section 16-22-102 (9), C.R.S.;

(IV) A felony, the underlying factual basis of which has been found by the court on the record to include an act of domestic violence, as defined in section 18-6-800.3, C.R.S.;

(V) A felony involving physical assault, battery, or a drug-related offense within the five years preceding the date of application for a certificate;

(VI) A pattern of misdemeanor convictions, as defined by rule of the state board, within the ten years immediately preceding the date of submission of the application; or

(VII) Any offense in any other state, the elements of which are substantially similar to the elements of any one of the offenses described in sub-subparagraphs (I) to (VI) of this paragraph (a);

(b) A check of the ICON system at the state judicial department to determine the status or disposition of any pending criminal charges brought against the kin or an adult who resides at the home that were identified by the fingerprint-based criminal history record check through the Colorado bureau of investigation and the federal bureau of investigation;

(c) A check of the state department's automated database for information to determine if the kin or an adult who resides at the home has been identified as having a finding of child abuse

or neglect and whether such finding has been determined to present an unsafe placement for a child; and

(d) A check against the state's sex offender registry and against the national sex offender public registry operated by the United States department of justice that checks names and addresses in the registries and the interactive database system for Colorado to determine if the kin or an adult who resides at the home is a registered sex offender.

(2) A county department shall not place a child in noncertified kinship care if the kin or any adult who resides with the kin at the home:

(a) Has been convicted of any of the crimes listed in paragraph (a) of subsection (1) of this section;

(b) Is a registered sex offender in the sex offender registry created pursuant to section 16-22-110, C.R.S., or is a registered sex offender as determined by a check of the national sex offender registry operated by the United States department of justice. The sex offender registry checks must check the kin's or adult resident's known names and addresses in the interactive database system for Colorado or the national sex offender public registry against all of the registrant's known names and addresses; or

(c) Has been identified as having a finding of child abuse or neglect through a check of the state department's automated database and that finding has been determined to present an unsafe placement for the child.

(3) A county department may make a placement with noncertified kin that would otherwise be disqualified pursuant to subsection (2) of this section or allow continued placement with noncertified kin if an adult residing in the home would otherwise be disqualified pursuant to subsection (2) of this section if such placement occurs according to rules promulgated by the state board or if there is county-initiated court involvement and an order of the court affirming placement of the child with the kin.

(4) For the purposes of this section, "convicted" means a conviction by a jury or by a court and includes a deferred judgment and sentence agreement, a deferred prosecution agreement, a deferred adjudication agreement, an adjudication, or a plea of guilty or nolo contendere; except that this does not apply to a diversion or deferral or plea for a juvenile who participated in diversion, as defined in section 19-2.5-102, and does not apply to a diversion or deferral or plea for a person who participated in and successfully completed the child abuse and child neglect diversion program as described in section 19-3-310.

(5) The convictions identified in paragraph (a) of subsection (1) of this section and in subsection (2) of this section must be determined according to the records of the Colorado bureau of investigation or the federal bureau of investigation and the ICON system at the state judicial department. The screening request in Colorado shall be made pursuant to section 19-1-307 (2)(k.5), rules promulgated by the state board pursuant to section 19-3-313.5, and 42 U.S.C. 671 (a)(2). A certified copy of the judgment of a court of competent jurisdiction of the conviction, deferred judgment and sentence agreement, deferred prosecution agreement, or deferred adjudication agreement is prima facie evidence of a conviction or agreement.

(6) The state board shall adopt rules relating to background checks of relatives and placement of children in noncertified kinship care, including:

(a) Rules on requirements that all county departments that place children in noncertified kinship care conduct and document that all of the background checks have been initiated and

completed in accordance with section 19-3-406 and with this section for any person providing noncertified kinship care and for any adult residing at the home;

(b) Rules on the actions a county department should take if a disqualifying factor is found during any of the background checks specified in this section, including rules on reviewing the placement of children, addressing child safety issues, evaluating the vulnerability and the age of the child, and identify alternative remedies to removal of the child from the placement.

PART 5

PETITION, ADJUDICATION, DISPOSITION

19-3-500.2. Legislative declaration. (1) The general assembly hereby finds and declares that:

(a) It is beneficial for a child who is removed from his or her home and placed in foster care to be able to continue relationships with his or her brothers and sisters, regardless of age, in order that the siblings may share their strengths and association in their everyday and often common experiences. The general assembly also finds that the initial decisions about temporary placement of a child may affect the ultimate permanent placement of the child or of the children in a sibling group.

(b) When parents and other adult relatives are no longer available to a child, the child's siblings constitute his or her biological family;

(c) When placing children in foster care, efforts should be made to place siblings together, unless there is a danger of specific harm to a child or it is not in the child's or children's best interests to be placed together. The general assembly further finds that if the county department locates an appropriate, capable, willing, and available joint placement for all of the children in the sibling group, there should be a rebuttable presumption that placement of the entire sibling group in the joint placement is in the best interests of the children. Such presumption should be rebuttable by a preponderance of the evidence that placement of the entire sibling group in the joint placement is not in the best interests of a child or of the children.

(2) The general assembly also declares that nothing in this article regarding the placement of sibling groups together should be construed as requiring the removal of a child from his or her home and placement into foster care if that is not in the best interests of the child.

19-3-501. Petition initiation - preliminary investigation - informal adjustment. (1) Whenever it appears to a law enforcement officer or other person that a child is or appears to be within the court's jurisdiction, as provided in this article 3, the law enforcement officer or other person may refer the matter to the court, which shall make a preliminary investigation to

determine whether the interests of the child or of the community require that further action be taken. The probation department, county department of human or social services, or any other agency designated by the court shall make the investigation. On the basis of the preliminary investigation, the court may:

(a) Decide that no further action is required, either in the interests of the public or of the child;

(b) Authorize a petition to be filed; or

(c) (I) Make whatever informal adjustment is practicable without a petition if:

(A) The child and his parents, guardian, or other legal custodian were informed of their constitutional and legal rights, including being represented by counsel at every stage of the proceedings;

(B) The facts are admitted and establish prima facie jurisdiction; except that such admission shall not be used in evidence if a petition is filed; and

(C) Written consent is obtained from the parents, guardian, or other legal custodian and also from the child, if of sufficient age and understanding.

(II) Efforts to effect informal adjustment may extend no longer than six months.

(2) (a) Upon receipt of a report filed by a law enforcement agency, or any other person required to report pursuant to section 19-3-304 (2) indicating that a child has suffered abuse as defined in section 19-1-103 (1) and that the best interests of the child require that he be protected from risk of further such abuse, the court shall then authorize and may order the filing of a petition.

(b) Upon receipt of a report, as described in paragraph (a) of this subsection (2), from any person other than those specified in said paragraph (a), the court, after such investigation as may be reasonable under the circumstances, may authorize and may order the filing of a petition.

19-3-502. Petition form and content - limitations on claims in dependency or neglect actions. (1) The petition and all subsequent court documents in any proceedings brought under this article shall be entitled "The People of the State of Colorado, in the Interest of _____, a child (or children) and Concerning _____, Respondent." The petition shall be verified, and the statements in the petition may be made upon information and belief.

(2) The petition shall set forth plainly the facts which bring the child within the court's jurisdiction. The petition shall also state the name, age, and residence of the child and the names and residences of his parents, guardian, custodian, legal custodian, stepparent, or spousal

equivalent or of his nearest known relative if no parent, guardian, custodian, legal custodian, stepparent, or spousal equivalent is known.

(2.5) The petition in each case where removal of a child from the home is sought shall either state that reasonable efforts to prevent out-of-home placement were made and shall summarize such efforts or, if no services to prevent out-of-home placement were provided, the petition shall contain an explanation of why such services were not provided or a description of the emergency which precluded the use of services to prevent out-of-home placement of the child. The petition shall be verified.

(2.7) (a) Pursuant to the provisions of section 19-1-126, the petition must:

(I) Include a statement indicating what continuing inquiries the county department of human or social services has made in determining whether the child who is the subject of the proceeding is an Indian child;

(II) Identify whether the child is an Indian child; and

(III) Include the identity of the Indian child's tribe, if the child is identified as an Indian child.

(b) If notices were sent to the parent or Indian custodian of the child and to the Indian child's tribe, pursuant to section 19-1-126, the postal receipts shall be attached to the petition and filed with the court or filed within ten days after the filing of the petition, as specified in section 19-1-126 (1)(c).

(3) All petitions filed alleging the dependency or neglect of a child shall include the following statements:

(a) "Termination of the parent-child legal relationship is a possible remedy available if this petition alleging that a child is dependent or neglected is sustained. A separate hearing must be held before such termination is ordered. Termination of the parent-child legal relationship means that the child who is the subject of this petition would be eligible for adoption."

(b) "If the child is placed out of the home for a period of twelve months or longer, the court shall hold a permanency hearing within said twelve months to determine a permanent placement for the child."

(c) "The review of any decree of placement of a child subsequent to the three-month review required by section 19-1-115 (4)(a) may be conducted as an administrative review by the department of human services, as appropriate. If you are a party to the action, you have a right to object to an administrative review, and if you object, the review shall be conducted by the court."

(4) No counterclaim, cross claim, or other claim for damages may be asserted by a respondent in an action alleging the dependency or neglect of a child, but nothing in this subsection (4) shall be construed to prohibit a respondent from asserting a claim for damages in an action independent of an action alleging the dependency or neglect of a child.

(4.5) ***[Editor's note: Subsection (4.5) is effective January 9, 2023.]*** A child named in the petition shall be a party to the proceedings and have the right to attend and fully participate in all hearings related to the child's case. The child's guardian ad litem or counsel for youth shall provide developmentally appropriate notice to the child of all hearings related to the child's case.

(5) Any parent, guardian, or legal custodian alleged to have abused or neglected a child shall be named as a respondent in the petition concerning such child. The county attorney, city attorney of a city and county, or special county attorney may name any other parent, guardian, custodian, legal custodian, stepparent, or spousal equivalent as a respondent in the petition if he determines that it is in the best interests of the child to do so.

(6) A person may be named as a special respondent on the grounds that he resides with, has assumed a parenting role toward, has participated in whole or in part in the neglect or abuse of, or maintains a significant relationship with the child. Personal jurisdiction shall be obtained over a special respondent once he is given notice by a service of summons and a copy of the petition or motion describing the reasons for his joinder. A special respondent shall be afforded an opportunity for a hearing to contest his joinder and the appropriateness of any orders that affect him and shall have the right to be represented by counsel at such hearing. At any other stage of the proceedings, a special respondent may be represented by counsel at his own expense.

(7) ***[Editor's note: This version of subsection (7) is effective until January 9, 2023.]*** In addition to notice to all parties, the court shall ensure that notice is provided of all hearings and reviews held regarding a child to the following persons with whom a child is placed: Foster parents, pre-adoptive parents, or relatives. Such persons shall have the right to be heard at such hearings and reviews. The persons with whom a child is placed shall provide prior notice to the child of all hearings and reviews held regarding the child. The foster parent, pre-adoptive parent, or relative providing care to a child shall not be made a party to the action for purposes of any hearings or reviews solely on the basis of such notice and right to be heard. Notice of hearings and reviews shall not reveal to the respondent parent or other relative the address, last name, or other such identifying information regarding any person providing care to the child.

(7) ***[Editor's note: This version of subsection (7) is effective January 9, 2023.]*** In addition to notice to all parties, the court shall ensure that notice is provided of all hearings and reviews held regarding a child to the following persons with whom a child is placed: Foster parents, pre-adoptive parents, or relatives. 19-3-503. Summons - issuance - contents - service. (1) After a petition has been filed, the court shall promptly issue a summons reciting briefly the substance of the petition. The summons shall also contain a statement, when appropriate, that the termination of the parent-child legal relationship is a possible remedy under the proceedings and shall set forth the constitutional and legal rights of the child, his parents, guardian, or legal custodian, or any other respondent or special respondent, including the right to have an attorney present at the hearing on the petition.

(2) No summons shall issue to any respondent who appears voluntarily or who waives service, but any such person shall be provided with a copy of the petition and summons upon appearance or request.

(3) The summons shall require the person or persons having the physical custody of the child to appear, and it may order the child to appear before the court at a time and place stated. If the person or persons so summoned are not the parents or guardian of the child, then a summons shall also be issued to the parents or guardian, or both, notifying them of the pendency of the case and of the time and place set for hearing.

(4) The court on its own motion or on the motion of any party may join as a respondent or special respondent or require the appearance of any person it deems necessary to the action and authorize the issuance of a summons directed to such person. Any party to the action may request the issuance of compulsory process by the court requiring the attendance of witnesses on his own behalf or on behalf of the child.

(5) If it appears that the welfare of the child or of the public requires that the child be taken into custody, the court may, by endorsement upon the summons, direct that the person serving the summons take the child into custody at once.

(6) The court may authorize the payment of necessary travel expenses incurred by persons summoned or otherwise required to appear, which payments shall not exceed the amount allowed to witnesses for travel by the district court.

(7) Summonses shall be served personally, pursuant to the Colorado rules of civil procedure. If personal service is used, it shall be sufficient to confer jurisdiction if service is effected not less than two days before the time fixed in the summons for the appearance of the person served; except that personal service shall be effected not less than five days prior to the time set for a hearing concerning a dependent or neglected child.

(8) If the respondent required to be summoned under subsection (3) of this section cannot be found within the state, the fact of the child's presence in the state shall confer jurisdiction on the court as to any absent respondent if due notice has been given in the following manner:

(a) When the residence of the person to be served outside the state is known, a copy of the summons and petition shall be sent by certified mail with postage prepaid to such person at his place of residence with a return receipt requested. Service of summons shall be deemed complete within five days after return of the requested receipt.

(b) When the person to be served has no residence within Colorado and his place of residence is not known or when he cannot be found within the state after due diligence, service

may be by publication pursuant to rule 4 (g) of the Colorado rules of civil procedure; except that service may be by a single publication and must be completed not less than five days prior to the time set for a hearing concerning a dependent or neglected child.

19-3-504. Contempt - warrant. (1) Any person summoned or required to appear as provided in section 19-3-503 who has acknowledged service and fails to appear without reasonable cause may be proceeded against for contempt of court.

(2) If after reasonable effort the summons cannot be served or if the welfare of the child requires that he be brought immediately into the custody of the court, a bench warrant may be issued for the respondent or for the child.

19-3-505. Adjudicatory hearing - findings - adjudication. (1) At the adjudicatory hearing, the court shall consider whether the allegations of the petition are supported by a preponderance of the evidence; except that jurisdictional matters of the age and residence of the child shall be deemed admitted by or on behalf of the child unless specifically denied prior to the adjudicatory hearing.

(2) Evidence tending to establish the necessity of separating the child from the parents or guardian may be admitted but shall not be required for the making of an order of adjudication.

(3) Adjudicatory hearings shall be held at the earliest possible time, but in no instance shall such hearing be held later than ninety days after service of the petition, or, in a county designated pursuant to section 19-1-123, if the child is under six years of age at the time a petition is filed in accordance with section 19-3-501 (2), in no instance shall such hearing be held later than sixty days after service of the petition unless the court finds that the best interests of the child will be served by granting a delay. If the court determines that a delay is necessary, it shall set forth the specific reason why such delay is necessary and shall schedule the adjudicatory hearing at the earliest possible time following the delay.

(4) (a) When it appears that the evidence presented at the hearing discloses facts not alleged in the petition, the court may proceed immediately to consider the additional or different matters raised by the evidence if the parties consent.

(b) In such event, the court, on the motion of any interested party or on its own motion, shall order the petition to be amended to conform to the evidence.

(c) If the amendment results in a substantial departure from the original allegations in the petition, the court shall continue the hearing on the motion of any interested party, or the court may grant a continuance on its own motion if it finds it to be in the best interests of the child or any other party to the proceeding.

(d) If it appears from the evidence that the child may have a mental health disorder or an intellectual and developmental disability as these terms are defined in article 10.5 of title 27, subsections (4)(a) to (4)(c) of this section do not apply, and the court shall proceed pursuant to section 19-3-506.

(5) After making a finding as provided by paragraph (a) of subsection (7) of this section but before making an adjudication, the court may continue the hearing from time to time, allowing the child to remain in his own home or in the temporary custody of another person or agency subject to such conditions of conduct and of visitation or supervision by a juvenile probation officer as the court may prescribe, if:

(a) Consent is given by the parties, including the child and his parent, guardian, or other legal custodian after being fully informed by the court of their rights in the proceeding, including their right to have an adjudication made either dismissing or sustaining the petition;

(b) Such continuation shall extend no longer than six months without review by the court. Upon review, the court may continue the case for an additional period not to exceed six months, after which the petition shall either be dismissed or sustained.

(6) When the court finds that the allegations of the petition are not supported by a preponderance of the evidence, the court shall order the petition dismissed and the child discharged from any detention or restriction previously ordered. His or her parents, guardian, or legal custodian shall also be discharged from any restriction or other previous temporary order. The court shall inform the respondent that, pursuant to section 19-3-313.5 (3)(f), the department shall expunge the records and reports for purposes related to employment or background checks.

(7) (a) When the court finds that the allegations of the petition are supported by a preponderance of the evidence, except when the case is continued as provided in the introductory portion to subsection (5) of this section, the court shall sustain the petition and shall make an order of adjudication setting forth whether the child is neglected or dependent. Evidence that child abuse or nonaccidental injury has occurred shall constitute prima facie evidence that such child is neglected or dependent, and such evidence shall be sufficient to support an adjudication under this section.

(b) The court shall then hold the dispositional hearing, but such hearing may be continued on the motion of any interested party or on the motion of the court. Such continuance shall not exceed thirty days unless good cause exists. In a county designated pursuant to section 19-1-123, if the child is under six years of age at the time a petition is filed in accordance with section 19-3-501 (2), the dispositional hearing shall be held within thirty days after the adjudicatory hearing unless good cause is shown and unless the court finds that the best interests of the child will be served by granting a delay. It is the intent of the general assembly that the dispositional hearing be held on the same day as the adjudicatory hearing, whenever possible.

19-3-506. Child with a mental health disorder or an intellectual and developmental disability - procedure. (1) (a) [*Editor's note: This version of subsection (1)(a) is effective until July 1, 2024.*] If it appears from the evidence presented at an adjudicatory hearing or otherwise that a child may have an intellectual and developmental disability, as defined in article 10.5 of title 27, the court shall refer the child to the community-centered board in the designated service area where the action is pending for an eligibility determination pursuant to article 10.5 of title 27.

(1) (a) [*Editor's note: This version of subsection (1)(a) is effective July 1, 2024.*] If it appears from the evidence presented at an adjudicatory hearing or otherwise that a child may have an intellectual and developmental disability, as defined in article 10.5 of title 27, the court shall refer the child to the case management agency, as defined in section 25.5-6-1702, in the defined service area where the action is pending for an eligibility determination pursuant to article 6 of title 25.5 or article 10.5 of title 27.

(b) If it appears from the evidence presented at an adjudicatory hearing or otherwise that a child may have a mental health disorder, as defined in section 27-65-102, and the child has not had a mental health disorder prescreening pursuant to section 19-3-403 (4), the court shall order a prescreening to determine whether the child requires further evaluation. The prescreening must be conducted as expeditiously as possible, and a prescreening report must be provided to the court within twenty-four hours after the prescreening, excluding Saturdays, Sundays, and legal holidays.

(c) If the mental health professional finds, based upon a prescreening done pursuant to this section or section 19-3-403 (4), that the child may have a mental health disorder, as defined in section 27-65-102, the court shall review the prescreening report within twenty-four hours, excluding Saturdays, Sundays, and legal holidays, and order the child placed for an evaluation at a facility designated by the commissioner of the behavioral health administration for an emergency mental health hold pursuant to section 27-65-106. On and after January 1, 1986, if the child to be placed is in a detention facility, the designated facility shall admit the child within twenty-four hours after the court orders an evaluation, excluding Saturdays, Sundays, and legal holidays.

(d) An evaluation conducted pursuant to this subsection (1) must be completed within seventy-two hours, excluding Saturdays, Sundays, and legal holidays. A county jail or a detention facility, as described in article 2.5 of this title 19, is not considered a suitable facility for evaluation, although a mental health disorder prescreening may be conducted in any appropriate setting.

(e) If the mental health professional finds, based upon the prescreening, that the child does not have a mental health disorder, the court shall review the prescreening report within twenty-four hours, excluding Saturdays, Sundays, and legal holidays, and copies of the report shall be furnished to all parties and their attorneys. Any interested party may request a hearing on the issue of the child's mental health disorder, and the court may order additional prescreenings as deemed appropriate. The court shall not enter an order for a seventy-two-hour treatment and evaluation unless a hearing is held and evidence indicates that the prescreening report is inadequate, incomplete, or incorrect and that competent professional evidence is presented from a mental health professional that indicates that a mental health disorder is present in the child. The court shall make, prior to the hearing, such orders regarding temporary custody of the child as are deemed appropriate.

(2) (a) When an evaluation is ordered by the court pursuant to subsection (1) of this section, the order must specify the person or agency to whom the child shall be released when the evaluation indicates that the child does not have a mental health disorder.

(b) When the court orders an evaluation pursuant to subsection (1) of this section, such order shall not obligate the person doing the prescreening or the agency which such person represents to pay for an evaluation or for any hospitalization provided to the child as a result of an evaluation.

(3) (a) When the evaluation conducted pursuant to subsection (1) of this section states that the child has a mental health disorder, as defined in section 27-65-102, the court shall treat the evaluation report as a certification under section 27-65-109 and shall proceed pursuant to article 65 of title 27, assuming all of the powers granted to a court in such proceedings.

(b) ***[Editor's note: This version of subsection (3)(b) is effective until July 1, 2024.]*** When, subsequent to referral to a community centered board pursuant to subsection (1) of this section, it appears that the child has developmental disabilities, the court may proceed pursuant to article 10.5 of title 27, C.R.S., or may follow any of the recommendations contained in the report from the community centered board.

(b) ***[Editor's note: This version of subsection (3)(b) is effective July 1, 2024.]*** When, subsequent to referral to a case management agency, as defined in section 25.5-6-1702, pursuant to subsection (1) of this section, it appears that the child has intellectual and developmental disabilities, the court may proceed pursuant to article 10.5 of title 27 or may follow any of the recommendations contained in the report from the case management agency.

(c) If the child remains in treatment or receives services ordered pursuant to paragraph (a) or (b) of this subsection (3), the court may suspend the proceedings or dismiss any actions pending under this title.

(d) If a child receiving treatment or services ordered pursuant to paragraph (a) or (b) of this subsection (3) leaves a treatment facility or program without prior approval, the facility or program shall notify the court of the child's absence within twenty-four hours. When such child is taken into custody, the facility or program shall be notified by the court and shall readmit the child within twenty-four hours after receiving such notification, excluding Saturdays, Sundays, and legal holidays.

(4) (a) When the report of the evaluation or eligibility determination conducted pursuant to subsection (1) of this section states that the child does not have a mental health disorder or an intellectual and developmental disability, the child shall be released to the person or agency specified pursuant to subsection (2) of this section within twenty-four hours after the evaluation

has been completed, excluding Saturdays, Sundays, and legal holidays. The child must not be detained unless a new detention hearing is held within twenty-four hours, excluding Saturdays, Sundays, and legal holidays, and the court finds at that hearing that secure detention is necessary.

(b) When the evaluation report or eligibility determination states that the child does not have a mental health disorder or an intellectual and developmental disability, the court shall set a time for resuming the hearing on the petition or any other pending matters.

19-3-507. Dispositional hearing. (1) (a) After making an order of adjudication, the court shall hear evidence on the question of the proper disposition best serving the interests of the child and the public. Such evidence shall include, but not necessarily be limited to, the social study and other reports as provided in section 19-1-107.

(b) Prior to any dispositional hearing, the caseworker of the county department assigned to the case shall submit to the court a statement that details the services that were offered to or provided to the family to prevent unnecessary out-of-home placement of the child and to facilitate the reunification of the child with the family. The statement must contain an explanation of the services or actions that, had such services or actions been available, would have been necessary to enable the child to remain at home safely. In the alternative, the caseworker may submit a statement as to why no services or actions would have made it possible for the child to remain at home safely. If the child is part of a sibling group, as defined in section 19-1-103, and the child was not placed with his or her siblings, the caseworker shall submit to the court a statement about whether it continues to be in the best interests of the child or the children in the sibling group to be placed separately. If the caseworker locates an appropriate, capable, willing, and available joint placement for all of the children in the sibling group, it is presumed that placement of the entire sibling group in the joint placement is in the best interests of the children. Such presumption may be rebutted by a preponderance of the evidence that placement of the entire sibling group in the joint placement is not in the best interests of a child or of the children.

(c) If one or both of the parents have a disability, reasonable accommodations and modifications, as set forth in the federal "Americans with Disabilities Act of 1990", 42 U.S.C. sec. 12101 et seq., and its related amendments and implementing regulations, are necessary to ensure the treatment plan components are accessible. If applicable, any identified accommodations and modifications must be listed in the report prepared for the dispositional hearing.

(2) ***[Editor's note: This version of subsection (2) is effective until July 1, 2024.]*** If the court has reason to believe that the child may have an intellectual and developmental disability, the court shall refer the child to the community-centered board in the designated service area where the action is pending for an eligibility determination pursuant to article 10.5 of title 27. If the court has reason to believe that the child may have a behavioral or mental health disorder, the court shall order a behavioral or mental health disorder prescreening to be conducted in any appropriate place.

(2) ***[Editor's note: This version of subsection (2) is effective July 1, 2024.]*** If the court has reason to believe that the child may have an intellectual and developmental disability, the court shall refer the child to the case management agency, as defined in section 25.5-6-1702, in the defined service area where the action is pending for an eligibility determination pursuant to article 6 of title 25.5 or article 10.5 of title 27. If the court has reason to believe that the child may have a behavioral or mental health disorder, the court shall order a behavioral or mental health disorder prescreening to be conducted in any appropriate place.

(3) (a) Except as provided in section 19-3-508 (1), the court may continue the dispositional hearing, either on its own motion or on the motion of any interested party, for a reasonable period to receive reports or other evidence.

(b) If the hearing is continued, the court shall make an appropriate order for detention of the child or for such child's release in the custody of such child's parents, guardian, or other responsible person or agency under such conditions of supervision as the court may impose during the continuance.

(c) In scheduling investigations and hearings, the court shall give priority to proceedings concerning a child who is in detention or who has otherwise been removed from such child's home before an order of disposition has been made.

(4) In any case in which the disposition is placement out of the home, except for children committed to the department of human services, the court shall, at the time of placement, set a review within ninety days to determine whether continued placement is necessary and in the best interests of the child and the community and whether reasonable efforts have been made to return the child to the home or in the case of a sibling group whether it is in the best interests of the children in the sibling group to be placed together. If the county department locates an appropriate, capable, willing, and available joint placement for all of the children in the sibling group, it shall be presumed that placement of the entire sibling group in the joint placement is in the best interests of the children. Such presumption may be rebutted by a preponderance of the evidence that placement of the entire sibling group in the joint placement is not in the best interests of a child or of the children. The judge shall review the family services plan document regarding placement of siblings. Notice of said review shall be given by the court to all parties and to the director of the facility or agency in which the child is placed and any person who has physical custody of the child and any attorney or guardian ad litem of record. The review shall be conducted in accordance with section 19-1-115 (8)(f).

(5) (a) Parents, grandparents, relatives, or foster parents who have the child in their care for more than three months who have information or knowledge concerning the care and protection of the child may intervene as a matter of right following adjudication with or without counsel.

(b) A county department of human or social services that placed a child in foster care shall provide the foster parent of the child and any pre-adoptive parent or relative providing care for the child with notice of any administrative review of the child's case.

(c) Upon the written request of the foster parent, pre-adoptive parent, or relative, notice of a court hearing for the child's case shall be provided in written form and may be provided through the caseworker at the usual periodic meetings with the person providing care for the child. The notice shall include, at a minimum:

- (I) The child's court case number;
- (II) The date and time of the next court hearing; and
- (III) The name of the magistrate or judge and the court division to which the case has been assigned.

19-3-508. Neglected or dependent child - disposition - concurrent planning. (1) When a child has been adjudicated to be neglected or dependent, the court may enter a decree of disposition the same day, but in any event it shall do so within forty-five days unless the court finds that the best interests of the child will be served by granting a delay. In a county designated

pursuant to section 19-1-123, if the child is under six years of age at the time a petition is filed in accordance with section 19-3-501 (2), the court shall enter a decree of disposition within thirty days after the adjudication and shall not grant a delay unless good cause is shown and unless the court finds that the best interests of the child will be served by granting the delay. It is the intent of the general assembly that the dispositional hearing be held on the same day as the adjudicatory hearing, whenever possible. If a delay is granted, the court shall set forth the reasons why a delay is necessary and the minimum amount of time needed to resolve the reasons for the delay and shall schedule the hearing at the earliest possible time following the delay. When the proposed disposition is termination of the parent-child legal relationship, the hearing on termination must not be held on the same date as the adjudication, and the time limits set forth above for dispositional hearings do not apply. When the proposed disposition is termination of the parent-child legal relationship, the court may continue the dispositional hearing to the earliest available date for a hearing in accordance with the provisions of subsection (3)(a) of this section and part 6 of this article 3. When the decree does not terminate the parent-child legal relationship, the court shall approve an appropriate treatment plan that must include but not be limited to one or more of the following provisions of subsections (1)(a) to (1)(d) of this section:

(a) The court may place the child in the legal custody of one or both parents or the guardian, with or without protective supervision, under such conditions as the court deems necessary and appropriate. In a county designated pursuant to section 19-1-123, if the child is under six years of age at the time a petition is filed in accordance with section 19-3-501 (2) and is placed with a parent or guardian who is a named respondent in a petition filed pursuant to section 19-3-502, the treatment plan shall include a requirement that the family obtain services specific to the family's needs if available in the community where the family resides and based on the social study and reports provided pursuant to section 19-1-107 (2.5).

(b) The court may place the child in the legal custody of a relative, including the child's grandparent, or other suitable person, with or without protective supervision, under such conditions as the court deems necessary and appropriate. If a child is not placed with a parent pursuant to paragraph (a) of this subsection (1), preference may be given by the court for placement with a grandparent pursuant to this paragraph (b) if in the best interests of the child.

(c) The court may place legal custody in the county department of human or social services or a child placement agency for placement in a foster care home or other child care facility. When the child is part of a sibling group and the sibling group is being placed out of the home, if the county department locates an appropriate, capable, willing, and available joint placement for all of the children in the sibling group, it is presumed that placement of the entire sibling group in the joint placement is in the best interests of the children. Such presumption may be rebutted by a preponderance of the evidence that placement of the entire sibling group in the joint placement is not in the best interests of a child or of the children.

(d) (I) [*Editor's note: See the editor's note (4) following this section.*] The court may order that the child be examined or treated by a physician, surgeon, psychiatrist, or psychologist or that the child receive other special care and may place the child in a hospital or other suitable facility for such purposes; except that the child may not be placed in a mental health facility operated by the department of human services until the child has received a behavioral or mental health disorder prescreening resulting in a recommendation that the child be placed in a facility for evaluation pursuant to section 27-65-106, or a hearing has been held by the court after notice

to all parties, including the department of human services. An order for an emergency mental health hold must not be entered unless a hearing is held and evidence indicates that the prescreening report is inadequate, incomplete, or incorrect and that competent professional evidence is presented by a mental health professional that indicates that a behavioral or mental health disorder is present in the child. The court shall make, prior to the hearing, such orders regarding temporary custody of the child as are deemed appropriate. described in section 27-65-106 or a voluntary application for mental health services pursuant to section 27-65-103 or 27-65-104. The arrangements for care must be completed through the crisis response system or prearranged partnerships with other crisis intervention services.

(II) Placement in any facility operated by the department of human services shall continue for such time as ordered by the court or until the professional person in charge of the child's treatment concludes that the treatment or placement is no longer appropriate. If placement or treatment is no longer deemed appropriate, the court shall be notified and a hearing held for further disposition of the child within five days, excluding Saturdays, Sundays, and legal holidays. The court shall make, prior to the hearing, such orders regarding temporary custody of the child as are deemed appropriate.

(e) (I) Except where the proposed disposition is termination of the parent-child legal relationship, the court shall approve an appropriate treatment plan involving the child named and each respondent named and served in the action. However, the court may find that an appropriate treatment plan cannot be devised as to a particular respondent because the child has been abandoned as set forth in section 19-3-604 (1)(a) and the parents cannot be located, or because the child has been adjudicated as neglected or dependent based upon section 19-3-102 (2), or due to the unfitness of the parents as set forth in section 19-3-604 (1)(b). When the court finds that an appropriate treatment plan cannot be devised, the court shall conduct a permanency hearing as set forth in section 19-3-702 (1), unless a motion for termination of parental rights has been filed within thirty days after the court's finding.

(II) Repealed.

(2) Before a disposition other than that provided in paragraph (a) of subsection (1) of this section is made, it shall be established by a preponderance of the evidence that a separation of the child from the parents or guardian is in the best interests of the child.

(3) (a) The court may enter a decree terminating the parent-child legal relationship of one or both parents pursuant to part 6 of this article. Pursuant to section 19-3-602 (1), in a county designated pursuant to section 19-1-123, if the child is under six years of age at the time a petition is filed in accordance with section 19-3-501 (2), the court shall hear a motion for termination within one hundred twenty days after such motion is filed, and shall not grant a delay unless good cause is shown and unless the court finds that the best interests of the child will be served by granting a delay in accordance with the requirements of section 19-3-104.

(b) Upon the entry of a decree terminating the parent-child legal relationship of both parents, of the sole surviving parent, or of the only known parent, the court may:

(I) Vest the county department of human or social services or a child placement agency with the legal custody and guardianship of the person of a child for the purposes of placing the child for adoption; or

(II) Make any other disposition provided in paragraph (b), (c), or (d) of subsection (1) of this section that the court finds appropriate.

(b.5) In making a disposition pursuant to paragraph (b) of this subsection (3), the court may give preference to making a disposition as provided in paragraph (b) of subsection (1) of this section, if in the best interests of the child.

(c) Upon the entry of a decree terminating the parent-child legal relationship of one parent, the court may:

(I) Leave the child in the legal custody of the other parent and discharge the proceedings; or

(II) Make any other disposition provided in subsection (1) of this section that the court finds appropriate.

(4) (Deleted by amendment, L. 97, p. 520, § 8, effective July 1, 1997.)

(5) (a) In placing the legal custody or guardianship of the person of a child with an individual or a private agency, the court shall give primary consideration to the welfare of the child but shall take into consideration the religious preferences of the child or of his parents whenever practicable.

(b) (I) If the court finds that placement out of the home is necessary and is in the best interests of the child and the community, the court shall place the child with a relative, including the child's grandparent, as provided in paragraph (b) of subsection (1) of this section, if such placement is in the child's best interests. The court shall place the child in the facility or setting that most appropriately meets the needs of the child, the family, and the community. In making its decision as to proper placement, the court shall utilize the evaluation for placement prepared pursuant to section 19-1-107. If the court deviates from the recommendations of the evaluation for placement in a manner that results in a difference in the cost of the disposition ordered by the court and the cost of the disposition recommended in the evaluation, the court shall make specific findings of fact relating to its decision, including the monthly cost of the placement, if ordered. A copy of such findings shall be sent to the chief justice of the supreme court, who shall report annually to the joint budget committee and annually to the health, environment, welfare, and institutions committees of the house of representatives and senate of the general assembly on such orders.

(II) Notwithstanding the provisions of subparagraph (I) of this paragraph (b) to the contrary, when the child is part of a sibling group and the sibling group is being placed out of the home, if the county department locates an appropriate, capable, willing, and available joint placement for all of the children in the sibling group, it shall be presumed that placement of the entire sibling group in the joint placement is in the best interests of the children. Such presumption may be rebutted by a preponderance of the evidence that placement of the entire sibling group in the joint placement is not in the best interests of a child or of the children.

(6) The court may grant a new hearing as provided in the Colorado rules of juvenile procedure.

(7) Efforts to place a child for adoption or with a legal guardian or custodian, including identifying appropriate in-state and out-of-state permanent placement options, may be made concurrently with reasonable efforts to preserve and reunify the family.

(8) When entering a decree placing the child in the legal custody of a relative or placing the child in the legal custody of a county department for placement in a foster care home, the court shall ensure that the child's placement at the time of the hearing is in the best interests of the child and shall inquire about documentation that the county department or a licensed child placement agency has adequately screened the foster care provider or the family member who is

seeking to care for the child and any adult residing in that home and that all of the criminal history record checks and other background checks have been completed as required pursuant to section 26-6-910 or 19-3-407.

(4) Subsection (1)(d)(I) was amended in HB 22-1256 but language from § 27-60-104 (1), "... described in section 27-65-106 ... intervention services.", was inadvertently added to the end of subsection (1)(d)(I) during the drafting of the bill. It is shown as a part of subsection (1)(d)(I) to reflect how the provision appeared in HB 22-1256 when acted on by the Governor.

Source: L. 87: Entire title R&RE, p. 787, § 1, effective October 1.

Editor's note: This section was contained in a title that was repealed and reenacted in 1987. Provisions of this section, as it existed in 1987, are similar to those contained in 19-11-101 as said section existed in 1986, the year prior to the repeal and reenactment of this title.

19-3-602. Motion for termination - separate hearing - right to counsel - no jury trial - repeal. (1) Termination of a parent-child legal relationship shall be considered only after the filing of a written motion alleging the factual grounds for termination, and termination of a parent-child legal relationship shall be considered at a separate hearing following an adjudication of a child as dependent or neglected. Such motion shall be filed at least thirty days before such hearing. In a county designated pursuant to section 19-1-123, if the child is under six years of age at the time a petition is filed in accordance with section 19-3-501 (2), the court shall hear the motion for termination within one hundred twenty days after such motion is filed, and shall not grant a delay unless good cause is shown and unless the court finds that the best interests of the child will be served by granting a delay in accordance with the requirements of section 19-3-104.

(1.5) (a) Pursuant to the provisions of section 19-1-126, the motion for termination shall:

(I) Include a statement indicating what continuing inquiries the county department of social services has made in determining whether the child who is the subject of the termination proceeding is an Indian child;

(I.5) Include a statement indicating that a grandparent, aunt, uncle, brother, or sister of the child must file a request for guardianship and legal custody of the child within twenty days of the filing of the motion;

(II) Identify whether the child is an Indian child; and

(III) Include the identity of the Indian child's tribe, if the child is identified as an Indian child.

(b) If notices were sent to the parent or Indian custodian of the child and to the Indian child's tribe, pursuant to section 19-1-126, the postal receipts, or copies thereof, shall be attached to the motion for termination and filed with the court or filed within ten days after the filing of the motion for termination, as specified in section 19-1-126 (1)(c).

(2) After a motion for termination of a parent-child legal relationship is filed pursuant to this part 6, the parent or parents shall be advised of the right to counsel if not already represented by counsel of record; and counsel shall be appointed in accordance with the provisions of section 19-1-105. The parent or parents shall also be advised that a grandparent, aunt, uncle, brother, or sister of the child must file a request for guardianship and legal custody of the child within twenty days of the filing of the motion. Advisement of right to counsel and the time for a relative

to file a request may be done in open court or in a writing served as provided by law for motions and notices in a proceeding under section 19-1-104 (1)(b).

(3) (a) A guardian ad litem, who shall be an attorney and who shall be the child's previously appointed guardian ad litem whenever possible, shall be appointed to represent the child's best interests in any hearing determining the involuntary termination of the parent-child legal relationship. Additionally, said attorney shall be experienced, whenever possible, in juvenile law. Such representation shall continue until an appropriate permanent placement of the child is effected or until the court's jurisdiction is terminated. If a respondent parent is a minor, a guardian ad litem shall be appointed and shall serve in addition to any counsel requested by the parent.

(b) This subsection (3) is repealed, effective January 9, 2023.

(4) There shall be no right to a jury trial at proceedings held to consider the termination of a parent-child legal relationship.

19-3-604. Criteria for termination. (1) The court may order a termination of the parent-child legal relationship upon the finding by clear and convincing evidence of any one of the following:

(a) That the child has been adjudicated dependent or neglected and has been abandoned by the child's parent or parents as follows:

(I) That the parent or parents have surrendered physical custody of the child for a period of six months or more and have not manifested during such period the firm intention to resume physical custody of the child or to make permanent legal arrangements for the care of the child except in cases when voluntary placement is renewable under section 19-1-115 (8)(a);

(II) That the identity of the parent of the child is unknown and has been unknown for three months or more and that reasonable efforts to identify and locate the parent in accordance with section 19-3-603 have failed;

(b) That the child is adjudicated dependent or neglected and the court finds that an appropriate treatment plan cannot be devised to address the unfitness of the parent or parents. In making such a determination, the court shall find one of the following as the basis for unfitness:

(I) An emotional illness, a behavioral or mental health disorder, or an intellectual and developmental disability of the parent of such duration or nature as to render the parent unlikely within a reasonable time to care for the ongoing physical, mental, and emotional needs and conditions of the child. The court shall make findings that the provision of reasonable accommodations and modifications pursuant to the federal "Americans with Disabilities Act of 1990", 42 U.S.C. sec. 12101 et seq., and its related amendments and implementing regulations, will not remediate the impact of the parent's disability on the health or welfare of the child.

(II) A single incident resulting in serious bodily injury or disfigurement of the child;

(III) Long-term confinement of the parent of such duration that the parent is not eligible for parole for at least six years after the date the child was adjudicated dependent or neglected or, in a county designated pursuant to section 19-1-123, if the child is under six years of age at the time a petition is filed in accordance with section 19-3-501 (2), the long-term confinement of the parent of such duration that the parent is not eligible for parole for at least thirty-six months after the date the child was adjudicated dependent or neglected and the court has found by clear and convincing evidence that no appropriate treatment plan can be devised to address the unfitness of the parent or parents;

(IV) Serious bodily injury or death of a sibling due to proven parental abuse or neglect;

(V) An identifiable pattern of habitual abuse to which the child or another child has been subjected and, as a result of which, a court has adjudicated another child as neglected or dependent based upon allegations of sexual or physical abuse, or a court of competent jurisdiction has determined that such abuse has caused the death of another child;

(VI) An identifiable pattern of sexual abuse of the child; or

(VII) The torture of or extreme cruelty to the child, a sibling of the child, or another child of either parent;

(c) That the child is adjudicated dependent or neglected and all of the following exist:

(I) That an appropriate treatment plan approved by the court has not been reasonably complied with by the parent or parents or has not been successful or that the court has previously found, pursuant to section 19-3-508 (1)(e), that an appropriate treatment plan could not be devised. In a county designated pursuant to section 19-1-123, if a child is under six years of age at the time a petition is filed in accordance with section 19-3-501 (2), no parent or parents shall be found to be in reasonable compliance with or to have been successful at a court-approved treatment plan when:

(A) The parent has not attended visitations with the child as set forth in the treatment plan, unless good cause can be shown for failing to visit; or

(B) The parent exhibits the same problems addressed in the treatment plan without adequate improvement, including but not limited to improvement in the relationship with the child, and is unable or unwilling to provide nurturing and safe parenting sufficiently adequate to meet the child's physical, emotional, and mental health needs and conditions despite earlier intervention and treatment for the family. The court may receive testimony regarding the family's progress under the treatment plan from the child's physician or therapist, foster parent, educational or religious teachers, CASA volunteer, or caseworker.

(II) That the parent is unfit; and

(III) That the conduct or condition of the parent or parents is unlikely to change within a reasonable time.

(2) In determining unfitness, conduct, or condition for purposes of paragraph (c) of subsection (1) of this section, the court shall find that continuation of the legal relationship between parent and child is likely to result in grave risk of death or serious bodily injury to the child or that the conduct or condition of the parent or parents renders the parent or parents unable or unwilling to give the child reasonable parental care to include, at a minimum, nurturing and safe parenting sufficiently adequate to meet the child's physical, emotional, and mental health needs and conditions. In making such determinations, the court shall consider, but not be limited to, the following:

(a) Any one of the bases for a finding of parental unfitness set forth in paragraph (b) of subsection (1) of this section;

(b) Conduct towards the child of a physically or sexually abusive nature;

(c) History of violent behavior;

(d) A single incident of life-threatening or serious bodily injury or disfigurement of the child;

(e) Excessive use of intoxicating liquors or controlled substances, as defined in section 18-18-102 (5), C.R.S., which affects the ability to care and provide for the child;

(f) Neglect of the child;

(g) Injury or death of a sibling due to proven parental abuse or neglect, murder, voluntary manslaughter, or circumstances in which a parent aided, abetted, or attempted the commission of or conspired or solicited to commit murder of a child's sibling;

(h) Reasonable efforts by child-caring agencies which have been unable to rehabilitate the parent or parents;

(i) That any parent who is a named respondent in the termination proceeding has had prior involvement with the department of human services concerning an incident of abuse or neglect involving the child and a subsequent incident of abuse or neglect occurs;

(j) Whether a parent committed felony assault that resulted in serious bodily injury to the child or to another child of the parent;

(k) That the child has been in foster care under the responsibility of the county department for fifteen of the most recent twenty-two months, unless:

(I) The child is placed with a relative of the child;

(II) The county department or a state agency has documented in the case plan, which shall be available for court review, that filing such a motion would not be in the best interests of the child;

(III) Where required to make reasonable efforts, services identified as necessary for the safe return of the child to the child's home have not been provided to the family consistent with the time period in the case plan; or

(IV) The child has been in foster care under the responsibility of the county department for such period of time due to circumstances beyond the control of the parent such as incarceration of the parent for a reasonable period of time, court delays or continuances that are not attributable to the parent, or such other reasonable circumstances that the court finds are beyond the control of the parent;

(l) Whether, on two or more occasions, a child in the physical custody of the parent has been adjudicated dependent or neglected in a proceeding under this article or comparable proceedings under the laws of another state or the federal government;

(m) Whether, on one or more prior occasions, a parent has had his or her parent-child legal relationship terminated pursuant to this article or section 19-5-105 or comparable proceedings under the laws of another state or the federal government.

(3) In considering the termination of the parent-child legal relationship, the court shall give primary consideration to the physical, mental, and emotional conditions and needs of the child. The court shall review and order, if necessary, an evaluation of the child's physical, mental, and emotional conditions. For the purpose of determining termination of the parent-child legal relationship, written reports and other materials relating to the child's mental, physical, and social history may be received and considered by the court along with other evidence; but the court, if so requested by the child, his parent or guardian, or any other interested party, shall require that the person who wrote the report or prepared the material appear as a witness and be subject to both direct and cross-examination. In the absence of such request, the court may order the person who prepared the report or other material to appear if it finds that the interest of the child so requires.

19-3-605. Request for placement with family members. (1) Following an order of termination of the parent-child legal relationship, the court shall consider, but shall not be bound by, a request that guardianship and legal custody of the child be placed with a relative of the child. When ordering guardianship of the person and legal custody of the child, the court may give preference to a grandparent, aunt, uncle, brother, sister, half-sibling, or first cousin of the child when such relative has made a timely request therefor pursuant to the requirement of this subsection (1) and the court determines that such placement is in the best interests of the child. Such request must be submitted to the court no later than twenty days after the motion for termination is filed pursuant to section 19-3-602. Nothing in this section shall be construed to require the child placement agency with physical custody of the child to notify said relatives described in this section of the pending termination of parental rights.

(2) Notwithstanding the provisions of subsection (1) of this section to the contrary, when the child is part of a sibling group and the sibling group is being placed out of the home, if the county department locates an appropriate, capable, willing, and available joint placement for all of the children in the sibling group, the court shall presume that placement of the entire sibling group in the joint placement is in the best interests of the children. Such presumption may be rebutted by a preponderance of the evidence that placement of the entire sibling group in the joint placement is not in the best interests of a child or of the children.

(3) In making placement determinations concerning a child following the order of termination of the parent-child legal relationship pursuant to the provisions of this section, the court shall consider all pertinent information related to modifying the placement of the child prior to removing the child from his or her placement, including the following:

(a) An individualized assessment of the child's needs created pursuant to Title IV-E of the federal "Social Security Act", as amended, and regulations promulgated thereunder, as amended;

(b) Whether the child's placement at the time of the hearing is a safe and potentially permanent placement for the child, including documentation that a county department or a licensed child placement agency has adequately screened the family member who is seeking to care for the child and any adult residing in the home and that all of the criminal history record checks and other background checks have been completed as required pursuant to section 26-6-910 or 19-3-407;

(c) The child's actual age and developmental stage and, in consideration of this information, the child's attachment needs;

(d) Whether the child has significant psychological ties to a person who could provide a permanent placement for the child, including a relative, and, if so, whether this person maintained contact with the child during the child's placement out of the home;

(e) Whether a person who could provide a permanent placement for the child is willing to maintain appropriate contact after an adoption of the child with the child's relatives, particularly sibling relatives, when such contact is safe, reasonable, and appropriate;

(f) Whether a person who could provide a permanent placement for the child is aware of the child's culture and willing to provide the child with positive ties to his or her culture;

(g) The child's medical, physical, emotional, or other specific needs, and whether a person who could provide a permanent placement for the child is able to meet the child's needs; and

(h) The child's attachment to the child's caregiver at the time of the hearing and the possible effects on the child's emotional well-being if the child is removed from the caregiver's home.

19-3-612. Reinstatement of the parent-child legal relationship - circumstances - petition - hearings - legislative declaration. (1) The general assembly finds that, for various reasons, some children are not adopted after the termination or voluntary relinquishment of the parent-child legal relationship and in some cases might benefit from a reinstatement of the parent-child legal relationship if the former parent has remediated the issues that led to the

termination or voluntary relinquishment. The purpose of this section is to address the problem of children who linger in the child welfare system by giving them a second chance at achieving permanency with their rehabilitated former parent. The purpose of this section is to create a process by which the former parent's legal rights may be restored if certain conditions are met, both the child and the former parent want reinstatement of the relationship, a trial period is successful, and it is found to be in the best interests of the child. Reinstatement is a recognition that the situation of the former parent and child has changed since the time of the termination or voluntary relinquishment of the parent-child legal relationship, and reunification is now appropriate and in the best interests of the child.

(2) A county department with custody of a child whose parent's rights were terminated voluntarily or involuntarily, including a child whose parent relinquished the child pursuant to the requirements of article 5 of this title 19, or the guardian ad litem of such a child, may file a petition to reinstate the parent-child legal relationship alleging the following:

(a) (I) The child is twelve years of age or older; or

(II) The child is younger than twelve years of age and is part of a sibling group, as defined in section 19-1-103, that includes a child described in subsection (2)(a)(I) of this section for whom a petition to reinstate the parent-child legal relationship has been filed, and the younger sibling independently meets the conditions set forth in subsections (2)(b) to (2)(f) of this section;

(b) Both the child and the former parent consent to the petition for reinstatement of the parent-child legal relationship;

(c) The child does not have a legal parent, is not in an adoptive placement, and is not likely to be adopted within a reasonable period of time, and other permanency options have been exhausted;

(d) The child is in the legal custody of a county department;

(e) The date of the final order terminating the parent-child legal relationship was at least three years before the filing of the petition or, if the court finds that it is in the best interests of the child to consider a petition for reinstatement of the parent-child legal relationship, less than three years from the date of the final order terminating the parent-child legal relationship; and

(f) The dependency and neglect action did not involve substantiated allegations of sexual abuse or an incident of egregious abuse or neglect against a child, a near fatality, or a suspicious fatality or near fatality as those terms are defined in section 26-1-139, C.R.S.

(3) ***[Editor's note: This version of subsection (3) is effective until January 9, 2023.]*** A child who is sixteen years of age or older, or his or her guardian ad litem, may also file a petition to reinstate the parent-child legal relationship alleging that the conditions set forth in paragraphs (b) to (f) of subsection (2) of this section are met.

(3) ***[Editor's note: This version of subsection (3) is effective January 9, 2023.]*** A child who is twelve years of age or older, or the child's guardian ad litem, may also file a petition to reinstate the parent-child legal relationship alleging that the conditions set forth in subsections (2)(b) to (2)(f) of this section are met.

(4) If a former parent whose rights have been terminated contacts either the county department that has custody of the child or the child's guardian ad litem about the possible reinstatement of the parent-child legal relationship through a petition filed pursuant to this section, the county department or the guardian ad litem who was contacted shall notify the other

party, as applicable, and the court within thirty days after the contact with the name and address of the former parent.

(5) If a petition to reinstate the parent-child legal relationship is filed, a former parent who is named in the petition and whose rights the petition seeks to have reinstated is entitled to appointed counsel through the office of the respondent parents' counsel pursuant to article 92 of title 13 if the former parent meets the income eligibility criteria for public counsel, or the former parent may retain counsel at his or her own expense.

(6) The petition must state the name and age of the child; the county department that has legal custody of the child; and the name and address of the former parent named in the petition. The petition shall be verified, and the statements in the petition may be made upon information and belief. The party filing a petition to reinstate the parent-child legal relationship shall serve the petition on the following nonmovants:

- (a) The child's guardian ad litem;
- (b) The county department with legal custody of the child; and
- (c) The former parent whose parent-child legal relationship the petition seeks to have reinstated.

(7) Upon receipt of the petition for reinstatement of the parent-child legal relationship, the court must set a date for an initial hearing to take place no more than sixty-three days after the filing of the petition. The court shall provide notice of all hearings and reviews to:

- (a) The county department with legal custody of the child;
- (b) The guardian ad litem;
- (c) The former parent whose parent-child legal relationship the petition seeks to have reinstated;
- (d) The foster parents, if any; and
- (e) The child's tribe if the child is an Indian child.

(8) At the initial hearing and all subsequent hearings on the petition, the court shall consider information from the county department with legal custody of the child, the child, the child's guardian ad litem, the former parent, the person or agency that is providing care for the child, and any other person or agency that may aid the court in its review.

(9) At the initial hearing, the court shall consider and make findings about the following threshold conditions for pursuing a reinstatement of the parent-child legal relationship:

(a) Whether the allegations for filing the petition in paragraphs (a) to (f) of subsection (2) of this section or in subsection (3) of this section have been established by clear and convincing evidence;

(b) Whether the child is of a sufficient age and maturity and able to express his or her preference about reinstatement of the parent-child legal relationship;

(c) Whether the former parent has remedied the conditions that led to the child's removal and termination of the parent-child legal relationship, if applicable;

(d) What temporary transition services would be needed by the child and the former parent to have a successful reinstatement of the parent-child legal relationship;

(e) Whether the former parent can provide a safe and stable home for the child; and

(f) Whether the former parent has participated in an assessment that supports that the reinstatement of the parent-child legal relationship is in the best interests of the child. The state board may adopt rules defining the types of assessments that may be done to support reinstatement of the parent-child legal relationship. A previous finding of termination does not

disqualify the former parent from being certified as an appropriate placement for a trial period under this section.

(10) At the conclusion of the initial hearing, the court shall either dismiss the petition because the threshold conditions for reinstatement set forth in subsection (9) of this section have not been met or enter an order finding that the threshold conditions for reinstatement set forth in subsection (9) of this section have been met and that it is in the best interests of the child to work toward reinstatement of the parent-child legal relationship. If the court finds that it is in the best interests of the child to pursue reinstatement of the parent-child legal relationship, the court must approve a transition plan developed by the county department and designed for reinstatement of the parent-child legal relationship, including visitation or placement of the child with the former parent for a designated trial period of up to six months, during which time legal custody of the child remains with the county department. As part of the transition plan, the county department shall provide transition services, as needed. The county department shall assess the visitation or temporary placement of the child with the former parent and prepare a report about the success of the visitation or temporary placement. The county department shall submit the report to the court, the former parent, and the guardian ad litem not later than thirty days prior to the expiration of the designated trial period. The county department may stop the visitation or remove the child from placement with the former parent at any time, in accordance with the procedures outlined in sections 19-3-401 and 19-3-403, if it deems that the child is not safe or that it is no longer in the best interests of the child for the child to remain with the former parent.

(11) (a) The court shall schedule a final hearing prior to the expiration of the designated trial period. At the final hearing, the court shall consider the following:

(I) Whether the threshold criteria for reinstatement of the parent-child legal relationship set forth in subsection (9) of this section are still met;

(II) Whether the trial period of visitation or placement of the child with the former parent was successful;

(III) Whether the child will lose or gain any benefits or services as a result of reinstatement and how this might affect the child; and

(IV) Whether reinstatement of the parent-child legal relationship is in the best interests of the child.

(b) The court shall make findings supporting the disposition of the petition for reinstatement. The court may make the following orders:

(I) The court may grant the petition and order the reinstatement of the parent-child legal relationship if the court finds by clear and convincing evidence that it is in the best interests of the child to reinstate the parent-child legal relationship; or

(II) The court may dismiss the petition, in which case:

(A) The county department retains the legal custody of the child; and

(B) The county department shall arrange for the immediate placement of the child in out-of-home placement; and

(C) The court shall set a hearing to determine the permanency plan in accordance with section 19-3-702; or

(III) The court may continue the matter for no more than sixty days and may issue an order requiring the former parent or the county department to take certain actions before the next hearing; except that the court shall either dismiss or grant a motion for reinstatement of the

parent-child legal relationship within twelve months after the date the petition for reinstatement was filed.

(12) An order reinstating the parent-child legal relationship restores all rights, powers, privileges, immunities, duties, and obligations of the former parent as to the child, including those relating to custody, control, and support of the child. If the parent-child legal relationship is reinstated, the court may require periodic review within ninety days after reinstatement.

(13) The granting of a petition for reinstatement of the parent-child legal relationship does not vacate or otherwise affect the validity of the original order terminating the parent-child legal relationship.

(14) The granting of a petition for reinstatement of the parent-child legal relationship for one former parent does not restore or otherwise impact the rights or legal status of the other former parent.

(15) A parent whose parent-child legal relationship is restored pursuant to this section is not liable for child support or the costs of any services provided to the child from the date of the original order terminating the parent-child legal relationship to the date of the order reinstating the parent-child legal relationship.

(16) This section does not create a cause of action against the county department or its employees concerning the original order terminating the parent-child legal relationship. Nothing in this section shall be construed to limit or alter the protections granted to public entities and to their employees under the "Colorado Governmental Immunity Act", article 10 of title 24, C.R.S.

19-3-702. Permanency hearing. (1) (a) In order to provide stable, permanent homes for every child or youth placed out of the home, in as short a time as possible, a court shall conduct a permanency planning hearing. The court shall hold the permanency planning hearing as soon as possible following the initial hearing held pursuant to a proceeding pursuant to part 3 of article 7 of this title 19 or the initial dispositional hearing pursuant to this article 3; except that the permanency planning hearing must be held no later than ninety-one days after the initial decree of disposition. After the initial permanency planning hearing, the court shall hold additional hearings at least every six months while the case remains open or more often in the discretion of the court, or upon the motion of any party. When possible, the permanency planning hearing must be combined with the in-person six-month review as provided for in section 19-1-115 (4)(c), subsection (6)(a) of this section, or section 19-7-312. The court shall hold all permanency planning hearings in person, provide proper notice to all parties, and provide all parties the opportunity to be heard. The court shall consult with the child or youth in a developmentally appropriate manner regarding the child's or youth's permanency goal.

(b) If the court finds that reasonable efforts to reunify the child or youth and the parent are not required pursuant to section 19-1-115 (7) or if there is a finding that no appropriate treatment plan can be devised pursuant to section 19-3-508 (1)(d)(I), the court shall hold a permanency planning hearing within thirty days after the finding. If the court finds that reasonable efforts to reunify the child or youth and the parent are not required and a motion for termination has been filed pursuant to section 19-3-602, the permanency planning hearing and the hearing on the motion for termination may be combined, and the court shall make all determinations required at both hearings in the combined hearing.

(2) (a) When the court schedules a permanency planning hearing pursuant to this section, the court or designee of the court shall promptly issue a notice stating the purpose of the hearing. The notice must set forth the constitutional and statutory rights of the child's or youth's parents or guardian and the statutory rights of the child or youth. The notice of the hearing must comply with the requirements stated in section 19-3-502 (7) and must be sent to parents or guardians, placement providers, and named children or youth.

(b) The county department of human or social services shall propose a permanency plan for each child or youth, which plan must be completed and submitted to the court in the family services plan no later than five days in advance of the permanency planning hearing.

(3) At any permanency planning hearing, the court shall first determine if the child or youth should be returned to the child's or youth's parent, named guardian, or legal custodian and, if applicable, the date on which the child or youth must be returned. If the child or youth cannot be returned home, the court shall also determine whether reasonable efforts have been made to find a safe and stable permanent home for the child or youth. The court shall not delay permanency planning by considering the placement of children or youth together as a sibling group. At any permanency planning hearing, the court shall make the following determinations, when applicable:

(a) Whether procedural safeguards to preserve parental rights have been applied in connection with any change in the child's or youth's placement or any determination affecting parental visitation of the child or youth;

(b) Whether reasonable efforts have been made to finalize the permanency goal;

(c) Whether ongoing efforts have been made to identify kin and relatives that are available to be a permanent placement for the child or youth;

(d) When the child or youth resides in a placement out of state, whether the out-of-state placement continues to be appropriate and in the best interests of the child or youth;

(e) Whether a child or youth who is fourteen years of age or older is receiving transition services to successful adulthood, regardless of his or her permanency goal; and

(f) Whether the current placement of the child or youth could be a permanent placement, if necessary.

(4) (a) If the child or youth cannot be returned to the physical custody of the child's or youth's parent or legal guardian on the date of the hearing, the court shall enter one or more of the following permanency goals, of which subsections (4)(a)(I) to (4)(a)(V) of this section may be adopted as concurrent goals pursuant to section 19-3-508 (7):

(I) Return home;

(II) Adoption with a relative;

(III) Permanent placement with a relative through legal guardianship or allocation of parental responsibilities;

(IV) Adoption with a nonrelative;

(V) Permanent placement with a nonrelative through legal guardianship or allocation of parental responsibilities;

(VI) (A) Other planned permanent living arrangements either through emancipation or long-term foster care.

(B) Other planned permanent living arrangements may only be used as a permanency goal for children or youth in exceptional circumstances for children sixteen years of age or older who have co-occurring complex conditions that preclude their return home, their adoption or legal guardianship, or allocation of parental responsibilities; or for children and youth who are in the unaccompanied refugee minor program, regardless of their age.

(C) Other planned permanent living arrangements may not be used as a concurrent goal.

(D) The court shall ask the child or youth about his or her desired permanency outcome when considering other planned permanent living arrangements.

(b) (I) The department shall document in the family services plan the compelling reasons why it is not in the best interest of the child or youth to return home, be placed for adoption, be placed with a legal guardian, or be placed with a fit and willing relative. In addition, the department shall document intensive, ongoing, and unsuccessful efforts made to return the child or youth home or to a secure placement with a fit and willing relative, including adult siblings; a legal guardian; or an adoptive parent, including efforts that utilize search technology that includes social media to find biological family members for the children or youth.

(II) The department shall document in the family services plan and the court shall review whether the child's or youth's placement is following the reasonable and prudent parent standard and whether the child or youth has regular, ongoing opportunities to engage in age-appropriate activities.

(c) *[Editor's note: This version of subsection (4)(c) is effective until January 9, 2023.]* Prior to closing a case before a youth's eighteenth birthday, the court or the youth's guardian ad litem shall notify the youth that the youth will lose the right to receive medicaid until the maximum age provided by federal law if the case is closed prior to the youth's eighteenth birthday. Prior to closing a case after a youth's sixteenth birthday, the court shall advise the youth of the youth's eligibility for the foster youth in transition program, created in section 19-7-303, should the youth later determine he or she needs child welfare assistance from a county department.

(c) *[Editor's note: This version of subsection (4)(c) is effective January 9, 2023.]* Prior to closing a case before a youth's eighteenth birthday, the court or the youth's guardian ad litem or counsel for youth shall notify the youth that the youth will lose the right to receive medicaid until the maximum age provided by federal law if the case is closed prior to the youth's eighteenth birthday. Prior to closing a case after a youth's sixteenth birthday, the court shall advise the youth of the youth's eligibility for the foster youth in transition program, created in section 19-7-303, should the youth later determine the youth needs child welfare assistance from a county department.

(d) Every child who is eighteen years of age or older who is leaving foster or kinship care must be provided with his or her birth certificate, social security card, health insurance information, medical records, either a driver's license or state-issued identification card, and proof of foster care.

(e) If the court finds that there is not a substantial probability that the child or youth will be returned to a parent or legal guardian within six months and the child or youth appears to be adoptable and meets the criteria for adoption in section 19-5-203, the court may order the county department of human or social services to show cause why it should not file a motion to terminate the parent-child legal relationship pursuant to part 6 of this article 3. Cause may include, but is not limited to, any of the following conditions:

(I) The parent or legal guardian has maintained regular parenting time and contact with the child or youth, and the child or youth would benefit from continuing this relationship;

(II) A child who is twelve years of age or older objects to termination of the parent-child legal relationship;

(III) The child's foster parents are unable to adopt the child because of exceptional circumstances that do not include an unwillingness to accept legal responsibility for the child. The foster parents must be willing and capable of providing the child with a stable and permanent environment, and it must be shown that removal of the child from the physical custody of his or her foster parents would be seriously detrimental to the emotional well-being of the child; or

(IV) The criteria for termination in section 19-3-604 have not yet been met.

(5) For a child or youth in a case designated pursuant to section 19-1-123 only:

(a) A permanent home is the place in which the child or youth may reside if the child or youth is unable to return home to a parent or legal guardian. If the court determines by a preponderance of the evidence that a permanent home is not currently available or that the child's or youth's current needs or situation prohibit placement, the court must be shown and the court must find that reasonable efforts, as defined in section 19-1-103, were made to find the child or youth an appropriate permanent home and such a home is not currently available or that a child's

or youth's needs or situation prohibit the child or youth from a successful placement in a permanent home.

(b) Regardless of any permanent home findings made pursuant to this section, reasonable efforts shall continue to be made to return the child or youth home unless the court has previously found or finds that reunification is not an option pursuant to section 19-1-115 (7). Any findings by the court regarding a permanent home shall not delay or interfere with reunification of a child or youth with a parent or legal guardian.

(c) At a permanency planning hearing that occurs immediately prior to twelve months after the original placement of the child or youth out of the home, the court shall make a finding identifying whether the child or youth is in a placement that can provide legal permanency. The court must make this finding to ensure that a child or youth who has been removed from his or her home is placed in a permanent home as expeditiously as possible.

(d) The court shall review the case at a permanency planning hearing at least every six months until the court finds that the child or youth is in a permanent home. The permanency planning hearings must continue as long as the court is unable to find that the child or youth is in a permanent home. At each hearing, the court must be provided evidence that a child or youth is in a permanent home or that reasonable efforts, as defined in section 19-1-103, continue to be made to find the child or youth an appropriate permanent home and such a home is not currently available or that a child's or youth's needs or situation prohibit the child or youth from successful placement in a permanent home.

(e) ***[Editor's note: This version of subsection (5)(e) is effective until January 9, 2023.]*** At each permanency planning hearing, the caseworker and the child's or youth's guardian ad litem shall provide the court with a written or verbal report specifying what efforts have been made to identify a permanent home for the child or youth and what services have been provided to the child or youth to facilitate identification of a permanent home.

(e) ***[Editor's note: This version of subsection (5)(e) is effective January 9, 2023.]*** At each permanency planning hearing, the caseworker shall provide the court with a written or verbal report specifying what efforts have been made to identify a permanent home for the child and what services have been provided to the child to facilitate identification of a permanent home.

(f) In determining whether a child or youth is in a permanent home, the court shall consider placement of the children or youth together as a sibling group pursuant to section 19-3-213.

(6) ***[Editor's note: This version of the introductory portion to subsection (6) is effective until January 9, 2023.]*** If a placement change is contested by a named party or child or youth and the child or youth is not reunifying with a parent or legal guardian, the court shall consider all pertinent information, including the child's or youth's wishes, related to modifying the placement of the child or youth prior to removing the child or youth from his or her placement, and including the following:

(6) ***[Editor's note: This version of the introductory portion to subsection (6) is effective January 9, 2023.]*** If a placement change is contested by a party and the child or youth is not reunifying with a parent or legal guardian, the court shall consider all pertinent information, including the child's or youth's wishes, related to modifying the placement of the child or youth prior to removing the child or youth from the child's or youth's placement, and including the following:

(a) An individualized assessment of the child's or youth's needs created pursuant to Title IV-E of the federal "Social Security Act", as amended, and regulations promulgated thereunder, as amended;

(b) Whether the child's or youth's placement at the time of the hearing is a safe and potentially permanent home for the child or youth;

(c) The child's or youth's actual age and developmental stage and, in consideration of this information, the child's or youth's attachment needs;

(d) Whether the child or youth has significant psychological ties to a person who could provide a permanent home for the child or youth, including a relative, and, if so, whether this person maintained contact with the child or youth during the child's or youth's placement out of the home;

(e) Whether a person who could provide a permanent home for the child or youth is willing to maintain appropriate contact after an adoption of the child or youth with the child's or youth's relatives, particularly sibling relatives, when such contact is safe, reasonable, and appropriate;

(f) Whether a person who could provide a permanent home for the child or youth is aware of the child's or youth's culture and is willing to provide the child or youth with positive ties to his or her culture;

(g) The child's or youth's medical, physical, emotional, or other specific needs, and whether a person who could provide a permanent placement for the child or youth is able to meet the child's or youth's needs; and

(h) The child's or youth's attachment to the child's or youth's caregiver at the time of the hearing and the possible effects on the child's or youth's emotional well-being if the child or youth is removed from the caregiver's home.

19-3-705. Transition hearing. (1) When a youth turns eighteen years of age while the youth is a named child or is a youth in a dependency and neglect case open through this article 3, the court shall hold a transition hearing within thirty-five days after the youth's eighteenth birthday. (2) At least seven days prior to a transition hearing, a county department shall file a report with the court that includes:

(a) A description of the county department's reasonable efforts toward achieving the youth's permanency goals and a successful transition to adulthood;

(b) An affirmation that the county department has provided the youth with all necessary records and documents, including copies of all documents listed in section 19-3-702 (4)(d), health records, education records, and written information concerning the youth's family history and contact information for siblings, if available and appropriate;

(II) If it is anticipated that the youth will choose to enter the foster youth in transition program created in section 19-7-303, the county department shall file a petition pursuant to section 19-7-307.

(3) The court shall advise the youth that:

The youth has the right to counsel who will represent the youth's objectives, beginning on the youth's eighteenth birthday. The youth has the right to consult with the youth's counsel about the decision whether to emancipate. The court shall advise the youth that the current emancipation transition hearing may be continued for up to one hundred nineteen days if the youth would like additional time to make a decision or to prepare for emancipation. The court shall ask the youth whether the youth has had sufficient opportunity to consult with counsel and if the youth is ready to make a decision at the current time or, alternatively, if the youth would like to request a continuance of up to one hundred nineteen days.

(e) **[Editor's note: This version of subsection (3)(e) is effective January 9, 2023.]** The youth has the right to counsel, who shall represent the youth throughout the youth's participation in the foster youth transition program. The court shall advise the youth that the current emancipation transition hearing may be continued for up to one hundred nineteen days if the youth would like additional time to make a decision or to prepare for emancipation. The court shall ask the youth whether the youth has had sufficient opportunity to consult with counsel and if the youth is ready to make a decision at the current time or, alternatively, if the youth would like to request a continuance of up to one hundred nineteen days.

(4) Prior to a youth emancipating, the court shall:

(a) Review the youth's emancipation transition plan executed pursuant to section 19-7-310 and consult with the youth on readiness for emancipation;

(b) Determine whether the county department has made reasonable efforts toward the youth's permanency goal and a successful transition to adulthood;

(c) Determine whether the youth has been provided with all necessary records and documents described in subsection (2)(b) of this section; and

(d) Determine whether the youth has been enrolled in medicaid and advise the youth on the youth's eligibility for former foster care medicaid up to twenty-six years of age pursuant to section 26-5-113 and of the necessity of keeping the youth's contact information up to date.

(5) With the youth's consent, the court may continue the emancipation transition hearing for up to one hundred nineteen days to allow time to improve the youth's emancipation transition plan, gather necessary documents and records, or for any other reason necessary to allow the youth a successful transition to adulthood.

(6) If a youth is opting into the foster youth in transition program created in section 19-7-303 and a petition has been filed pursuant to section 19-7-307, the court shall dismiss the case pursuant to this article 3 or dismiss the youth from the case brought pursuant to this article 3, leave the case open for remaining siblings, and open a new case brought pursuant to part 3 of article 7 of this title 19. Such an action must not result in an interruption in case management services, housing, medicaid coverage, or in foster care maintenance payments.

19-3-901. Legislative declaration. (1) The general assembly finds and declares that:

(a) Colorado has a strong interest in preserving and strengthening family ties and reducing separation trauma to children who are removed from their birth parents;

(b) The removal and subsequent continued separation between child and birth parent makes sustaining primary relationships difficult and reunification more problematic, and the loss a child experiences when separated from his or her birth parent or parents is profound, sometimes lasting into adulthood;

(c) For these reasons, it is important to establish clear standards to achieve consistent practices relating to the availability of high-quality parenting time for children who have been removed from a birth parent by government action; and

(d) Clear standards and consistent practices will help ensure that all parents and children have a fair process for determining a parenting time plan that is in the best interests of children and that promotes positive outcomes for families.

(2) Therefore, the general assembly declares that it is valuable to create a task force of persons with experience in or knowledge of the child welfare policy system to examine the current policies and statutes governing parenting time, to study best practices for the provision of and determination of individualized plans for parenting time, and to make recommendations to the executive branch and to the general assembly on administrative and legislative changes to support high-quality parenting time in Colorado.

- (f) To improve child protection outcomes and to foster best practices, there must be effective accountability mechanisms, including the review and evaluation of concerns voiced by children and families, mandatory reporters, persons involved in the child protection system, and members of the general public, that provide policymakers with the information necessary to formulate systemic changes, where appropriate.

(2) The general assembly further finds and declares that the establishment of the office of the child protection ombudsman will:

(d) To promote best practices and effective programs relating to a publicly funded child protection system and to work collaboratively with county departments, when appropriate, regarding improvement of processes;

(e) To recommend to the general assembly, the executive director, and any appropriate agency or entity statutory, budgetary, regulatory, and administrative changes, including systemic changes, to improve the safety of and promote better outcomes for children and families receiving child protection services in Colorado; and

(f) To request, access, and review information, records, or documents received pursuant to subsection (1)(a)(II) of this section.

(3) The ombudsman, employees of the office, and any persons acting on behalf of the office shall comply with all state and federal confidentiality laws that govern the department of early childhood, the state department, or a county department with respect to the treatment of confidential information or records and the disclosure of such information and records.

(4) Nothing in this article shall be construed to direct or authorize the ombudsman to intervene in any criminal or civil judicial proceeding or to interfere in a criminal investigation.

(5) In the performance of the ombudsman's duties, the ombudsman shall act independently of the division within the department of early childhood that is responsible for child care, of the divisions within the state department that are responsible for child welfare or youth services, of the county departments of human or social services, and of all judicial agencies, including, but not limited to, the office of the child's representative, the office of the respondent parents' counsel, the office of state public defender, the office of alternate defense

19-4-105. Presumption of paternity. (1) A person is presumed to be the natural parent of a child if:

(a) The person and the parent who gave birth to the child are or have been married to each other or are in a civil union pursuant to article 15 of title 14, and the child is born during the marriage or civil union, within three hundred days after the marriage or civil union is terminated by death, annulment, declaration of invalidity of marriage or civil union, dissolution of marriage or civil union, or divorce, or after a decree of legal separation is entered by a court;

(b) Before the child's birth, the person and the parent who gave birth to the child have attempted to marry each other by a marriage solemnized in apparent compliance with law or attempted to enter into a civil union in apparent compliance with law, although the attempted marriage or civil union is or could be declared invalid, and:

(I) If the attempted marriage or civil union could be declared invalid only by a court, the child is born during the attempted marriage or civil union or within three hundred days after its termination by death, annulment, declaration of invalidity of marriage or civil union, dissolution of marriage or civil union, or divorce; or

(II) If the attempted marriage or civil union is invalid without a court order, the child is born within three hundred days after the termination of cohabitation;

(c) After the child's birth, the person and the parent who gave birth to the child have married or entered into a civil union, or attempted to marry each other by a marriage solemnized in apparent compliance with law or enter into a civil union in apparent compliance with law, although the attempted marriage or civil union is or could be declared invalid, and:

(I) The person has asserted parentage of the child in writing filed with the court or registrar of vital statistics, if such acknowledgment has not previously become a legal finding pursuant to subsection (2)(a.5) of this section;

(II) With the person's consent, the person is named as the child's parent on the child's birth certificate; or

(III) The person is obligated to support the child under a written voluntary promise or by court order or by an administrative order issued pursuant to section 26-13.5-110;

(d) While the child is under the age of majority, the person receives the child into the person's home and openly holds out the child as the person's natural child;

(e) (Deleted by amendment, L. 2022.)

(f) The genetic tests or other tests of inherited characteristics have been administered pursuant to section 13-25-126, and the results show that the alleged genetic parent is not excluded as the probable genetic parent and that the probability of the person's genetic parentage is ninety-seven percent or higher. This subsection (3)(f) does not apply to a donor as defined in section 19-1-103.

(2) (a) A presumption of parentage pursuant to subsection (1) of this section may be rebutted in an appropriate action only by clear and convincing evidence. If two or more conflicting presumptions arise, the presumption that, on the facts, is founded on the weightier considerations of policy and logic controls. The presumption is rebutted by a court decree establishing parentage of the child by another person other than the parent who gave birth. In determining which of two or more conflicting presumptions controls, based upon the weightier considerations of policy and logic, the judge or magistrate shall consider all pertinent factors, including but not limited to the following:

(I) The length of time between the proceeding to determine parentage and the time that the presumed parent was placed on notice that the presumed parent might not be the genetic parent, unless the child was conceived through an assisted reproductive procedure;

(II) The length of time during which the presumed parent has assumed the role of the child's parent;

(III) The facts surrounding the presumed parent's discovery of the possibility that the presumed parent was not a genetic parent, unless the child was conceived through an assisted reproductive procedure;

(IV) The nature of the existing parent-child relationship;

(V) The child's age;

(VI) The child's relationship to any presumed parent or parents;

(VII) The extent to which the passage of time reduces the chances of establishing another person's parentage and a child support obligation in favor of the child; and

(VIII) Any other factors that may affect the equities arising from the disruption of the parent-child relationship between the child and the presumed parent or parents or the chance of other harm to the child.

(a.5) (I) A person and the parent who gave birth to the child may sign a voluntary acknowledgment of parentage to establish the parentage of the child. A voluntary acknowledgment of parentage may be signed by a parent who gave birth to the child and either:

(A) Another person who is or believes themselves to be a genetic parent; or

(B) Another person who is an intended parent of a child conceived through an assisted reproductive procedure.

(II) A married person or person in a civil union who gives birth to a child may only sign a voluntary acknowledgment of parentage with a person who is not the married person's spouse or civil union partner if the spouse or civil union partner signs a denial of parentage.

(b) A duly executed voluntary acknowledgment of parentage takes effect upon the filing of the document with the state registrar of vital statistics and may be rescinded on the earlier of:

(I) Sixty days after execution of such acknowledgment; or

(II) On the date of any administrative or judicial proceeding pursuant to this article or any administrative or judicial proceeding concerning the support of a child to which the signatory is a party.

(c) An acknowledgment of parentage may be challenged in court only on the basis of fraud, duress, or mistake of material fact, with the burden of proof upon the challenger. Any legal responsibilities resulting from signing an acknowledgment of parentage, including child support obligations, continue during any challenge to the finding of parentage, except for good cause shown.

(d) Except as otherwise provided in subsections (2)(b) and (2)(c) of this section, a voluntary acknowledgment of parentage that complies with this section and section 25-2-112, and is filed with the state registrar of vital statistics, is equivalent to an adjudication of parentage of the child and confers on the acknowledged parent all rights and duties of a parent. The court shall give full faith and credit to a voluntary acknowledgment of parentage that is effective in another state, including a federally recognized Indian tribe, if the acknowledgment was in a signed record and otherwise complies with the laws of the other state or federally recognized Indian tribe.

(2) Upon commencement of a proceeding under this article by one of the parties, the other parties shall be served in the manner set forth in section 19-4-109 (2), the Colorado rules of civil procedure, or as otherwise provided in section 26-13.5-104, C.R.S.

(2.5) Upon the commencement of a proceeding under this article, each party shall provide to the court, in the manner prescribed by the court, his or her social security number and the social security number of each child who is the subject of the proceeding under this article.

(3) Proceedings under this article may be commenced prior to the birth of a child.

(4) If a petition is filed by an alleged father or possible father pursuant to the requirements of section 19-5-103.7, the licensed child placement agency involved shall receive notice of the action in the same manner as a party to the action.

(5) A summons issued upon commencement of a proceeding under this article shall contain the following advisements and notice:

(a) That a request for genetic tests shall not prejudice the requesting party in matters concerning allocation of parental responsibilities pursuant to section 14-10-124 (1.5), C.R.S.;

(b) That, if genetic tests are not obtained prior to a legal establishment of paternity and submitted into evidence prior to the entry of the final order establishing paternity, the genetic tests may not be allowed into evidence at a later date; and

(c) (I) That, except in proceedings initiated pursuant to section 19-1-117 or in proceedings initiated by a delegate child support enforcement unit, as defined in section 26-13-102.5 (1), C.R.S., pursuant to article 13 or 13.5 of title 26, C.R.S., or article 5 of title 14, C.R.S., upon personal service of the petition and summons on a respondent or upon waiver and acceptance of service by a respondent, a temporary injunction shall be in effect against both parties:

(6) The provisions of the temporary injunction described in subsection (5) of this section shall be printed on the summons and the petition. A party may apply to the court for further temporary orders, an expanded temporary injunction, or modification or revocation of the temporary injunction.

19-4-105.6. Amendment of proceedings - adding children. (1) In any existing case commenced under this article, if it is alleged that another child has been conceived of the parents named in the existing case, that child shall be added to the existing case if at least one of the presumptions of paternity specified in section 19-4-105 applies for the purpose of establishing paternity and child support. The caption shall be amended to include the added child.

(2) The party amending the petition pursuant to subsection (1) of this section shall serve the amended petition with the new caption upon the other parties in the manner set forth in section 19-4-109 (2), the Colorado rules of civil procedure, or as otherwise provided in section 26-13.5-104, C.R.S.

(2.5) The party amending the petition pursuant to subsection (1) of this section shall provide to the court, in the manner prescribed by the court, the social security number of the added child.

19-4-106. Assisted reproductive procedures. (1) If, with the consent of another intended parent, an intended parent consents to become pregnant through an assisted reproductive procedure, the intended parent who does not give birth is treated in law as the natural parent of the child conceived. The consent of both the intended parent who will give birth and the other intended parent must be in writing and signed by each such party, except as provided in subsection (5) of this section. This subsection (1) does not apply to a child conceived pursuant to a surrogacy agreement pursuant to article 4.5 of this title 19.

(2) A donor is not a parent of a child conceived by means of an assisted reproductive procedure, except as provided in subsection (3) of this section.

(3) and (4) (Deleted by amendment, L. 2022.)

(5) Failure of the intended parent to sign a consent required by subsection (1) of this section before or after the birth of the child does not preclude a finding that the intended parent is the parent if the court finds by clear and convincing evidence that, prior to the conception of the child, the parent who gave birth and the intended parent had an oral agreement that both would be parents of the child and that the child was conceived through an assisted reproductive procedure.

(6) (Deleted by amendment, L. 2022.)

(6.5) Notwithstanding any other provision of law to the contrary, genetic tests may not be ordered and are not admissible to establish a donor as a parent, to challenge the recognition of an intended parent who consented to the assisted reproductive procedure as a parent, or to challenge a voluntary acknowledgment of parentage that complies with section 19-4-105 where the child was conceived through an assisted reproductive procedure, except to resolve a dispute regarding whether the child was conceived through an assisted reproductive procedure.

(7) (a) If a marriage or civil union is dissolved before placement of eggs, sperm, or embryos, the former spouse or civil union partner is not a parent of the resulting child unless the former spouse or civil union partner consented in a record that if the assisted reproductive procedure were to occur after a dissolution of marriage or civil union, the former spouse or civil union partner would be a parent of the child.

(b) The consent of a former spouse or civil union partner to assisted reproduction may be withdrawn by that individual in a record given to the parent who agreed to give birth to a child conceived by an assisted reproductive procedure at any time before placement of eggs, sperm, or embryos.

(8) If a spouse or civil union partner dies before placement of eggs, sperm, or embryos, the deceased spouse or civil union partner is not a parent of the resulting child unless the deceased spouse or civil union partner consented in a record that if assisted reproduction were to occur after death, the deceased spouse or civil union partner would be a parent of the child.

(9) This section does not apply to the birth of a child conceived by means of sexual intercourse.

(10) For purposes of this section, "donor" is defined in section 19-1-103.

19-4-107. Determination of father and child relationship - who may bring action - when action may be brought. (1) A child, his or her natural mother, or a man presumed to be his or her father pursuant to section 19-4-105 (1)(a), (1)(b), or (1)(c) or the state, the state department of human services, or a county department of human or social services, pursuant to article 13 or 13.5 of title 26 or article 5 of title 14 may bring an action:

(a) At any time for the purpose of declaring the existence of the father and child relationship presumed under section 19-4-105 (1)(a), (1)(b), or (1)(c); or

(b) For the purpose of declaring the nonexistence of the father and child relationship presumed under section 19-4-105 (1)(a), (1)(b), or (1)(c) only if the action is brought within a reasonable time after obtaining knowledge of relevant facts but in no event later than five years after the child's birth. After the presumption has been rebutted, paternity of the child by another man may be determined in the same action, if he has been made a party.

(2) Any interested party, including the state, the state department of human services, or a county department of human or social services, pursuant to article 13 or 13.5 of title 26 or article 5 of title 14 may bring an action at any time for the purpose of determining the existence or nonexistence of the father and child relationship presumed pursuant to section 19-4-105 (1)(d), (1)(e), or (1)(f).

(3) An action to determine the existence of the father and child relationship with respect to a child who has no presumed father pursuant to section 19-4-105 may be brought by the state, the state department of human services, a county department of human or social services, the child, the mother or personal representative of the child, the personal representative or a parent of the mother if the mother has died, a man alleged or alleging himself to be the father, or the personal representative or a parent of the alleged father if the alleged father has died or is a minor.

(4) Regardless of its terms, an agreement, other than an agreement approved by the court in accordance with section 19-4-114 (2), between an alleged or presumed father and the mother or child does not bar an action under this section.

19-4-107.3. When determination of parentage is final - modifications - exceptions.

(1) (a) An order determining parentage pursuant to this article shall be modified or set aside, within the time frames specified in subsection (2) of this section, if genetic test results based on DNA testing, administered in accordance with section 13-25-126, C.R.S., establish the exclusion of the individual named as the father in the order as the biological parent of the child and the court determines that it is just and proper under the circumstances and in the best interests of the child.

(b) If the court modifies or sets aside an order determining parentage pursuant to paragraph (a) of this subsection (1), then the court shall modify the provisions of the order respecting child support for installments accruing subsequent to the filing of the motion pursuant to section 14-10-122 (6), C.R.S., and may vacate or deem as satisfied, in whole or in part, unpaid child support obligations arising from or based on the order determining parentage. The court shall not order restitution from the state for any sums paid to or collected by the state for the benefit of the child.

(2) (a) A motion to modify or set aside an order determining parentage pursuant to this section must be filed within two years from the date of the entry of the order.

(b) Repealed.

(3) Notwithstanding the provisions of subsection (1) of this section, neither a determination of parentage nor an order respecting child support shall be modified or set aside pursuant to this section if:

(b) The child was adopted by the individual named in the order; or

(c) The child was conceived by means of assisted reproduction.

(4) A motion filed pursuant to this section may be brought by the individual named as the father in the order and shall be served in the manner set forth in the Colorado rules of civil procedure upon all other parties. 19-4-108. Statute of limitations. An action to determine the existence of the father and child relationship may be brought at any time prior to the child's eighteenth birthday by the mother or father of said child, by the child, or by the delegate child support enforcement agency. If, however, the statute of limitations in effect at the time of the child's birth was less than eighteen years, the delegate child support enforcement agency may bring an action on behalf of the said child at any time prior to the child's twenty-first birthday. An action brought by a child whose paternity has not been determined may be brought at any time prior to the child's twenty-first birthday. This section and section 19-4-107 do not extend the time within which a right of inheritance or a right to a succession may be asserted beyond the time provided by law relating to distribution and closing of decedents' estates or to the determination of heirship, or otherwise.

Editor's note: (1) This section was contained in a title that was repealed and reenacted in 1987. Provisions of this section, as it existed in 1987, are similar to those contained in 19-6-108 as said section existed in 1986, the year prior to the repeal and reenactment of this title.

(2) Prior to the repeal and reenactment of this title in 1987, the statute of limitations to determine a father and child relationship was contained in § 19-6-108. The statute of limitations as contained in that section was changed by L. 85, p. 596, § 18, to eighteen years. For the statute of limitations in effect prior to the change in 1985, see § 19-6-108 as contained in the 1978 Replacement Volume 8 and in annual supplements thereto prior to 1985.

19-4-109. Jurisdiction - venue. (1) Without limiting the jurisdiction of any other court, the juvenile court has jurisdiction of an action brought pursuant to this article 4. The juvenile court's jurisdiction includes concurrent jurisdiction with a dependency and neglect court, as set forth in section 19-3-205 (1), to determine a parent-child legal relationship. A delegate child support enforcement unit also has jurisdiction to establish paternity in noncontested paternities in accordance with the procedures specified in article 13.5 of title 26. The action may be joined with an action in another court of competent jurisdiction for dissolution of marriage, legal separation, declaration of invalidity of marriage, or support.

(1.5) A paternity determination made by another state, whether established through voluntary acknowledgment, administrative processes, or judicial processes, shall be enforced and otherwise treated in the same manner as a judgment of this state.

(2) A person who has sexual intercourse in this state thereby submits to the jurisdiction of the courts of this state as to an action brought under this article with respect to a child who may have been conceived by that act of intercourse. Upon filing of the petition, the court shall issue a summons. The hearing shall be set for a day not less than ten days after service is completed or on such later date as the court may order. In addition to any other method provided by rule or statute, including rule 4 (e) of the Colorado rules of civil procedure, when there is a

basis for personal jurisdiction over an individual living outside this state pursuant to section 14-5-201, C.R.S., service may be accomplished by delivering a copy of the summons, together with a copy of the petition upon which it was issued, to the individual served. Such service may be by private process server or by sending such copies to such individual by certified mail with proof of actual receipt by such individual.

(3) The action may be brought in the county in which the child or the alleged father resides or is found, or in any county where public assistance was or is being paid on behalf of the child, or, if the father is deceased, in any county in which proceedings for probate of his estate have been or could be commenced.

19-4-110. Parties. The child may be made a party to the action. If the child is a minor, the court may appoint a guardian ad litem. The child's mother or father may not represent the child as guardian or otherwise. The court shall make the natural mother, each man presumed to be the father under section 19-4-105, and each man alleged to be the natural father parties or, if not subject to the jurisdiction of the court, provide notice of the action in a manner prescribed by the court and an opportunity to be heard. If a man who is alleged to be the natural father is deceased, the court shall make the personal representative of his estate, if one has been appointed, a party. If a personal representative has not been appointed, the court shall make the deceased man's spouse or an immediate blood relative a party. If a spouse or immediate blood relative is not known or does not exist, the court shall appoint a representative for the alleged natural father who is deceased. The court may align the parties. When the person to be served has no residence within Colorado and his or her place of residence is not known or when he or she cannot be found within the state after due diligence, service must be by publication pursuant to rule 4 (g) of the Colorado rules of civil procedure; except that service must be by a single publication and must be completed not less than five days prior to the time set for hearing on paternity adjudication.

19-4-111. Pretrial proceedings. (1) As soon as practicable after an action to declare the existence or nonexistence of the father-child relationship has been brought, an informal hearing shall be held if it is determined by the court to be in the child's best interest. The court may order that the hearing be held before a magistrate. The public shall be barred from the hearing if it is determined by the court to be in the best interest of any of the parties. A record of the proceeding or any portion thereof shall be kept if any party requests or the court orders. Rules of evidence need not be observed. At the informal hearing, the judge or magistrate shall give a verbal advisement to the parties that a request for genetic tests shall not prejudice the requesting party in matters concerning allocation of parental responsibilities pursuant to section 14-10-124 (1.5), C.R.S. The judge or magistrate shall further advise the parties that, if genetic tests are not obtained prior to the legal establishment of paternity and submitted into evidence prior to the entry of the final order establishing paternity, the genetic tests may not be allowed into evidence at a later date.

(2) Upon the refusal of any witness, including a party, to testify under oath or produce evidence, the court may order such witness to testify under oath and produce evidence concerning all relevant facts. If the refusal is upon the ground that such witness' testimony or evidence might tend to incriminate such witness, the court may grant such witness immunity from the use of the testimony or evidence the witness is required to produce to prove the commission of a criminal offense by the witness. The refusal of a witness who has been granted immunity to obey an order to testify or produce evidence is a civil contempt of the court.

(3) Testimony of a physician concerning the medical circumstances of the pregnancy and the condition and characteristics of the child upon birth is not privileged.

(4) Upon the filing of a petition under this article, any party may seek the issuance of a temporary protection order or injunction under the criteria set forth in section 14-10-108, C.R.S. Any party may further seek temporary orders as to the allocation of parental responsibilities, including allocation of decision-making responsibility and parenting time, and support once an order determining the existence of the parent and child relationship has been entered by the court. The filing of a motion for temporary orders shall not prevent a party or public agency from seeking other relief as may be provided by this article. Issues of temporary orders concerning the allocation of parental responsibilities, including decision-making responsibility and parenting time, and issues of support shall be determined in accordance with the criteria set forth in the "Uniform Dissolution of Marriage Act", article 10 of title 14, C.R.S. Any temporary protection order issued pursuant to this subsection (4) shall be on a standardized form prescribed by the judicial department, and a copy shall be provided to the protected person.

(5) At the time a protection order is requested pursuant to this section, the court shall inquire about, and the requesting party and such party's attorney shall have an independent duty to disclose, knowledge such party and such party's attorney may have concerning the existence of any prior protection orders of any court addressing in whole or in part the subject matter of the requested protection order.

(6) The duties of peace officers enforcing orders issued pursuant to this section shall be in accordance with section 18-6-803.5, C.R.S., and any rules adopted by the Colorado supreme court pursuant to said section.

19-4-112. Genetic or other tests - administrative subpoena to compel genetic testing.

(1) Upon motion of the court or any of the interested parties, genetic tests or other tests of inherited characteristics shall be ordered and the results received in evidence, as provided in section 13-25-126. Upon agreement of the mother and the presumed or alleged father or fathers, genetic tests or other tests of inherited characteristics may be administered prior to filing of an action. If the action is then filed, the test results must be admitted into evidence as provided in section 13-25-126.

(2) (a) A delegate child support enforcement unit is authorized to produce, issue, and serve a subpoena to compel a party in a juvenile court case to appear, at a specified location and time, for a genetic test sample that is collected for assistance in paternity determination. The subpoena must allow a lab-certified child support enforcement unit sample collector, an accredited genetic-testing laboratory company, a health clinic, or a hospital to conduct a buccal swab or other lab-approved collection method of the alleged father, mother, and child whose paternity is at issue. The sample may then be used for paternity testing purposes, provided appropriate chain-of-custody documentation is followed. Test results obtained through the subpoena may be admitted as evidence pursuant to section 13-25-126. The subpoena may be served by first-class mail or by electronic means, if that notice preference by the party is documented.

(b) If a party fails to honor the first subpoena, the delegate child support enforcement unit may issue a second subpoena or file the appropriate motion with the court to compel compliance with a judicial genetic testing order pursuant to section 13-25-126. If the delegate child support enforcement unit issues a second subpoena and that subpoena is not honored, the delegate child support enforcement unit may file the appropriate motion with the court to compel compliance with a judicial genetic testing order pursuant to section 13-25-126. A nonappearance default may be sought against a nonappearing party only after a judicial genetic testing order is not honored.

19-4-113. Evidence relating to paternity. (1) Evidence relating to paternity may include:

(a) Evidence of sexual intercourse between the mother and alleged father at any possible time of conception;

(b) An expert's opinion concerning the statistical probability of the alleged father's paternity based upon the duration of the mother's pregnancy;

(c) Genetic test results, weighted in accordance with evidence, if available, of the statistical probability of the alleged father's paternity;

(d) Medical or anthropological evidence relating to the alleged father's paternity of the child based on tests performed by experts. If a man has been identified as a possible father of the child, the court may, and upon request of a party shall, require the child, the mother, and the man to submit to appropriate tests; and

(e) All other evidence relevant to the issue of paternity of the child.

(2) In any action brought pursuant to article 13 or 13.5 of title 26, C.R.S., the parties shall be required to use the laboratory designated by the delegate child support enforcement unit for genetic tests or other tests of inherited characteristics. Any subsequent test or other tests shall be determined by the court as provided in section 13-25-126, C.R.S.

19-4-114. Pretrial recommendations - temporary orders. (1) On the basis of the information produced at the pretrial hearing, the judge or magistrate conducting the hearing shall evaluate the probability of determining the existence or nonexistence of the father and child relationship in a trial and whether a judicial declaration of the relationship would be in the best interest of the child. On the basis of the evaluation, an appropriate recommendation for settlement shall be made to the parties, which may include any of the following:

(a) That the action be dismissed with or without prejudice;

(b) That the matter be compromised by an agreement among the alleged father, the mother, and the child in which the father and child relationship is not determined but in which a defined economic obligation is undertaken by the alleged father in favor of the child and, if appropriate, in favor of the mother, subject to approval by the judge or magistrate conducting the hearing. In reviewing the obligation undertaken by the alleged father in a compromise agreement, the judge or magistrate conducting the hearing shall consider the best interest of the child, in the light of the factors enumerated in section 19-4-116 (6), discounted by the improbability, as it appears to him, of establishing the alleged father's paternity or nonpaternity of the child in a trial of the action. In the best interest of the child, the court may order that the alleged father's identity be kept confidential. In that case, the court may designate a person or agency to receive from the alleged father and disburse on behalf of the child all amounts paid by the alleged father in fulfillment of obligations imposed on him.

(c) That the alleged father voluntarily acknowledge his paternity of the child;

(d) That the action be consolidated with a relinquishment action filed pursuant to part 1 of article 5 of this title.

(2) If the parties accept a recommendation made in accordance with subsection (1) of this section, judgment shall be entered accordingly.

(3) If a party refuses to accept a recommendation made under subsection (1) of this section and genetic tests have not been taken, the court shall require the parties to submit to genetic tests, if practicable. Thereafter, the judge or magistrate shall make an appropriate final recommendation. If a party refuses to accept the final recommendation, the action shall be set for trial. If the evidence relating to paternity meets the requirements set forth in section 13-25-126 (1)(g), C.R.S., the court shall issue temporary orders establishing current child support, foster care maintenance, and medical support to remain in effect pending a final disposition of the proceeding.

(4) The guardian ad litem may accept or refuse to accept a recommendation under this section.

(5) The informal hearing may be terminated and the action set for trial if the judge or magistrate conducting the hearing finds unlikely that all parties would accept a recommendation he might make under subsection (1) or (3) of this section.

19-4-115. Civil action. An action under this article is a civil action governed by the Colorado rules of civil procedure. The mother of the child and the alleged father are competent to testify and may be compelled to testify. Sections 19-4-111 (2) and (3), 19-4-112, and 19-4-113 apply.

19-4-116. Judgment or order - birth-related costs - evidence. (1) The judgment or order of the court determining the existence or nonexistence of the parent and child relationship is determinative for all purposes.

(2) If the judgment or order of the court is at variance with the child's birth certificate or if the court enters a judgment or order determining the existence of a parent and child relationship during the course of a proceeding held pursuant to article 3 of this title, the court shall order that a new birth certificate be issued under section 19-4-124.

(3) (a) The judgment or order may contain any other provision directed against the appropriate party to the proceeding concerning the duty of support, the recovery of child support debt pursuant to section 14-14-104, C.R.S., the allocation of parental responsibilities with respect to the child and guardianship of the child, parenting time privileges with the child, the furnishing of bond or other security for the payment of the judgment, or any other matter in the best interest of the child. The judgment or order may direct the father to pay for genetic testing and to pay the reasonable expenses of the mother's pregnancy and confinement.

(b) Repealed.

(c) Bills for pregnancy, childbirth expenses, and genetic testing are admissible as evidence without the necessity of third-party foundation testimony and shall constitute prima facie evidence of the amounts incurred for such services or for expenses incurred on behalf of the child.

(4) Support judgments or orders ordinarily shall be for periodic payments which may vary in amount. In the best interest of the child, a lump-sum payment or the purchase of an annuity may be ordered in lieu of periodic payments of support. The court or delegate child support enforcement unit may enter an order directing the father to pay for support of the child, in an amount as may be determined by the court or delegate child support enforcement unit to be reasonable under the circumstances, for a time period which occurred prior to the entry of the order establishing paternity. The court may limit the father's liability for past support of the child to the proportion of the expenses already incurred that the court deems just.

(5) The judgment or order may include a provision requiring that the respondent initiate inclusion of the child under a medical insurance policy currently in effect for the benefit of the respondent, purchase medical insurance for the child, or in some other manner provide for the current or future medical needs of the child. At the same time, the court may make a determination of whose responsibility it shall be to pay required medical insurance deductibles and copayments. If the judgment or order does not contain a provision regarding medical support, such as insurance coverage, payment for medical insurance deductibles and copayments, or unreimbursed medical expenses, that fact may be grounds for a modification of the order under section 14-10-122, C.R.S.

(6) In determining the amount to be paid by a parent for support of the child and the period during which the duty of support is owed, a court enforcing the obligation of support shall consider all relevant facts, including:

- (a) The needs of the child;
- (b) The standard of living and circumstances of the parents;
- (c) The relative financial means of the parents;
- (d) The earning ability of the parents;
- (e) The need and capacity of the child for education, including higher education;
- (f) The age of the child;

(g) The financial resources and the earning ability of the child;
(h) The responsibility of the parents for the support of others;
(i) The value of services contributed by the parent with whom the child resides the majority of the time;
(j) The standard of living the child would have enjoyed had the parents been married;
and

(k) The child support guidelines, as set forth in section 14-10-115, C.R.S.

(7) Any order of support made pursuant to subsections (4) to (6) of this section shall continue until the child is nineteen years of age, unless the support order is terminated sooner by court order.

(8) The court may order support to be continued after the child is nineteen years of age if the child is unable to care for himself or herself by reason of mental or physical disability or other reason justifiable in the opinion of the court.

(9) All child support orders entered pursuant to this article shall include the names and dates of birth of the parties and of the children who are the subject of the order and the parties' residential and mailing addresses. The social security numbers of the parties and children shall be collected pursuant to sections 14-14-113 and 26-13-127, C.R.S.

19-4-117. Costs. The court shall order reasonable fees of counsel, experts, and the child's guardian ad litem and other costs of the action and pretrial proceedings, including genetic tests, to be paid by the parties in proportions and at times determined by the court. In any action brought pursuant to article 13 or 13.5 of title 26, C.R.S., the final costs of any genetic tests or other tests of inherited characteristics shall be assessed against the nonprevailing party on the parentage issue.

19-4-118. Enforcement of judgment or order. (1) If existence of the father and child relationship is declared, or paternity or a duty of support has been acknowledged or adjudicated under this article or under prior law, the obligation of the father may be enforced in the same or other proceedings by the mother, the child, or the public authority that has furnished or may furnish the reasonable expenses of pregnancy, confinement, education, support, or funeral, or by any other person, including a private agency, to the extent he has furnished or is furnishing these expenses.

(2) The court may order support payments to be made to the obligee, the clerk of the court, in those cases in which the executive director of the department of human services has notified the state court administrator pursuant to section 26-13-114 (5), C.R.S., that the judicial district in which the court is situated is ready to participate in the family support registry, through the family support registry, or a person, corporation, or agency designated to administer them for the benefit of the child under the supervision of the court. The court may not order payments to be made to the clerk of the court once payments may be made through the family support registry.

(3) Willful failure to obey the judgment or order of the court is a civil contempt of the court. All remedies for the enforcement of judgments apply.

(4) In making any order for support pursuant to this section, the court shall take into consideration the capability of both parents to provide support.

(2) The breach of the surrogacy agreement by the intended parent does not relieve the intended parent of the support obligations imposed by the parent and child relationship pursuant to the provisions of this article 4.5.

PART 1

RELINQUISHMENT

19-5-100.2. Legislative declaration. (1) The general assembly hereby finds that parental relinquishment and adoption of children are important and necessary options to facilitate the permanent placement of minor children if the birth parents are unable or unwilling to provide proper parental care. The general assembly further finds that adoption offers significant psychological, legal, economic, and social benefits not only for children who might otherwise be homeless but also for parents who are unable to care for their children and for adoptive parents who desire children to nurture, care for, and support. Conversely, the general assembly recognizes that disrupted adoptive placements often have a profound and negative impact on individuals, particularly children, involved in the adoption proceedings.

(2) It is the purpose of this article 5 to promote the integrity and finality of adoptions to ensure that children placed in adoptive placements will be raised in stable, loving, and permanent families. It is the further intent of the general assembly that a prospective parent with a disability should not be denied the opportunity to provide a permanent adoptive placement for a child based solely on the parent's disability, as provided for in section 24-34-805 (2). The general assembly intends that by enacting this legislation, it will be protecting children from being uprooted from adoptive placements and from the life-long emotional and psychological trauma that often accompanies being indiscriminately moved.

Any relinquishment that occurs pursuant to this article 5 must be certified into the dependency and neglect case. In any case where a respondent parent has relinquished the parent's rights pursuant to this article 5, the juvenile court shall follow the procedures set forth in part 6 of article 3 of this title 19 to terminate any remaining respondent parent rights. When a motion has been filed to terminate parental rights pursuant to section 19-3-604, the caseworker shall, upon request by a parent and if services are available, refer the requesting parent to relinquishment counseling. The county shall make reasonable attempts to refer relinquishment services that are accessible to the parent.

(5) The court shall not issue an order of relinquishment until it is satisfied that the relinquishing parent and the child, if determined appropriate by the court, have been counseled pursuant to subsection (1) of this section and this subsection (5) and fully advised of the consequences of the parent's act. The court may order counseling for any age child to be relinquished if the court deems such counseling would be in the child's best interests. The court may order that a child younger than twelve years of age be prepared for relinquishment, termination of parental rights, or adoption.

(6) If the court finds after the hearing that it is in the best interests of the child that no relinquishment be granted, the court shall enter an order dismissing the action.

(7) (a) The court shall enter an order of relinquishment if the court finds after the hearing that:

(I) The relinquishing parent or parents and any child that the court directed into counseling have been counseled as provided in subsections (1) and (5) of this section; and

(II) The parent's decision to relinquish is knowing and voluntary and not the result of any threats, coercion, or undue influence or inducements; and

(III) The relinquishment would best serve the interests of the child to be relinquished.

(b) There shall be a rebuttable presumption that a relinquishment would not be in the child's best interests if the child is twelve years of age or older and objects to the relinquishment.

(8) If the court is not satisfied that the relinquishing parents and the child, if twelve years of age or older, have been offered proper and sufficient counsel and advice, it shall continue the matter for such time as the court deems necessary.

(9) (a) The court may appoint a guardian ad litem to protect the interests of the child if:

(I) **[Editor's note: This version of subsection (9)(a)(I) is effective until January 9, 2023.]** The court finds that there is a conflict of interest between the child and his or her parents, guardian, or legal custodian;

(I) **[Editor's note: This version of subsection (9)(a)(I) is effective January 9, 2023.]** The court finds that there is a conflict of interest between the child and the child's parents, guardian, or legal custodian;

(II) The court finds that such appointment would be in the best interests of the child; or

(III) **[Editor's note: This version of subsection (9)(a)(III) is effective until January 9, 2023.]** The court determines that the child is twelve years of age or older and that the welfare of the child mandates such appointment.

(III) **[Editor's note: This version of subsection (9)(a)(III) is effective January 9, 2023.]** The court determines that the child is twelve years of age or older and that the welfare of the child mandates such appointment. If counsel for youth is appointed pursuant to article 3 of this title 19, the counsel for youth is appointed pursuant to this section.

(b) **[Editor's note: This version of subsection (9)(b) is effective until January 9, 2023.]** Reasonable fees for guardians ad litem appointed pursuant to this subsection (9) shall be paid by the relinquishing parent or parents; except that, in the case of an indigent parent or parents, such fees shall be paid as an expense of the state from annual appropriations to the office of the state court administrator.

(b) **[Editor's note: This version of subsection (9)(b) is effective January 9, 2023.]** Reasonable fees for guardians ad litem or counsel for youth appointed pursuant to this subsection (9) must be paid by the relinquishing parent or parents; except that, in the case of an

indigent parent or parents, such fees must be paid as an expense of the state from annual appropriations to the office of the child's representative.

(10) The court may interview the child in chambers to ascertain the child's wishes as to the relinquishment proceedings. The court may permit counsel to be present at such an interview. The court shall cause a record of the interview to be made, and it shall be made a part of the record in the case.

(11) The court may seek the advice of professional personnel whether or not said personnel are employed on a regular basis by the court. Any advice given by professional persons shall be in writing and shall be made available by the court to attorneys of record, to the parties, and to any other expert witnesses upon request, but it shall be considered confidential for any other purposes, shall be sealed, and shall not be open to inspection except by consent of the court. Attorneys of record may call for the cross-examination of any professional persons consulted by the court.

(12) The provisions of this section, including but not limited to relinquishment counseling, notification, and the relinquishment hearing, shall apply in any case involving a child in Colorado or for whom Colorado is the home state as described in section 14-13-102 (7), C.R.S., including any case in which it is proposed that the child to be relinquished will be relinquished or adopted outside the state of Colorado.

19-5-103.5. Expedited relinquishment procedure - children under one year of age - other birth parents - notice - termination. (1) (a) Notwithstanding the provisions of section 19-5-103 to the contrary, a parent desiring to relinquish his or her child may seek an expedited

order terminating his or her parent-child legal relationship without the necessity of a court hearing if:

- (I) The child is under one year of age, at the time of filing the petition;
- (II) The relinquishing parent is being assisted by a licensed child placement agency or the county department of human or social services in the county where such parent resides;
- (III) The requirements of section 19-5-103 (1) have been met; and
- (IV) The parent signs an affidavit stating his or her desire to voluntarily relinquish his or her parent-child legal relationship with the child and consenting to a waiver of his or her right to contest a termination of parentage.

(b) (I) The affidavit required to be signed by the parent seeking to relinquish his or her parental rights pursuant to this section must advise the relinquishing parent of the consequences of the relinquishment decision and must further advise the relinquishing parent that he or she is still required to obtain the relinquishment counseling described in section 19-5-103 (1)(a) and (2). The relinquishing parent must be advised of the opportunity to seek independent counseling. The affidavit must also advise the relinquishing parent that he or she may withdraw the affidavit anytime after signing it but before the affidavit and petition are filed with the court. The relinquishing parent may sign the affidavit before the birth of the child. The relinquishing birth parent may withdraw the affidavit from the child placement agency or county department of human or social services in the county where the parent resides any time after signing it but before the affidavit and petition are filed with the court.

(II) The affidavit shall include the following:

(A) A statement that the petitioner has completed the relinquishment counseling required in section 19-5-103 (1) and (2) or understands he or she must complete the counseling prior to entry of the order of termination;

(B) A statement that the child to be relinquished is under one year of age at the time of filing the petition;

(C) A statement that the relinquishing parent's decision is knowing and voluntary and not the result of threats, coercion, or undue influence or inducements; and

(D) A statement that the relinquishing parent believes the relinquishment is in the best interests of the child.

(III) The relinquishing parent's signature on the affidavit must be witnessed by two witnesses, one of whom is either a representative of the licensed child placement agency with which the relinquishing parent has contracted or a representative of the county department of human or social services in the county where the parent resides, whichever is assisting the parent. The other witness must not be associated with either the licensed child placement agency or the county department of human or social services in the county where the parent resides, whichever is assisting the parent, and must not be the potential adoptive parent of the child to be relinquished.

(IV) The affidavit shall be notarized and shall be attached to the petition for relinquishment and filed with the court after the birth of the child. The petition for relinquishment may not be filed until at least four days after the birth of the child.

(c) If the birth parent has signed the affidavit described in this subsection (1) and if it is properly witnessed and notarized and attached to the petition, the court may vacate the hearing required pursuant to section 19-5-103 (3) and, upon making the findings set forth in section 19-5-103 (7)(a), shall enter an order of relinquishment, without a hearing, no more than seven

business days after the date of the filing of the petition for relinquishment and the accompanying affidavit.

(2) (a) Notwithstanding the provisions of section 19-5-105 to the contrary, in those cases in which a parent seeks to relinquish his or her parent-child legal relationship with a child pursuant to this section, the licensed child placement agency or the county department of human or social services assisting the relinquishing parent shall proceed with filing the petition for termination of the other birth parent's or possible birth parents' parent-child legal relationship and notify pursuant to this section the other birth parent or possible birth parents identified pursuant to section 19-5-105 (2).

(b) Notice of the proceeding pursuant to this section shall be given to every person identified as the other birth parent or a possible birth parent in the manner appropriate under the Colorado rules of juvenile procedure for the service of process or in any manner the court directs; except that notice shall not be required to be given to a person who has received notice pursuant to section 19-5-103.7 if the person waives the right to contest a termination of parental rights and waives the right to further notice concerning the expedited relinquishment or if the person fails to reply as required pursuant to section 19-5-103.7. The notice shall inform the parent or alleged parent whose rights are to be determined that failure to file an answer or to appear within twenty-one days after service and, in the case of an alleged father, failure to file a claim of paternity under article 4 of this title within twenty-one days after service, if a claim has not previously been filed, may likely result in termination of the parent's or the alleged parent's parental rights to the child. The notice shall also inform the parent or alleged parent whose rights are to be determined that the person has the right to waive his or her right to appear and contest and that failure to appear and contest may likely result in termination of the parent's or the alleged parent's parental rights to the child. Proof of giving the notice shall be filed with the court before the petition is heard or otherwise acted upon. If no person has been identified as the birth parent, the court shall order that notice be provided to all possible birth parents by publication or public posting of the notice at times and in the places and manner the court deems appropriate.

(c) The other birth parent or possible birth parents may sign the affidavit of voluntary relinquishment described in subsection (1) of this section. Such birth parent may sign the affidavit prior to the birth of the child. If the other birth parent or possible birth parent signs an affidavit of voluntary relinquishment, he or she may withdraw the affidavit from the child placement agency or the county department of human or social services assisting the relinquishing parent any time after signing it but before the affidavit and petition are filed with the court.

(d) (I) The court shall vacate the proceeding and, at the time of the review of the case pursuant to paragraph (c) of subsection (1) of this section, enter an order terminating the parent-child legal relationship of the other birth parent or possible birth parent if the other birth parent or possible birth parent:

(A) Has waived his or her right to contest the termination of parental rights; or

(B) Has failed to appear and contest or to file an answer to the petition for termination or to file a paternity action within the prescribed twenty-one days following the date of the service, publication, or posting of the notice as provided in the notice pursuant to paragraph (b) of this subsection (2); or

(C) Has signed the affidavit of voluntary relinquishment described in subsection (1) of this section; or

(D) Has waived his or her right to notice and right to contest the termination of parental rights pursuant to section 19-5-103.7.

(II) If the provisions of subparagraph (I) of this paragraph (d) do not apply and the other birth parent or possible birth parent expresses his or her desire to appear and contest the termination of the parent-child legal relationship, the court shall proceed with a hearing on the petition for termination of the other birth parent's parent-child legal relationship.

(3) The licensed child placement agency or the county department of human or social services assisting the relinquishing parent shall not submit the documents referenced in subsections (1) and (2) of this section for judicial review unless a permanent placement for the child has been identified.

(4) The court shall not be bound to enter an order terminating a parent-child legal relationship upon the affidavit of the relinquishing parent pursuant to subsection (1) of this section and the court shall not be bound to enter an order terminating a parent-child legal relationship of the other birth parent or possible birth parents pursuant to subsection (2) of this section, but the court may, upon its own motion, require that a formal hearing be held to determine any or all issues presented by the pleadings.

(b) The date of notice shall be considered either the date on which the notice is delivered pursuant to subparagraph (II) of paragraph (a) of this subsection (3) or the date on the return receipt for notice given by certified mail pursuant to subparagraph (III) of paragraph (a) of this subsection (3), whichever is applicable. If notice is provided by publication, the date of notice shall be the date of the first day of publication.

(II) That the other birth parent or possible birth parent has been identified by the parent who anticipates seeking to relinquish his or her parental rights as potentially being the other birth parent of the child, or, if no other birth parent or possible birth parent has been identified, that the parent who anticipates seeking to relinquish his or her parental rights is unable to identify the other birth parent or possible birth parent;

(IV) That the other birth parent or possible birth parent has a right to contest the termination of parental rights; and

(V) That failure to declare an intent to contest the termination of parental rights may likely result in a termination of the person's parental rights to the child, and that, to declare an intent to contest the termination of the parent-child legal relationship, the other birth parent or possible birth parent shall:

(A) No later than twenty-one days after the date of notice pursuant to paragraph (b) of subsection (3) of this section or before a relinquishment petition is filed with the court, whichever occurs later, either return a reply form to the licensed child placement agency by certified mail, return receipt requested, or personally appear at the licensed child placement agency to declare an intent to contest the termination of parental rights; and

(B) No later than twenty-one days after the date of notice pursuant to paragraph (b) of subsection (3) of this section or before a relinquishment petition is filed with the court, whichever occurs later, file a claim of paternity pursuant to article 4 of this title and notify the licensed child placement agency pursuant to section 19-4-105.5 (4);

(VI) That the other birth parent or possible birth parent may waive the right to contest the termination of parental rights and that waiver may likely result in a termination of the person's parental rights to the child; and

(VII) That further notice related to the anticipated expedited relinquishment proceedings shall not be provided to the other birth parent or possible birth parent without receipt of a response required by subparagraph (V) of this paragraph (a).

(b) (I) Except when notice is provided by publication, the licensed child placement agency assisting the relinquishing parent with an expedited relinquishment shall send or deliver a reply form described in sub-subparagraph (A) of subparagraph (V) of paragraph (a) of this subsection (4) to the other birth parent or possible birth parent at the same time and by the same method as the delivery of notice given pursuant to subsection (3) of this section. The reply form sent pursuant to this paragraph (b), or otherwise available at the licensed child placement agency pursuant to paragraph (b) of subsection (7) of this section, shall be signed by the other birth parent or possible birth parent, witnessed, and dated, and shall require the other birth parent or possible birth parent to disclose the following information to the licensed child placement agency:

include a statement of acknowledgment by the other birth parent or possible birth parent that there is a requirement to file a claim of paternity and to notify the licensed child placement agency pursuant to section 19-4-105.5 (4) no later than twenty days after the date of notice or before a relinquishment petition is filed with the court, whichever occurs later.

(a) That it was not possible for the other birth parent or possible birth parent to properly reply and declare an intent to contest the termination of the parent-child legal relationship pursuant to the requirements of subsection (5) of this section; and

(b) That the other birth parent or possible birth parent did properly reply and declare an intent to contest the termination of the parent-child legal relationship pursuant to the requirements of subsection (5) of this section within twenty days after it became possible for the other birth parent or possible birth parent to do so.

(7) (a) If the other birth parent or possible birth parent replies to the notice provided pursuant to subsection (3) of this section by returning the reply form via certified mail to the licensed child placement agency that sent the notice, the licensed child placement agency shall accept and file the original reply form with the court upon filing the petition for relinquishment or upon receipt of the reply form, whichever occurs later. The date of the reply shall be then noted on the return receipt.

(b) If the other birth parent or possible birth parent replies to the notice provided pursuant to subsection (3) of this section by appearing in person at the licensed child placement agency to declare his or her response, the licensed child placement agency shall provide a reply form for the other birth parent or the possible birth parent to complete and sign. (d) Notwithstanding any provision of this section to the contrary, if the other birth parent or possible birth parent files a claim of paternity pursuant to article 4 of this title and provides notice to the licensed child placement agency pursuant to section 19-4-105.5, then such claim and notice shall be deemed to satisfy the requirements of subsection (5) of this section, so long as the claim of paternity is filed and notice is provided to the licensed child placement agency no later than twenty-one days after receiving notice pursuant to subsection (3) of this section or before a relinquishment petition is filed with the court.

(e) The other birth parent or possible birth parent who replies to a licensed child placement agency pursuant to this subsection (7) shall notify the agency of any change in his or her address.

(f) (I) Notwithstanding any provision of this section to the contrary, the licensed child placement agency shall respond as specified in subparagraph (II) of this paragraph (f) and shall not have the duty to respond as required in paragraph (a), (b), or (c) of this subsection (7) or to file any further documentation of a respondent's reply if, before the respondent replies to the notice as described in paragraph (a), (b), or (c) of this subsection (7), all of the following have occurred:

(A) The relinquishment petition has been filed with the court;

(B) At least twenty-one days have passed since the notice was provided; and

(C) The licensed child placement agency has filed the affidavit of administrative notice described in subsection (8) of this section with the court.

(II) If the requirements specified in subparagraph (I) of this paragraph (f) have been met before the respondent replies to the notice as described in paragraph (a), (b), or (c) of this subsection (7), the licensed child placement agency shall provide the respondent, to the extent of the agency's knowledge, with the following information:

- (VII) A statement indicating whether the person's reply was timely; and
- (VIII) A statement indicating that the expedited relinquishment was filed pursuant to section 19-5-103.5.

(b) In addition to the affidavit of administrative notice filed with the court pursuant to paragraph (a) of this subsection (8), the licensed child placement agency shall file all available evidence supporting the affidavit, including but not limited to signed return receipts, completed reply forms, affidavits of service of process, evidence of publication, evidence of the filing of an action relating to the parent and child legal relationship, and any other records of pertinent communication with the possible birth parent or other birth parent.

(9) Nothing in this section shall be construed to require a parent who plans to relinquish a child through an expedited relinquishment pursuant to section 19-5-103.5 to file the expedited relinquishment.

(10) Nothing in this section shall be construed to authorize the filing of a petition and affidavit of relinquishment prior to the birth of a child.

19-5-104. Final order of relinquishment. (1) If the court terminates the parent-child legal relationship of both parents or of the only living parent, the court, after taking into account the religious background of the child, shall order guardianship of the person and legal custody transferred to:

- (a) The county department of human or social services; or
- (b) A licensed child placement agency; or
- (c) A relative of the child; or

(d) An individual determined to be of good moral character through a process that includes the assessment made pursuant to section 19-5-206 (2)(g), if such individual shall have had the child living in his or her home for six months or more, including a foster parent or a designated adoptive parent.

(2) (a) The court shall consider, but shall not be bound by, a request that custody of the child, with the option of applying for adoption, be placed in a grandparent, aunt, uncle, brother, or sister of the child or a foster parent. When ordering legal custody of the child, the court shall give preference to a grandparent, aunt, uncle, brother, or sister of the child when such relative has made a timely request therefor and the court determines that such placement is in the best interests of the child. Such request must be submitted to the court prior to commencement of the hearing on the petition for relinquishment. If such legal custody is granted, guardianship of the child shall remain with the parent, if the legal parent-child relationship has not been terminated, or the guardianship shall be transferred pursuant to subsection (1) of this section. Nothing in this section shall be construed to require the birth parents or the child placement agency with custody of the child to notify said relatives described in this subsection (2) of the pending relinquishment of parental rights. This subsection (2) shall not apply in cases where the birth parents have designated an adoptive family for the child or the birth parents have designated that legal custody of the child shall not be in a person described in this subsection (2) and where the child has not been in legal custody of a relative requesting guardianship or custody as described in this section or the child has not been in the physical custody of such relative for more than six months.

(b) Notwithstanding the provisions of paragraph (a) of this subsection (2), in cases in which a parent is seeking to relinquish his or her parent-child legal relationship with more than one child of a sibling group at one time, if the county department or child placement agency locates an appropriate, capable, willing, and available joint placement for all of the children in the sibling group, the court shall presume that placement of the entire sibling group in the joint placement is in the best interests of the children. Such presumption may be rebutted by a preponderance of the evidence that placement of the entire sibling group in the joint placement is not in the best interests of a child or of the children.

(3) No person shall be precluded from adopting a child solely because that person has been a child's foster parent.

(4) The order of relinquishment shall set forth all pertinent facts brought at the hearing, and, in addition, it shall state that the court is satisfied that the counsel and guidance provided for in section 19-5-103 (1) and (5) has been offered the relinquishing parent or parents and any child for whom the court has ordered counseling.

(5) A final order of relinquishment shall divest the relinquishing parent or parents of all legal rights and obligations they may have with respect to the child relinquished, but it shall not modify the child's status as an heir at law which shall cease only upon a subsequent final decree of adoption; except that the relinquishing parent's or parents' obligation to pay for services received by the child through the department, or other support received, shall be terminated upon a subsequent final decree of adoption or by order of the court at the time of relinquishment. The order of relinquishment shall release the relinquished child from all legal obligations with respect to the relinquishing parent or parents.

(6) If one parent files a petition for the relinquishment of a child and the agency or person having custody of the child files a petition to terminate the rights of the other parent

pursuant to section 19-5-105, the court shall set a hearing, as expeditiously as possible, on the relinquishment petition. A court may enter an order of relinquishment for the purpose of adoption prior to the relinquishment or termination of the other parent's parental rights. Except as otherwise provided in subsection (7) of this section, an order of relinquishment is final and irrevocable.

(7) (a) A relinquishment may be revoked only if, within ninety-one days after the entry of the relinquishment order, the relinquishing parent establishes by clear and convincing evidence that such relinquishment was obtained by fraud or duress.

(b) Notwithstanding paragraph (a) of this subsection (7), a relinquishment may not be revoked on the basis that the relinquishment or termination of the other parent's parental rights was not obtained because the relinquishing parent knew, but did not disclose, the name or whereabouts of such other parent.

(8) If the relinquishment by an individual is revoked pursuant to subsection (7) of this section and no grounds exist under section 19-5-105 or under part 6 of article 3 of this title for terminating the parental rights of that individual, the court shall dismiss any proceeding for adoption and shall provide for the care and custody of the child according to the child's best interests.

(9) The fact that the relinquishing parent or parents are minors shall in no way affect the validity of the final order of relinquishment.

19-5-105. Proceeding to terminate parent-child legal relationship. (1) If one parent relinquishes or proposes to relinquish or consents to the adoption of a child, the agency or person having custody of the child shall file a petition in the juvenile court to terminate the parent-child legal relationship of the other parent, unless the other parent's relationship to the child has been previously terminated or determined by a court not to exist. This section applies whether or not the other parent is a presumed parent pursuant to section 19-4-105 (1).

(2) In an effort to identify the other birth parent, the court shall cause inquiry to be made of the known parent and any other appropriate person. The inquiry shall include the following: Whether the mother was married at the time of conception of the child or at any time thereafter; whether the mother was cohabiting with a man at the time of conception or birth of the child;

whether the mother has received support payments or promises of support with respect to the child or in connection with her pregnancy; or whether any man has formally or informally acknowledged or declared his possible paternity of the child.

(3) If, after the inquiry, the other birth parent is identified to the satisfaction of the court or if more than one person is identified as a possible parent, each shall be given notice of the proceeding in accordance with subsection (5) of this section, including notice of the person's right to waive his or her right to appear and contest. If any of them waives his or her right to appear and contest or fails to appear or, if appearing, cannot personally assume legal and physical custody, taking into account the child's age, needs, and individual circumstances, such person's parent-child legal relationship with reference to the child shall be terminated. If the other birth parent or a person representing himself or herself to be the other birth parent appears and demonstrates the desire and ability to personally assume legal and physical custody of the child, taking into account the child's age, needs, and individual circumstances, the court shall proceed to determine parentage under article 4 of this title. If the court determines that the person is the other birth parent, the court shall set a hearing, as expeditiously as possible, to determine whether the interests of the child or of the community require that the other parent's rights be terminated or, if they are not terminated, to determine whether:

- (a) To award custody to the other birth parent or to the physical custodian of the child; or
- (b) To direct that a dependency and neglect action be filed pursuant to part 5 of article 3 of this title with appropriate orders for the protection of the child during the pendency of the action.

(3.1) The court may order the termination of the other birth parent's parental rights upon a finding that termination is in the best interests of the child and that there is clear and convincing evidence of one or more of the following:

(a) That the parent is unfit. In considering the fitness of the child's parent, the court shall consider the following:

(I) An emotional illness, a behavioral or mental health disorder, or an intellectual and developmental disability of the parent of such duration or nature as to render the parent unlikely, within a reasonable period of time, to care for the ongoing physical, mental, and emotional needs of the child;

(II) A single incident of life-threatening or serious bodily injury or disfigurement of the child or other children;

(III) Conduct toward the child or other children of a physically or sexually abusive nature;

(IV) A history of violent behavior that demonstrates that the individual is unfit to maintain a parent-child relationship with the minor, which may include an incidence of sexual assault, as defined in section 19-1-103, that resulted in the conception of the child;

(V) Excessive use of intoxicating liquors or use of controlled substances, as defined in section 18-18-102 (5), C.R.S., that affects the ability of the individual to care and provide for the child;

(VI) Neglect of the child or other children;

(VII) Injury or death of a sibling or other children due to proven abuse or neglect by such parent;

(VIII) Whether, on two or more occasions, a child in the physical custody of the parent has been adjudicated dependent or neglected in a proceeding under article 3 of this title or comparable proceedings under the laws of another state or the federal government;

(IX) Whether, on one or more prior occasions, a parent has had his or her parent-child legal relationship terminated pursuant to this section or article 3 of this title or comparable proceedings under the laws of another state or the federal government.

(b) That the parent has not established a substantial, positive relationship with the child. The court shall consider, but shall not be limited to, the following in determining whether the parent has established a substantial, positive relationship with the child:

(I) Whether the parent has maintained regular and meaningful contact with the child;

(II) Whether the parent has openly lived with the child for at least one hundred eighty days within the year preceding the filing of the relinquishment petition or, if the child is less than one year old at the time of the filing of the relinquishment petition, for at least one-half of the child's life; and

(III) Whether the parent has openly held out the child as his or her own child.

(c) That the parent has not promptly taken substantial parental responsibility for the child. In making this determination the court shall consider, but shall not be limited to, the following:

(I) Whether the parent who is the subject of the petition is served with notice and fails to file an answer within thirty-five days after service of the notice and petition to terminate the parent-child legal relationship, or within twenty-one days if the petition for termination was filed pursuant to section 19-5-103.5, or fails to file a paternity action, pursuant to article 4 of this title, within thirty-five days after the birth of the child or within thirty-five days after receiving notice that he is the father or likely father of the child, or, for those petitions filed pursuant to section 19-5-103.5, within twenty-one days after the birth of the child or after receiving notice that he is the father or likely father of the child;

(II) Whether the parent has failed to pay regular and reasonable support for the care of the child, according to that parent's means; and

(III) Whether the birth father has failed to substantially assist the mother in the payment of the medical, hospital, and nursing expenses, according to that parent's means, incurred in connection with the pregnancy and birth of the child.

(3.2) In considering the termination of a parent's parental rights, the court shall give paramount consideration to the physical, mental, and emotional conditions and needs of the child. Such consideration shall specifically include whether the child has formed a strong, positive bond with the child's physical custodian, the time period that the bond has existed, and whether removal of the child from the physical custodian would likely cause significant psychological harm to the child.

(3.3) If the child is under one year of age at the time that the relinquishment petition is filed, there is an affirmative defense to any allegations under subparagraph (VI) of paragraph (a), paragraph (b), and paragraph (c) of subsection (3.1) of this section that the parent's neglect, failure to establish a substantial relationship, or failure to take substantial responsibility for the child was due to impediments created by the other parent or person having custody. A parent shall demonstrate such impediments created by the other parent or person having custody by a preponderance of the evidence.

(3.4) (a) If the court determines not to terminate the nonrelinquishing parent's parental rights nor to direct that a dependency and neglect action be filed, the court shall proceed to determine custody of the child, parenting time with the child, duty of support, and recovery of child support debt.

(b) The court shall determine custody based upon the best interests of the child giving paramount consideration to the physical, mental, and emotional conditions and needs of the child.

(c) If the child has been out of his or her birth parents' care for more than one year, irrespective of incidental communications or visits from the relinquishing or nonrelinquishing parent, there is a rebuttable presumption that the best interests of the child will be served by granting custody to the person in whose care the child has been for that period. Such presumption may be overcome by a preponderance of the evidence.

(3.5) Notwithstanding subsection (3.4) of this section, the court shall grant custody of the child to the nonrelinquishing birth parent if the court finds that the birth parent has the ability and the desire to assume personally legal and physical custody of the child promptly and that all of the following exists:

(a) The nonrelinquishing parent has established a substantial, positive relationship with the child;

(b) The nonrelinquishing parent has promptly taken substantial parental responsibility for the child; and

(c) The award of custody to the nonrelinquishing parent is in the best interests of the child.

(3.6) Except for a parent whose parental rights have been relinquished pursuant to section 19-5-104, a person who has or did have the child in his or her care has the right to intervene as an interested party and to present evidence to the court regarding the nonrelinquishing parent's contact, communication, and relationship with the child. If custody is at issue pursuant to subsection (3.4) of this section, such person also has the right to present evidence regarding the best interests of the child and his or her own suitability as a placement for the child.

(4) If, after the inquiry, the court is unable to identify the other birth parent or any other possible birth parent and no person has appeared claiming to be the other birth parent and claiming custodial rights, the court shall enter an order terminating the unknown birth parent's parent-child legal relationship with reference to the child. Subject to the disposition of an appeal upon the expiration of thirty-five days after an order terminating a parent-child legal relationship is issued under subsection (3) of this section or this subsection (4), the order cannot be questioned by any person, in any manner, or upon any ground, except fraud upon the court or fraud upon a party. Upon an allegation of fraud, the termination order cannot be questioned by any person, in any manner or upon any ground, after the expiration of ninety-one days from the date that the order was entered.

(5) Notice of the proceeding shall be given to every person identified as the other birth parent or a possible birth parent in the manner appropriate under the Colorado rules of juvenile procedure for the service of process or in any manner the court directs. The notice shall inform the parent or alleged parent whose rights are to be determined that failure to file an answer or to appear within thirty-five days after service and, in the case of an alleged father, failure to file a claim of paternity under article 4 of this title within thirty-five days after service, if a claim has

not previously been filed, may likely result in termination of the parent's or the alleged parent's parental rights to the minor. The notice also shall inform the parent or alleged parent whose rights are to be determined that such person has the right to waive his or her right to appear and contest and that failure to appear and contest may likely result in termination of the parent's or the alleged parent's parental rights to the minor. Proof of giving the notice shall be filed with the court before the petition is heard. If no person has been identified as the birth parent, the court shall order that notice be provided to all possible parents by publication or public posting of the notice at times and in places and manner the court deems appropriate.

(6) In those cases in which a parent proposes to relinquish his or her parent-child legal relationship with a child who is under one year of age, pursuant to the expedited procedures set forth in section 19-5-103.5, the licensed child placement agency or the county department of human or social services assisting the relinquishing parent shall proceed with filing the petition for termination of the other birth parent's or possible birth parents' parent-child legal relationship and notify the other birth parent or possible birth parents as provided in section 19-5-103.5 (2).

19-5-105.5. Termination of parent-child legal relationship upon a finding that the child was conceived as a result of sexual assault - legislative declaration - definitions. (1) The general assembly hereby declares that the purpose of this statute is to protect the victim of a sexual assault and to protect the child conceived as a result of that sexual assault by creating a process to seek termination of the parental rights of the perpetrator of the sexual assault and by issuing protective orders preventing future contact between the parties. The general assembly further declares that this section creates civil remedies and is not created to punish the perpetrator but rather to protect the interests of the child and the victim of a sexual assault.

(2) As used in this section, unless the context otherwise requires:

(a) "Convicted" or "conviction" has the same meaning as defined in section 19-1-103.

(a.5) "Disability" means:

(I) A physical or mental impairment that substantially limits one or more major life activities; or

(II) A record of a physical or mental impairment that substantially limited a major life activity.

(a.7) "Petitioner" means a victim of sexual assault who files a petition for termination of the parent-child legal relationship of the other parent as provided in this section.

(a.8) "Respondent" means a person against whom a petition for termination of the parent-child legal relationship is filed as provided in this section.

(b) "Sexual assault" has the same meaning as defined in section 19-1-103.

(c) "Victim" has the same meaning as defined in section 19-1-103.

(3) If a child was conceived as a result of an act that led to the parent's conviction for sexual assault or for a conviction in which the underlying factual basis was sexual assault, the victim of the sexual assault or crime may file a petition in the juvenile court to prevent future contact with the parent who committed the sexual assault and to terminate the parent-child legal relationship of the parent who committed the sexual assault or crime.

(4) The verified petition filed under this section must allege that:

(a) The respondent was convicted on or after July 1, 2013, of an act of sexual assault against the petitioner or convicted of a crime in which the underlying factual basis was sexual assault against the petitioner;

(b) A child was conceived as a result of the act of sexual assault or crime described under paragraph (a) of this subsection (4); and

(c) Termination of the parent-child legal relationship of the respondent with the child is in the best interests of the child.

(4.5) After a petition has been filed pursuant to this section, the court shall issue a summons that recites briefly the substance of the petition and contains a statement that the purpose of the proceeding is whether to terminate the parent-child legal relationship of the respondent. The petitioner shall have the respondent personally served with a copy of the summons or notified through notice by publication consistent with the statutory provisions for notice in section 19-3-503 and pursuant to the Colorado rules of civil procedure, unless the respondent appears voluntarily or waives service. Upon request, the court shall protect the whereabouts of the petitioner and must identify the petitioner and the child in the summons by initials.

(5) (a) After a petition has been filed pursuant to this section, the court shall appoint a guardian ad litem, who must be an attorney, to represent the child's best interests in the proceeding; except that, if at any time the court determines that a guardian ad litem for the child is no longer necessary, the court may discharge the guardian ad litem. The petitioner and the respondent have the right to be represented by legal counsel in proceedings under this section. The petitioner and the respondent each have the right to seek the appointment of legal counsel if he or she is unable financially to secure legal counsel on his or her own. The court shall waive filing fees for an indigent petitioner.

(b) The court will work to ensure that a petitioner or a respondent who has a disability has equal access to participate in the proceeding. If the petitioner or respondent has a disability, he or she has the right to request reasonable accommodations in order to participate in the proceeding; except that the disability of the petitioner, the respondent, or the child must not be

the cause for the unnecessary delay of the process. The court shall presume that a petitioner or a respondent with a disability is legally competent and able to understand and participate in the proceeding unless the petitioner or respondent is determined to be an incapacitated person, as defined in section 15-14-102 (5), C.R.S.

(6) In any proceeding held under this section, the court may grant protective measures in the courtroom as requested by the petitioner, including but not limited to allowing the petitioner to not appear in the presence of the respondent, so long as these measures do not violate due process. The petitioner's and the child's whereabouts must be kept confidential.

(6.5) A respondent may admit parentage or may request genetic testing or other tests of inherited characteristics to confirm paternity. The test results must be admitted into evidence as provided in section 13-25-126, C.R.S. The final costs for genetic tests or other tests of inherited characteristics must be assessed against the nonprevailing party on the parentage issue.

(6.6) If the parties consent, the court has continuing jurisdiction and authority in the same proceeding to enter an order of relinquishment pursuant to part 1 of article 5 of this title without a finding or admission of the elements required by subsection (7) of this section. As part of the agreement, the respondent must agree in writing to waive the right to access the original birth certificate or other relinquishment documents as permitted by law under article 5 of this title or pursuant to the rules of the state department of human services. The waiver must be filed with the court that issues the order of relinquishment and with the state registrar of vital statistics.

(6.7) The court shall hear a petition to terminate the parent-child legal relationship no more than one hundred twenty days after service of the petition or from the first appearance date, whichever is later, unless both parties consent to an extension or the court finds good cause to extend the hearing beyond one hundred twenty days.

(7) The court shall terminate the parent-child legal relationship of the respondent if the court finds by clear and convincing evidence, and states the reasons for its decision, that:

(a) The respondent was convicted on or after July 1, 2013, of an act of sexual assault against the petitioner or was convicted of a crime in which the underlying factual basis was sexual assault against the petitioner;

(b) A child was conceived as a result of that act of sexual assault or crime as evidenced by the respondent admitting parentage or genetic testing establishing the paternity; and

(c) Termination of the parent-child legal relationship is in the best interests of the child. There is a rebuttable presumption that terminating the parental rights of the parent who committed the act of sexual assault or crime is in the best interests of the child. The court shall not presume that having only one remaining parent is contrary to the child's best interests.

(7.3) If the child is an Indian child, the court shall ensure compliance with the federal "Indian Child Welfare Act of 1978", 25 U.S.C. sec. 1901 et seq., and the provisions of section 19-1-126.

(7.5) If the court denies the petition to terminate the parent-child legal relationship, then the court shall articulate its reasons for the denial of the petition. If the court denies the petition, the court has continuing jurisdiction and authority to enter an order in the same proceeding allocating parental responsibilities between the parties, including but not limited to an order to not allocate parental responsibilities to the respondent. In issuing any order allocating parental responsibilities, including the duty of support, guardianship, and parenting time privileges with

the child or any other matter, the court shall determine whether the order is in the best interests of the child based on a preponderance of the evidence.

(8) (a) A respondent whose parental rights are terminated in accordance with this section has:

(I) No right to allocation of parental responsibilities, including parenting time and decision-making responsibilities for the child;

(II) No right of inheritance from the child; and

(III) No right to notification of, or standing to object to, the adoption of the child.

(b) Notwithstanding the provisions of section 19-3-608, termination of parental rights under subsection (7) of this section does not relieve the respondent of any obligation to pay child support or birth-related costs unless waived by the petitioner. In cases in which child support obligations are not waived, the court, as informed by the wishes of the petitioner, shall determine if entering an order to pay child support is in the best interests of the child. If the court orders the respondent to pay child support, the court shall order the payments to be made through the child support registry to avoid the need for any contact between the parties and order that the payments be treated as a nondisclosure of information case. If the petitioner's parent-child legal relationship to the child is terminated after the entry of a child support order against the respondent, the court shall modify the child support order accordingly.

(9) A respondent whose parent-child legal relationship has been terminated in accordance with this section has no right to make medical treatment decisions or any other decisions on behalf of the child.

(9.5) The court may order a respondent whose parent-child legal relationship has been terminated to provide medical and family information to be shared with the child, as appropriate, and with the petitioner. For terminations entered under this section and section 19-5-105.7, the state court administrator shall establish a uniform process to determine how the information is collected, who can access it, when it can be accessed, and how it is stored. The court may order that a respondent's failure to comply with the request for information in a timely manner constitutes contempt of court.

(10) The juvenile court has original concurrent jurisdiction to issue a temporary or permanent civil protection order pursuant to section 13-14-104.5 or 13-14-106, C.R.S.

(11) Termination of the parent-child legal relationship pursuant to subsection (7) of this section is an independent basis for termination of parental rights, and the court need not make any of the considerations or findings described in section 19-3-604, 19-5-103.5, or 19-5-105.

(12) Nothing in this section prohibits the termination of parental rights by the court using the criteria described in section 19-3-604, 19-5-103.5, or 19-5-105.

19-5-105.7. Termination of parent-child legal relationship in a case of an allegation that a child was conceived as a result of sexual assault but in which no conviction occurred - legislative declaration - definitions. (1) The general assembly hereby declares that the purpose of this statute is to protect a person in a case where it is determined that he or she is a victim of sexual assault but in which no conviction occurred and to protect a child conceived as a

result of that sexual assault by creating a process to seek termination of the parental rights of the perpetrator of the sexual assault and by issuing protective orders preventing future contact between the parties. The general assembly further declares that this section creates civil remedies and is not created to punish the perpetrator but rather to protect the interests of the petitioner and the child. The general assembly creates this section to address the procedures in cases where there are allegations of sexual assault but in which a conviction did not occur.

(2) As used in this section, unless the context otherwise requires:

(a) "Conviction" has the same meaning as defined in section 19-1-103.

(b) "Petitioner" means a person who alleges that he or she is a victim of sexual assault and who files a petition for termination of the parent-child legal relationship of the other parent as provided in this section.

(c) "Respondent" means a person against whom a petition for termination of the parent-child legal relationship is filed as provided in this section.

(d) "Sexual assault" has the same meaning as defined in section 19-1-103.

(3) The person who alleges that he or she is a victim of sexual assault and who alleges that a child was conceived as a result of a sexual assault in which a conviction did not occur may file a petition in the juvenile court to prevent future contact with the parent who allegedly committed the sexual assault and to terminate the parent-child legal relationship of the parent who allegedly committed the sexual assault.

(4) The verified petition filed under this section must allege that:

(a) The respondent committed an act of sexual assault against the petitioner;

(b) The respondent has not been convicted for the act of sexual assault;

(c) A child was conceived as a result of the act of sexual assault as described under paragraph (a) of this subsection (4); and

(d) Termination of the parent-child legal relationship of the respondent with the child is in the best interests of the child.

(5) (a) After a petition has been filed pursuant to this section, the court shall issue a summons that recites briefly the substance of the petition and contains a statement that the purpose of the proceeding is to determine whether to terminate the parent-child legal relationship of the respondent. The petitioner shall have the respondent personally served with a copy of the summons or notified through notice by publication consistent with the statutory provisions for notice in section 19-3-503 and pursuant to the Colorado rules of civil procedure, unless the respondent appears voluntarily or waives service. Upon request, the court shall protect the whereabouts of the petitioner and must identify the petitioner and the child in the summons by initials.

(b) The court will work to ensure that a petitioner or a respondent who has a disability has equal access to participate in the proceeding. If the petitioner or respondent has a disability, he or she has the right to request reasonable accommodations in order to participate in the proceeding; except that the disability of the petitioner, the respondent, or the child must not be the cause for the unnecessary delay of the process. The court shall presume that a petitioner or a respondent with a disability is legally competent and able to understand and participate in the proceeding unless the petitioner or respondent is determined to be an incapacitated person, as defined in section 15-14-102 (5), C.R.S.

(6) After a petition has been filed pursuant to this section, the court shall appoint a guardian ad litem, who must be an attorney, to represent the child's best interests in the

proceeding; except that, if at any time the court determines that a guardian ad litem for the child is no longer necessary, the court may discharge the guardian ad litem. The petitioner and the respondent have the right to be represented by legal counsel in proceedings under this section. The petitioner and the respondent each have the right to seek the appointment of legal counsel if he or she is unable financially to secure legal counsel on his or her own. The court shall waive filing fees for an indigent petitioner.

(7) In any proceeding held under this section, the court may grant protective measures in the courtroom as requested by the petitioner, including but not limited to allowing the petitioner to not appear in the presence of the respondent so long as these measures do not violate due process. The petitioner's and the child's whereabouts must be kept confidential.

(8) A respondent may admit parentage or may request genetic testing or other tests of inherited characteristics to confirm paternity. The test results must be admitted into evidence as provided in section 13-25-126, C.R.S. The final costs for genetic tests or other tests of inherited characteristics must be assessed against the nonprevailing party on the parentage issue.

(9) If the parties consent, the court has continuing jurisdiction and authority in the same proceeding to enter an order of relinquishment pursuant to part 1 of article 5 of this title without a finding or admission of the elements required by subsection (11) of this section. As part of the agreement, the respondent must agree in writing to waive the right to access the original birth certificate or other relinquishment documents as permitted by law under article 5 of this title or pursuant to the rules of the state department of human services. The waiver must be filed with the court that issues the order of relinquishment and with the state registrar of vital statistics.

(10) The court shall hear a petition to terminate the parent-child legal relationship no more than one hundred twenty days after service of the petition or from the first appearance date, whichever is later, unless both parties consent to an extension or the court finds good cause to extend the hearing beyond one hundred twenty days.

(11) (a) The court shall terminate the parent-child legal relationship of the respondent if the court finds by clear and convincing evidence that:

- (I) A sexual assault against the petitioner occurred;
 - (II) The sexual assault was perpetrated by the respondent;
 - (III) A child was conceived as a result of that act of sexual assault as evidenced by the respondent admitting parentage or genetic testing establishing the paternity;
 - (IV) Termination of the parent-child legal relationship is in the best interests of the child.
- The court shall not presume that having only one remaining parent is contrary to the child's best interests.

(b) If the child is an Indian child, the court shall ensure compliance with the federal "Indian Child Welfare Act of 1978", 25 U.S.C. sec. 1901 et seq., and the provisions of section 19-1-126.

(12) If the court denies the petition to terminate the parent-child legal relationship, the court shall articulate its reasons for the denial of the petition. If the court denies the petition, the court has continuing jurisdiction and authority to enter an order in the same proceeding allocating parental responsibilities between the petitioner and the respondent, including but not limited to an order to not allocate parental responsibilities to the respondent. In issuing any order allocating parental responsibilities, including the duty of support, guardianship, and parenting time privileges with the child or any other matter, the court shall determine whether the order is in the best interests of the child based on a preponderance of the evidence.

(13) (a) A respondent whose parental rights are terminated in accordance with this section has:

(I) No right to allocation of parental responsibilities, including parenting time and decision-making responsibilities for the child;

(II) No right of inheritance from the child; and

(III) No right to notification of, or standing to object to, the adoption of the child.

(b) Notwithstanding the provisions of section 19-3-608, termination of parental rights under subsection (10) of this section does not relieve the respondent of any obligation to pay child support or birth-related costs unless waived by the petitioner. In cases in which child support obligations are not waived, the court, as informed by the wishes of the petitioner, shall determine if entering an order to pay child support is in the best interests of the child. If the court orders the respondent to pay child support, the court shall order the payments to be made through the child support registry to avoid the need for any contact between the parties and order that the payments be treated as a nondisclosure of information case. If the petitioner's parent-child legal relationship to the child is terminated after the entry of a child support order against the respondent, the court shall modify the child support order accordingly.

(14) A respondent whose parent-child legal relationship has been terminated in accordance with this section has no right to make medical treatment decisions or any other decisions on behalf of the child.

(15) The court may order a respondent whose parent-child legal relationship has been terminated to provide medical and family information to be shared with the child, as appropriate, and with the petitioner. The sharing of information must be consistent with the uniform process established by the state court administrator as provided in section 19-5-105.5 (9.5). The court may order that a respondent's failure to comply with the request for information in a timely manner constitutes contempt of court.

(16) The juvenile court has original concurrent jurisdiction to issue a temporary or permanent civil protection order pursuant to section 13-14-104.5 or 13-14-106, C.R.S.

(17) Termination of the parent-child legal relationship pursuant to subsection (10) of this section is an independent basis for termination of parental rights, and the court need not make any of the considerations or findings described in section 19-3-604, 19-5-103.5, or 19-5-105.

(18) Nothing in this section prohibits the termination of parental rights by the court using the criteria described in section 19-3-604, 19-5-103.5, or 19-5-105.

19-5-109. Birth parent access to records related to relinquishment of parental rights. (1) (a) Except for relinquishments ordered pursuant to section 19-5-105.5 (6.6) or 19-5-105.7 (9) or when the subsequent termination of the parent-child legal relationship is the result of a dependency and neglect action, in those cases in which a parent consents to the relinquishment of his or her child, the custodian of records shall provide to the relinquishing birth parent to whom the document pertains a copy of the relinquishment records, in the possession of the custodian of records, that are signed by the relinquishing birth parent or by a parent, guardian, custodian, or legal representative on behalf of the relinquishing birth parent and any of the following records listed in this paragraph (a) in which the relinquishing birth parent is named, including:

- (I) The original birth certificate of the child who is being relinquished;
- (II) The petition to relinquish;
- (III) The final order of relinquishment;
- (IV) The affidavit of counseling, excluding any attachments and excluding any notes or prerelinquishment counseling documents;
- (V) The temporary waiver of custody;
- (VI) Expedited relinquishment documents, if applicable;
- (VII) A relinquishment interrogatory from a birth parent;
- (VIII) The order for publication of relinquishment;
- (IX) The notice to terminate the parent-child legal relationship; and
- (X) The medical records of a birth mother related to the pregnancy and birth, which records may only be released by the health-care provider, hospital, or maternity home that created the record.

(b) The custodian of records shall provide the records described in paragraph (a) of this subsection (1) to the relinquishing birth parent at the time of relinquishment of the child or at the time the document is created.

(2) If the records described in subsection (1) of this section were not provided to a birth parent at the time of the relinquishment of the child or at the time the document was created and if the subsequent termination of the parent-child legal relationship was not the result of a dependency or neglect action, then upon written request and proof of identification of the birth parent, the custodian of records shall provide access to and copies of the records described in subsection (1) of this section to the birth parent. Nothing in this section prevents the release of the records described in subsection (1) of this section to a birth parent who was a minor at the

time of the relinquishment of a child in circumstances where the record was signed by a parent, guardian, legal custodian, or legal representative on behalf of the relinquishing birth parent.

(3) A licensed child placement agency is not liable to any person for the failure of a birth parent to request copies of the records described in subsection (1) of this section pursuant to the provisions of subsection (1) or subsection (2) of this section. A licensed child placement agency or succeeding custodian of records is not liable to any person for failure to produce a copy of a record that did not exist pursuant to the provisions of the Colorado Revised Statutes or rules at the time of the relinquishment of the child.

19-5-200.2. Legislative declaration. (1) Notwithstanding any other provisions of this title to the contrary, it is the intent of the general assembly that the court shall protect and promote the best interests of the children who are the subjects of proceedings held pursuant to this part 2 while giving due regard to the interests of any other individuals affected.

(2) The general assembly hereby finds and declares that:

(a) It is beneficial for a child placed for adoption to be able to continue relationships with his or her brothers and sisters, regardless of age, in order that the siblings may share their strengths and association in their everyday and often common experiences;

(b) When parents and other adult relatives are no longer available to a child, the child's siblings constitute his or her biological family;

(c) When placing children in adoptive placements, efforts should be made to place siblings together, unless there is a danger of specific harm to a child or it is not in the child's or children's best interests to be placed together. The general assembly further finds that if the county department locates an appropriate, capable, willing, and available joint placement for all of the children in the sibling group, there should be a rebuttable presumption that placement of the entire sibling group in the joint placement is in the best interests of the children. Such presumption should be rebuttable by a preponderance of the evidence that placement of the entire sibling group in the joint placement is not in the best interests of a child or of the children.

19-5-202. Who may adopt. (1) Any person twenty-one years of age or older, including a foster parent, may petition the court to decree an adoption.

19-5-202.5. Adoption hearings - termination appeals - court docket priority - exceptions. (1) On and after July 1, 2002, any hearing concerning a petition for adoption filed in a district court, the Colorado court of appeals, or the Colorado supreme court and any hearing concerning a petition filed in the Colorado court of appeals or the Colorado supreme court related to a child who is available for adoption due to an order of the court terminating the parent-child legal relationship shall be given a priority on the court's docket. On and after July 1, 2002, if there is no determination on a case concerning a petition for adoption or a case concerning a child who is available for adoption due to an order of the court terminating the parent-child legal relationship by any such court within six months of the filing of the petition, it

shall be given a priority on the court's docket that supersedes the priority of any other priority civil hearing on the court's docket.

(2) Notwithstanding the provisions of subsection (1) of this section, nothing in this section shall affect the priority of a hearing concerning the issuance of a temporary protection order pursuant to section 13-14-104.5, C.R.S.

(3) The provisions of this section shall be implemented within existing appropriations.

19-5-203. Availability for adoption. (1) A child may be available for adoption only upon:

(a) Order of the court terminating the parent-child legal relationship in a proceeding brought under article 3 or 5 of this title;

(b) Order of the court decreeing the voluntary relinquishment of the parent-child legal relationship under section 19-5-103, 19-5-103.5, or 19-5-105;

(c) Written and verified consent of the guardian of the person, appointed by the court, of a child whose parents are deceased;

(d) (I) Written and verified consent of the parent in a stepparent adoption where the other parent is deceased or his parent-child legal relationship has been terminated under paragraph (a) or (b) of this subsection (1);

(II) Written and verified consent of the parent in a stepparent adoption, accompanied by an affidavit or sworn testimony of such parent, that the other birth parent has abandoned the child for a period of one year or more or that the other birth parent has failed without cause to provide reasonable support for such child for a period of one year or more. Upon filing of the petition in adoption, the court shall issue a notice directed to the other parent, which notice shall state the nature of the relief sought, the names of the petitioner and the child, and the time and place set for hearing on the petition. If the address of the other parent is known, service of such notice shall be in the manner provided by the Colorado rules of civil procedure for service of process. Upon affidavit by the petitioner that, after diligent search, the address of the other parent remains unknown, the court shall order service upon the other parent by one publication of the notice in a newspaper of general circulation in the county in which the hearing is to be held. The hearing shall not be held sooner than thirty-five days after service of the notice is complete, and, at such time, the court may enter a final decree of adoption notwithstanding the time limitation in section 19-5-210 (2).

(d.5) (I) Written and verified consent in a second-parent adoption that the child has a sole legal parent, and the sole legal parent wishes the child to be adopted by a specified second adult.

(II) In a petition for a second-parent adoption, the court shall require a written home study report prepared by a county department of human or social services, designated qualified individual, or child placement agency and approved by the department pursuant to section 19-5-207.5 (2). If the child of a sole legal parent was adopted by that parent less than one hundred eighty-two days prior to the filing of an adoption petition by a second prospective parent and if the second prospective parent was included in the home study report that was prepared pursuant

to section 19-5-207 for the adoption of the child by the first parent, then that home study report is a valid home study report for the purpose of the second parent's adoption. If the filing of a petition for adoption by the second prospective parent occurs one hundred eighty-two days or more after the adoption by the first parent, a separate home study report is required pursuant to section 19-5-207.

(e) Written and verified consent of the parent having only residual parental responsibilities when custody or parental responsibilities have been awarded or allocated to the other parent in a dissolution of marriage proceeding where the spouse of the parent having custody or parental responsibilities wishes to adopt the child;

(f) Written and verified consent of the parent or parents, as defined in section 19-1-103, in a stepparent adoption where the child's parents were not married at the time the child was conceived and born;

(g) A statement by the department of human services or its designated agent as to whether any placement arranged outside the state of Colorado was carried out by a child placement agency licensed or authorized under the laws of another state to make placements;

(h) Verification by the child placement agency, a county department of human or social services, or the attorney for the petitioner in any adoption proceeding that any custody obtained outside the state of Colorado was acquired by:

(I) Proceedings to relinquish all parent-child legal relationships which complied with the laws of the state where conducted or conformed substantially to the laws of this state; or

(II) Proceedings to terminate all parent-child legal relationships which complied with the laws of the state where conducted or conformed substantially to the laws of this state; or

(III) Written and verified consent, under the conditions set forth in paragraphs (c) to (f) of this subsection (1), which was executed in accord with the laws of the state where granted or in substantial conformity with the laws of this state;

(i) Verification by the department of human services or its designated agent that any custody obtained outside the state of Colorado was acquired by proceedings sanctioned by the federal immigration and naturalization service, or any successor agency, in cooperation with the department of human services whenever such cooperation is authorized or advised by federal law;

(j) Submission of an affidavit or sworn testimony of the adoptive relative in a kinship adoption that the birth parent or birth parents have abandoned the child for a period of one year or more or that the birth parent or birth parents have failed without cause to provide reasonable support for such child for a period of one year or more, and that the relative seeking the kinship adoption has had physical custody of the child for a period of one year or more and the child is not the subject of a pending dependency and neglect proceeding pursuant to article 3 of this title. Upon filing of the petition in adoption, the court shall issue a notice directed to the birth parent or birth parents, which notice shall state the nature of the relief sought, the names of the petitioner and the child, and the time and place set for hearing on the petition. If the address of the birth parent is known, service of such notice shall be in the manner provided by the Colorado rules of civil procedure for service of process. Upon affidavit by the petitioner that describes with specificity the diligent search made by the petitioner, and that states that, after diligent search, the address of the birth parent or birth parents remains unknown, the court shall order service upon the birth parent or birth parents by one publication of the notice in a newspaper of general circulation in the county in which the hearing is to be held. The hearing shall not be held

sooner than thirty-five days after service of the notice is complete, and, at such hearing, the court may enter a final decree of adoption notwithstanding the time limitation in section 19-5-210 (2).

(k) Submission of an affidavit or sworn testimony of the legal custodian or legal guardian in a custodial adoption that the birth parent or birth parents have abandoned the child for a period of one year or more or that the birth parent or birth parents have failed without cause to provide reasonable support for such child for a period of one year or more and that the legal custodian or legal guardian seeking the custodial adoption has had the child in his or her physical custody for a period of one year or more. Upon filing of the petition in adoption, the court shall issue a notice directed to the birth parent or birth parents, which notice shall state the nature of the relief sought, the names of the petitioner and the child, and the time and place set for hearing on the petition. If the address of the birth parent or birth parents is known, service of such notice shall be in the manner provided by the Colorado rules of civil procedure for service of process. Upon affidavit by the petitioner that describes with specificity the diligent search made by the petitioner, and that states that, after diligent search, the address of the birth parent or birth parents remains unknown, the court shall order service upon the birth parent or birth parents by one publication of the notice in a newspaper of general circulation in the county in which the hearing is to be held. The hearing shall not be held sooner than thirty-five days after service of the notice is complete, and, at such hearing, the court may enter a final decree of adoption notwithstanding the time limitation in section 19-5-210 (2).

(2) Written consent to any proposed adoption shall be obtained from the person to be adopted if such person is twelve years of age or older.

Both parents must join the petition as petitioners.

(b) A complete petition for adoption must include the following documents:

(I) A copy of the petitioners' marriage or civil union certificate if the parents were married or in a civil union at the time of birth, if applicable, and declarations by the parent who did not give birth explaining the circumstances of birth and that the person is a parent based on contributing gametes or consenting to the conception of a child through assisted reproduction pursuant to section 19-4-106 and attesting that the child was born as a result of assisted reproduction and attesting that no competing claims of parentage exist;

(III) If the child has attained the age of twelve years of age, the consent of the child; and

(IV) A sworn statement by each petitioner acknowledging parentage.

(c) A complete petition for adoption, as described in subsection (2)(b) of this section, serves as the petitioners' written consent to adoption.

(3) (a) The petitioners may file in, and jurisdiction is appropriate in, any of the following:

(I) The county where the child at issue is conceived or born;

(II) The county of residence of one or both of the petitioners; or

(1) A placement of any child legally available for adoption pursuant to section 19-5-203 (1)(a), (1)(b), (1)(c), or (1)(g) must not be made for the purposes of adoption except by the court pursuant to section 19-5-104 (2), the county department of human or social services, or a licensed child placement agency.

(2) (a) In child welfare cases, a child's best interests shall be the primary consideration for a court, county department, or licensed child placement agency in making determinations concerning the placement of the child for the purpose of adoption.

(I) The child; or

(II) A family who has submitted an application to adopt.

(e) A court, county department, or licensed child placement agency shall not delay a foster or adoptive placement of a child as a result of the racial or ethnic background, color, or national origin of:

(I) The child; or

(II) A family who has submitted an application to foster or adopt a child.

(f) In private adoption cases, a birth parent or birth parents may designate a specific applicant with whom they may wish to place their child for purposes of adoption. After assessment and approval of the potential adoptive parents and subsequent relinquishment of the child, the court shall grant guardianship of the child to a person or agency described in section 19-5-104 (1) until finalization of adoptive placement.

(g) The court may waive the assessment and approval of the potential adoptive parents in cases involving kinship or custodial adoption or may determine and order the kind of information or written report it deems necessary for the assessment and approval of the potential adoptive parents, including an abbreviated home study or home evaluation. The court may proceed to finalize such adoptive placement upon finding that the placement is in the best interests of the child.

19-5-207. Written consent and home study report for public adoptions - fingerprint-based criminal history record checks - investigation - rules. (1) When a child is placed for adoption by the county department of human or social services, a licensed child placement agency, or an individual, the department, agency, or individual shall file, with the petition to adopt, its written and verified consent to such adoption in addition to any notices received or sent pursuant to the terms of the "Interstate Compact on Placement of Children" set forth in part 18 of article 60 of title 24.

(2) In all petitions for adoption, whether by the court, the county department of human or social services, or child placement agencies, in addition to written consent, the court shall require a written home study report from the county department of human or social services, the designated qualified individual, or the child placement agency approved by the state department of human services pursuant to section 19-5-207.5 (2) showing the following:

(a) The physical and mental health, emotional stability, and moral integrity of the petitioner and the ability of the petitioner to promote the welfare of the child; but no physical examination shall be required of any person who in good faith relies upon spiritual means or prayer in the free exercise of religion to prevent or cure disease unless there is reason to believe such person's physical condition is such that he or she would be unable to take care of such child;

(b) Confirmation that the petitioner has participated in adoption counseling if the court deems appropriate. The counseling may address the permanence of the decision, the impact of the decision on the adopting parent and the adopting parent's family now and in the future, and the issues that may arise in the event that the adoptee at some time in the future desires to contact the relinquishing parent.

(c) The physical and mental condition of the child;

(d) The child's family background, including the names of parents and other identifying data regarding the parents, if obtainable;

(e) Reasons for the termination of the parent-child legal relationship;

(f) The suitability of the adoption of this child by this petitioner and the child's own disposition toward the adoption in any case in which the child's age makes this feasible; and

(g) The length of time the child has been in the care and custody of the petitioner.

(2.5) (a) (I) In all petitions for adoption, whether by the court, the county department of human or social services, or child placement agencies, in addition to the written home study report described in subsection (2) of this section, the court shall require the county department of human or social services, the designated qualified individual, or the child placement agency to conduct the fingerprint-based criminal history record checks for any prospective adoptive parent or any adult residing in the home.

(II) For purposes of fulfilling the fingerprint-based criminal history record checks required in subsection (2.5)(a)(I) of this section, the state board of human services shall promulgate rules concerning petitions for adoption when a child is placed for adoption by the county department of human or social services or a child placement agency to require each prospective adoptive parent attempting to adopt a child placed for adoption by the county department of human or social services or a child placement agency to obtain fingerprint-based criminal history record checks through the Colorado bureau of investigation and the federal bureau of investigation. The prospective adoptive parent to whom this subsection (2.5)(a)(II) applies shall be responsible for the cost of the fingerprint-based criminal history record checks.

(III) For purposes of fulfilling the criminal history records check required in subparagraph (I) of this paragraph (a), a prospective adoptive parent, other than a prospective adoptive parent specified in subparagraph (II) of this paragraph (a), shall obtain fingerprint-based criminal history record checks through the Colorado bureau of investigation and the federal bureau of investigation. A prospective adoptive parent to whom this subparagraph (III) applies shall be responsible for providing a complete set of fingerprints to the Colorado bureau of investigation and for obtaining the fingerprint-based criminal history record checks. The

prospective adoptive parent shall also be responsible for the cost of the criminal history record checks.

(IV) A prospective adoptive parent described in subsection (2.5)(a)(III) of this section shall be responsible for presenting the results of his or her fingerprint-based criminal history record checks and the results of the fingerprint-based criminal history records checks of any adult residing in the home to the court for review by the court. The county department of human or social services or the child placement agency, as may be appropriate, shall report to the court any case in which fingerprint-based criminal history record checks reveal that the prospective adoptive parent who is attempting to adopt a child placed for adoption by a county department of human or social services or child placement agency or any adult residing in the home was convicted at any time of a felony or misdemeanor in one of the following areas:

- (A) Child abuse or neglect;
- (B) Spousal abuse;
- (C) Any crime against a child, including but not limited to child pornography;
- (D) Any crime, the underlying factual basis of which has been found by the court on the record to include an act of domestic violence, as defined in section 18-6-800.3, C.R.S.;
- (E) Violation of a protection order, as described in section 18-6-803.5, C.R.S.;
- (F) Any crime involving violence, rape, sexual assault, or homicide; or
- (G) Any felony physical assault or battery conviction or felony drug-related conviction within, at a minimum, the past five years.

(a.5) (I) Notwithstanding the provisions of sub-subparagraph (B) of subparagraph (II) of paragraph (b) of this subsection (2.5), a licensed child placement agency or a county placement agency may conduct an investigation of a prospective adoptive parent's background only if the fingerprint-based criminal history records check required pursuant to paragraph (a) of this subsection (2.5) reveals that the prospective adoptive parent was convicted of a felony or misdemeanor at least ten years prior to the application for adoption.

(II) If a licensed child placement agency or a county placement agency conducts an investigation of the prospective adoptive parent, it shall have the opportunity to present its findings to the juvenile court responsible for reviewing the petition for adoption. The licensed child placement agency or the county placement agency shall provide to the juvenile court responsible for reviewing the petition for adoption:

(A) A certified copy of any criminal court documentation substantiating the disposition of the applicant's felony criminal case; or

(B) Certified documentation that the court records concerning the felony case have been destroyed or are otherwise unavailable.

(III) Pending the results of the investigation by the licensed child placement agency or the county placement agency and the juvenile court's ruling on the eligibility of the applicant for the placement of a child, the child shall not be placed in the prospective adoptive parent's home if the fingerprint-based criminal history records check revealed that the prospective adoptive parent was convicted at any time of a felony or misdemeanor.

(b) (I) Except as otherwise provided in subparagraph (II) of this paragraph (b), a person convicted of a felony offense specified in subparagraph (IV) of paragraph (a) of this subsection (2.5) may be allowed to adopt a child if:

- (A) The applicant has had no further arrests or convictions subsequent to the conviction;

(B) The applicant has not been convicted of a pattern of misdemeanors, as defined by rule of the state board of human services; and

(C) The court enters a finding consistent with section 19-5-210 (2)(d) that the adoption is in the best interests of the child.

(II) A person convicted of a felony offense as described in this subparagraph (II) shall not be allowed to adopt a child if there is:

(A) A felony conviction on the application for adoption that involves child abuse, as described in section 18-6-401, C.R.S.; a crime of violence, as defined in section 18-1.3-406, C.R.S.; or a felony offense involving unlawful sexual behavior, as defined in section 16-22-102 (9), C.R.S.;

(B) A felony conviction on the application for adoption that occurred less than five years prior to the application that involved physical assault or battery or a drug-related offense; or

(C) A felony conviction on the application for adoption that occurred less than ten years prior to the application and involved domestic violence, as defined in section 18-6-800.3, C.R.S.

(c) In addition to the fingerprint-based criminal history record checks, the county department of human or social services, the individual, or the child placement agency conducting the investigation shall contact the state department of human services and the appropriate entity in each state in which the prospective adoptive parent or parents or any adult residing in the home has resided in the preceding five years to determine whether the prospective adoptive parent or parents or any adult residing in the home has been found to be responsible in a confirmed report of child abuse or neglect and shall report such information to the court. Information obtained from any state records or reports of child abuse or neglect must not be used for any purpose other than completing the investigation for approval of the prospective adoptive parent.

(d) The state board of human services shall promulgate rules setting forth the procedures for the fingerprint-based criminal history record check and the report to the court described in paragraph (a) of this subsection (2.5).

(3) In proposed relative adoptions, the court shall review the report prepared pursuant to subsection (2) of this section. The court may order further assessment if the court deems it necessary.

(4) Any party to the adoption proceeding may be entitled to see the report required by subsection (2) of this section; except that the names of parents and adoptive parents and any means of identifying either shall not be made available except upon order of the court.

(5) to (7) (Deleted by amendment, L. 99, p. 1018, § 1, effective May 29, 1999.)

(8) If a court orders a county department of human or social services to counsel a birth parent concerning relinquishment of a child pursuant to the provisions of sections 19-5-103 and 19-5-104, the county department shall charge a fee to meet the full cost of the counseling.

(9) If the child is being placed in an adoptive home by a licensed child placement agency, such agency shall file an affidavit with the court stating that the agency's license is in good standing with the department. A licensed child placement agency involved in an adoption proceeding pursuant to this article 5 shall immediately notify the court in writing of any suspension, revocation, or denial of its license or of any disciplinary action taken against the agency by the state of Colorado. Failure of the agency to provide such notification is a class 2 misdemeanor. The department shall, by rule, adopt a mechanism by which a child placement agency shall notify the court of any disciplinary action against the agency.

19-5-207.3. Placement of sibling groups. (1) When a child is placed for adoption by the county department, if the child is part of a sibling group, as defined in section 19-1-103, the county department shall include in the adoption report prepared for the court the names and current physical custody and location of any siblings of the child who are also available for adoption; except that the names of children, parents, caretakers, and adoptive parents and any means of identifying such persons must not be made available to any party to the adoption proceeding except upon order of the court or as otherwise permitted by law.

(2) If the child is part of a sibling group, the county department shall make thorough efforts to locate a joint placement for all of the children in the sibling group who are available for adoption. If the county department locates an appropriate, capable, willing, and available joint placement for all of the children in the sibling group, it shall be presumed that placement of the entire sibling group in the joint placement is in the best interests of the children. Such presumption may be rebutted by a preponderance of the evidence that placement of the entire sibling group in the joint placement is not in the best interests of a child or of the children.

(3) If the child is part of a sibling group, as defined in section 19-1-103, and is being placed for adoption by a child placement agency in either a circumstance involving siblings who are the result of a multiple birth or a circumstance in which a parent has relinquished parental rights to the children to a child placement agency, the child placement agency shall make thorough efforts to locate a joint placement for all of the children in the sibling group who are available for adoption. If the child placement agency locates an appropriate, capable, willing, and available joint placement for all of the children in the sibling group, it is presumed that

placement of the entire sibling group in the joint placement is in the best interests of the children. Such presumption may be rebutted by a preponderance of the evidence that placement of the entire sibling group in the joint placement is not in the best interests of a child or of the children. If an entire sibling group is not placed together in an adoptive placement, the child placement agency shall place as many siblings of the group together as possible, considering their relationship and the best interests of each child.

(4) Consideration of the placement of children together as a sibling group shall not delay the efforts for expedited permanency planning or permanency planning in order to achieve permanency for each child in the sibling group.

19-5-207.5. Legislative declaration - standardized home studies - adoptive family resource registry - rules. (1) **Legislative declaration.** (a) (I) The general assembly finds that there are a growing number of children in the legal custody of the county departments of human or social services who are the victims of physical or sexual abuse, neglect, or abandonment and who are awaiting permanent placement in safe, loving, and nurturing adoptive homes. The general assembly further finds that with the expedited permanency procedures that have been established and with the enactment of legislation implementing the federal "Adoption and Safe Families Act of 1997", Pub.L. 105-89, it is anticipated that the number of children available for adoption will continue to increase dramatically and that there will be a corresponding increased need to identify statewide those families that are willing and qualified to adopt these needy children.

(II) The general assembly finds that, although the county departments of human or social services have made admirable efforts in assessing and reporting on the qualifications of families interested in adopting, there is a need to make the valuable resource of such qualified families more available and accessible to all counties in the state in order to satisfy the growing need for suitable adoptive families.

(b) Accordingly, the general assembly determines that it is appropriate and desirable for the state department to aid the county departments of human or social services in their efforts to achieve permanency for children in their legal custody who are available for adoption by making accessible to such county departments a statewide adoptive family resource registry of families who are qualified for and desirous of adopting children with special needs. Toward that end, the general assembly further determines that it would be beneficial to such children and families for the state department to develop an approved vendor list of qualified home study providers by region, standardized investigation criteria, and minimum uniform adoptive home study report standards in order to achieve more timely adoptive placements, to reduce the burden associated with the adoption process, and to avert the possibility of failed adoptions.

(2) **Approved vendor lists for home studies.** (a) In order to achieve greater access to qualified families seeking to adopt children, to expedite permanency placement for children available for adoption, and to obtain reliable, high-quality assessments of families that can result in permanent and healthy placements, the state department shall develop an approved vendor list

of county departments, individuals, and child placement agencies qualified to prepare the home study reports in public adoptions as required by section 19-5-207 (2).

(b) (I) On or before January 1, 2000, the state department shall issue a public request for applications from county departments of human or social services, individuals, and child placement agencies desirous of conducting investigations and preparing written home study reports for prospective public adoptions in specified counties or geographic regions. The state department shall review the applications it receives and shall determine which applicants meet the qualifying criteria identified by the state board of human services pursuant to subsection (2)(b)(II) of this section. Each county department of human or social services, individual, or child placement agency that meets the qualifying criteria must be placed on the approved vendor list of home study report providers.

(II) The state board of human services shall promulgate rules identifying the qualifying criteria that county departments of human or social services, individuals, and child placement agencies must meet in order to qualify as an approved vendor pursuant to this subsection (2)(b) for the purpose of conducting adoptive investigations and preparing home study reports. All county departments of human or social services, qualified individuals, and child placement agencies that submit applications to the state department and that meet the qualifying criteria must be selected to perform home studies and, once such county departments, individuals, or agencies have been approved by the state department pursuant to this subsection (2)(b), they shall be available to perform home studies in the specified county or region.

(c) All qualified county departments of human or social services, individuals, and child placement agencies approved by the state department to conduct home studies pursuant to subsection (2)(b) of this section shall prepare their home study reports in compliance with the minimum uniform standards prescribed by rule of the state board as described in subsection (3) of this section and any other additional criteria and standards established by a particular county pursuant to subsection (3)(b) of this section.

(d) Each qualified county department of human or social services, individual, or child placement agency approved by the state department may promote the adoption of available children through a public information campaign directed at educating and informing the public about the need for safe and healthy adoptive families. Regional educational campaigns are encouraged.

(e) All qualified county departments of human or social services, individuals, and child placement agencies approved by the state department pursuant to this subsection (2) may participate in the statewide training provided by the state department.

(3) **Standards for home studies.** (a) The state board of human services shall promulgate rules identifying the criteria for the investigation and the minimum uniform standards for the home study reports with which the qualified county departments of human or social services, individuals, or child placement agencies approved by the state department must comply. The criteria must include, but are not limited to:

(I) The quality standards that the county department of human or social services, the individual, or the child placement agency must achieve;

(II) The time frames within which the county department of human or social services, the individual, or the child placement agency must complete the investigations and home study reports; and

(III) The capacity of the county department of human or social services, the individual, or the child placement agency to assess the abilities of prospective adoptive families to meet the needs of a child with special needs.

(b) Nothing in this section prohibits a county department of human or social services from establishing additional criteria and standards that a county department of human or social services, an individual, or a child placement agency must meet in preparing a home study report.

(4) **Fees for investigations and home studies.** (a) (I) Any person who, by his or her own request or by order of the court as provided in section 19-5-209, is the subject of a home study report and investigation conducted pursuant to section 19-5-207 by a county department of human or social services, an individual, or a child placement agency is required to pay, based on an ability to pay, the cost of such report and investigation.

(II) In public adoptions, the state board of human services shall promulgate rules establishing the maximum amount that a county department of human or social services, an individual, or a child placement agency may charge a prospective adoptive family for the investigation, fingerprint-based criminal history record checks, and home study report required pursuant to section 19-5-207.

(III) The county department of human or social services may waive the fee established pursuant to this subsection (4) if the fee poses a barrier to the adoption of a child for whom a county department of human or social services has financial responsibility.

(b) (I) In addition to the fee specified in subsection (4)(a) of this section, if the county department of human or social services has not placed a child available for a public adoption with a family who is the subject of an investigation and home study report after six months, then the county shall refer the family and the home study report for such family to the adoptive family resource registry established pursuant to subsection (5) of this section if there is written consent pursuant to subsection (5)(c)(I) of this section. Prior to referral of a prospective adoptive family to the adoptive family resource registry, the prospective adoptive family must be assessed and shall pay a nonrefundable administrative fee in an amount to be determined by rule of the state board of human services. A family must not be assessed the fee described in this subsection (4)(b) if the family is not referred to the adoptive family resource registry.

(II) The department or the contractor selected by the department to administer the adoptive family resource registry shall collect the administrative fee established by rule of the state board of human services pursuant to subparagraph (I) of this paragraph (b) and apply the revenue from said fees to offset the costs incurred for the administration of the adoptive family resource registry.

(III) Nothing in this paragraph (b) shall be construed to prevent a county from referring a family to the adoptive family resource registry before the six month period has lapsed.

(5) **Adoptive family resource registry.** (a) Subject to available funds as specified in subsection (5)(b)(III) of this section, the state department shall establish a statewide adoptive family resource registry that county departments of human or social services may access to determine the availability of qualified families seeking to adopt a child in the custody of a county department of human or social services. The state department is authorized to contract with a public or private entity for the provision of this service.

(b) (I) The executive director of the department is authorized to accept and expend on behalf of the state any funds, grants, gifts, or donations from any private or public source for the purpose of establishing the statewide adoptive family resource registry; except that no gift, grant,

or donation shall be accepted if the conditions attached thereto require the expenditure thereof in a manner contrary to law.

(II) The executive director of the department is authorized to apply for a federal waiver, if necessary, to authorize the use of federal grant moneys to implement this section.

(III) No general fund moneys shall be expended for the establishment of the adoptive family resource registry. The adoptive family resource registry shall be established only upon the receipt of sufficient grants, gifts, and donations pursuant to subparagraph (I) of this paragraph (b).

(c) (I) No home study report, or any other information concerning a person interested in a public adoption shall be submitted to the adoptive family resource registry without such person's written consent.

(II) The state board of human services shall promulgate rules specifying the limited amount of nonidentifying data concerning a person interested in a public adoption that is available to county departments of human or social services on the internet through the adoptive family resource registry.

(III) The state board of human services shall promulgate rules identifying the standards and procedures with which the department or the contractor selected by the department to administer the adoptive family resource registry shall comply in order to preserve the confidentiality and privacy of the prospective adoptive family as much as possible.

(1) The petition for adoption shall be filed not later than thirty-five days after the date on which the child is first placed in the home of the adoptive applicants for the purpose of adoption unless the court finds that there was reasonable cause or excusable neglect for not filing the petition. The court shall then fix a date for the hearing.

(2) Every petition for adoption of a child shall be verified by the petitioner and shall be entitled substantially as follows: "In the matter of the petition of for the adoption of a child." It shall contain:

(a) The name, date and place of birth, race, and place of residence of each petitioner, including the maiden name of the adopting mother, and the date of marriage, if any, of the petitioners;

(j) Names of other children, both natural and adopted and both living and dead, of the adopting parents;

(k) The residence and occupation of each petitioner at or about the time of the birth of the child.

(2.5) (a) Pursuant to the provisions of section 19-1-126, the petition for adoption must:

(I) Include a statement indicating what continuing inquiries the county department of human or social services or child placement agency has made in determining whether the child who is the subject of the proceeding is an Indian child;

(II) Identify whether the child is an Indian child; and

(III) Include the identity of the Indian child's tribe, if the child is identified as an Indian child.

(b) If notices were sent to the parent or Indian custodian of the child and to the Indian child's tribe, pursuant to section 19-1-126, the postal receipts, or copies thereof, shall be attached to the petition for adoption and filed with the court or filed within ten days after the filing of the petition for adoption, as specified in section 19-1-126 (1)(c).

(3) If the adoption placement is made by the county department of human or social services or a child placement agency, the information required in subsections (2)(b) and (2)(f) of this section must not be included in the petition but transmitted to the court as part of the home study report required in section 19-5-207.

(4) The petition shall be accompanied by a standardized affidavit form prescribed by the judicial department disclosing any and all fees, costs, or expenses charged or to be charged by any person or agency in connection with the adoption.

(4.5) (a) An agreement entered into pursuant to this subsection (4.5) is considered an open adoption.

(b) Only the petitioner may request a post-adoption contact agreement for contact between a child and the birth parent or parents; a birth relative, as set forth in section 19-3-605 (1); or an Indian tribe if the child is a member of the Indian tribe. A post-adoption contact agreement may include provisions for contact, visitation, or the exchange of information, and the grounds, if any, on which the adoptive parent may decline to permit visits or cease providing contact or information. If a child is available for adoption through an expedited relinquishment pursuant to section 19-5-103.5, the contact agreement must be limited to contact between the child and the birth parents and biological siblings of the child.

(c) If a child is twelve years of age or older, the court shall not order a post-adoption contact agreement unless the child consents to all terms of the contact agreement.

(d) The court shall include the post-adoption contact agreement in the adoption decree if the court finds the contact agreement is in the child's best interests, after considering the child's wishes and any other relevant information.

(e) A parent who has relinquished parental rights pursuant to section 19-5-104, or whose parental rights have been terminated pursuant to section 19-3-604 or 19-5-105, or any birth relative, as set forth in section 19-3-605 (1), must not be a party to the adoption. Access to the

adoption file, with the exception of the post-adoption contact agreement and any pleadings or orders made pursuant to this section to enforce the contact agreement, is governed by part 3 of this article 5.

(f) A post-adoption contact agreement entered into pursuant to this subsection (4.5) must be submitted to the court on a standardized affidavit form prescribed by the judicial department that contains the following warnings acknowledged by all parties to the contact agreement:

(I) After the entry of a decree for adoption, an adoption, relinquishment, or termination of parental rights cannot be set aside due to the failure of the adoptive parent, biological parent, a birth relative, or the child to follow the terms of the contact agreement or any subsequent modifications of the agreement; and

(II) A disagreement between the parties or litigation brought pursuant to section 19-5-217 to enforce or terminate the contact agreement does not affect the validity of the adoption, relinquishment, or termination of parental rights and is not a basis for orders affecting the custody of the child.

(g) Nothing in this subsection (4.5) permits the court to order ongoing contact or other duties for the petitioner when the petitioner does not request a post-adoption contact agreement as set forth in this subsection (4.5).

(h) **[Editor's note: This version of subsection (4.5)(h) is effective until January 9, 2023.]** In any case where a post-adoption contact agreement is being considered by the court and a guardian ad litem is currently appointed for the child pursuant to section 19-3-203, the court shall appoint the guardian ad litem to represent the best interests of the child with respect to the contact agreement. The guardian ad litem's representation in these proceedings is limited solely to making a recommendation as to whether the agreement proposed by the petitioner is in the best interests of the child and should be adopted as proposed. The court shall not make additions or modifications to the agreement in accordance with the recommendations of the guardian ad litem unless the petitioner consents to the additions or modifications. The duties of the guardian ad litem terminate upon the entry of the decree of adoption.

(h) **[Editor's note: This version of subsection (4.5)(h) is effective January 9, 2023.]** In any case where a post-adoption contact agreement is being considered by the court and a guardian ad litem or counsel for youth is currently appointed for the child or youth pursuant to section 19-3-203, the court shall appoint the guardian ad litem to represent the best interests of the child or youth, or the counsel for youth to represent the position and objectives that the child or youth want, with respect to the contact agreement. The guardian ad litem's or counsel for youth's representation in these proceedings is limited solely to making a recommendation as to whether the agreement proposed by the petitioner is in the best interests of the child and should be adopted as proposed. The court shall not make additions or modifications to the agreement in accordance with the recommendations of the guardian ad litem or counsel for youth unless the petitioner consents to the additions or modifications. The duties of the guardian ad litem or counsel for youth terminate upon the entry of the decree of adoption.

(5) In all stepparent, second parent, custodial, and kinship adoptions, the petition shall contain a statement informing the court whether the prospective adoptive parent was convicted at any time by a court of competent jurisdiction of a felony or misdemeanor in one of the following areas: Child abuse or neglect; spousal abuse; any crime against a child; any crime, the underlying factual basis of which has been found by the court on the record to include an act of domestic violence, as defined in section 18-6-800.3, C.R.S.; violation of a protection order, as

described in section 18-6-803.5, C.R.S.; any crime involving violence, rape, sexual assault, or homicide; or any felony physical assault or battery. In addition, the petitioner shall attach to the petition a current criminal history records check paid for by the petitioner.

(6) In all custodial and kinship adoptions, the petition must contain a statement that the petitioner has consulted with the appropriate local county department of human or social services concerning the possible eligibility of the petitioner and the child for temporary assistance for needy families (TANF), medicaid, subsidized adoption, and other services or public assistance administered by the county department of human or social services.

19-5-209. Petition - written home study reports. (1) Except for stepparent adoptions, kinship adoptions, custodial adoptions, and those cases in which placement for adoption has been made by the court, if a petition for the adoption of a child is not accompanied by the written consent and home study report of the qualified county department of human or social services, individual, or a licensed child placement agency approved by the state department of human services pursuant to section 19-5-207.5 (2), the court shall order the county department of human or social services, individual, or licensed child placement agency to make an investigation and file a written home study report substantially in the form outlined in section 19-5-207 (2), including a recommendation as to whether the adoption should be decreed.

(2) In adoptions where a child placement agency or county department has legal guardianship during the interval between initial placement and the final order of adoption, the child placement agency or county department shall supervise the placement with prospective adoptive parents and the child. The court, after notice to all parties in interest and hearing thereon, may, for good cause, terminate said placement if, at any time prior to the final decree of adoption, it appears to the court that said adoption is not in the best interest of the child.

19-5-210. Hearing on petition. (1) A hearing on the petition for adoption shall be held on the date set or the date to which the matter has been regularly continued.

(1.5) Except in stepparent, second parent, custodial, or kinship adoptions, the court shall issue a certificate of approval of placement, placing the child's custodial care with prospective adoptive parents pending final hearing on the petition for adoption, if it appears to the court that the placement for adoption is in the best interest of the child.

(2) In stepparent, custodial, or kinship adoptions, the court shall hold a hearing on the petition as soon as possible. In all other adoptions, the court shall hold a hearing on the petition no sooner than one hundred eighty-two days after the date the child begins to live in the prospective adoptive parent's home, unless for good cause shown that time is extended or shortened by the court. At the hearing held on the petition, the court shall enter a decree setting forth its findings and grant to the petitioner a final decree of adoption if it is satisfied as to:

(a) The availability of the child for adoption;

(b) The good moral character, the ability to support and educate the child, and the suitability of the home of the person adopting such child;

(b.5) The fingerprint-based criminal history record checks of the prospective adoptive parent as reported to the court by the county department of human or social services or the child placement agency pursuant to section 19-5-207 (2.5) or the information provided to the court pursuant to section 19-5-208 (5) does not reveal a criminal history described in section 19-5-207 (2.5)(a);

(c) The mental and physical condition of the child as a proper subject for adoption in said home;

(d) The fact that the best interests of the child will be served by the adoption; and

(e) If the child is part of a sibling group, whether it is in the best interests of the child to remain in an intact sibling group. If the county department or child placement agency locates an appropriate, capable, willing, and available joint placement for all of the children in the sibling group, it shall be presumed that placement of the entire sibling group in the joint placement is in the best interests of the children. Such presumption may be rebutted by a preponderance of the evidence that placement of the entire sibling group in the joint placement is not in the best interests of a child or of the children. The judge shall review the family services plan document regarding placement of siblings.

(3) The former name of the child shall not be stated in the final decree of adoption.

(4) If, after the hearing, the court is not satisfied as to the matters listed in subsection (2) of this section, the petition for adoption may be either continued or dismissed in the discretion of the court. The court shall not grant the decree of final adoption if it determines that the prospective adoptive parent was convicted at any time by a court of competent jurisdiction of a felony in one of the following areas: Child abuse or neglect; spousal abuse; any crime against a child; or any crime involving violence, rape, sexual assault, or homicide, excluding other physical assault or battery. For stepparent, kinship, or custodial adoptions, in addition to not granting a decree of final adoption in circumstances involving the felony convictions listed in this subsection (4), the court shall not grant the decree of final adoption if it determines that the prospective adoptive parent was convicted of a felony for physical assault or battery that was committed within the past five years.

(5) (a) Except as otherwise provided in paragraph (b) of this subsection (5), all hearings with reference to adoption shall be closed to the public and, in the discretion of the court, to any child who is the subject of adoption and who is under twelve years of age, but the court may interview the child whenever it deems it proper.

(b) Upon motion by any party to an adoption or upon the court's own motion, the court may order that an adoption hearing be opened to the public or to the child who is, or the children who are, the subject of the adoption if the court finds that opening the hearing is in the best interests of the child who is, or the children who are, the subject of the adoption hearing and the court finds that the potential adoptive parents have consented to an open hearing.

(6) In a stepparent adoption, in addition to issuing a final decree of adoption, the court shall enter an order terminating the other parent's parental rights. In a custodial or kinship adoption, in addition to issuing a final decree of adoption, the court shall enter an order terminating the parental rights of the child's parents.

(7) In cases involving the adoption of a child who is part of a sibling group, but who is not being adopted with his or her siblings, in addition to issuing a final decree of adoption, if the adoptive parents are willing, the court may encourage reasonable visitation among the siblings when visitation is in the best interests of the child or the children. The court shall review the record and inquire as to whether the adoptive parents have received counseling regarding children in sibling groups maintaining or developing ties with each other.

19-5-211. Legal effects of final decree. (1) After the entry of a final decree of adoption, the person adopted is, for all intents and purposes, the child of the petitioner. He or she is entitled to all the rights and privileges and is subject to all the obligations of a child born to the petitioner.

(1.5) An employer who permits paternity or maternity time off for biological parents following the birth of a child shall, upon request, make such time off available for individuals adopting a child. If the employer has established a policy providing time off for biological parents, that period of time shall be the minimum period of leave available for adoptive parents. Requests for additional leave due to the adoption of an ill child or a child with a disability shall be considered on the same basis as comparable cases of such complications accompanying the birth of such a child to an employee or employee's spouse. Any other benefits provided by the employer, such as job guarantee or pay, shall be available to both adoptive and biological parents on an equal basis. An employer shall not penalize an employee for exercising the rights provided by this subsection (1.5). The provisions of this subsection (1.5) shall not apply to an adoption by the spouse of a custodial parent or to a second-parent adoption.

(2) The parents shall be divested of all legal rights and obligations with respect to the child, and the adopted child shall be free from all legal obligations of obedience and maintenance with respect to the parents.

(2.5) The child shall be eligible for enrollment and coverage by any medical or dental insurance held by the prospective adoptive parents if, and on such a basis as, such coverage would be available to a child naturally born to the prospective adoptive parents.

(3) Nothing in this part 2 shall be construed to divest any natural parent or child of any legal right or obligation where the adopting parent is a stepparent and is married to said natural parent.

19-5-216. Increased access for adoption - study. (1) (a) The state department shall examine and evaluate the process of adoptive placements of children in the legal custody of the county departments of human or social services and identify those aspects of the process that may be improved to achieve the ultimate goal of permanency for the greatest number of children in safe and healthy adoptive homes. In conducting this analysis, the state department should consider, but need not be limited to, the following:

(I) The best means by which to increase county accessibility to qualified families seeking to adopt and the best means by which to achieve placement of children available for adoption with such families;

(II) Whether further automation would be conducive to the achievement of permanency of children;

(III) The need for centralization of information;

(IV) The benefits of additional standardization;

(V) The resources of other interested entities or foundations that may be available to support public adoptions;

(VI) The programs and systems developed by other states to achieve maximum access and expedited permanency for children in safe and healthy adoptive homes; and

(VII) The methods used to reduce the number of disruptions in adoptive homes.

(b) (I) The executive director of the department is authorized to accept and expend on behalf of the state any funds, grants, gifts, or donations from any private or public source for the purpose of implementing this section; except that no gift, grant, or donation shall be accepted if the conditions attached thereto require the expenditure thereof in a manner contrary to law.

(II) The executive director of the department is authorized to apply for a federal waiver, if necessary, to authorize the use of federal grant moneys to implement this section.

(2) Repealed.

19-5-217. Enforcement or termination of post-adoption contact agreement. (1) If the decree of adoption contains a post-adoption contact agreement pursuant to section 19-5-208 (4.5), the court retains jurisdiction after the decree of adoption is entered to hear motions to enforce or terminate the contact agreement, or to enter stipulated agreements of the parties to modify the contact agreement.

(2) *[Editor's note: This version of subsection (2) is effective until January 9, 2023.]* The court may appoint a guardian ad litem for the adopted child at the time of any action for the enforcement or termination of the post-adoption contact agreement if the court determines that consideration of the factors set forth in section 19-5-103 (9)(a) require the appointment of a guardian ad litem. In all adoptions other than those in which the child is placed by the county department, a party or parties shall pay reasonable fees for the services of the guardian ad litem unless a party is indigent, in which case such fees shall be paid by the office of the child's representative.

(2) *[Editor's note: This version of subsection (2) is effective January 9, 2023.]* The court may appoint a guardian ad litem for the adopted child, or a counsel for youth for an adopted child twelve years of age or older, at the time of any action for the enforcement or termination of the post-adoption contact agreement if the court determines that consideration of the factors set forth in section 19-5-103 (9)(a) require the appointment of a guardian ad litem or a counsel for youth. In all adoptions other than those in which the child is placed by the county department, a party or parties shall pay reasonable fees for the services of the guardian ad litem or counsel for youth unless a party is indigent, in which case the office of the child's representative shall pay the fees.

(3) If there is a post-adoption agreement for contact established pursuant to section 19-5-208 (4.5), only a party to the contact agreement, even if he or she is not a party to the adoption, may file a motion to enforce or terminate the contact agreement as set forth in this section.

(4) Prior to filing a motion seeking the enforcement or termination of a post-adoption contact agreement established pursuant to section 19-5-208 (4.5), the party seeking enforcement

or termination shall show that the party attempted in good faith to resolve the disputed matters through mediation or other method of dispute resolution. This requirement is waived if the party's whereabouts are unknown and the party cannot be located despite diligent efforts to do so.

(5) The court shall not terminate a post-adoption contact agreement established pursuant to section 19-5-208 (4.5) unless the moving party establishes that there has been a change in circumstances and that the contact agreement is no longer in the adopted child's best interests. Following the adoption, the court shall presume that the adoptive parent's judgement is in the best interests of the child in any action seeking to enforce or terminate the contact agreement, and such presumption may only be overcome by clear and convincing evidence. A post-adoption contact agreement may not limit the adoptive parent's ability to move out of state.

(6) At any time after the entry of a post-adoption contact agreement pursuant to section 19-5-208 (4.5), the parties to the agreement may file with the court a signed, modified post-adoption contact agreement. The court shall not modify the terms of the initial post-adoption contact agreement absent the consent of all parties to the agreement, but the court may enforce or terminate the agreement over the objection of a party to the agreement. An adopted child twelve years of age or older at the time of the adoption must consent to any modification or termination of the contact agreement.

(7) The court may consider documentary evidence and offers of proof in determining motions to enforce or terminate a post-adoption contact agreement established pursuant to section 19-5-208 (4.5), or may, in its discretion, hold a hearing on the motion.

(8) The court shall not order further investigation or evaluation by any public or private agency or individual relating to a post-adoption contact agreement established pursuant to section 19-5-208 (4.5).

PART 3

ACCESS TO ADOPTION INFORMATION

19-5-301. Legislative declaration. (1) The general assembly hereby finds and declares that adult adoptees, adoptive parents, biological parents, and biological siblings should have a right of access to certain records regarding their or their child's adoption or the adoption of their offspring or siblings as outlined in section 19-5-305 and that such a right must coexist with the right of such parties to privacy and confidentiality. The general assembly also finds that an adult adoptee, his biological or adoptive parent, or his biological sibling may desire to obtain information about each other at different points in time. Furthermore, the general assembly finds that confidentiality from the general public is essential to the adoption process and that any procedure to access information which relates to an adoption to search for unknown relatives

through a confidential intermediary or a licensed child placement agency must be designed to maintain confidentiality and to respect the wishes of all involved parties.

(2) (a) It is the purpose of this part 3 to establish a confidential process whereby adult adoptees and adoptive parents who desire information concerning their or their child's adoption and biological parents and siblings who desire information concerning an adult adoptee may pursue access to such information.

(b) The general assembly further finds and declares that the purpose of establishing the confidential process set forth in this part 3 is to create a pool of individuals who the courts and interested parties may call upon to initiate a search for a biological relative. It is not the intent of the general assembly that such process shall be construed as the regulation of an occupation or profession.

(c) Maintaining an up-to-date list of persons who have completed training as confidential intermediaries or as persons who conduct searches for child placement agencies and communicating such list to the judicial department.

(3) The commission shall adopt its own rules of procedure, shall select a chairman, a vice-chairman, and such other officers as it deems necessary, and shall keep a record of its proceedings. The commission shall meet as often as necessary to carry out its duties, but in no instance shall it meet less than annually. The commission may seek input from confidential intermediary organizations in carrying out its duties.

(4) The commission shall be voluntary and shall not receive per diem payments.

(1) (a) Any person who has completed a confidential intermediary training program that meets the standards set forth by the commission shall be responsible for notifying the commission that his or her name should be included on the list of confidential intermediaries to be maintained by the commission and made available to the judicial department. The commission shall adopt rules to determine when and under what conditions the name of a confidential intermediary shall be removed from the list available to the judicial department.

(b) Once a person is included on the list of confidential intermediaries, he or she shall be:

(I) Authorized to inspect confidential relinquishment and adoption records, post-adoption records, and dependency and neglect records, including but not limited to court files, within forty-five days after a motion to the court is filed by the following persons:

The court may rule on said motion and affidavit without hearing and may appoint a trained confidential intermediary.

(b) The court-appointed confidential intermediary shall make a diligent search of the adoption records and post-adoption records in an effort to find the sought-after relative. If the confidential intermediary successfully locates the relative sought, the confidential intermediary shall provide that relative with the opportunity to:

(I) Consent to or to refuse to allow contact by the person seeking contact;

(II) Fill out a contact preference form and updated medical history statement as prescribed in section 19-5-305 (1.5);

(III) Repealed.

(2.5) For purposes of paragraph (b) of subsection (1) of this section, "legal guardian" shall not include a governmental entity of any foreign country from which a child has been adopted or any representative of such governmental entity.

(3) Any information obtained by the confidential intermediary during the course of his or her investigation shall be kept strictly confidential and shall be utilized only for the purpose of arranging a contact between the individual who initiated the search and the sought-after biological relative or for the purpose of obtaining consent for the release of adoption records.

(4) (a) When a sought-after biological relative is located by a confidential intermediary on behalf of the individual who initiated the search, the confidential intermediary shall obtain consent from both parties that they wish to personally communicate with one another.

(b) Contact shall be made between the parties involved in the investigation only when consent for such contact has been received by the court.

(c) If consent for personal communication is not obtained from both parties, all relinquishment and adoption records and any information obtained by any confidential intermediary during the course of his or her investigation shall be returned to the court and shall remain confidential.

(5) All confidential intermediaries shall inform both the requesting biological relative and the sought-after biological relative of the existence of the voluntary adoption registry set forth in section 25-2-113.5, C.R.S.

19-5-305. Access to adoption records - contact with parties to adoption - contact preference form and updated medical history statement - definitions. (1) **Confidentiality.** All adoption records are confidential from the general public and must remain confidential except as described in subsections (1.5) and (2) of this section or upon demonstration of good cause pursuant to section 19-1-309 or as otherwise provided by law.

(1.5) **Contact preference forms and updated medical history statements from birth parents.** (a) The state registrar shall prescribe and make available to a birth parent named on an original birth certificate in the records of the state registrar a contact preference form on which the birth parent may indicate a preference regarding contact by the adult adoptee, an adult descendant of the adoptee, or a legal representative of the adoptee or descendant. The purpose of the contact preference form is to allow the birth parent the opportunity to indicate a preference to be contacted directly, to be contacted through a third party, or not to be contacted by other parties.

(b) The form must also include space for a written statement by the birth parent, which may include updated medical history about the birth parent or other biological relatives, an explanation for the stated contact preference, or other information for the party seeking records. The medical history statement form must indicate that the birth parent is waiving confidentiality of any medical information supplied in the statement with respect to the adoptee, an adult descendant of the adoptee, or a legal representative of such individual, and to the state registrar or his or her designees.

(c) The state registrar shall maintain the contact preference form and the medical history statements, if any, and make them accessible to an individual who is an eligible party allowed to receive adoption records as described in subparagraph (I) of paragraph (b) of subsection (2) of this section and who submits a written application form, proof of identity, and an explanation of the individual's relationship to the adoptee, if applicable. The state registrar is authorized to verify the submission of a contact preference form or an updated medical history statement and to provide a copy of a contact preference form to a confidential intermediary appointed pursuant to section 19-5-304 or to a designated employee of a child placement agency who is searching pursuant to subparagraph (III) of paragraph (b) of subsection (3) of this section. The state registrar shall maintain and make available to the public accurate statistics about the number of

contact preference forms on file with the state registrar and how many of the forms state a preference for contact, no contact, or contact through a third party.

(d) (I) As used in this section, "eligible party" means a person who is eligible under subparagraph (I) of paragraph (b) of subsection (2) of this section to have access to adoption records.

(II) The option on the contact preference form that allows a birth parent to authorize or not authorize the release of the original birth certificate to eligible parties expires on January 1, 2016. The state registrar shall revise the contact preference form to eliminate this option, effective January 1, 2016, and shall neither distribute nor accept contact preference forms on or after January 1, 2016, that contain an option regarding such release. On and after January 1, 2016, contact preference forms shall only address a birth parent's preferences regarding contact and the ability to submit an explanation for the stated contact preference and to submit or update medical history. A child placement agency is not liable to any person for the failure of a birth parent to submit a contact preference form to the state registrar. On and after July 1, 2014, the state registrar shall post a notice on the website of the office of the state registrar of vital statistics stating that the contact preference form will be revised to eliminate the option to authorize or object to the release of the original birth certificate and that birth parents may exercise this option prior to January 1, 2016.

(III) Prior to allowing access to and providing a copy of an original birth certificate to an eligible party, the state registrar must perform a diligent search for a contact preference form executed prior to January 1, 2016, to ascertain if either birth parent had stated a preference authorizing or not authorizing the release of the original birth certificate to eligible parties. If both birth parents have filed a contact preference form executed prior to January 1, 2016, stating a preference to authorize the release of the original birth certificate, then the state registrar must release the original birth certificate to the eligible party. If there is no contact preference form on file prior to January 1, 2016, from a birth parent named on the original birth certificate, or if a contact preference form executed prior to January 1, 2016, is on file that states a preference that the original birth certificate not be released, then the state registrar may not release the original birth certificate to the eligible party prior to January 1, 2016, unless the birth parent rescinds the contact preference form, upon mutual consent of two or more reunited parties, the birth parent is deceased, or the eligible party obtains a court order pursuant to section 19-1-309. When one birth parent has authorized the release of the birth certificate and the other birth parent has filed a contact preference form prior to January 1, 2016, not authorizing release, the state registrar shall issue the original birth certificate to the eligible party with the name of the nonconsenting parent redacted.

(2) **Legislative declaration - access to adoption records.** (a) The general assembly takes note that the law in Colorado regarding access to adoption records has treated persons differently depending upon the law in effect upon the date of the adoption of the adoptee and that the statutory scheme has been confusing, complicated, and ambiguous. By repealing and reenacting provisions of this section to remove those varying time periods and varying levels of access or nonaccess to adoption records by an adult adoptee or by a birth parent, it is the intent of the general assembly that access to adoption records no longer be dependent upon the law in effect on the date of the finalization of adoption. The general assembly declares that the purpose of the revision of this subsection (2) is to make the access to adoption records by members of the adoption triad more uniform as outlined in this subsection (2). The general assembly further

declares that it is the intent of the general assembly to not abrogate, limit, or change the holding in or affect any rights created under *In re J.N.H.*, 209 P.3d 1221 (Colo. App. 2009) with respect to access by an adult adoptee to the names of his or her birth parents and to all court records and papers regarding the adoption of the adult adoptee. The general assembly further declares that in construing this section, the courts should liberally construe this section in favor of releasing the records.

(b) Subject to subsection (4) of this section and in addition to information exchanged in a designated adoption or inspection authorized by a court upon good cause shown pursuant to section 19-1-309, access to adoption records by certain parties is governed by the following provisions:

(I) (A) **Adult adoptees, their descendants, and adoptive family members.** Upon request, the custodian of records shall provide direct access, without redaction, to all adoption records, as defined in section 19-1-103, for inspection and copying by an adult adoptee, an adoptive parent of a minor adoptee, a custodial grandparent of a minor adoptee, or the legal representative of any such individual. In addition, the custodian of records shall provide direct access to adoption records for inspection and copying by a spouse of an adult adoptee, an adult descendant of an adoptee, an adult sibling or half-sibling of an adult adoptee, an adoptive parent or grandparent of an adult adoptee, or the legal representative of any such individual, if the individual requesting access has the notarized written consent of the adult adoptee or if the adult adoptee is deceased.

(B) **Access by an adult adoptee or descendant to the original birth certificate and amended birth certificate of a sibling with a common birth parent.** Upon proof of evidence of at least one common birth parent between an adult adoptee and a sibling or half-sibling, the custodian of records shall provide, without redaction, to an adult adoptee, a descendant of the adult adoptee, or a legal representative of the adult adoptee or descendant direct access to a noncertified copy of the unaltered original birth certificate and the amended birth certificate of an adult sibling or half-sibling who was born, relinquished, or adopted in the state of Colorado, subject to the provisions of subsection (4) of this section.

(II) **Access by a birth parent to the original birth certificate.** A birth parent who relinquished a child for adoption, whose termination of the parent-child legal relationship was not the result of a dependency and neglect action, and who signed or is named on the original birth certificate may apply to the state registrar for and obtain a noncertified copy of the unaltered original birth certificate of the child he or she relinquished if the child was born in this state, or if the child's adoption was finalized in this state, or both.

(III) (A) **Access to death certificates of deceased parties.** Upon request of an eligible party or a birth parent as described in subparagraph (II) of this paragraph (b), the state registrar shall conduct a search of death certificates to determine whether an adoptee or a birth parent is deceased. If the state registrar finds a death certificate for the adult adoptee or the birth parent, then the state registrar shall provide a copy to the eligible party. The state registrar may collect a fee for conducting a search and for making a copy of the death certificate.

(B) **Access to records pertaining to a deceased party.** If an eligible party or a birth parent as described in subparagraph (II) of this paragraph (b) applies to a custodian of records for access to records about an adult adoptee or a birth parent and the custodian of records determines that the person whose records are being sought is deceased or can reasonably be presumed to be deceased based on the known or estimated date of birth of the sought party, the

custodian of records shall provide direct access to the records for inspection and copying by the eligible party.

(IV) **Proof of identification and fees.** Prior to releasing any records to any eligible party allowed to receive records pursuant to this subsection (2), the custodian of records must require the eligible party requesting access to provide proof of identification. The custodian of records may charge reasonable fees for providing copies of records. The state registrar shall transmit all moneys collected pursuant to subparagraph (III) of this paragraph (b) and this subparagraph (IV) to the state treasurer, who shall credit the same to the vital statistics records cash fund created in section 25-2-121, C.R.S.

(V) **Release of records by child placement agencies and prior written statements of birth parents.** Notwithstanding subsection (2)(b)(I) of this section, the adoption records, as defined in section 19-1-103, in the possession of a child placement agency are not open for inspection or available for copying with respect to any identifying information concerning a birth parent if the birth parent has previously provided the court and the child placement agency, if applicable, with a signed and notarized written statement, within three years after the final order of relinquishment or termination of the parent-child legal relationship, specifying that such parent wishes the identifying information concerning that parent to remain confidential; except that the adoption records in the possession of a child placement agency may be open for inspection and made available for copying with respect to identifying information concerning a birth parent if a birth parent provides a consent form, as defined in section 19-1-103, to the child placement agency consenting to the release of identifying information and the release of identifying information is consistent with the provisions of subsection (3) of this section. A written statement specifying that a birth parent wishes the identifying information concerning that parent on file with a child placement agency to remain confidential must remain in the court's and the child placement agency's relinquishment or termination file unless later withdrawn by the parent or superceded by a consent form. A child placement agency is not liable to any individual for the failure of a birth parent to submit such a written statement to the court. In addition to such a statement, the birth parent may also submit to the court and to the child placement agency a letter of explanation that the court and the child placement agency must release to the adoptee at the time that the adoptee makes a request for inspection of the adoption records. This subsection (2)(b)(V) applies only to adoption records in the possession of child placement agencies and does not apply to adoption records in the possession of the court or any other agency, entity, or person.

(3) **Access to identifying information through child placement agencies.** (a) Upon proof of identity of the person submitting the consent form, a licensed child placement agency shall accept and may seek a consent form, as that term is defined in section 19-1-103, from an adult adoptee or from either adult adoptee's birth parent or from an adoptive parent of a minor adoptee or from the legal representative of a minor adoptee authorizing the release of identifying information, as that term is defined in section 19-1-103, concerning the person submitting the consent form, to the extent such information is available to the child placement agency. If only one birth parent has filed a consent form with the child placement agency, the child placement agency or any succeeding custodian of the records shall provide a copy of the identifying information without the name of and without identifying information about the nonconsenting birth parent.

(b) (I) Upon inquiry by an adult adoptee or an adult adoptee's birth parent or an adoptive parent of a minor adoptee seeking information about another party from a licensed child placement agency, the child placement agency shall be authorized to release identifying information to the inquiring person, upon proof of identity by the inquiring person, if the licensed child placement agency is in possession of a consent form from the party about whom information is sought authorizing such release.

(II) In those circumstances in which a child placement agency has released identifying information pursuant to paragraph (a) of this subsection (3), the child placement agency may attempt to locate at the last known address the person who had originally submitted the consent form and, upon locating such person, advise him or her of the release and provide him or her with the opportunity to fill out a contact preference form and updated medical history statement as prescribed in subsection (1.5) of this section. If the inquiring person also submitted a consent form authorizing the release of identifying information about him or her, the child placement agency may provide such identifying information to the person located.

(III) A child placement agency that accepts a consent form may perform a search for the sought party, subject to the requirement that an employee designated by the child placement agency to perform a search and to contact the sought party shall have completed training that meets the standards set forth by the adoption intermediary commission.

(c) A licensed child placement agency that accepts a consent form may charge a reasonable fee to cover the direct and indirect costs associated with the services provided pursuant to this subsection (3), if a written fee agreement has been signed by the agency and the party submitting the consent form prior to the provision of any service. If a child placement agency charges a fee, then the child placement agency shall make reasonable efforts to locate the person being sought and to release the information the child placement agency obtained to the person located. The licensed child placement agency shall be required to provide a list of names, addresses, and telephone numbers of organizations performing similar services prior to signing any fee agreement with any party submitting a consent form. Information in the post-adoption record is confidential and shall not be disclosed by a licensed child placement agency or any succeeding custodian of the records, or a court except as specifically permitted in this part 3, or as otherwise permitted by law.

(d) The release of any information by a licensed child placement agency pursuant to this subsection (3) shall be subject to the provisions of subsection (4) of this section.

(4) **Access to information and contact concerning sibling groups.** Notwithstanding the provisions set forth in subsections (1.5), (2), and (3) of this section authorizing access to adoption records and contact with an adoptee, in those circumstances in which one family has adopted two or more siblings, access to the adoption records concerning an adoptee and contact with an adoptee shall not occur until all of the siblings adopted by the family have attained eighteen years of age.

(5) **Adult adoptee's restriction on access to records.** Notwithstanding the provisions of subsection (2) of this section, an adult adoptee may, at any time, provide the court that finalized the adoption and the child placement agency with a signed and notarized written statement specifying that such adult adoptee wishes to maintain identifying information concerning that adoptee, other than the original birth certificate, confidential. The written statement shall remain in the court's adoption file unless later withdrawn by the adoptee. Nothing in this subsection (5) shall be construed to affect access to records through the confidential intermediary process.

(6) **Contact between the parties.** Subject to the provisions of subsection (2) of this section, any party may seek to make direct contact with another party or to use the services of a confidential intermediary as provided in section 19-5-304, a licensed child placement agency as provided in subsection (3) of this section, or the voluntary adoption registry maintained by the state registrar as provided in section 25-2-113.5, C.R.S.

Foster parents and group home parents or group center administrators shall make a reasonable effort to allow a youth in their care to participate in extracurricular, cultural, educational, work-related, and personal enrichment activities. The department of human services shall promulgate rules for the implementation of this section. The rules must address policies, including but not limited to waiver of any fingerprint-based criminal history records checks for community entities, excluding all individuals required to obtain a fingerprint-based criminal history records check pursuant to section 26-6-912 or 26.5-5-316, providing extracurricular activities and guidelines for determining in what situations it is appropriate to waive fingerprint-based criminal history records checks, to allow youth in foster care, excluding those in the custody of the division of youth services or a state mental hospital, who are twelve years of age and older to participate in age-appropriate extracurricular enrichment, social activities, and activities designed to assist those youth to make the transition to independence, build life skills, and enhance opportunities to make positive connections.

PART 2

YOUTH SIBLINGS IN FOSTER CARE

Editor's note: This part 2 was added with relocations in 2019. Former C.R.S. section numbers are shown in editor's notes following those sections that were relocated.

19-7-202. Legislative declaration. (1) The general assembly finds and declares that it is beneficial for a youth placed in foster care to be able to continue relationships with the youth's siblings, regardless of age, so that siblings may share their strengths and association in their everyday and often common experiences.

(2) **[Editor's note: This version of subsection (2) is effective until January 9, 2023.]** The general assembly further finds and declares that it is the responsibility of all adults involved

in a youth's life, including but not limited to county departments, parents, foster parents, guardians ad litem, court-appointed special advocates, next of kin, treatment providers, and others, to seek opportunities to foster those sibling relationships to promote continuity and help to sustain family relationships.

(2) **[Editor's note: This version of subsection (2) is effective January 9, 2023.]** The general assembly further finds and declares that it is the responsibility of all adults involved in a youth's life, including but not limited to county departments, parents, foster parents, guardians ad litem, counsel for youth, court-appointed special advocates, next of kin, treatment providers, and others, to seek opportunities to foster those sibling relationships to promote continuity and help to sustain family relationships.

(3) Because the number of family foster homes in Colorado is often insufficient to meet the needs of youth, including sibling groups, it is, therefore, Colorado's goal to continue to recruit foster families and build resources sufficient to meet this need.

19-7-203. Foster care sibling rights. (1) Sibling youth in foster care, except youth in the custody of the division of youth services created pursuant to section 19-2.5-1501 or a state hospital for persons with behavioral or mental health disorders, have the following rights, unless they are not in the best interests of each sibling, regardless of whether the parental rights of one or more of the foster youth's parents have been terminated:

(a) To be placed in foster care homes with the youth's siblings, when it is in the best interests of each sibling and when the county department locates an appropriate, capable, willing, and available joint placement for the youth siblings, in order to sustain family relationships, pursuant to sections 19-3-213 (1)(c), 19-3-500.2, 19-3-507 (1)(b), 19-3-508 (1)(c), 19-3-605 (2), and 19-5-207.3 (2);

(d) To be placed with foster parents, placed with potential adoptive parents, and assigned to child welfare caseworkers who have been provided with training on the importance of sibling relationships;

(e) To be promptly notified, as permitted pursuant to state or federal law, about changes in sibling placement, catastrophic events, or other circumstances, including but not limited to new placements, significant life events, and discharge from foster care;

(f) To be included in permanency planning discussions or meetings for siblings, if appropriate;

(g) To maintain frequent and meaningful contact with the youth's siblings pursuant to section 19-7-204 (2), if placement together is not possible;

(h) To be actively involved in each other's lives and share celebrations, if the siblings choose to do so, including but not limited to birthdays, graduations, holidays, school and extracurricular activities, cultural customs in the siblings' native language, and other milestones;

(i) To annually receive contact information for all siblings in foster care, which may include a telephone number, address, social media accounts, and e-mail address, unless a foster parent has requested the foster parent's identifiable information not be disclosed pursuant to section 19-1-303 (2.7)(a), and to receive updated photos of siblings regularly by mail or e-mail, as appropriate;

(j) To have more private or less restrictive communication with siblings as compared to communication with others who are not siblings;

(k) To be provided with an explanation if contact with a sibling is restricted or denied, as permitted pursuant to state or federal law;

(m) To have contact with siblings encouraged in any adoptive or guardianship placement; and

(n) To receive an age-appropriate and developmentally appropriate document from the department of human services setting forth the rights described in this section:

(I) Within thirty days of the date of any placement or any change in placement;

(II) On each occasion that a youth's case plan is modified;

(III) At each placement where the youth resides; and

(IV) On at least an annual basis.

(2) Adult siblings of youth in foster care have the right to be considered as foster care providers, adoptive parents, and relative custodians for their siblings, if they choose to do so.

19-7-204. Foster care sibling visits - contact plan - rules - definition. (1) The department of human services shall provide information on sibling contact in the visitation plan for a youth. In doing so, the youth shall be consulted about the youth's wishes as to sibling contact.

(2) As written in the visitation plan, the department of human services shall, if it is in the best interests of each sibling:

(a) Promote frequent contact between siblings in foster care, which may include telephone calls, text messages, social media, video calls, and in-person visits;

(b) Clarify that sibling contact should not be limited in time or duration to periods of parental contact;

(c) Clarify that restriction of sibling visits should not be a consequence for behavioral problems. Visits should only be restricted if contrary to the best interests of a sibling.

(d) Ensure timing and regularly scheduled sibling visits are outlined in case plans based on individual circumstances and needs of the youth.

(3) If a youth in foster care requests an opportunity to visit a sibling, the county department that has legal custody of the youth shall arrange the visit within a reasonable amount of time and document the visit.

(4) If a youth in foster care requests an opportunity to visit a sibling on a regular basis, the county department that has legal custody of the youth shall arrange the visits and ensure that the visits occur with sufficient frequency and duration to promote continuity in the siblings' relationship.

(5) If, in arranging sibling visits pursuant to this section, a county department determines that a requested visit between the siblings would not be in the best interests of one or both of the siblings, the county department shall deny the request, document its reasons for making the determination, and provide the siblings with an explanation for the denial, as permitted under state and federal law. In determining whether a requested visit would be in the best interests of one or both of the siblings, the county department shall ascertain whether there is pending in any jurisdiction a criminal action in which either of the siblings is either a victim or a witness. If such a criminal action is pending, the county department, before arranging any visit between the siblings, shall consult with the district attorney for the jurisdiction in which the criminal action is pending to determine whether the requested visit may have a detrimental effect upon the prosecution of the pending criminal action.

(6) Nothing in this section requires or permits a county department to arrange a sibling visit if such visit would violate an existing protection order in any case pending in this state or any other state.

(7) As used in this section, "sibling" means:

- (a) A biological sibling;
- (b) A step-sibling or former step-sibling; or
- (c) An adoptive sibling.

(8) The state board of human services, created in section 26-1-107, may promulgate rules for the implementation of this section.

PART 3

FOSTER YOUTH IN TRANSITION PROGRAM

19-7-301. Legislative declaration. (1) The general assembly finds and declares that:

(a) Each year, for a variety of reasons, more than two hundred youth, ages eighteen to twenty-one, exit Colorado's foster care system without an established permanent home or a stable support network;

(b) These youth typically do not have the same safety nets, supportive adults, and support networks as other youth their age;

(c) Many of these youth will face challenges as they search for affordable housing, pursue higher education or training, search for employment, manage tight budgets, take care of health needs, and more;

(d) Youth who are making the transition out of foster care into independent living face not only the typical developmental changes and new experiences that are common to youth but also the dramatic change from being under the county's care to being on their own, many without any support systems to help them succeed;

(e) Additionally, many of these youth are dealing with the long-term consequences of trauma related to their experience with abuse, neglect, removal, or overall lack of resources;

(f) The array of services and supports available to youth while they are in the foster care system, including housing, food, health care, and caseworker support, diminish when the youth exit the foster care system; and

(g) Available research shows that emancipating youth benefit from extended foster care services and supports until age twenty-one, and community-based supports through early adulthood, but for the benefits of such services and supports to last, youth in foster care need developmentally appropriate services, including freedom to test their independence and to make mistakes with proportional consequences and a reasonable safety net.

(2) Therefore, the general assembly declares that by establishing a voluntary transitional foster care program, allowing youth to reenter the state's foster care system through a foster youth in transition program, and ensuring equitable access to less restrictive supports in the community, the state can better meet the needs of those youth who are making the transition from foster care to successful adulthood.

19-7-307. Petition - form and content. (1) A youth or a participating youth may file a petition on the youth's own behalf at any time. Or, if such a petition has not yet been filed and a voluntary services agreement remains in effect after ninety days, a county department shall file a petition with the court initiating a proceeding pursuant to this part 3 titled "The people of the state of Colorado, in the matter of _____, a youth in transition". The petition must be verified and the statements may be made upon information and belief.

(1.5) For a youth who is entering the foster youth in transition program directly from a case through this title 19, at the youth's option, the petition must be filed in either the county where the youth self-attests to reside or a county that is currently serving the eligible youth. For a youth who does not have a current case pursuant to this title 19, the petition must be filed in the county where the youth self-attests to reside.

(2) The petition must plainly set forth the facts that bring the participating youth under the court's jurisdiction. The petition must also state the participating youth's name, age, and why venue in this court is proper pursuant to subsection (1.5) of this section. The petition must state that the youth is voluntarily entering foster care and one of the following, whichever is applicable:

(a) The youth was removed from home prior to the youth reaching eighteen years of age pursuant to a judicial determination that it was contrary to the youth's welfare to remain in the home, that reasonable efforts were made to keep the youth in the home, and that because the youth has remained in foster care continuously, a new court-ordered removal is not required; or

(b) Reasonable efforts to prevent removal were not required because a youth who is eighteen years of age or older may enter into the voluntary services agreement on the youth's own behalf.

(3) Repealed.

(4) Each petition filed for a foster youth in transition pursuant to this part 3 must include the following statements:

(a) That the participating youth retains all the adult rights and responsibilities that the participating youth would otherwise have, as described in section 19-7-304 (5); and

(b) That by consenting to the facts set forth in the petition and the jurisdiction of the court, the participating youth may be required to attend court at least once every six months pursuant to section 19-3-702. The participating youth may request that the case be dismissed at any time, forgoing the benefits and obligations of the transition program.

(5) In addition to providing notice to the participating youth, the court shall ensure that notice of all hearings and reviews held regarding the participating youth is provided to licensed foster parents with whom a participating youth is placed, not including adults with whom a participating youth lives through a supervised independent living placement. Licensed foster parents have the right to be heard at such hearings and reviews but must not be made a party to the action solely on the basis of notice and the right to be heard.

(6) The petition must be accompanied by a copy of the voluntary services agreement executed pursuant to section 19-7-306; except that when the youth files the petition on the youth's own behalf, the voluntary services agreement need only be executed by the youth and does not require a signature by the county department at the time the petition is filed. For a participating youth entering the transition program directly from an open case pursuant to article 3 of this title 19, the petition must also include a current copy of the participating youth's roadmap to success.

The office of the child's representative shall develop practice standards and guidelines for representing participating youth in proceedings brought pursuant to this part 3.

(2) When a court determines a guardian ad litem is necessary for a participating youth due to the youth's diminished capacity, the court shall appoint a guardian ad litem from the list of attorneys approved by the office of the child's representative. The court shall not deem a guardian ad litem to be a substitute for counsel for youth.

(3) In all proceedings brought pursuant to this part 3, the county department must be represented by a county attorney, a special county attorney, or an attorney of a city or city and county.

If the office of the child's representative has already assigned counsel, the court shall appoint the same attorney.

(2) At the initial hearing, the court shall advise the youth that:

(a) Services provided through the transition program are voluntary for the youth, and the youth may remain in the transition program until the last day of the month in which the youth turns twenty-one years of age, or such greater age of foster care eligibility as required by federal law, so long as the youth meets all other program eligibility requirements pursuant to section 19-7-304;

(b) If the youth chooses to leave the transition program but later decides support is needed, the youth has the right to begin receiving child welfare services again through the transition program; and

(c) The youth has the right to counsel.

(3) At the initial hearing, the court shall determine:

(a) Whether the youth has voluntarily entered foster care and that the county department has legal authority for placement;

(b) Whether it is in the best interest of the youth to be voluntarily placed in foster care; and

(c) If one of the following applies:

(I) The youth was removed from home prior to the youth reaching eighteen years of age pursuant to a judicial determination that it was contrary to the youth's welfare to remain in the home, that reasonable efforts were made to keep the youth in the home, and that because the youth has remained in foster care continuously, a new court-ordered removal is not required; or

(II) Reasonable efforts to prevent removal were not required because a youth who is eighteen years of age or older may enter into the voluntary services agreement on the youth's own behalf.

(4) If the court determines that the requirements of subsection (3) of this section are met, the court shall follow procedures for a periodic review hearing as described in section 19-7-312, as applicable.

(5) When a youth has been adjudicated dependent and neglected pursuant to section 19-3-102, or when there is sufficient evidence that the youth has been subjected to child abuse or neglect, as defined in section 19-1-103 (1), the court shall enter a finding that the youth is dependent on the court, as defined in section 19-1-103 (54). The court may enter special findings

establishing the youth's eligibility for designation as a special immigrant juvenile pursuant to federal law. These findings may be made at the initial hearing or any time thereafter.

The emancipation transition plan includes specific options concerning housing, health insurance, education, local opportunities for mentors and continuing support services, and workforce supports and employment services. The emancipation transition plan must also include information concerning the importance of designating another individual to make health-care treatment decisions on the participating youth's behalf if the youth becomes unable to participate in such decisions and the participating youth does not have, or does not want, a relative or legal guardian who would otherwise be authorized to make such decisions. The emancipation transition plan must provide the participating youth with the option to execute a health-care power of attorney and include details at the participating youth's discretion.

(2) If a participating youth remains in the transition program until the participating youth turns twenty-one years of age, or such greater age of foster care eligibility as required by federal law, at least ninety days prior to the participating youth's last day of eligibility for the transition program, the county department shall provide the participating youth with:

(b) Determine whether the county department has made reasonable efforts toward the participating youth's permanency goals and to prepare the participating youth for a successful transition to adulthood;

(c) Determine whether the participating youth has been provided with all necessary records and documents as described in subsection (4)(b) of this section;

(d) Determine whether the participating youth has been enrolled in medicaid and advise the participating youth on the participating youth's eligibility for former foster care medicaid up to the participating youth's twenty-sixth birthday pursuant to section 25.5-5-101 (1)(e); and

(e) Advise the participating youth that if the youth chooses to emancipate but later decides support is needed, the youth has the right to begin receiving child welfare services again through the foster youth in transition program, created in section 19-7-303, until the youth's twenty-first birthday, or such greater age of foster care eligibility as required by federal law; and

advise the youth of the necessity of keeping the participating youth's contact information up to date with the department of health care policy and financing or the appropriate county department.

(4) At least seven days prior to a participating youth's emancipation discharge hearing, the county department shall file a report with the court that includes:

(3) Prior to a periodic review held pursuant to this section, the county department shall file a report with the court that includes:

(a) A copy of the participating youth's roadmap to success;

(d) A statement of any barriers to the participating youth in meeting the participating youth's goals and any plans to address such barriers.

(4) The court may order the county department to provide additional services and supports to help the participating youth achieve the goals outlined on the participating youth's roadmap to success or comply with state or federal law.

(5) If the court finds the participating youth is not substantially fulfilling the participating youth's obligations pursuant to the voluntary services agreement, the court may enter orders for the participating youth to follow in order to continue to be eligible for the transition program.

(6) The court shall conduct a periodic review hearing in a manner that seeks the participating youth's meaningful participation, including offering remote options for participation to accommodate the participating youth's work, school, or treatment commitments.

(b) A county department moves the court at least ninety days prior to a participating youth's twenty-first birthday, or such greater age of foster care eligibility as required by federal law, to request an emancipation discharge hearing be held prior to the last day of the month in which the participating youth turns twenty-one years of age. The court shall hold an emancipation discharge hearing to review the participating youth's emancipation transition plan and advise the participating youth as provided in section 19-7-310.

(c) A county department moves the court to terminate a participating youth's voluntary services agreement and the court's jurisdiction because the participating youth no longer meets the eligibility requirements described in section 19-7-304 for the transition program. The county department shall include in the motion its efforts to reengage the participating youth, including:

(I) The provision of written notice to the participating youth in a clear and developmentally appropriate manner that informs the participating youth of the county

department's intent to request that the court terminate the participating youth's voluntary services agreement with an explanation of the reasons; and

(II) Documentation of the county department's reasonable efforts to meet in person with the participating youth to explain the information in the written termination notice and to assist the participating youth in reestablishing eligibility if the participating youth wishes to continue to participate in the transition program.

(2) The court shall hold the emancipation discharge hearing pursuant to subsection (1)(c) of this section at least thirty-five days after receipt of the county department's motion to determine whether the participating youth still meets the eligibility requirements for the transition program, including substantially fulfilling the participating youth's obligations set forth in the participating youth's voluntary services agreement. If the participating youth no longer meets the requirements of the transition program and the county department has made reasonable but unsuccessful efforts to reengage the participating youth, then the court shall hold an emancipation discharge hearing to review the participating youth's emancipation transition plan and advise the participating youth as provided in section 19-7-310.
